Many Students To Compete in Annual Contest

Approximately 50 Pupils Will
Represent P. H. S. at Scholar-
ship Meet in Spring

French-4 Straight

Accredited Senior High Schools from
Kansas, Missouri, and Okla-
homa to Enter

Although only a few entries have been named as yet, approximately 50 students will participate in the annual interstate high school scholarship contest at the College this spring, according to reports from the various departments.

Last year high school entries won five firsts, one second, and two thirds. Firsts taken: American history, Harold Lowe '37; general biology, John Buess '38; English II, Clyde King '37; French, Anne Nettels '38; physical efficiency, Jane Baxter '37.

Etsel Davis '37 placed second in French; Arla Faye Miller '37 took third in free hand drawing, and Gloria Wiles '37 was third in related home economics. The first in French was for the fourth consecutive year.

Students will compete in the general achievement test, advanced algebra, chemistry, English III, free hand drawing, physics, plane geometry, reading, extemporaneous speaking, foods, related home economics, shorthand, typewriting, French, hygiene, Latin, biology, Spanish and American history.

There will be five students selected to form the general achievement team that undergoes a test covering anything that a high school student should know.

First place in any of the tests will be awarded a freshman scholarship, second place a fountain pen, and third place an automatic pencil. Honorable mention will be given instead of another scholarship in case one student wins two firsts.

Accredited high schools from Kansas, Missouri, and Oklahoma will send representatives to the annual contest.

Designs Completed

Boys and Girls in Art Department
End One of Favorite Projects

The art classes have just completed their study of design, according to Miss Florence White, head of the department.

The boys have been applying the principles of design to stage and store window designs and are beginning to plan their part of the work on the scenery for the opera, "The Gondoliers."

During the last few weeks, the girls have been applying design to the interior of the home and are now applying it to costumes. They make figures resembling themselves and then design costumes for them.

This work is the favorite of many of the pupils and some of them are doing exceptionally well for beginners, Miss White said.

W. H. ROW TO RIVERTON TO JUDGE 1-ACT PLAYS

William H. Row, speech, went to Riverton Wednesday afternoon to judge the annual Missouri-Kansas league 1-act play contest. Seven schools entered plays in the affair, necessitating the running of plays from 5 o'clock to 10 o'clock p. m.

Mr. Row has judged a number of declamation and oration contests, as well as the 1-act play affairs, during the past few years. According to one league official, who was speaking "off the record," "When Row of Pittsburg does the judging we know it will be done right."

BULLETIN

The senior high school Parent-Teacher Association will sponsor an amateur hour Friday night, Jan. 28, in the high school auditorium. All those desiring to enter this amateur hour please see Norman Smith or Miss Effie Farmer.

BULLETIN

The sixth hour debate class finished first in the ticket selling contest held among the speech and debate classes. The four groups and how they finished: sixth hour debate, third hour speech, first hour speech, and second hour debate.

The speech plays, under the direction of William H. Row, were successfully presented last night before a large audience here in the high school auditorium.

The four 1-act plays: "Lawd, Does You Undahstan?" "The Pampered Darling," "The Villain's Last Stand," and "Junior Buys a Car;" were well received by the audience.

Those students who took roles in the presentations were Marjory Gould, Gene McClarrinon, Jacqueline Gore, Evelyn Pitts, George Bartholow, Melvin Kotas, Virginia Jacobson, Bob Pratt, Joe Keller, Joe Stephens, Loren Jones, Margaret Agnes Naylor, Barbara Jean Barkell, Dorothy Burcham, Bill Scott, Harold Fields, Arthur Prince, Betty Montgomery, Lorraine Shields, Billie Louise Heimdale, Bill Lawrence, Bob Meiers, Bob Voss, Betty Lou Hastings, Mary Margaret Morgan, Virginia Mae Pigg, Lee Whiteman, Jr., Joe Begando, John Duncan, Mildred Garrison, Lois Troxel, Charles Ritter, Bob Booth, Fay Moselle Degen, Frances Louise Gray, Claire Hubert, Bailey Williams, Richard Alsop, Cloven Nogel, and Bob Innis.

A ticket sale as held among the four classes. A banquet which will be served by the losers will be the prize for the winning class.

Virginia Jacobson, senior, took the part of "Lucy" in the play, "Lawd, Does You Undahstan?" Evelyn Pitts, junior, was cast for the role but, due to illness, was unable to appear.

