## Work Will Begin On New Building About December

Board of Education Officially  
Accepts Federal Grant  
Of \$217,000.00

### City Pays \$192,500

Roosevelt Junior High, Washington  
Grade Schools Are Soon to  
be Erected

The Board of Education officially accepted the federal grant for the building of a new Washington grade school and for the new Roosevelt junior high school Monday, Oct. 11, in a special meeting. The grant amounted to \$40,500 for the grade school and \$177,000 for the junior high school.

M. M. Rose, superintendent of schools, said that, in accepting the grant, the board agreed to begin work on the grade school on or before Dec. 10 and to complete the building within nine months after the beginning of construction.

The junior high school must be begun on or before Jan. 6 and completed within fourteen months.

Mr. Rose stated that the board expects to start the construction before the set date or, at least, as soon as the contracts can be let and the bonds issued.

The total cost of the new buildings and equipment will be \$350,000. The federal government contributes \$157,500 of this amount, and the remainder of the sum, \$192,500, will be obtained by issuing bonds in the school district.

The new Washington building will cost \$90,000 altogether, for the equipment and the building. The cost of the new Roosevelt junior high school will be \$260,000. The building costs will be \$240,000, while the equipment will be \$20,000.

The old Washington school will be torn down to make way for the new structure. The lot where the old junior high school stands will probably be sold. The building will be torn down after the new structure has been completed.

## Debaters Divided Into 3 Groups

First Tourney at College Next  
Month, 40 Named to  
Compete

The debate squad of 40 will enter the first tournament Nov. 12 and 13, at the College. All the students will be required to enter this tourney, William H. Row, debate coach, announced. Teams from Missouri, Kansas and Oklahoma will be entered.

The teams will be composed of four except in the case where a team of two is taking both sides of the question. In this case they will debate six times while a team of four will debate only three times. Decisions will be announced after the last debate on Friday and all teams not having lost more than one debate will return Saturday to participate in the semifinals. They will be eliminated after having lost two debates.

All the high schools of the United States are debating on question: Resolved: That the several states should adopt a unicameral system of legislation.

Those debating both sides of the question: Bob Innis and Claire Lucille Hubert; Richard Alsop and Bob Booth; Fay Moselle Degen and Frances Louise Gray; Marjorie Fields and Eugene Reidy; Bob Pratt and Bailey Williams; George Bartholow and Loren Jones; Earl Majors and Melvin Kodas Jacqueline Gore and Mildred Garrison.

Those who will uphold the affirmative: Jean Canfield and Cloven Nogel; Bob Rothrock and Richard Carpenter; Joe Stephens and Gene McClarrinon; Bill Lavery and Joe Keller; Virginia Thomas and Virginia Jacobson; George Gould and Evelyn Pitts.

Those debating the negative: Charles Ritter and Harold Walker; Harry Stringham and Robert Sizemore; Bob Akey and Jimmie Marchbanks; Mary Wiles and Ida Alene Toliver; Belden Legge and Cecil Taylor; Harold Pottorf and Travis Turner.

## Booster Sends Delegates to K.U.

Journalism Class Represented  
At Annual State H. S. Newspaper Conference

Ten members of The Booster staff left this morning for Lawrence, where they will attend the nineteenth annual high school newspaper conference at the University of Kansas today and tomorrow.

Miss Maude Laney, foreign languages, made the trip as sponsor. Accompanying her were Norman Smith, Leonard Sellmansberger, Mary Margaret Coles, Dorothy Burcham, and Irene Brannum. Another contingent of the group is composed of Anne Nettels, Jacqueline Gore, Fay Moselle Degen, Lyle Strahan, and Bob Pratt.

Students from many high schools in Kansas and from high schools in Kansas City, Mo., will attend this state wide conference.

Any high school in Kansas or in Kansas City, Mo., is eligible to send representatives to this nineteenth annual Kansas high school press meeting. The official delegates to this meeting are the editor and business manager. As long as the supply of rooms holds out free accommodations will be given to the delegates tonight, but it is expected that trouble will be found in finding rooms for just the official delegates because such a large crowd is expected to attend. Unofficial visitors are also cordially welcome to the conference.

Hugh C. Brown of Independence will preside over the meeting of the Kansas Council of Journalism Teachers. Ray A. Heady, former journalism instructor of P. H. S., will be one of the principal speakers.

## KOAM Now On Air

Bailey Axton '28 Is Heard on First  
Day's Program

Pittsburg's own radio station, KOAM, opened at 6 o'clock Monday morning. The first day's program consisted of music, news, and other items. The station is a member of the National Broadcasting network. It is possible that the football game Nov. 11, with Parsons, will be broadcast over the station.

Bailey Axton '28, whose program was "picked up" by KOAM from the central N. B. C. station, dedicated a song to KOAM. Mr. Axton, the "local boy who made good" of Pittsburg is a popular tenor. Mrs. Axton, the former Miss Louise Fitzgibbons, is also a graduate of Pittsburg high.

## Teachers In Frolic

Annual Fall Party Held in Lakeside  
Gym with "Hill Billy" Theme

The City Faculty Club held its annual fall party Thursday night, Oct. 7, in the Lakeside Gymnasium. The gym was decorated to look like the inside of a barn with shocks of corn, bales of hay, pumpkins, and leaves. A picnic supper was served in the school cafeteria.

