

ORDER REGARDING MARKS OF JEFFERSON HIGHWAY PLACED ON THE SHORT LINE

IN COUNTIES OF KANSAS

We, H. A. Russell, Paul Russell, Marion Coulter and Dr. E. P. Hatfield being the duly elected and acting Vice President and Directors of the Jefferson Highway Association for the State of Kansas and as such having charge of all matters relating to said road and its registered marks in said state, finding that H. A. Shaffer, President of said Association and W. Nerton Stoffle, D. A. Glenn, F. W. Newman and Chas Wells who pretend to be directors of said Association for Kansas, have caused the registered marks of the Jefferson Highway to be placed on other roads in the counties of Crawford, Bourbon, Linn, Miami, Johnson and Wyandotte in the State of Kansas and have made application to the Secretary of the State of Kansas for a change of the routing of the Jefferson Highway from that originally filed.

And, finding that notwithstanding the Secretary of State did on June 28th, 1922 hear said application to change the route of the Jefferson Highway and to use the registered marks of said roads on road across Johnson, Miami, Linn and Bourbon counties known as Short Line and on a road extending from Fort Scott to Pittsburg, east of the registered line of the Jefferson Highway and did refuse to allow such application, said parties above named or others acting for them are still maintaining the Jefferson Highway marks and color combination on roads in said counties not authorized to use same, in clear violation of Law and are threatening to put up more of said Jefferson Highway marks on roads not authorized to use same.

We, therefore, order and direct the local Jefferson Highway Associations and their officers in the counties named to take such steps as may be necessary to have the Jefferson Highway marks removed from the road or roads where they have unlawfully placed and to prevent other Jefferson Highway marks from being placed on any other road than the Jefferson Highway as described in the registration application on file and recorded in the office of the Secretary of State.

We further request the road and other officers of said counties to take such action as may be necessary to remove said marks wherever they are unlawfully placed and maintained and to prevent other such marks from being unlawfully placed on any road in said counties. And we hereby authorize the local Jefferson Highway Associations to bring any actions in our names in their respective counties in order to remove said marks or prevent said marks from being placed or maintained on any road in said counties in violation of the Law.

This order made at a meeting of the Directors for Kansas of the Jefferson Highway Association held at Paola this 12th day of August, 1922.

(Signed) H. A. Russell,
Vice President for Kansas
