Dear Mr. Robison:

We have listened to your sample record #10389, and it sounds to us like you have another winner. We certainly hope so. As soon as metrolites are received from the factory, they will be put into the hands of the 44 stations in our territory which should give it a tremendous boost. We hope that it is as good as our #10224, which is still selling.

Yours truly,

WOLFE DISTRIBUTORS
