PSU alumnus, Ted Watts of Oswego, Kansas has literally painted his way into the forefront of American illustrations with a no-nonsense approach to his favorite subject . . . sports.

His client list includes the U.S. Olympic Committee, the National Collegiate Athletic Association, and over 140 college and university clients from coast to coast. His works hang in the Baseball Hall of Fame, Basketball Hall of Fame, Pro Football Hall of Fame, College Football Hall of Fame, and the USA Wrestling Hall of Fame.

Watts earned a Bachelor of Fine Arts degree from PSU in 1966. He was named an "Outstanding Young Alumnus" in 1976 as recognition for his art accomplishments. It's no wonder that Sports Illustrated's Douglas Looney said "On college campuses, Ted Watts is easily the best known sports artist in the land . . .", in his June 2, 1980 profile of the Kansan.

Those of us associated with PSU football feel very fortunate to have a friend such as Ted Watts design our annual football posters and the cover of our program. Thank you, Ted Watts.

HISTORY OF THE GORILLA

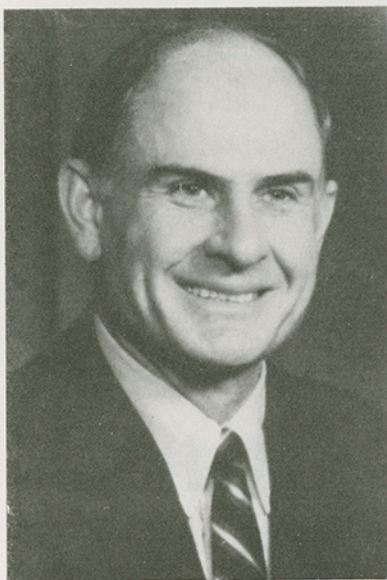

The Pittsburg State University Gorilla, one of the most unusual mascots in American higher education, was conceived in 1920 by a group of young men dissatisfied with the state of school spirit. Twenty-four students, under the leadership of Harold "Babe" Alyea, organized themselves as the "Gorillas" in order to "accelerate college spirit and enthusiasm until it shall permeate the state."

Thereafter, the Gorillas (a twenties slang term for roughnecks) sponsored pep rallies, picnics, freshman hazings, shoe "sails", special trains to athletic events, mock burials and weddings and night shirt stampedes through Pittsburg. Membership quickly grew to a hundred.

In 1923 the Gorillas had art student Helen Waskey make a drawing of the Gorilla. Two years later, they offered their symbol as its official mascot. On January 15, 1925,

the student body unanimously adopted the "ferocious beast...as a name and synonym for the athletic teams."

Through the years the Gorilla's depiction became less and less ferocious and more and more loveable until 1952 when the names Gus and Gussie were given to a pair of amiable primates. During the summer of 1980, Ted Watts, set about to recreate the original ferocity of the mascot. On Friday evening, September 5, 1980, Watts signed a limited edition of five hundred lithographs of his painting of the Pittsburg State University Gorilla, commissioned by the Alumni Association. For the first time in almost thirty years the Gorilla was once again virile and dynamic, a symbol of strength and power. (Special thanks to Gene DeGrusen, "A Brief History of the Pittsburg State University Gorilla")

Dr. Donald Wilson President

Dr. Wilson became Pitt State's sixth President and eighth Executive Officer on December 1, 1983. His educational philosophy is based on the belief that colleges and universities should develop the entire person: mentally, physically, aesthetically and spiritually. Under his tutelage, PSU has begun a new challenge. The "Campaign for Distinction" is a multi-million dollar fundraising drive to enhance all areas of Pittsburg State.

Before serving as President at Pitt State he served as President at Southampton College of New York and Castleton State College of Vermont. He also served as Academic Dean at Olivet College of Michigan and Dean of Applied Arts at Ontario College of Ontario, Canada. Dr. Wilson also has ten years of additional experience as an educator, administrator and coach.