Music was furnished by a hill-billy orchestra from Langdon. Mrs. H. Price of Cherokee gave two readings. James Bertone of Roosevelt junior high sang and Miss Alice Williams, physical education director at Eugene Field school, gave a tap dance.

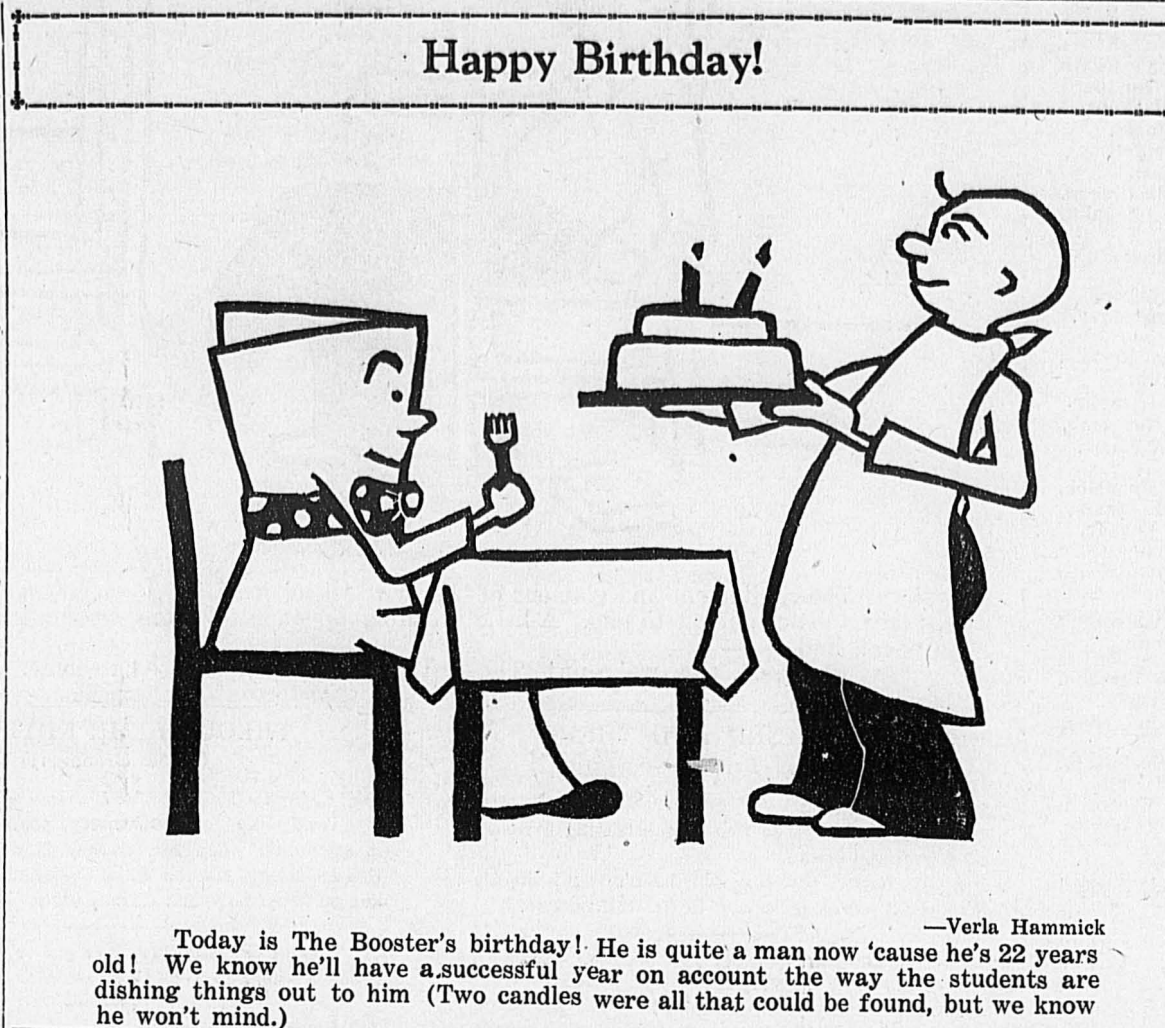

Doran Woods president of the club extended his thanks to committee members for their work.

## FACULTY CLUB TO MEET AT HUTCHINSON HOME

The high school Faculty Club will meet next Tuesday night at the home of Principal J. L. Hutchinson. Ellsworth Briggs, president, will be in charge.

Speakers include Miss Effie Farnier, Miss Sara Stephens, Miss Harriett Way, William Corporon, William Row, and Mr. Hutchinson.

Don't fail to see Ompah! Oct. 29 at Lincoln School.

Today is The Booster's birthday! He is quite a man now 'cause he's 22 years old! We know he'll have a successful year on account the way the students are doing things out to him (Two candles were all that could be found, but we know he won't mind.)