LAY PLANS FOR BOOK "SWAP," SAFETY PROJECT

Students having books for sale at mid-semester should have turned them in by today to the teacher of that subject, according to plans of the student council. The books should be free of all marks and names except the present owner's. The price should also be on the inside of the front cover.

Every school this year must work on a project. The student council has decided upon "Safety." Books will soon be ordered for the council members to study from. These will be outlined during council meetings and the information taken back to the home-room through the representatives.

Concert Guests

"Fort Scott day" was in order Sunday, Jan. 16, when the Fort Scott high school chorus under the direction of Willard Nichols, sang two numbers. Eric Baber of Fort Scott was the guest conductor. Coffeyville will be the guest at the next campus concert Sunday, Jan. 30.

Examine Heating Units

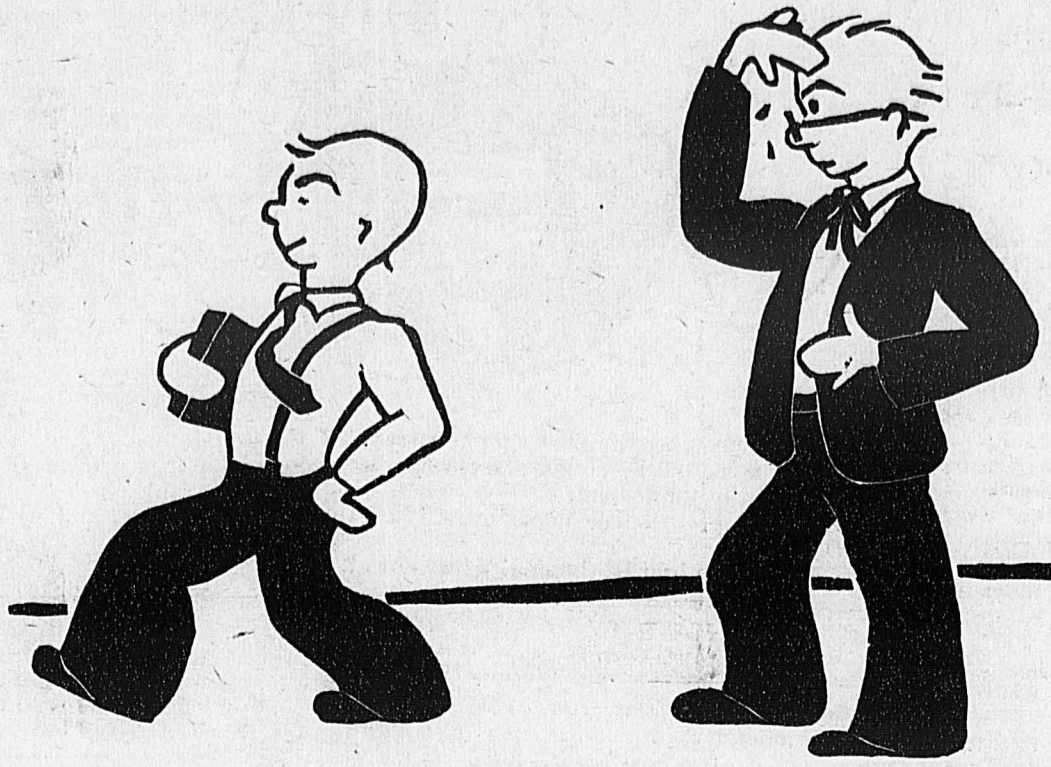

At the regular and special meetings called Monday and Tuesday of this week, several samples of heating and ventilating units sent by different companies were examined and discussed by the Board of Education, although no final decisions were made or any preference indicated. Final approval of all contracts for the new Washington building was received from Fort Worth, Texas.

More Business From P. H. S.

We have had more business from the Pittsburg high school this year than any year since we have been in Pittsburg, for which we thank you. There is still time to get your picture in the annual! Why not give us a call?

NEW FACES OF 1938!

The semester is over and almost everyone concerned will be enjoying a change next week. The students and teachers who have semester subjects are especially fortunate. The teacher is glad (?) to get new students and the old students are anxious to find themselves removed from the rooms of their sorrows (?) So much for that. Let's break all records this next semester and make it a wow!