Dr. Wilson earned his B.A. from Southern College of Collegedale, Tennessee, his M.A. from Andrews University of Michigan, and his Ph.D. from Michigan State University. He has traveled in 46 countries; lived in five foreign countries; has speaking or reading knowledge of six different foreign languages; and was born in Poona, India.

David Suenram Athletic Director

David Suenram became Athletic Director at PSU in 1983. He also served as the head track and cross country coach until last summer when he left his track position, to devote more time to administrative duties. Suenram received his BS degree from Pittsburg State University in 1956 and his MS from PSU in 1959. In addition, he has done graduate work at Northern Illinois and Indiana University.

Since his return in 1967, Suenram's teams have dominated District X and conference competition as well as having good showings at the national meets. The track team has won the last six conference meets and finished sixth in the nationals in 1986. The tracksters also can boast two national indoor champions in 1985. His x-country teams have not been defeated in district competition since 1980 and have won conference titles the last three years.

Dennis Franchione Head Football Coach

Dennis Franchione-Head Coach

After an 8-2 overall record, a Central States Intercollegiate Conference Championship, a trip to the NAIA national playoffs and a CSIC Coach of the year honor in his first season, what will Dennis Franchione do for an encore?

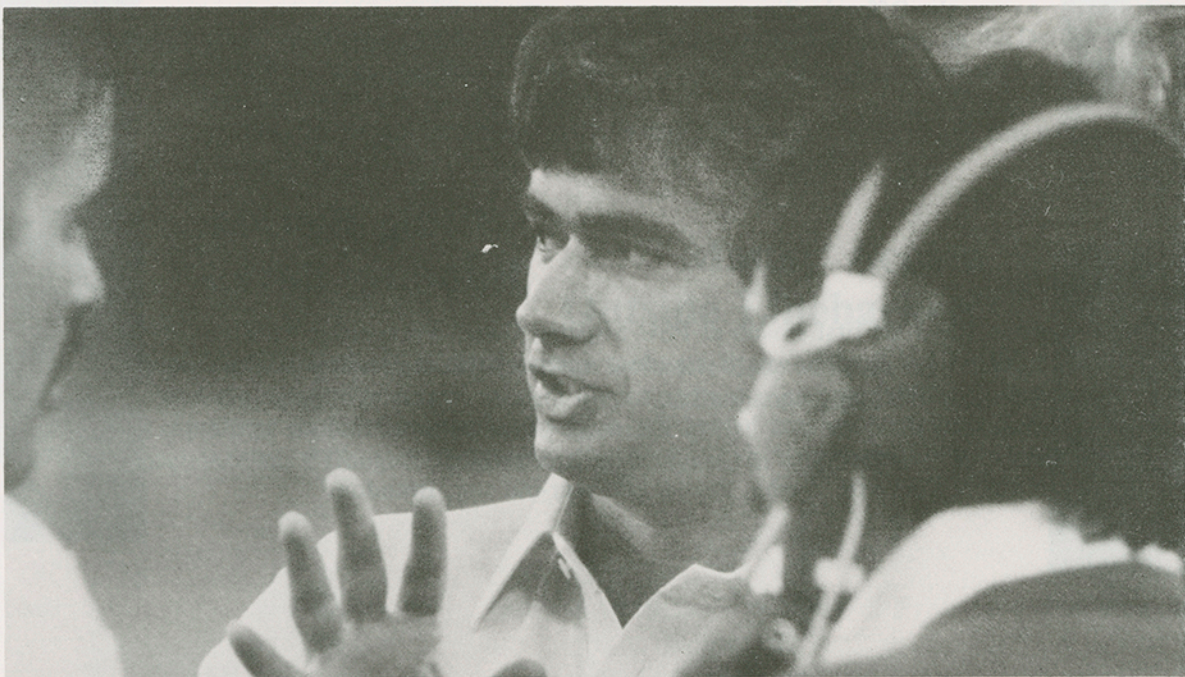

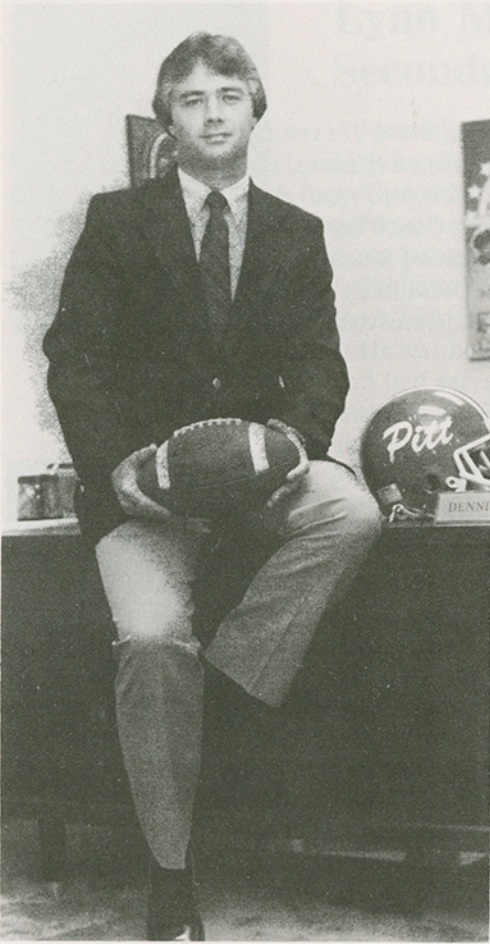

Franchione took a team laden with young players and guided them to Pittsburg State's fourth CSIC title and its first since 1981. But then, titles are nothing new for Franchione.

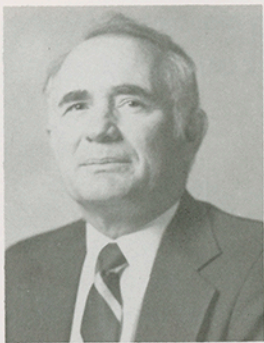