## Home Room Programs School Officials Attend Dedication

200 Visitors From All Over State  
Inspect New Building at  
Chanute Saturday

A group of Pittsburg school officials attended the dedication ceremony of the new senior trade school at Chanute Saturday. The school was completed just recently. Mr. and Mrs. John E. White, Principal J. L. Hutchinson, Finis Green, John Hutchinson, and Leo Howard left Saturday morning to attend the exercises.

Featured at the meeting was Dr. Charles A. Prosser, director of the William Hood Dunwoody Institute of Minneapolis, Minn., who gave addresses at a luncheon meeting and in the afternoon.

The visitors were taken for a tour of inspection of the new building in the morning. In it are housed the printing department, forges, and other mechanical courses.

An invitation was extended by Mr. White to the S.E.K. industrial arts group to meet in Pittsburg next spring.

## Juniors Work On 'One Mad Night'

Play Cast to Start Third Act Practices  
Soon as Members  
Express Opinions

If you have heard the acting going on in the auditorium and wondered whether John or Lionel Barrymore had come to visit school, you were on the wrong track. It's the junior play cast, under the direction of William Row, going through lines. The cast has been practicing every night and has progressed through the first two acts. They will start on the third act Monday.

Last week Mr. Row stated that the play was expected to be a big success. It will be presented Oct. 28. Here are some statements from the cast about what they think of the play.

Bill Millington—"The junior play, in my estimation, is a very funny play with a good cast, which is doing everything in its power to come up to the expectations of the students and those who saw the play last year."

Maxine Puffinbarger—"I think it will have the audience rolling in the aisles. I hope it turns out satisfactorily. We fit our parts perfectly since we are supposed to be crazy. Am I not right?"

Gerald Prudeaux—"I believe the junior play will be one of the best comedies P. H. S. has ever put on. I know it will be the craziest."

Mary Morgan—"I think the junior play this year will be very good."

Arthur Prince—"I think it is the funniest play I have ever been in or read of and I am sure the people that see it will enjoy it."

Betty Montgomery—"It ought to be (Continued on page four)

## Seniors Use New Plan to Select Class Officers

56 Nominees Presented by Home  
Room Groups for  
Major Offices

### Many Candidates

Names Suggested for All Posts  
With Definite Assignments  
Coming Later

### BULLETIN

The following senior class officers were elected in special assemblies Wednesday and Thursday: Carl Beard, president; John Duncan, vice president; Frances Hunt, secretary; and Alfred Steele, treasurer.

Political machinery was set in operation this week as members of the senior class made known their choices for class officers.

Under a comparatively new plan each senior home room nominated as many as desired from the entire senior class. In home room meetings Tuesday morning 56 names were suggested. This list of nominees was approved by sponsors and the office. According to the suggested plan the entire list of nominees was submitted in a general meeting of the senior class and a president selected. On succeeding days other officers, namely, vice-president, secretary, and treasurer, were to be chosen.

Last year each senior home room nominated five boys and five girls. From this list the officers were selected. Class officers last year: President, Joe Stephenson; vice president, Kenneth Gire; secretary, Juanita Carpenter; treasurer, Vance Rogers.

## Grads Are Named At College Polls

Nine Former P. H. S. Students Elected  
to K. S. T. C. Posts  
Last Week

Nine Pittsburg high school graduates were elected to college offices in the general election at the college Friday, Oct. 8.

Twenty-four old grads entered the race but five were eliminated in the primaries Monday, Oct. 4, and ten others put out in the general.

Jane Baxter '37 was defeated by three votes by James Needham, Arma, for presidency of the sophomore class. The vice presidency was won by Howard Marchbanks '37 over Rolfe Emmitt '37. John Wilson '37 was elected secretary. Betty Jo Coulter '37 was victor over Paul Byers '37 for treasurer. Darrel Cochran '37 was defeated by Bill Schute for student council representative.

In the sophomore class Mary Alice Montgomery '36 was defeated by Bob Gadbrey, Carthage, for the presidency. Others winning in the sophomore election were Betty Dorsey '36, vice president; Pauline Butler '36, treasurer, and Ella Bowman '36, student council representative.

Leo Howard '35 was defeated by Lloyd Cunningham, Cedarville, for president of the junior class. Dorothy Jane Wilson '35 was elected secretary.

In the senior class Betty Jean Pink '34 was elected secretary and Albert Delmez '34 treasurer.

In the election of student council representative at large Jack Foster, Oswego, won over Gertrude Sellmansberger '35, Willetta German '34 and Allan Pratt.

## Mrs. McCarty Dies

Mrs. Geraldine Bowls McCarty '33 died at the home of her parents, Mr. and Mrs. H. A. Bowls, Monday morning. Funeral services were held Wednesday afternoon in the Christian church with Rev. Dyre Campbell officiating. She was the wife of Chester McCarty '32.

## Founder's Day

Pittsburg's Hi-Y clubs and all other Hi-Y clubs and Y. M. C. A. clubs observed Founder's Day Monday, Oct. 11. This day marked the birthday of Sir George Williams, who founded the first Y. M. C. A. in London in 1844.

From this first Y. M. C. A. group in London have come the many Y. M. C. A. and Hi-Y clubs all over the world.

### THOUGHT FOR A DAY

Delight thyself also in the Lord; and he shall give thee the desires of thine heart.  
Commit thy way unto the Lord; trust also in him; and he shall bring it to pass.—Psalms 37:4-5.

