Meeting was called to order by Dr. O.P. Dellinger, Chairman.

For the benefit of members who were not present at the previous meeting of the Committee, the Chairman stated the purpose and objectives of this Committee.

He then asked if there were other groups which should be represented in the Committee. It was suggested that the City Commission should be represented perhaps by the Mayor.

Motion that the week of March 14th to 19th be selected as the date of the Anniversary Program provided it is found that there are no conflicting engagements which would take the President away from town or make it embarrassing in case he should have to make cancellations, approved.

The Chairman commended the work of the sub-committee and suggested that we should probably have the committees on publicity, program, finance, invitation, and memorial appointed at the earliest possible date.

Motion that a committee on nomination of committees be appointed by the chair consisting of the chairman of this committee as chairman of the nominating committee with 5 other representatives carried.

Meeting adjourned.
