Today's Parents' Day game pits the nationally ranked Pittsburg State Gorillas against the Missouri Western Griffons, 3-3 in CSIC and 5-4 overall. The Gorillas are 5-1 in the conference and 6-2 overall.

Key players for the Griffons are #8 Joe Holder, conference total offense leader with 164.3 yards per game and third in the CSIC in passing with 133 yards per game.

In the backfield, the Griffons are led by #25 Dan Jacks, who is averaging 55.6 yards per game on the ground. Holder's favorite receiver is #81 Rod Northway, who is sixth in the CSIC in pass receiving with a 48.7 average.

The Gorillas are led by senior quarterback Nick Motosko who is averaging 127.1 yards in total offense and 118.2 yards per game passing. Motosko is one of 20 seniors on the 1982 Gorilla squad who are playing their last home contest.

# Pittsburg State Welcomes You

**James B. Appleberry**

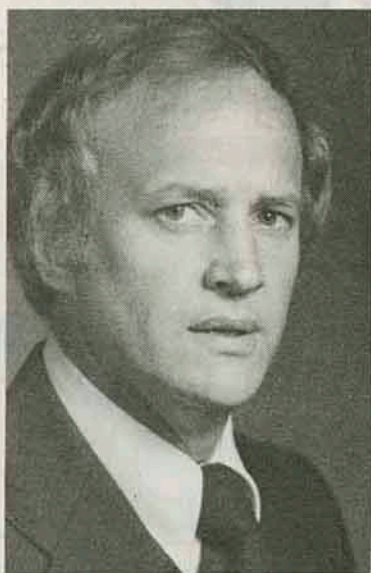

Welcome to Pittsburg State University. Football is an exciting part of our fall activities, and we are glad you joined us for this game.

The PSU Gorillas have a tradition of championship football dating back to 1908. Last year, the Gorillas finished number two in the NAIA! The pride in that accomplishment continues for the team and fans. New players and coaches have joined with the returning members of the team to continue an outstanding program this season.

We hope you share the enthusiasm of the 1982 Gorillas, their new head coach Bruce Polen and his staff. Football and all the other men's and women's intercollegiate sports add another enjoyable dimension to the activities at Pittsburg State University. Our student athletes are an important part of the traditions at Pittsburg State.

Enjoy yourself, and return often.

# Athletic Scholarship Drive

The General Athletic Scholarship Drive is the principal fund raising mechanism for the athletic program at Pittsburg State University. All monies raised are used to provide tuition scholarships for deserving student athletes at Pittsburg State University. Community support is essential to the conduct of athletic programs at Pittsburg State University.

The 1982 drive raised approximately \$40,000. During the past six years the amount of money contributed has increased over 100%. Community leadership is the primary ingredient in the success of the drive. **Wayne Allai** served as overall drive chairman during 1980 with **Jim Bishop** and **John Ewing** serving as advance gift cochairmen. These men are successful business and professional leaders in the community and their service to the institution is appreciated by all concerned. All are graduates of Pittsburg State.

# Pittsburg State University Athletics

Pittsburg State University has a rich tradition in varsity athletics. The men's and women's programs have enjoyed success at the conference, district, and national levels.

The athletic programs at Pittsburg State have received good support from the city of Pittsburg and the surrounding area. The Pittsburg University Athletic Department will produce quality teams that are exciting to watch and will earn the support given to them. Your attendance at any or all home contests is appreciated.

## Central States Intercollegiate Conference

The CSIC was formed in 1976-77 after the break-up of the Great Plains Athletic Conference. Ft. Hays, Pittsburg, Emporia, Washburn, and Kearney were members of the GPAC. Wayne State, Missouri Western, and Missouri Southern were added to form the new conference. All members have a national affiliation with the NAIA.

In the six years of its existence the CSIC has proven to be one of the strongest athletic conferences within the NAIA structure. During the 1981-82 school year several athletic teams from CSIC schools ranked among the top ten in NAIA National Competition. This included a second place national finish by the Pitt State football squad and a seventh place finish in men's outdoor track. The 1982 school year promises to be another outstanding year for conference schools at the national level.

## **Clean Energy For Good Living... It Keeps Us On the Run**

KG&E people work full-time to be sure you have all the clean electric energy you need.

Add to that millions of dollars invested in new equipment . . . generators, lines, pollution control equipment. It adds up to a big job.

The payoff? There's plenty of power for people in southeast and southcentral Kansas. But — electricity is too valuable to waste. So please use it wisely.

# USA-1 **CHEVROLET**

# TAKING CHARGE

This year, we at Chevrolet are going to prove something very important.

We're going to prove that your faith in American ingenuity, technology and skill has not been misplaced.

In the coming months, you'll see that proof in places you may not have checked lately. In our Chevrolet products.

Take a good hard look, this year especially.

You'll discover a Chevrolet that's much more than simply number one in sales.

You'll discover a Chevrolet that's taking charge in providing better, more exciting, affordable products.

Chevrolets built with higher-quality design and assembly procedures.

Chevrolets built with more state-of-the-art production techniques.

Chevrolets with the most advanced automotive technology ever in our history.

Whether or not we become *your* next new car, we want to make you proud that we are *America's* car.

We *are* USA-1. And USA-1 is taking charge.