### GET IT NOW

More than a half of one six weeks is gone. What have you accomplished?  
It's easy to excuse yourself with the explanation that teachers don't expect too much work from you the first six weeks.

This is the time to build a good foundation for the rest of the year, and to form good study and concentration habits that will carry over into later life.—Jennibel Evans.

### CLEAN UP!

Cleanliness is next to godliness.  
Whether at home, school, or public buildings, we like the sight of scrubbed and clean swept rooms.

The appearance of our building reflects upon the character of the students. The high school must not only satisfy the visitors but present to us a fit place to spend six hours a day. The student council has a division which is responsible for remedying these matters but very little can be accomplished without the cooperation of the student body. It is unexcusable to litter the halls, class rooms, and rest rooms when containers are provided for the disposal of waste.

It is our responsibility, our problem and our school. Let us show our determination and ability to do credit to OURSELVES.—Don McCollister.

### TEMPUS FUGIT

We have only one week left of the first six weeks of the new school year. Almost one sixth of the year has gone and what have we accomplished? Have we already found the first things in which we are searching for this year. Or have we merely wandered from room to room? Some have studied thus far this year and will find by the grades this 6 weeks that they have accomplished something. Others will notice by their grades that they are doing only the necessary things, while some will see that they have been a failure. What will you be able to say when you see your grades? Will you say I have tried to the best of my ability or will you say I have not worked this first six weeks but now it's going to be different?—Bob Pratt.

### READY FOR HIGH SCHOOL?

Courtesy is something which a majority of the students of this high school have forgotten exists. This fault is most grievous during our assembly period. Many times various speakers have had to stop speaking simply because a number of self-centered individuals who were not interested in what he had to say, were not courteous enough to keep still; instead they proceeded to make a commotion so that no one around them could hear.

We are now high school students and should at least know how to conduct ourselves as educated people. Ever since we started in school we have been taught to conduct ourselves properly and so should know at least the fundamentals of courtesy. If we have gone through grade school and junior high school and still do not know how and when to be courteous, then we do not belong in high school.—Norman Smith.

### DO YOU REMEMBER—?

Do you remember when you were small, when you'd just finished a task and you knew you'd done it the best you could, didn't you feel honestly satisfied with what you'd done? As Anne Rooney exclaims, "Gee, don't you feel good all over?" Of course you remember but can you say that YOU feel "good all over"? And can YOU say YOU'VE done your job to the best of your ability?

Those days aren't gone forever! Get behind everything you do and accomplish something! It doesn't make any difference if the task is of little or great importance. No matter how little it is, it has some importance and is one more brick firmly mortared into the foundation of your future usefulness. Build your foundation during this school year and you'll find it worth your while in later life. You won't regret it!—Fay Moselle Degen.

## Lazy Bones!

The excitement and glamour of the new school year has worn off and Elmer takes a little time off to nap. A little brushing up on his lessons wouldn't do any harm, but—  
Come on, son, wake up! The best part of the show is yet to come.

### JEST HERE AND THERE (Caskey—Burcham—Jones)

Waymon Edwards was demonstrating a football play to a girl friend.  
Girl friend: But this man hasn't any protection.  
Waymon: Oh yes, he has, he is well padded.

Mrs. Gudgen: Harvey, you are supposed to be studying. Why aren't you?  
Harvey Carney—I am studying!  
Mrs. Gudgen-Well, you don't look like it.  
Richard Alsop-He must have a poker face.  
Mrs. Gudgen-Well, I would like to poke you in the face!

Overheard in the halls—Close your mouth, dear, the dentist is going to stand on the outside.

Florinne Francis-Well, I know I am not very good but what's my opinion against millions of others?

Billie Heimdale-I don't think I am near as pretty as I really am.

Rex Kelly (flipping a coin) Say, I'll flip you.  
Corine Francis (indignantly): Well, I would like to see you try it.

We wish to announce that every week we are going to have a captain of the Jest Team, who will be the best jester of that week. So dust off your brain or brains and join the team!

1st person: Say, what's on your mind?  
2nd person: I am!

Dutch (talking about Sunday school collections) I used to put in a nickel.  
Thomas Loftus: Yeah, but now he matches them a nickel or nothing.

### BOOKS YOU MAY LIKE

#### THE EDUCATION OF HYMAN KAPLAN by Leonard Ross

A few years ago Mr. Ross introduced to the public a character soon to become famous. Mr. Hyman Kaplan made his bow in the pages of The New Yorker, and from then on was practically a sensation. So popular was he, that the creator revised and edited the stories for book publication. In appearance he is a plump, red-faced gentleman, with wavy blond hair, two fountain pens in his pocket, and a perpetual smile. As a student in the American Night Preparatory School for Adults, he causes a minor riot when he declares that the opposite of "new" was "second-hand," and in declining an adjective, giving bad-worse-rotten!

It has been said of Hyman that not since Mr. Dooley has there been a character more ingratiating, more magnificently able to butcher the King's English. The author so vividly pictures Mr. Kaplan that one is able to see him in his class-beaming with pride when he scores a point over the smartest student in the class—and so crestfallen when he is wrong.

