Tonight's Pitt State Gorilla home opener with the University of Missouri-Rolla Miners also marks PSU's annual observance of Area School Night honoring numerous guests from area high schools in the University's major service area. The Gorillas are 1-1 so far for the season and the Miners are 1-1, but the Missourians had last weekend off while Pitt State battled a determined Southwest Missouri State in a tough 41-37 loss at Springfield.

Rolla was 8-3 last year while winning third place in the Missouri Intercollegiate Athletic Association conference. Eight starters return from the good defensive team of 1978, including all-MIAA performer Kevin Wolf, a senior linebacker.

The Missouri offense was hard hit by graduation and Head Coach Charles Finley is reestablishing a relatively new crew in that department for this year's challenging season. Last year the Rolla Miners beat Pitt State 38-21 at Rolla.

Pittsburg State President Welcomes You

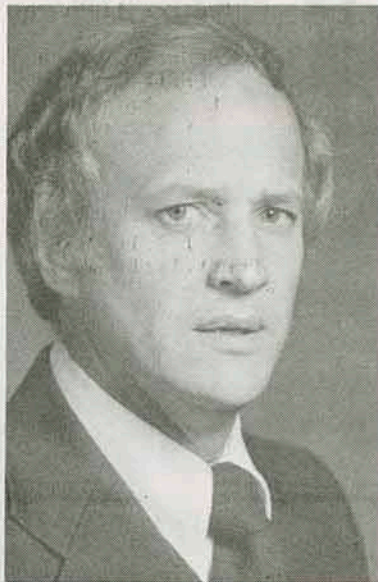

James B. Appleberry

Welcome to Pittsburg State University, Brandenburg Stadium and Gorilla Football 1979! Ron Randleman, now in his fourth year as head coach, the coaching staff and our fine young men in red and gold appreciate your support.

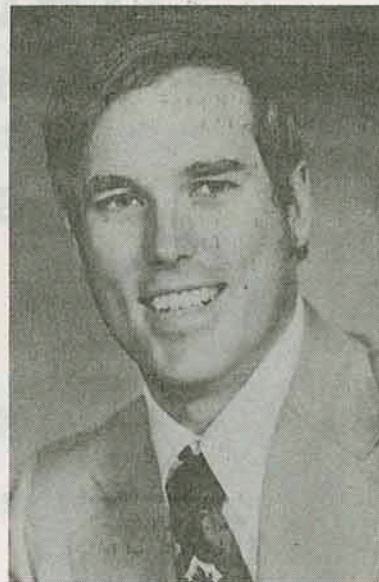

While the Gorillas and their opponents wage the contest on the field, let's share our enthusiasm and cheers with them. Let's really show them how proud we are of their performance and our entire intercollegiate sports program at P.S.U. Our football team as well as the other men's and women's squads offer a great deal to the athletes, the University and our loyal supporters.

Enjoy yourselves and our great football team!

Clean Energy For Good Living... It Keeps Us On the Run

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But — electricity is too valuable to waste. So please use it wisely.

1979 Athletic Scholarship Drive

The General Athletic Scholarship Drive is the principal fund raising mechanism for the men's athletic program at Pittsburg State University. All monies raised are used to provide tuition scholarships for deserving student athletes at Pittsburg State University. Community support is essential to the conduct of athletic programs at Pittsburg State University.

The 1979 drive raised approximately \$30,000.00. During the past three years the amount of money contributed has increased by 75%. The drive now pays a major portion of the scholarship costs for men's athletics. Community leadership is the primary ingredient in the success of the drive. **Wayne Allai** served as overall drive chairman during 1979 with **Jim Bishop** and **J. B. Towner** serving as advance gift co-chairmen. These men are successful business and professional leaders in the community and their service to the institution is appreciated by all concerned. All are graduates of Pittsburg State.

Pittsburg State University Athletics

Pittsburg State University has a rich tradition in varsity athletics. The men's program has had great success at the conference and national-level and the recently established women's program is improving rapidly and in certain sports programs the women have developed into a state power.

