Tonight's game features the Pittsburg State University Gorillas and the Missouri Western State College Griffons. Pitt State enters the contest looking for its first win of the season. The Gorillas are 0-4 overall and 0-1 in conference play. Missouri Western brings a perfect 4-0 mark into the game, including an impressive 25-22 victory in its first conference game last week against the defending Central States Intercollegiate Conference Champions, the Fort Hays State University Tigers.

Two freshmen have turned in fine performances in recent weeks for the Gorillas. Reserve Tailback Richard Overton has led the team in rushing in his last two ballgames. Overton has 44 carries for 168 yards this season. Kicker Brian Shipley scored Pitt State's only points last week on a 60-yard field goal. His kick, which is the longest reported by a NAIA school this season, also broke the Pitt State all-time record of 56 yards set by Mike Matthews in 1974.

The Griffons are led by Bill Johnson, a senior quarterback. Johnson has six touchdown passes and has averaged 170 yards through the air per game. Tony Dickinson at Tailback is Johnson's favorite receiver having caught 17 passes for 286 yards and four touchdowns. Kinney Redding, a 6'5'' 265 lb. defensive tackle, leads the Griffon defense. A definite pro prospect, he has 48 tackles, four quarterback sacks, and three fumble recoveries in only four ballgames.

#### Clean Energy For Good Living... It Keeps Us On the Run

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But – electricity is too valuable to waste. So please use it wisely.

#### **Pittsburg State President Welcomes You**

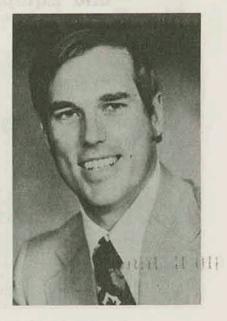

James B. Appleberry

Welcome to the 1977 football season at Pittsburg State University! I congratulate you on your enthusiasm and thank you for coming. I hope you will take the opportunity to visit the campus often, so that we can become better acquainted.

You have been generous with your support in the past, and we ask for your continued support in the future. Everyone likes a winning team, but it's difficult to know which comes first—a winning team or good crowd support. So, let's show the Gorillas we are behind them. Come back again—and cheer *your* team to victory!

#### **1977** Athletic Scholarship Drive

The General Athletic Scholarship Drive is the principal fund raising mechanism for the men's athletic program at Pittsburg State University. All monies raised are used to provide tuition scholarships for deserving student athletes at Pittsburg State University. Community support is essential to the conduct of athletic programs at Pittsburg State University.

The 1977 drive raised approximately \$25,000.00. During the past two years the amount of money contributed has increased by 75%. The drive now pays a major portion of the scholarship costs for men's athletics. Community leadership is the primary ingredient in the success of the drive. *Wayne Allai* served as overall drive chairman during 1977 with *Maynard Angwin* and *J.B. Towner* serving as advance gift co-chairmen. These men are successful business and professional leaders in the community and their service to the institution is appreciated by all concerned. All are graduates of Pittsburg State.

#### **Football Lettermen's Association**

#### **Purpose:**

Promoting Pittsburg State Football Objectives:

- 1. Financial Assistance
- 2. Recruiting Assistance
- 3. Maintain Contact with PittState Football
- 4. Opportunity to meet present players and continue close relationships with former teammates
- 5. Recognize outstanding achievement by present players and Alumni

Our first project will be to honor 1957 team and coaches at Homecoming 1977.

A program on the move—1976 initiated a new era in football at Pittsburg State University. Under the new leadership of Dr. Bill A. Dickey —Athletic Director, David Suenram—Men's Coordinator, and Ron Randleman—Head Football Coach, PittState is dedicated to rebuilding the once powerful football program. Carnie Smith's NAIA National Championship teams of 1957-1961 are gone but not forgotten, and there is a feeling of new enthusiasm for Gorilla Football across the campus and community.

Progress is being made. Coach Randleman's first Gorilla team was small and inexperienced with only 55 players and 15 lettermen, but the team played with great enthusiasm in compiling a 3-5-1 record. Pitt-State finished as the number one defense in the conference, allowing just 209 yards per game and the offense ranked number four in the conference stats with 304 yards per game.

Championship football is our goal. We will settle for nothing less. But, we need the help and support of former players and other persons interested in Gorilla football to revive our football fortunes.

An executive committee has been formed. We have adopted ambitious goals for 1977-78: 150 members and \$15,000 in gifts. But these are goals we can easily reach if you will help. We need your support now. Won't you consider making a gift this year to support Gorilla Football? Savings Invested With Us Helps To Build A Better Pittsburg
