Mr. Good Citizen:

Here is a circular containing suggestions for rural prosperity which should be of interest and value to you and the people of your community. By noting the ad on the sheet it will be seen that additional copies of this circular, or mats or plates for your newspapers, can be had at a nominal cost. We suggest that you read these articles carefully and if they meet with your approval, that you co-operate with your local editor, chamber of commerce, farm bureau or bankers in a move to give these articles general circulation in your county.

We should be very glad to hear from you with suggestions or comments on what you think of the program which this association is supporting, which includes consolidated rural schools, dairy farming, diversified agriculture and good roads.

Very truly yours,

GOOD ROADS ASS'N OF GREATER KANSAS CITY

J. Frank Smith,

Manager
