GORILLA BOOSTERS

The individuals and clubs listed on this page have all contributed \$25.00 or more to the Athletic Scholarship Fund of Kansas State College. All of the local businesses with ads that appear in this program also contributed \$25.00 or more to the Scholarship Fund. Without this generous support the Athletic Program at KSC would not be as successful as it has been in the past. We hope you the fans will show your appreciation by patronizing these firms.

Tonight the Kansas State College of Pittsburg Gorillas play host to their rivals from across the way, the Hornets of the Kansas State College of Emporia. Last year Pittsburg handed Emporia a 26-21 defeat, one of Emporia's 3 losses compared to their 7 victories.

Coach Harold 'Bud' Elliott will have 31 returning lettermen, 18 of those starters back from last season's conference champions. Coach Elliott is looking forward to another successful campaign, aided by the return of his complete backfield with quarterbacking duties handled by Mike White.

Pittsburg will be trying to regain status after the opening the season with back to back losses. Showing great ability early in the season is Sophomore fullback, Randy Fruits. In Pittsburg's last home contest against Northwest Missouri State, Randy carried the pigskin 16 times while averaging 5.3 yards a carry. He also had one long gainer of 38 yards which contributed to setting up Pittsburg's first TD this season. The Gorillas should show good aggressive determination in tonight's home game.

GORILLA COACHING STAFF

Tom Lester, Head Coach
Joe Murphy, Line Coach
Bill Samuels, Backfield Coach
Alfred Ortolani, Trainer
Larry Bowden, Student Assistant
Bruce Graber, Student Assistant

HORNET COACHING STAFF

**Clean Energy
For Good Living...
It Keeps Us
On the Run**

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But - electricity is too valuable to waste. So please use it wisely.