Mr. Ross writes this book with a great deal of humor, but always keeps in the mind of the reader how much his protege struggles with the customs and language of America. Mr. Ross has something in his odd, laughable, lovable hero, and we sincerely hope we'll see more of him.

### THE INQUIRING REPORTER

Question: Do you think that the wreck will cause the students of P. H. S. to drive more carefully?  
Barbara Woodson: I don't know—I think so.  
George Bartholow: I don't think so.  
Barbara Jean Barkell: I don't think so.  
Maxine Douglas: If it doesn't, someone is crazy.  
Merle Dean Hadlock: It ought to. It will me.  
Gordon Myers: No. There have been lots of accidents before.

### ALUMNI

1933—Martin Benelli is working at the Benelli Jewelry Store.  
1934—Mary Caskey is employed by the Caskey Motor Company.  
1935—Ernest Crowder is attending a dental school in Kansas City, Mo.  
1936—Charles Duncan is attending the College.

### THROUGH THE KEYHOLE (Irene Brannum)

We'd like to know how Rosalie Magner felt in glee club when Mr. Carney came in while she was imitating Martha Raye—or should we say we'd like to know how Mr. Carney felt.—?

Maxine Puffinbarger has got it again, and this time "it" is Bob Welsh '35.

Congratulations—Shirley Jean Gilbert—You see, she received a note the other day addressed to the sweetest girl in the world.

It seems that "Bebe" Coles' little motor bike got her down! She was gliding along with the greatest of ease and suddenly everything went haywire. Now she's the long talked of walking hospital. So don't blame the chemistry class for all the "odeurs."

Bonnie Belle Parris would be only too glad if Johnnie Altree would ask her for a date. Well, Johnnie, a word to the wise is supposed to be sufficient.

One of our bright high school boys took the test to get a driver's license the other day. When asked where one should not pass a car, this remarkable student replied, "Under a car, over it, or through it." By the way, he passed!

Flash! Did anyone know that Edna Plumlee was a very talented scrub woman? If not, you should have seen the marvelous job she did on the sidewalk in front of the Ash, with a tooth brush and a glass of water.

What two senior girls are going steady with the same boy? And what's more they both know about it. Boy, they must have something there! Don't you agree.?

It isn't spring, but that's no sign that love is out of season. At any rate, Leonard Schroeder doesn't think so. In fact, he can't even tell which one of the girls it is so he just flits—or is it flirts—from one to the other. Girls! Take heed! Especially sophomores and juniors.

Alfred Steele, are you losing your "it" or has Lois Troxel just taken a fancy to Chuck Ritter for a while?

Jean Cowan is so obviously ignoring Russcil Lindgren, the "editorial we" wonders if that chapter is definitely closed!

Katie Karns and Leo Ensmann fought once too often—Now they are calling it quits (for the time being at least).

### WHAT OTHERS SAY

#### ARE YOU A SPEED DEMON?

Are you a careful driver? Stop and think and above all be honest with yourself. Can you truthfully say that you take no chances when you are at the wheel and that the occupants whose lives are entrusted to you are absolutely safe as long as you are driving? Students driving back and forth to school are supposed to be gay and full of pep, but don't express your emotions by the antics you perform with the car.

True, you may never have had an accident before but it's not too late. There are other cars on the road besides your own and one careless turn of the wheel may send you smashing into the other fellow or hurling into the ditch. A careful driver may avoid many accidents by clear, quick thinking, but the careless driver has no time to think.

A gay carful of boys and girls may be sad the rest of their lives just because the driver wasn't careful. Every time you step on the starter try to visualize just what will happen to you and your friends if an accident occurs. You, the driver would be blamed for any injuries or deaths. There would be bills, many bills for damage done to either car, and there would be that mar on your conscience for the rest of your life.

Many things can happen; let's be careful.

—The Blue Jay

### I ONLY HEARD (Jacqueline Gore)

Have you met the Gohr twins? Their names are Barbara and Betty. I don't know, of course, but it certainly must be tough to have a date with one of them—you'd never know which was which. But here's a tip—Barbara has a small spot on the end of her nose. At the G. R. mixer Barbara won a prize and the first thing she did was give Betty half. Some fun! Do you share everything?

Has anyone noticed how Betty Lu Williams calls home every day and then rushes home after school? That's to see if she has any mail from her boy friend in Coffeyville. She was quite angry at him last week because he wrote to her only three times. 'Tis a pity the way some of these girls are neglected!

And speaking of out-of-town boy friends—I have been informed that Jean Canfield, Iva Mae Beard and Virginia Hale have boy friends from Columbus that come to see them quite often. You'd better explain this.

Was Waldo's face red? When coming out of the auditorium Harold Walker asked, "Is there any lipstick there?" (pointing to the side of his face). And the funny part about was—there was a distinct smear of lipstick on his cheek. Someone evidently got sentimental. But who???

Flash!! Here's the chance of a lifetime! Alberta Haverfield and J. B. Stacy are no longer going "steady." (Although you couldn't tell it by looking).

