Tonight the Kansas State College of Pittsburg Gorillas play their second home game of 1976, hosting the Southwest Missouri State Bears, with hopes of improving on their 0-1 record this season.

Last weekend the Gorillas fell prey to the Northwest Missouri State Bearcats 24-0 at Brandenburg Stadium while the Bears soundly defeated Emporia Kansas State College Hornets 28-0 in their home opener.

The Bears have won the last two encounters against the Gorillas winning 26-3 in 1974 and 21-8 in 1975, defeats that KSCP Head Coach Ron Randleman hopes to reverse.

Randelman expects greater offensive consistency from the Gorillas than was shown last week and an improvement by the special teams. He also is looking for another big effort from the Gorilla defensive unit, which held last week's opponents to a total of 187 yards.

For the Bears, Fullback, Gino Travline, halfback Fred Ford, senior quarterback Stan Wallace and junior Tom Hamilton are among the leaders to watch.

Clean Energy For Good Living... It Keeps Us On the Run

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment... generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But — electricity is too valuable to waste. So please use it wisely.