The native of Cherokee, Kansas, took Southwestern College to the KCAC title in 1982 with a 9-2 record. For his efforts, Franchione was named KCAC and NAIA District 10 Coach of the Year, and his two-year record at Southwestern was 14-4-2.

He then accepted a position with Tennessee Tech University as its offensive coordinator for two seasons prior to becoming the Gorilla mentor.

His other college coaching experience includes a three-year stint as an assistant coach at Kansas State University from 1978 to 1981. Franchione was receiver coach and was an administrative assistant in charge of Kansas and Kansas City area recruiting.

His high school coaching experience includes two years at Peabody (KS) High School, 1976-77; Mulvane (KS) High School, 1975 and Miller (MO) High School, 1973-74.

Bill Samuels **Offensive Line**

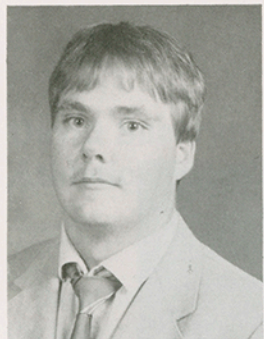

Coach Samuels is a 1958 and 1964 graduate of Pittsburg State. He returned to Pitt State in 1967 after a three year coaching stint at Riverton (Kansas) High School. His many notable performances during the 1957 NAIA football championship won acclaim for both himself and the University. Coach Samuels will coach the offensive linemen this season as well as help coach Franchione with the implementation of the offensive philosophy. Through Samuels' career at Pitt State his coaching responsibilities have included: the defensive secondary, receivers, offensive backs and specialty teams.

Jon Stammers **Wide Receivers**

Jon Stammers enters his second year at PSU, again coaching receivers. Stammers began his coaching career in 1981 at Mercy High School in St. Louis. His 1982-83 seasons were spent in St. James and his 1985 year at Monett, both in Missouri. Stammers was a PSU Graduate Assistant in 1984.