Here's something new in the line of excuses. I have often heard of girls' having to be home at a certain time but this is the first time I ever heard of a boy having to be home so early! But that's the story. Shirley Gilbert had to go home early from a club scavenger hunt because Rex (Toots) Kelly had told his mother that he'd be home at 10 o'clock. If that's your story, "Toots," you stick to it.

What's this I hear about Earl (Buddy) Davis? He seems to have quite a few girls' "that way" about him but alas! he works nights. They tell me that he has been asking Barbara Cornelius to spend his leisure hours with him. Give the boy a break, Barbara.

### PUPIL PORTRAITS

#### Junior Girl

The girl who gets the call this week is Betty Jean Oertle. She came here from Lakeside junior high school. She has brown hair and brown eyes and is a member of Miss Waltz's home room. Her favorite movie star is Barbara Stanwyck. Her favorite song is Harbor Lights. She can usually be seen with Shirley Jean Gilbert.

#### Junior Boy

The junior boy this week is Waymon Edwards. He came here from Roosevelt junior high school and is a member of Miss Leeka's home room. He has blond hair and blue eyes and plays a trombone in the band and orchestra. He went out for football this year and seems to be doing right well.

### ETIQUETTE HINTS

#### Girls

Attention! When you go with another girl someplace, do you walk off and leave her if a boy asks you to go with him? Think how you would feel if your girl friend did that to you. If there are several girls, it would be all right, but if you leave the girl by herself, what is she going to do? Think about it the next time.

Don't go around borrowing other girls' cosmetics. They spend their own money for them and they won't appreciate your using them.

#### Boys

Not many boys wear hats to school, but those who do should remove them before entering the building. This applies to other places besides school. Your hat should be lifted when you speak to a girl.

When you call a girl up for a date, do you ask her what she's doing that night? If she says nothing and you ask her for a date, and she doesn't want to go, she cannot say she is doing something else, when she has already told you she is doing nothing. When you call, ask if she would like a date for that night, with you. Then if she doesn't want to go, she can refuse gracefully.

#### Boys and Girls

Introductions. The boy should be presented to the girl: Miss Jones, may I present Mr. Jones. The first names may be added also as that is what high school students use. A boy should rise if he is sitting when he is introduced. You should say "How do you do" instead of "charmed" or "Pleased to meet you."

### POET'S CORNER TYPE LICE

Dogs have fleas  
And men have mice  
But pity the printer  
Who has type lice.

The bite of mice  
One can endure  
For a type louse bite  
There is no cure.

When first year printers  
Scratch their heads  
You'll know it's the place  
Where the type louse beds.

His bite is like  
My silly verse;  
To all mankind  
It is a curse.

So printers, be good  
Watch what you're about—  
Or the type lice will get you  
If you don't  
Watch  
Out!!!

## Repairs Are Made

Necessary repairs were made on the stadium last month. Wooden supports were placed under all of the seats replacing those which were cracked or rotted. The roof of the school building has been repaired. Workmen have covered practically the whole roof with tar and made what other repairs were necessary.

## RHYTHM AND RHYME

## That Old Feeling

I saw you last night and got that old feeling.  
When you came in sight I got that old feeling.  
The moment that you danced by I felt a thrill.  
And when you caught my eye My heart stood still.  
Once again I seemed to feel that old yearning,  
And I knew the spark of love was still burning.  
There'll be no new romance for me. It's foolish to start.  
For that old feeling is still in my heart.

## Student Council

The student council met Tuesday morning. The council asks that the students be more careful about defacing the school property. The council also ask that the people bringing their lunch to eat in the lunch rooms and not on the steps of the school building. The next meeting will be held next Tuesday morning.

The student met Tuesday morning, Oct. 12, in Miss Farners room. The council voted on a motion given by Miss Farners that the council frame all the group pictures of the council in the past. The motion was carried. The council also decided to buy more proctors pins for the proctor system. The next meeting will be Tuesday, Oct. 19.

## SANITATION COMMITTEE

The sanitation committee held a meeting in Mr. Huffman's room before school Monday. Don McCollister, chairman, assigned the members to different floors in order that they might interview all the teachers. The purpose of these interviews is that this committee may help in all the ways possible to keep our building cleaner. Mr. Hutchinson and the custodians will also be asked for suggestions in addition to the teachers. If anyone has any ideas for the improvement of our halls, campus, or classrooms, he may see any member of the committee or Mr. Huffman.

## Activity Tickets

Following a recheck of activity ticket sales for this year, the total number of ducats sold was found to be 532, instead of 573 as announced previously. A total of 496 tickets of the \$3.50 variety were disposed of while 36 of the \$2.25 type were sold.

There are about five distinct kinds of football: soccer, the original game; Rugby, Gaelic, Australian and the American game.

Students Greeted by Many  
Changes in School System  
As New Teachers Take Posts

(Florine Francis)

New names and new faces are taking their places in the city school system this year.

This year a new office has been introduced into the high school system. It is that of the new supervisor, Miss Pauline G. Staats. Miss Staats comes highly recommended. She has an A. B. degree from the Colorado State College at Greeley, Colo. and an M. A. degree from the University of Iowa. She majored in education with special emphasis on supervision.

