Peacocks Tex.

Monday

We keep
going
as in 1930

Dear Quabell and Frank;
We got into Peacocks today
and will drive down to
El Paso in the morning.

Will stay there a day or
so and then to Phoenix.

These pictures which you can
write us and tomorrow
mail - especially the Guardian
to Mr. Del. Phoenix. We
will probably stay there
for some time, as it is
probably the same season
in Calif. Weather here is fine
a little hot in fact. I
can tell you what a dramatic
and stirring picture the
Mapes of Death is. You could
feel great waves of emotion
run over the audience.
It is undoubtedly parallel
to those Tombs which in its
day. Of course, I would love

staged it differently if they
had checked it to me. But
nevertheless it is a great epoch
making picture. One little
noticeable error is that you
says Pa and Ma as in
New England - and not
the brood a sound as it
is in New York, and
Ohio. We will write
you more from
Phoenicia. With love
Deep see best. The & J