Group Photos for Yearbook Snapped

Pep Club, Printers, G. R., G. A. A.,
Hi-Y Pictures Taken; Panels Near
Completion for P. & W.

"We are all working very hard," remarked Mrs. Dora Peterson, sponsor of this year's Purple and White. Several group pictures have already been made, namely the Pep Club pictures, pictures of the woodwork and printing departments, the proctors, G.A.A. pictures, and only about one-third of the student pictures have come in, but all should be in by the first of February.

The Board of Education panel is completed and the art staff is working on other panels. The panels of the football squad, the basketball players, and the track team have not yet been made, but the bulk of the work on them should be done by February.

Organizations Snapped

All the proctors, debaters, printers, and those taking woodwork had their pictures taken Friday, Jan. 14. The debaters were charged 20 cents for their group picture, and the proctors paid 25 cents for their photos. The pictures were taken by Ferguson.

Yesterday, the Pep Club had their pictures taken in a body. Each one in it had to wear his sweater, and pay 10 cents for the cost of developing the films. Members of G.A.A. had their picture taken last Wednesday, Jan. 19. The cost for each member was 15 cents. The pictures were taken at Rembrandts.

These pictures are all to be put in the Purple and White.

BOOSTER ENTERED IN N. S. P. A. CONTEST

The first thirteen copies of this volume of the Booster were sent to the University of Minnesota by members of the Booster Staff to be entered in the National Scholastic Press Association contest.

The papers will be ranked in three divisions, according to the enrollment of the school. The Booster will be ranked in the high school division. Awards will be made in five divisions: All-American, first class, second class, third class, fourth class, fifth class, and no award. The results will be announced April 15.

Pep Assembly

A 1-act play, written by Norman Smith, senior, was the feature of the assembly this morning, under the direction of the Pep Club. The cheer leaders led the student body in several yells. Jacques Gore, senior, was mistress of ceremonies. Members of the play cast: Frances Hunt, Rosemary Schiefelbein, Bailey Williams, Norman Smith, Joe Stephens, Helen Caskey, Jackie Byers, Jimmie Marchbanks, Gene McClarrinon, Lorraine Shields, and Jacques Gore.

'Pay Up First'

No New Activity Tickets for Second
Half Until Accounts Settled

"New activity tickets will not be issued until all first semester tickets are paid up," said Claude I. Huffman, director of ticket sales, as he announced that the second semester tickets will be issued next week.

All students who wish \$2.25 activity tickets transferred to \$3.50 ones were to do so today.

The second semester pasteboards are similar to those of the first semester. They are printed in four colors: tan or blue for the background, purple for the dates "1937, 1938," red for the wording "second semester," and black for the conventional wording.

FACULTY CLUB TRIES NEW PLAN AT MEETING

The high school Faculty Club held its monthly meeting last Tuesday night at the home of Supt. and Mrs. M. M. Rose at 414 West Jefferson. Ellsworth R. Briggs, president, was in charge of the group. Marion A. Nation, Miss Madge Waltz, and Clyde Hartford gave talks on the social studies. William Corporon led a 30-minute discussion on the curriculum.

This was the first meeting in which the current events and articles of educational interest eliminated in favor of a longer period to be devoted to the curriculum discussion.

Members of the entertainment committee were Mrs. Rose, Lester Ramsey, Miss Calla Leeka, Miss Esther Gable, and Miss Jessie Bailey. A string trio composed of Robert Briggs, Rosemary Cowan, and Robert Rose provided music.

SCHOLARSHIPS TO BE AWARDED BY UNIVERSITY

The Edward Rector Scholarship Foundation has made an announcement concerning its scholarships. These scholarships pay \$1,000 in four years equivalent to the tuition in the College of Liberal Arts of DePauw University. They award these scholarships to boys who are outstanding in and leadership.

All applications must be on file by March 15 and awards will be announced about May 1. In the letter Principal J. L. Hutchinson received from G. Herbert Smith, director, he also received a blank to fill out for the number of application forms he wished.

The scholarship is given to any boy whatever his financial standing might be.

Visitors from Minden

A delegation, consisting of one sponsor and several Hi-Y members from Minden, Mo., were visitors at the Hi-Y assembly Wednesday, Jan. 12. Bruce Tallman, area "Y" secretary, was the principal speaker.

