Dr. O. P. Dellinger,
Kansas State Teachers College,
Pittsburg, Kansas.

Dear Dr. Dellinger:--

I have your letter of January 7th. From other mutual friends I have been hearing of the Silver Jubilee which your Committee is planning to hold for Dr. W. A. Brandenburg. I have told them all, as I now find it my unpleasant duty to tell you, that the pressure of official business here makes it impossible for me to run out to Kansas for that occasion though I would very much like to do so. I have been proud to count Dr. Brandenburg among my very best friends and know of the outstanding and constructive work he has done at the State Teachers College. I am deeply appreciative of your thinking of me as the speaker at the exercises on Friday morning, March 18th and sincerely regret I cannot accept.

I trust this finds you well and happy. May the New Year be full of continued success for the Pittsburg State Teachers College.

Cordially yours,

Arthur Capper