A 1980 Benedictine College grad, coach Stammers received an MA from PSU in 1985 and received a Strength and Conditioning Specialist Degree this summer.

Stammers, a St. James, Missouri native, is single.

Mike Cawthon **Assistant Line**

Mike begins his second season at Pitt State, again assisting Coach Samuels on the Offensive line.

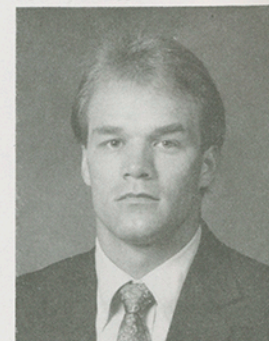

Coach Cawthon was a lineman at Northwest Missouri State and graduated from there in 1985. Cawthon is presently working on his Master's Degree at Pitt State.

Craig Benson **Running Backs**

Benson starts his first season at PSU assisting Coach Franchione with the offensive backs. Benson was a standout quarterback at Panhandle State University in Oklahoma.

Benson ran the Veer and helped the Aggies to a national-ranking and a Sunflower Bowl victory.

Benson and his wife, Lesha, have a two year-old son, Brandon.

1986 CAPTAINS

Lynn Meredith Secondary

Meredith comes to Pittsburg State from Highland Park High School in Topeka, Kansas, where he was head coach last season.

The native of Manhattan, Kansas, had served as assistant head coach and defensive coordinator at Panhandle State University for three seasons prior to being named coach at Highland Park.

While at Panhandle State, Meredith's defenses were rated in the top five in the NAIA three times.

He was head coach at Washington (KS) High School during the 1981 season and had served as a graduate and part-time assistant coach at Kansas State with Dennis Franchione. Meredith helped the varsity and junior varsity teams and coordinated KSU recruiting in Manhattan.

Jerry Kill Linebackers

Jerry Kill enters his second year at Pitt State again coaching linebackers and as Defensive Coordinator.

A former linebacker at Southwestern under Coach Franchione, Kill graduated in 1982. After spending 1983 as a graduate assistant at SC, Jerry coached defense at Midwest High School in Oklahoma City.

Coach Kill, a Cheney, Kansas native, is married to the former Rebecca Smith of Liberal.

Anton Stewart Defensive Line

Coach Stewart begins his second year at Pittsburg State coaching the Defensive line. Anton was an All-American offensive lineman at Southwestern College during Coach Franchione's tenure.

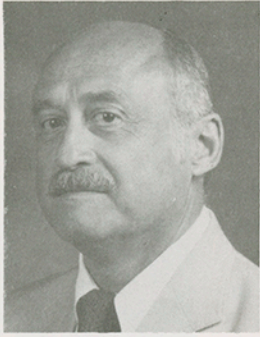

Anton, a Bristol, Virginia native, is single and will earn his degree this year.

Manny Acosta Outside Linebackers

Manny Acosta, a two-time All-American Defensive End, will start his college coaching career this season. Acosta played at Panhandle State and was team captain of their nationally ranked defenses.

Coach Acosta, a Douglas, Arizona native, graduated in May, 1986.

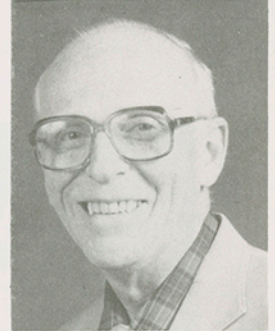

Al Ortolani **Head Trainer**

Al Ortolani has been a permanent fixture at PSU since his days as a student starting in 1948. Al graduated in 1954 and became PSU's trainer in 1955. Sprinkled in his years as Head Trainer, was a Head Baseball coaching stint from 1962-1966.

Al is well-known in the U.S. for his expertise with athletic injury rehabilitation and has been involved with many swim teams on the National and International levels.