The Athletic programs at Pittsburg State University have received good support from the city of Pittsburg and the surrounding area. The Pittsburg State University Athletic Department will produce teams that are exciting to watch and will earn the support shown for them. Your attendance at any or all home contests is greatly appreciated.

Gorilla Spotlight

RICHARD OVERTON

One of the bright spots for the Gorillas this season, has been the clutch running of running back, Richard Overton, who was selected as this week's offensive player of the week by the PSU coaching staff. In two games for PSU this season, Overton has averaged 92.5 per game and has scored three touchdowns. Last week against SMS, Overton rushed for 91 yards on 26 carries and two touchdowns.

Going into this season, he had gained 1500 yards on the ground over a two year span for the Gorillas. Richard's best year was his freshmen year, when he was voted the team's most valuable player. In that year, he gained 850 yards on just 179 attempts. Last season, he rushed for 648 yards, but more importantly, scored 11 touchdowns.

BRETT HOLTOM

Another bright spot for the Gorillas this season has been the key defensive play of Brett Holtom. Holtom, named this week's defensive player of the week, a 6'0", 195 pound defensive back from Topeka, Ks., is only a sophomore, but started the last seven games of the season a year ago. He is a Business Administration major at PSU.

Holtom had a very big game against SMS also. In that game, he was in on 13 tackles, three of which were unassisted, he recovered one fumble, broke up one pass, and intercepted another which set up a PSU touchdown. This was Brett's second fine defensive performance of the season, as he was in on 11 tackles in the NMS game, with five of those being unassisted.

1979 Cumulative Football Statistics

	PITT STATE	OPPONENTS

**PROVEN:
25% SHARPER COLOR PICTURE
THAN EVER BEFORE POSSIBLE.**

**NEW
MAGNAVOX
TOUCH-TUNE
TELEVISION.**

**MORE LINES OF RESOLUTION
MAKE THE DIFFERENCE.**

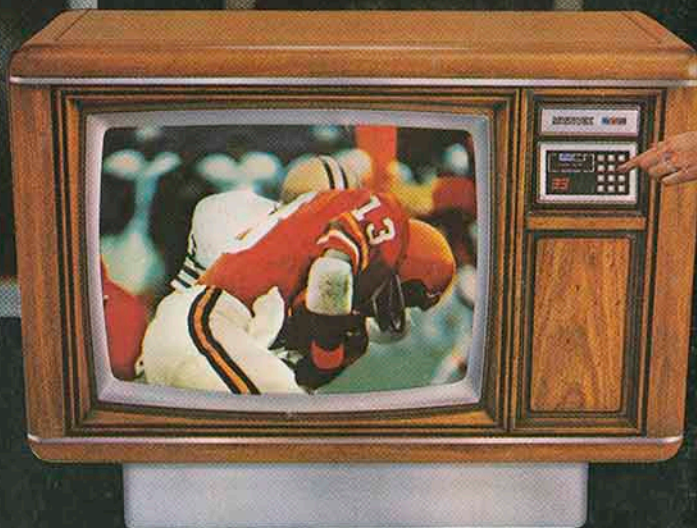

Lines of resolution determine how sharp your color TV picture will be. The more lines, the sharper the picture. And Magnavox has more lines than ever before possible.

Ordinary color TV pictures have 260 lines. Magnavox Computer Color 330 delivers 330 lines. That's 25% more lines of resolution for Magnavox. That means Magnavox has a 25% sharper, crisper, clearer color picture.

For documentation of this fact, please write:
Magnavox, Dept. 700, Fort Wayne, IN. 46804

**NEW MAGNAVOX TOUCH-TUNE
TELEVISION ALSO GIVES YOU:**

- ☐ Computer Touch-Tuning... for ease and exactness.
 - ☐ Computer Designed Chassis... for reliability and performance.
 - ☐ Improved Sound... for greater realism.
- And Magnavox is cable-ready for 20 cable channels without a converter... to save you time and money.
