Attendance Survey

In order to get a profile of those attending our productions, we would like our patrons to fill out this form each time they attend during the summer. We are interested in learning more about the geographic locations, age levels, theatre interests, and attendance patterns of our patrons.

This information will help us to better serve the four-state region by aiding us in planning our summer programs in the future.

You may either give the completed questionnaire to an usher or drop it in the receptacle near the lobby door as you leave. Thank you for your cooperation, and we hope you enjoy the show.
