GORILLA BOOSTERS

The individuals and clubs listed on this page have all contributed \$25.00 or more to the Athletic Scholarship Fund of Kansas State College. All of the local businesses with ads that appear in this program also contributed \$25.00 or more to the Scholarship Fund. Without this generous support the Athletic Program at KSC would not be as successful as it has been in the past. We hope you the fans will show your appreciation by patronizing these firms.

"WINNING SPIRIT"

With the installation of the 2:00 p.m. kickoff time due to the energy crisis, the Sports Information Department has created the "Winning Spirit" honor. This honor will be bestowed upon the organization which displays the most energetic enthusiasm at each home game. The honor will appear in the following week's football program with a short write-up about the winner. Every club and organization on KSCP's campus can participate. To be eligible, you must register with the Sports Information Department along with the displaying of your club's emblem or sign at the games.

"SUPPORT THE GORILLAS"

Today's game matches the Gorillas of Pittsburg against the University of Northern Iowa. Last year Pittsburg fell to their opponents, 13 to 0, in a rain soaked contest. Today the Gorillas look for a little better performance on drier turf.

All in all the Gorillas are looking with optimism towards the coming season. The disappointing 3-7 record of last season has been set aside and their new outlook is beaming through.

GORILLA COACHING STAFF

The Athletic Council appointed by the President is charged with the responsibility for carrying out the Athletic program of the College. They have many responsibilities such as stadium decorations, arrangements for concessions, tickets, seat reservations, press box, guards, half-time activities, etc.

Athletic Director Carnie Smith is chairman of the committee responsible for the Gorilla Booster and Richard I. Jacques is the editor. Refer publication matters to the Athletic Council. Phone 231-7000.

**Clean Energy
For Good Living...
It Keeps Us
On the Run**

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But - electricity is too valuable to waste. So please use it wisely.