She has had a number of years experience in grade supervision, having served as first grade supervisor in the state normal school at Cheyney, Wash. and also associate professor of education at the State Teachers College in New Mexico. She has recently held the position of director of curriculum revision for the schools of Colorado. In addition to this she has written a book which was accepted and published under the name of "The Right Word."

Charles E. Thiebaud has taken the place of Blaine L. Glendening, who resigned his position as teacher of chemistry in the high school to take the position of superintendent of the Wyandotte, Okla., schools. Mr. Thiebaud attended the College here from which he received a B. S. degree in science and education and a master's degree in chemistry.

Clyde Hartford is back this year. Last semester Mrs. John E. White taught in his place.

Dan Tewell is teaching English in place of Miss Waneta Sedoris, who was married this summer. Mr. Tewell received his M. S. degree at the College. He taught English in Broken Bow, Okla. before coming here. He is

now living at 414 North Chestnut. Miss Reva Heath is teaching home economics in the place of Mrs. Lena Hobson, who has gone to New York State Teachers College. Miss Heath attended the Texas Women's College at Fort Worth, Texas. Her home is in Hamilton, Mo., but she is making her home at East Forest for this school year.

Other changes at Roosevelt: T. E. Davis, formerly of Lakeside, is taking the place of Loren Jarrell, who taught history, and is attending K. U.

Mrs. J. H. Hand, who was principal of Washington school, is taking the place of Miss Ary Lewis. She is teaching there until Washington school is finished.

At Lakeside other changes are as follows: Everett Sample is taking the place of Miss McGonigle, who was married this summer. He is teaching English. He attended the College here and is now living at 204 North Miles. Mrs. Coverston comes from Washington and is now teaching English and mathematics. She received her M. D. degree from Columbia University and a B. S. degree from the Kansas State Teachers College. She lives at 410 North Chestnut.

In the grade school Miss Ann Prell, who taught at Washington last year, is teaching the sixth grade in Miss Guden's place.

Miss Prell attended Kansas State Teachers College from which she received her B. S. degree. She lives at 322 South Catalpa.

Miss Ruth Drago comes from Washington school and is teaching the third grade at Lakeside. Miss Drago attended the Kansas State Teachers College and now lives at 507 South Broadway.

## FASHIONS AND FADS

(Bebé Coles)

Even though it has been prophesied that the bright shirts would give way to more conservative styles, noisy plaids, colors and stripes are still in bloom on P. H. S. campus.

Alberta Haverfield has one of those popular new neckerchiefs. Shiny jewel-colored satin, printed in all kinds of odd patterns, such as the zodiac, football schedule, and college banners.

Striped shirts and plaid trousers and bright ties are a combination frequently seen in the halls. Corduroy slacks in dark checks and plaid seem the most popular while wool in the same type run a close second.

Have you seen Betty Crain's dress with a zipper all the way down the front? And Jean Cowan's brown dress trimmed with a green slide fastener. That's just a fore taste of what those handy slide fasteners are going to be in the way of decoration as well as utility. Dresses, coats, and house-coats are closed from neck to hem with them.

Ditto: Have you read "Freckles"?  
Second Ditto: No just plain brown ones.

# Tornado and Dragons to Tangle Tonight

## Play Important Game On College Gridiron at 7:30

Result of Tonight's Contest May Determine Winner of League Title

### Both Teams On Edge

Pitt to Seek Revenge for 15 to 6 Defeat Last Year by Lewismen

Tonight on Brandenburg field at 7:30 the Pittsburgh Dragons will attempt to turn back the fighting charge of the Coffeyville Tornado and win its third S. E. K. victory.

The Tornado brings over one of the best teams in years. The game will probably be the best one of the season on the home grounds for the Gudenmen and it will be a revenging battle for the Dragons, since they lost to the Tornado last year, 15 to 6, and the undisputed S. E. K. title.

Coach (Babe) Lewis has twelve lettermen returning from last year's squad. Among the returning veterans are Lightfoot and Wintrobe, tackles; Pitts, Tatum and Benedict, guards; Davis center; Peters and Akin, ends, and Baker, Kersnick, Gann and Logan, backs.

The Javatown boys have won two league games this season, beating Columbus and Iola by good margins; but losing to the Ft. Scott Tigers, 7 to 0.

The Dragons in the meantime have

trained hard this last week and are expected to play their best; in which they will have to do to win this game.

The probable starting lineups:

Pittsburg	Coffeyville
Nunn	LE
Steele	LT
Ritter	LG
Lawrence	C
Ridenour	RG
Zimmerman	RT
Nogel	RE
Fadler	QB
Lance	RH
Begando	LH

### STUDENTS SEE SELVES IN LOCAL NEWSREEL

Many Pittsburgers were recently given a chance to see themselves as others see them. At the Midland theatre there was presented a local newsreel which was taken during coal festival week.

This newsreel consisted of scenes of the Pittsburgh-Webb City football game and showed members of the Pep Club giving a yell. There were pictures of the visiting coal queens and polo teams as well as the spectators of the polo game. Many college students were snapped as they moved from class to class, and in addition several local merchants and their employees were given their first "screen test."