G. R., Hi-Y Bundle Day Is Success

Collections Include 500 Garments,
100 Pairs of Shoes, Other
Useful Garments

The bundle day sponsored by the Girl Reserve and Hi-Y organizations of the high school was an overwhelming success, as indicated by the amount of clothing received. The sponsors believed that, in addition to receiving more garments, they were also in better condition than last year's collection.

The students, under the direction of Ellsworth Briggs, met at the high school, Saturday, Jan. 15, in cars and each car took a special territory.

The articles collected totaled approximately 500 garments which included silk and cotton dresses, shirts and suits for boys, women's coats, 100 pairs of shoes, and many other odd articles of clothing.

As far as possible, the clothing will be used by the needy high school students and the remainder will be turned over to the Salvation Army.

SENIOR GIRLS ELIGIBLE TO TAKE EXAMINATION

A notice for the Rockford scholarship has been received by Principal J. L. Hutchinson. These scholarships are open to senior girls. Applications must be filled before March 1.

The awards are made on the result of competitive examinations in science, mathematics, history, languages, writing, art, and music. The recipient must take up study for one year in the field in which she has taken her examinations but is not required to major in it.

Byers Gets Post

Paul Byers '37 was recently appointed assistant editor of the Collegio, the College newspaper. Byers is the first freshman to hold such a post in the history of the paper.

SO— ANOTHER SEMESTER COMES TO CLOSE

Today closes the book of time on another six weeks and the end of the first semester, the halfway mark of another school year. To some, it brings rejoicing to think that there will be only eighteen more weeks until time for vacations. To others, the seniors, for instance, it brings thoughts of graduation and the fact that their high school days will soon be gone forever.

To some the beginning of a new semester is like New Year's a time for making resolutions. They have resolved to do better in the coming semester, to make better grades and to get more out of school.

Needed Funds to Be Raised With Benefit Concert

Proceeds From Band Program
Will Go Toward Expenses
To Lawrence

Many New Numbers

Activity Tickets Not Good; 25-cent
Adult and 10-cent Student
Admission Price

The annual band benefit concert under the direction of Gerald M. Carney, is scheduled for Thursday night, Feb. 3. This year the proceeds will go toward paying band travel expenses to the Midwest band festival at Lawrence early in May. The band entered that contest year before last and journeyed in private cars but special arrangements are being made for taking a Kansas City Southern train this spring.

Besides the money from the benefit tickets each band member will donate 25 cents a month toward his personal traveling expenses. Each boy will be required to sell so many tickets and this money will also be credited to him. It is possible to make the whole amount without one cash payment through ticket selling alone.

The admission prices have been set at 25 cents for adults and 10 cents for students. Activity tickets will not secure admittance.

The band will introduce during the program many new numbers which have never before been presented in Pittsburg.

Several selections from the Gilbert and Sullivan operas will be played featuring soloists. These numbers will bring back the familiar tunes of the Gilbert and Sullivans given here in previous years and present a preview of this year's production.

The ensembles made up of top-notch players of each section and consisting of a clarinet quartet, woodwind quintet, and brass sextet are to play several lively pieces.

To take the place of "Saltarella" which was so well liked last year is "Tarantella," a fast-moving Italian dance in six-eight time which was supposed to be a cure for the bite of the tarantula.

Substituting for "Bolero" of last year is another modernistic number called "Street Scene." By characteristic music, the sights and sounds of the big cities are portrayed from dawn of one day to dawn of the next.

One of the highlights of the night's entertainment is a novelty number which is not being revealed and Mr. Carney hopes it will be a complete surprise.

The concluding number on the list is a flashy march based on "My Hero" (Strauss) featuring the drums. The drum majors will come to front ending the show with an exhibition of twirling.

Camera Club Meets

Harold Walker Named Chairman of
New Organization

The P. H. S. Camera Club held its first official meeting Friday, Jan. 14, in the school library. This is the first club of this nature ever to be organized in P. H. S.

The officers elected were Harold Walker, chairman; Lawrence Isaacs, vice chairman; and Pauline Swab, secretary. The weekly meetings are to be held each Tuesday after school in room No. 304, the chemistry room.

The program for the first meeting consisted of a discussion of a list of good camera articles by Pauline Swab, a talk by Lawrence Isaacs on "The Working of a Box Camera," and a demonstration of elementary film developing by Harold Walker.

