ABOUT THETA ALPHA PHI

Theta Alpha Phi is an honorary organization pledged to serve the theatre in many ways. Theta members enjoy both the educational and cultural benefits of working together in a group with common interests.

The year's activities include homecoming projects, the theatrical production you will see tonight, assistance with other PSU theatre productions, a spring awards banquet, and the annual national Theta convention attended by the executive committee.

Anyone who has an interest in theatre and who is of undergraduate standing may pledge membership to Theta Alpha Phi regardless of academic major or minor. Pledges earn active standing in several ways: theatre classes, projects, individual work, and aid or performance in theatre productions.

Anyone interested in pledging membership to Theta Alpha Phi should contact one of the officers identified on this program.