### Intramurals

Coach Snodgrass has announced that the intramurals programs will start soon. The program this year will be larger and embrace more sports than before. The sponsors will be nearly the same as last year. All boys interested in participating will soon be asked to sign up. They will then be divided into the intramural groups as nearly equal in size and ability as possible.

Several new sports will be added this year. A swimming meet will be held soon. All boys desiring to participate in it must sign up with Mr. Snodgrass or Melvin Kodas.

## Dragons Trounce Comets For 2nd S. E. K. Victory

Begando, Fadler Lead Attack as Pitt Rumps Chanute 18-0 in Mud

### Miss Extra Points

Two Intercepted Passes and Fumble Pave Way for All Touchdowns

The high school Purple Dragons plowed their way to a second straight S. E. K. victory last Friday night by trouncing the Chanute Comets 18 to 0 at the loser's field.

The Dragons scored first when they pounced upon a fumble made by Chanute on the opening kickoff. The Dragon machine then started rolling. On the fifth play "Bud" Fadler, quarterback, knifed through tackle, sidestepped the Chanute secondary and was over for the first counter. A plunge at the line failed to gain the extra point.

The Comets then received and found the Dragon line not so easy to buck; but a few plays later "Jumping Joe" Begando intercepted Dick Miller's pass and returned it past the midway mark.

Although playing in a drizzling rain, the Dragons slid, slushed, and plowed their way to the 1-yard line where Carl (Crash) Beard carried the mail over for a touchdown. Again the plunge for extra point was stopped.

The rest of the game was in comparison with last year's game when the Dragons beat the Comets on Hutchinson field. It was a muddy affair with forward passes being intercepted and fumbling of the ball by both sides. Although playing on a muddy field the Dragon line made big holes for the backfield men and had the advantage of the Chanute men, who were on the defensive most of the game.

The last tally came in the third quarter when "Jumping Joe" Begando intercepted another Chanute pass and seemed to be on his way for a touchdown but the Comet safety brought

him down before he could get away. Two plays later Begando raced around his left end to the 4-yard line where he went over on the next play for a touchdown. Fadler's placekick hit the cross bar and didn't go over.

Nunn	LE	Idleman
Steele	LT	Siler

funny, anyway. It has enough nuts in it."

Terrill Honn—"I think it is a nutty play from one end to the other. I truthfully think every one in the cast is crazy but me."

Mary Jane Evans—"I think that it will be the best of all plays presented in P. H. S."

Gene McClarrin—"I think the play lives up to its name, 'One Mad Night.' It is a very funny and exciting play."

Alice L. Williams—"I think it will be good. I hope the audience has as much fun watching it as we have had at practices."

Drury Love—"Under the superb direction of Mr. Row, I think the junior play will be a great success."

Frances Cumisky—"I think it's going to be one of the best and craziest ever produced."

Mac French—"The junior play should be one of the best plays of the year."

Evelyn Pitts—"I believe that the junior play will be very entertaining to both the old and young."

## Dragon Reserves In Triple Header

B's Lose to Girard While Soph-Fresh Lose First to Raiders But Rally to Win Second

The high school's up and coming football teams played a triple header in one afternoon last week "believe it or not." The Dragon "B" team played Girard at the Trojan field. The sophomore-freshman team played the Frontenac Raiders' second team on Hutchinson field. After that game the Frontenac's third team played the second team of the sophomore-freshman crew, which sums up to be one victory and two losses to the Pittsburgh teams.

The "B" team lost a close decision at Girard in losing 8 to 7. A blocked punt behind the Dragon goal line and a touchdown by Elnicki in the second quarter gave Girard its tallies while a thrilling 60-yard run by Harmon, fullback, for a touchdown and a pass for extra point was pulled down in the end zone by Ryan, quarterback, for the Dragon points.

The first game on Hutchinson field might be mistaken for a basketball game because of the number of passes thrown by both teams. All of the touchdowns were scored on passes. Frontenac took the lead in the first quarter when Farnetti heaved a pass into the end zone for a touchdown but the sophomore-freshman team came back and scored touchdowns in each of the next two periods. B. Davis twisted his way for 15 yards to the goal line after receiving a pass from Lance. Poland caught the next touchdown pass in the end zone with no one around him. But Frontenac took to the air and Paoli, fullback, made a running catch of Farnetti's pass for the winning touchdown in the middle of the last quarter.

The second game was won by Pitts-

burg when they pushed over two touchdowns in succession to win the only game for Pittsburg. "Arkie" Hoffman is in charge of the "B" team while "Ted" Carnino and "Fritz" Snodgrass are in charge of the sophomore-freshman teams.

## G A A Holds Meet

Schiefelbein Heads Girls Athletic Group for year

The girl's Athletic Association held its first meeting Wednesday, Oct. 13, in the gymnasium. Names of the members were recorded and a vote was taken on the various games to be played later in the year.

Following are the officers who were elected at the close of school last year: President: Rosemary Schiefelbein; vice president: Opal Brooks; recording secretaries: Frances Hunt and Pauline Swab; treasurer, Betty Nail.

All girls who are interested in participating in the G. A. A. activities and did not report Wednesday night, may see Miss Helen D. Lanyon or any of the officers.

Members of the Board of Education were served lunch by Mrs. Babcock in their office at their special meeting Monday noon.