TYPISTS TURN ARTISTS UNDER ARTISTE C. H. L.

The beginning typing classes are having an artistic drawing contest under the supervision of C. H. Lundquest, typing instructor.

The entries will be judged on originality and neatness. Prizes are to be awarded the winners.

Persons graduating from high schools in Indiana in the future are required to have at least one-half unit in safety education.

THOUGHT FOR A DAY

Imitation causes us to leave natural ways to enter into artificial ones; it therefore makes slaves.

DANCE QUESTION

Every year there arises the question of school dances.

"Why can't we have them? Every other school does it successfully, so why can't we?"

This is true enough, though not every school does have them. Some schools share the same point of view that Pittsburg senior high school does. To be fair to the students, there are advantages. School dances offer associations which could not otherwise be had. Dancing is a wholesome sport and affords good exercise. It gives the students a chance to get together socially under the proper supervision.

There are, on the other hand, disadvantages, which are not so easy to overcome. First, the dances the school would sponsor would have to be chaperoned by some teachers. It can be readily seen, however, that this would not be fair to the members of the faculty, for they have other jobs outside of the jurisdiction of the school, and are busy with them. That is reasonable isn't it? Also, there is strong public opinion against such functions. This itself, is a major obstacle.

However, as long as we have two conflicting sides, we will come to no decision. In all probability, Pittsburg senior high school will not sanction school dances in the near future.

NEW BRAIN CELLS

Scientists tell us there are more than eight billion brain cells in the human brain and they are continually changing at the dictation of thought. If we develop a new brain cell every second, in an ordinary lifetime, one can develop only two billion. Yet most people develop hardly a new brain cell a month.

This points out that a person has enough brain cells to make him successful if he will only develop and use them.

Getting an education is the first step in development and is what we are concerned with. One-third of our lives is being spent at that task. How much of the time is being wasted? If one-third of your life is being lost now, how much greater this fraction will become in later years. Certainly one cannot expect to tackle the tough job of later life without the proper equipment.

School is a great preparing house where we train ourselves and take out into the future, in useful tools, just what we put into today.

—Don McCollister

GUEST EDITORIAL

Year after year thousands of innocent unsuspecting freshmen enter college only to find their world crashing about them. At the end of the term they have flunked out.

After high school they find no convenient study hall in which to get a hurried glance at their physics or rhetoric; no teacher gently informs the student that he had better come back after school to make up that test he flunked.

No one relents if a student fails to get outside reports, because he "failed to get the book at the library." No kind soul is stationed at the door during class hours to prevent some outdoor-minded person from forgetting to go to his class and literally skipping to his native haunts.

Students who go to college invariably tell the high school pupil, "In college, we either pass or flunk. There is no discrimination shown. You'd better learn to study in high school." It is unfortunate that so few heed this information and find the initial year of college a perpetual agony.

—Emporia High Echo

A State of (De-) composition

Remember the short story contest The Booster is sponsoring? Well, nohow, this is a reminder—so get started NOW on your manuscript and put it in the box in front of the auditorium.

The journalism department is on the hunt for genius, and perhaps another O. Henry.

You might be the one! Who knows?

M-E-E-OW (Anne Gorra)

Alice Parr has evidently changed her opinion about boys because she is wearing Robert E. Lee's class pin of '35. This looks serious, Alice.

If you have been wondering why Billie Heimdale has been spending so much time at a certain drug store, here's the solution: She has a crush on a "soda jerk," namely, Louis Breckel!

We notice that Jeanne Stevens is wearing a ring on that significant finger. Who is the donor, Jeanne? It couldn't be your current steady, could it?

The Gould-Hinkley affair seems to be running quite smoothly at the present. At any rate it is rumored that they are going steady.

The next door columnist seems to think that Leona Gaston has remained true to Bill Griffith. But your elueth, Anne Gorra, has reason to believe that any Bill is good enough for Leona. This time, however, it's a Millington.

From all appearances, the Baer-Kirk combination has reached a rather serious stage. The question is, are they going steady?

Why doesn't some one ask Frances Louise Gray what she carries in her compact—the one that has no rouge, lipstick, or powder in it?

Why is it that George Newcomb is so afraid that someone will see him with Nancy Dalton? Think Bebe would be mad, George?

