# IF ALL THOSE FOND MEMORIES OF K. S. T. C.

(DEDICATED TO DR. WILLIAM A. BRANDENBURG)

IRISH AIR

BELLE PROVORSE

In south-east-ern Kan-see where skies are true blue and the sun-sets are gor-geous-ly  
 The joy and the strife and the vic-tor - les won in the Gym and on Bran-den-burg  
 If all those fond mem-ories of K. S. T. C. are in-scribed in the Great Book of  
 Hued. Field. Life.

Where the Autumn reveals nature's col-ors so grand and the slow wind-ing streams gently flow.  
 It is here that her students a-lum-ni and friends pay their hon-ors to fac-ul-ty strength.  
 When the last rays of sunshine sink low in the West, the crim-son and gold will ap-pear.

In such beauty is found Alce Na-ter which boasts of but one cul-ter rule which she has  
 From the dawn of her birth and as pre-cious to- day we live a - for and o - ver a -  
 Though mine eyes bath grows dim and near voices are faint yet a mur-mur-ing lu-lu-a-by.

Always do what you think to be proper and right and you've followed the rule of the School.  
 A tra - sition so quaint known as apple Day Fine to the founders of K. S. T. C.  
 Softly beck-ons me 'on with a sweet mel-o-dy to the loved ones I always hold dear.

Kar Collee
