Dear Carson:

Enclosed you will find a list of the radio station and the people at each station who should receive your autographed photographs. In accordance with your letter, I am sending them to you for autographing and then when you send them back to me I will forward them to the respective parties.

"More And More Tee-jus" looks better all of the time, and for the very short time we have had it we certainly have made a terrific start and I don't see any reason why it shouldn't keep on going. We are also selling the "Square Dance" album in very good shape. In fact, it is one of our best selling albums.

At this time I would like to bring up the fact that we are getting a great number of requests from dealers and customers for square dance records without calls. There are a lot of organizations out in this section of the country who hold square dance parties and have their own callers. So, it might be a good idea if we had two or three single records on square dances without calls. I would like to have your opinion on this.

Thanking you very much for your cooperation, I am

Yours truly,