Harold Slankard has been writing to one of the cheer leaders in Joplin. No wonder Harold went to the Joplin-Pittsburg game. Was she glad to see you, Harold?

For the benefit of those girls who haven't been making much head-way with Hilliard Pierce lately: The reasons are two Roosevelt freshmen. The only trouble is that Hilliard can't make up his mind which one he really wants to go with.

The Reba Armstrong—Don Minerd affair has been brought to a sudden halt, since Beverly Kent slipped into the picture. Why the sudden change from blonde to brunette lately, Don?

Virginia Burcham seemed to be well surrounded by boy friends the other night. And of course, "Romeo" Strahan would be in the crowd.

After so long a time, Joe Stephens finally succeeded in getting a date with the feminine junior cheer leader Friday night. It looked like a triangle but Joe had the car so Charles Packard was left out in the cold. Better luck next time, Charlie!

Ivan Wild seems to be up and coming these days. That certain little senior who wears suspenders is seen around the hall with him, quite a bit. What about Lucille Porter, Ivan?

Since Margaret Lee couldn't go to the show Saturday night, Milo Heatwole asked Julia Anne Pogson to go. Of course, Julia Anne consented so it was a double date with Joe Friend and Helen Caskey. Nice work, boys!

ALUMNI

1937—Sam Von Schiltz is attending K.S.T.C.
1936—Mickey Grasso is stenographer at the Italian Macaroni Co.

1935—Fillmore Dewey is going to K.S.T.C.
1934—Bud Strahan is working for the Karbe Grocery Co.

1933—Dorothy Jenkins is attending K.S.T.C.
1932—Margaret Ellen Parks is now Mrs. Harvey Gregg.

Camel hair brushes used for fine art work are not made of camel's hair, but of the fur of Russian and Siberian squirrels.

KAMPUS KEYHOLE (Anne O'Nymus)

If you want to make Lyle Strahan angry, just call him "Romeo."

Jean Bachman has jumped from a junior in college to a junior in high school, the boy this time being our own junior class treasurer.

Irene Brannum says that when Gordon comes to see her, he plays games with Pinky. She doesn't know whether he comes to see her or Pinky.

Julia Anne Pogson has been telling Maxine Douglas that it isn't right for her to go with Bill Magie. But we think it's because Julia Anne wants to go with him. She's been giving him notes.

Leona Gaston seems to be remaining true to Bill Griffith since he went to Norton. She hasn't been dating anyone. He's coming back the first of February and we bet that Leona is glad.

Richard Alsop must still like Bette Lu Williams. At any rate, he keeps two pictures of her in his billfold. But Bette's affections seem to have turned to Matt Young. At least, she was heard to say that she hoped that Matt wouldn't be angry because she didn't show up Saturday night when she was supposed to.

Claire Lucille Hubert must still like Jimmy Kelly. She goes to see him fight every night and she is certainly happy when he wins.

Were two senior girls ever scared the other night! They were riding around in one of the girl's car when a car started to follow them. They thought it was two high school boys and that they would have a good race, but when they got out on South Broadway they found out it was two men and they didn't know what to do. But the girls finally lost them, we're happy to say.

Mary Kuebler certainly gets around. Terrill Horn likes her now. It seem, however, that Mary's mother is very strict with her. Mary told Chuck Ray that she couldn't have a date with him because her mother didn't know him.

Referring to the foregoing article, Don McCollister says Mary certainly could get around him if she wanted to.

WHAT OTHERS SAY

SNAP-SEEKERS

Theodore Roosevelt said, "We have but one life to live, but it pays, no matter what comes after it, to accomplish something in this life and not merely to have a soft and pleasant time."

And that is just what so many students are trying to do, have a soft and pleasant time. These students choose subjects in high school because they have heard that they are "snaps." There will be no work to bother them in this "snap" course, so they can save all their energy.

These same people try to get in the class of the teacher who they have heard requires the least amount of work.

Nothing is ever accomplished by people who are looking for that soft and pleasant time. Scholastically, they are a failure in school. They never have prominent places in activities because they are limited. How? Grades often exclude them from activities such as athletics. And, even if they were not so limited, would they have the energy and ambition to make a place for themselves?

Are you looking for a soft and pleasant life? Are you a seeker after "snaps"? Will you be content to go through life and never accomplish anything?