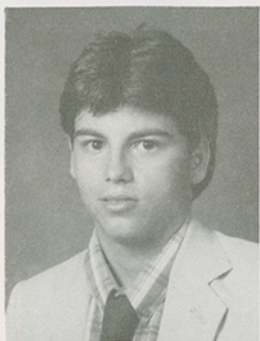

Dr. David Kendall **Academic Counselor**

Pittsburg State University Athletic teams are very fortunate to enlist the services of Dr. Kendall. Very few schools the size of Pitt State have a full-time academic advisor. Dr. Kendall provides study hall assignments, tutoring service, grade monitoring, and scheduling services to all PSU athletes. Dr. Kendall's office is located in the Weede building directly adjacent to all athletic coaches' offices and is always available to athletes.

John Johnson **Strength Coach**

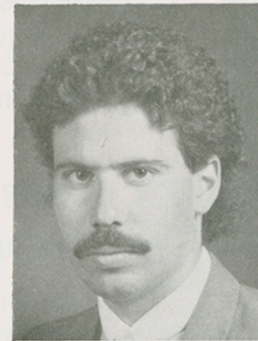

The football Gorillas are very fortunate to employ the services of J.J. as their strength coach. Coach Johnson brings vast knowledge, practical experience, dedication, and enthusiasm to the quest for bigger, faster, and stronger athletes. John is a native of Pittsburg and attended PSU and Fort Scott Junior College. Coach Johnson is in the process of publishing a book on strength and conditioning which will be out this Fall.

In the final game on the 1986 schedule, the Pittsburg State Gorillas host the Langston University Lions. The Gorillas, still the top-ranked team in NAIA Division I, are 9-0 this season, while Langston University, another NAIA Division I team, is 2-6 this season.

As the only undefeated team in NAIA Division I, the Gorillas will be trying for a win to establish themselves as the first undefeated regular season PSU team since 1961. The Gorillas have had only three undefeated teams in the University's history. In 1961 and 1957 the teams were 11-0, while in 1943 the team finished 6-0.

Pitt State captured its second consecutive and fifth Central States Intercollegiate Conference (CSIC) Championship on Nov. 8 by defeating Missouri Western, 38 to 16, at home. The Gorillas continued with their tough rushing defense by allowing Mo. Western 33 rushing yards and allowed 173 passing yards. Monte Weathers finished as the leading rusher with 158 yards in 15 carries and scored three touchdowns, while Gene Stegeman had 103 yards rushing and 98 yards passing. Bruce Stancell scored the other two touchdowns for Pitt State.

Meanwhile, Langston University was hosting Southwestern. The Lions lost 38 to 6 with its only touchdown coming with three minutes left in the half on a run by Quarterback Steven Gilbert. Paul White had 120 yards in 17 carries of the Lions' 157 yards rushing in 38 carries. The Lions had 2 of 18 passes completed with three interceptions for 19 yards.

Today's game will conclude both team's schedules and will also be the first time the teams have ever played each other. The Lions will have to overcome a ten-game winning streak in regular season games at Brandenburg Stadium that the Gorillas hold along with 15 consecutive regular season wins.

The Pitt State Gorillas would like to extend a special welcome to the residents of Fort Scott who are being honored at today's game, and thank the fans for their tremendous support this season.

Athletic Fund Drive

1986 was a significant year for the athletic fund drive. For the first time, the athletic fund drive was conducted from the University Development Office under the leadership of Grady Smoot in conjunction with the athletic department. A new format for the drive involved dividing fifty community volunteers into five member teams, each with a team captain. The teams were in competition with one another for the honor of raising the most dollars for Pittsburg State Athletics. The result was an all time high in athletic fund raising at Pittsburg State University.

Direct contributions, the establishing or increasing of endowed funds and in-kind giving came to almost \$100,000 in the past year. These funds are very important to the success of the Pittsburg State Athletic Department.

