All of the local businesses with ads that appear in this program also contributed \$25.00 or more to the Scholarship Fund. Without this generous support the Athletic Program at KSC would not be as successful as it has been in the past. We hope you the fans will show your appreciation by patronizing these firms.

"Pittsburg is entering this gridiron contest today with a 2-0 conference record and a disappointing 2-6 overall record. The Bears from Northern Colorado are bringing with them a 3-0 conference record. The outcome of this game could decide the Great Plains Athletic Conference champions.

Pittsburg will be regrouping after a 24-13 setback at the hands of Missouri Southern College last Saturday. Not only did the Gorillas lose the game, they also lost three

valuable starters for the remainder of the season. Larry Weatherbie, defensive halfback, and Dan Grammer, an offensive tackle, both suffered broken legs. Defensive end starter Roger Newton will also be sidelined from play with a broken arm. Filling these positions will be an awesome task for Head Coach Tom Lester as he regrets the loss of these three very talented competitors.

The Red Machine did prove that it could score under the leadership of quarterback Dennis Harvey. Harvey has hit on 50 per cent of his passes in conference play for a total 138 yards. Larry Gilliland, after coming off a leg injury, is again clipping off yardage at a rate of 4.2 yards a run. The story of the return department can be summed up in two words, Bruce Cato. Cato has amazed the fans and opponents with his quick sprinting on kick-off returns. He has already returned two kick-offs for touchdowns, both from 93 yards out. At this pace of 45 yards an average return, Cato could set new records in the GPAC.

Not enough can be said about Pittsburg's strong defense. Weatherbie and Newton will be missed but the game will go on behind the leadership of linebackers Steve Simmons and Tim Anchors. You will usually find these two men in on every play possible. They like to hit the middle hard and close the gaps. Both the linebackers and the defensive backs will have to have a keen eye if they expect to stop passes and runs by UNC's quarterback Gerry Dattilio. Dattilio has broken many conference records and should pose a real threat for the Gorillas this Saturday.

KG&E people work full-time to be sure you have all the clean electric energy you need. Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But - electricity is too valuable to waste. So please use it wisely.
