GORILLA BOOSTERS

The individuals and clubs listed on this page have all contributed \$25.00 or more to the Athletic Scholarship Fund of Kansas State College. All of the local businesses with ads that appear in this program also contributed \$25.00 or more to the Scholarship Fund. Without this generous support the Athletic Program at KSC would not be as successful as it has been in the past. We hope you the fans will show your appreciation by patronizing these firms.

Tonight's game marks the seventh meeting between the Kansas State College of Pittsburg Gorillas and the Indians of Southern Colorado State College. After being handed a 25-3 defeat last year in Pueblo, Colorado, Pittsburg will be looking for revenge for more than one reason. A victory would look real good right now for the Gorillas as they are after their second win in seven starts and their first conference victory in three starts. Plaguing the Gorilla offense thus far this year has been their inability to establish an effective ground attack. In their last four games, Pittsburg has only managed to accumulate 127 yards. As poor as this may seem, Larry Redmon who has been on the injured list for quite some time has accounted for 128 yards on 35 carries. An average of 3.6 yards a run.

A stand-out in the pass receiving department has to be Roscoe Newton. Roscoe has taken the pigskin 16 times and has advanced it 209 yards, one reception accounting for a touchdown. Dennis Harvey's punting ability has also helped Pittsburg out of some tight spots. Dennis is averaging 36.4 yards a punt and 8 punts a game. In their time of depression, the Gorillas need all the support possible from the fans and students.

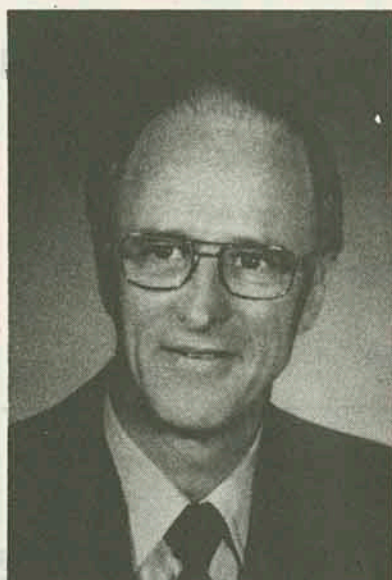

GORILLA COACHING STAFF

Tom Lester, Head Coach
Joe Murphy, Line Coach
Bill Samuels, Backfield Coach
Alfred Ortolani, Trainer
Larry Bowden, Student Assistant
Bruce Graber, Student Assistant

INDIAN COACHING STAFF

Joe Prater, Head Coach

**Clean Energy
For Good Living...
It Keeps Us
On the Run**

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But - electricity is too valuable to waste. So please use it wisely.