The overall drive chairman for 1986 was George Pitzer. Team captains were Gary Cinotto, Wayne Allai, Tim Biggs, Jim Bishop, Merle Clark, Harry Cuendet, Craig Currier, Joe Hart, Glenn Hough and Bill Wachter.

Gary Cinotto was the team captain of the winning team. Team members were George Pitzer, Wayne Davenport, Mim Ward and Jack Bache. These men have been designated "Number One Gorillas" for the 1986-87 school year.

Senior Spotlight

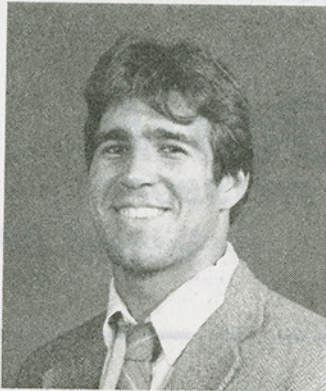

Steve David

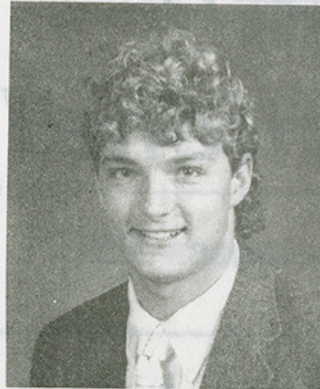

Mark Lentz

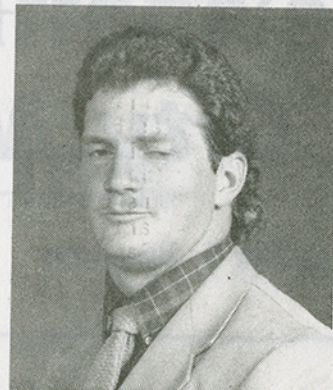

Rodney LeWallen

Lee Meyers

Robin Mika

Bruce Stancell

As the 1986 regular season draws to a close, 14 seniors may be playing in their last game at Brandenburg Field. Six of those seniors are featured this week.

Steve David is a four-year letterwinner and defensive end. Last season he was named honorable mention All-American, and this season he is one of the top tacklers on the team. "Steve is a very talented athlete and has played especially well in 1986. He plays very team oriented defense in rushing and also is a great passing defensive player," Franchione said.

Mark Lentz is the other defensive end for the Gorillas. He transferred to Pitt State and has received one letter in football. Franchione says that Mark is a steady, reliable football player who has played very well this year and has earned the respect of all the coaches and other players.

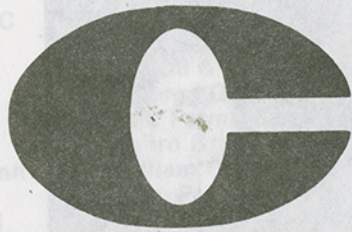

Rodney LeWallen, a running back, is another player who played his entire collegiate career with the Gorillas gaining 1,795 rushing yards. "Rodney has been an important part of Pitt State football for the last few years and not just this year. He is a classy individual, plays hard, and con-

tributes a great deal to any success we have enjoyed in the seasons I've been here," Franchione said.

Starting as a linebacker for the Gorillas is Lee Meyers, who transferred from Wake Forest University this season. Franchione says Meyers is a steady player that makes very few mistakes and just goes about his job. He says the Gorillas can always count on Meyers.

Robin Mika plays as a defensive back for the Gorillas. "Robin is a young man who has contributed to our team in different ways. He is very team oriented and offers some depth in the defensive secondary."

Bruce Stancell, a running back, is the second all-time rusher in Pitt State history as he has accumulated 2,652 yards in four years. Franchione says that Stancell is probably the catalyst for the football team's success this year. "Bruce is not only an outstanding football player but an intense competitor who has led his teammates through every game despite any injuries. The opportunity to coach players like Bruce Stancell is the reason I am in coaching," Franchione said.
