Certificates of Progress in Year's Work

The night school, which has been conducted in this school for the past five or six years, will close for this year next Monday evening, March 13. The classes have been held every Monday and Thursday evening since the beginning of this year's session last October. According to Mr. Williams, Charles Wintle, has been appointed director of the school, about eighty students will be given certificates of progress for this term's work.

Dragons Hold Second For Final Standing

Snodgrass Men Rank Next to Parsons Team With 667 Percentage; Columbus Third

Second place with a percentage of Two Star Pittsburg High Aces 667 is what the Purple Dragons of Land Berths on First and Pittsburg High finish their league basketball season with.

During the season the Snodgrassmen had a revamped lineup in nearly every game with the exception of a few. Max Maletz and Clarence Stephenson usually started at forwards; Nathan Newman at center: and Milford Brown and Dennis Noor at guards. Joe Cumisky replaced Stephenson very often as did Bill Morgan take Noor's position.

Pittsburg High has really had a very successful season considering the strong teams in the S. E. K. loop. Fort Scott and Columbus, both beaten by the Dragons twice, had exceptlost to Parsons by the narrom margin tionally strong teams and the former of one point.

The league champions, Parsons, had no easy time of winning their games. They had plenty of competition in Pittsburg and Fort Scott and had no set-ups with some of the others of the league.

The biggest mishap of the season was undoubtedly the Chanute High cagers victory over the Purple and White. Chanute won by the narrowmargin of 3 points after trailing until the last quarter.

Columbus finished one notch ahead of Fort Scott, although they did not