PUPIL PORTRAITS

Junior Boy

The junior boy whose school life is described this week is quite a prominent vocal figure of this high school. He participates in the boys' glee club, mixed chorus, and the junior quartet. He is a member of Miss Radell's home room and graduated from Lakeside junior high. He is that rather small dark fellow who played the part of the bandit in the junior play.

Do you know him?

Junior Girl

The junior girl of prominence this week is also well known at P. H. S. because of her vocal and dramatic ability. This young lady has one of the leading roles in the opera this year, playing the part of Tessa, and she also played the leading feminine role in the junior play. She is a member of the girls' glee club and also the mixed chorus. This junior girl graduated from Lakeside junior high and is now a member of Miss White's home room.

Do you know her?

Jan. 20—Frank Spicer, Alfred Steele, La Verne and LaVon Casterman, Richard Williams.
Jan. 22—Ellsworth Owensby, Don Kuebler.

BOOKS YOU MAY LIKE

For those of us who love sea stories there are two interesting books in the school library. "Great Sea Stories" and "Great Pirate Stories" are two intensely interesting books. These sister books, compiled and edited by Joseph Lewis French, contain between them 32 stories, everyone of which will hold your interest from start to finish. The stories have been culled from the world's best, and can't be beaten. Some of them are excerpts from: "Mutiny on the Bounty," "Men Against the Sea," "Westward Ho," "South Sea Tales," and "Buccaneers of America." These two books are worth enough points for nearly the rest of the year to the sophomores and juniors.

ETIQUETTE HINTS

There seems to be some doubt as to the correct order of precedence upon entering and leaving the theatre. Some authorities claim that the correct order is for the usher to lead the way to the seats; the woman following immediately behind him, and after the woman her escort.

But more modern usage has changed this order of precedence.

Today, is it correct for the usher to lead the way, a few feet ahead of the man; immediately behind the man follows the woman. The reason for this change is that it enables the man to stop before their places and show the woman to her seat. However, as the woman precedes the man in almost every thing else it is safe to assume that both methods of procedure given above are correct.

It is absolutely incorrect for a woman and man to walk down the aisle together arm in arm.

THE INQUIRING REPORTER

Question: Do you think P. H. S. students appreciate programs they have to pay for more than others?

Virginia Ann Gerhart—Yes, but I don't know why.

Clarence Forrester—No, not always, but it's just according to the type of program.

Lavon Geisler—Yes, because they pay more attention to it.

Terrill Horn—Yes, because they are usually a better type of entertainment.

Virginia Forrester—Yes, because they are more entertaining and hold the students' attention.

Harold Fields—Yes, because, as a general rule, you get what you pay for.

Lawrence Fadler—Yes, because they are more entertaining and keep the attention of the students quite a bit better.

POET'S CORNER

PRAISED BE HE (Lucille Schoenfeld)

I'd like to sing the laurels
Of a poor, mistreated soul
Who doesn't flunk his classes
Nor make the honor roll.

He's Johnny Average-Student
And he tries to do his best
In making school a place for work
And fun and happiness.

He usually gets to school on time,
He doesn't have to run;
He gets his lessons every day,
Is glad when they are done.

In lunch line he takes his place
At the tail-end as he should;
He's not the local wit at lunch,
Would not be if he could.

He has a few activities,
Not enough to make him shine,
But enough to find some well-liked friends;
He thinks some teachers fine.

Yes, the super-intelligentsias' praises are sung
At every turn they take,
And the pupil public enemies are called down
For every move they make.

As students come and students go
The extremes are known afar—
But it's the Johnny Average-Students
Who make schools what they are.

Resume of Year Shows 1937

Outstanding in History of
School as Many Honors Won

(Don McCollister)

1937—One more link in the endless chain of time. One more page added to the annals of P.H.S. history filled with achievements and memories that will never be forgotten. Throughout the past twelve months have been accomplished many feats well worthy of the school's reputation and ability. As we look forward to even better things in 1938, let us also glance backward if for no other reason than to gain confidence for the new year. The 1937 Booster files have yielded the following outstanding facts.

January

1—Beryl Knost '31 and Robert Kelly '32 killed when motor car hits train; 6—Jimmy Kelly '37 takes Golden glove flyweight title; 11—opera practice begins; 16—Bundle Day sponsored by G. R. and Hi-Y; 21—juniors attend annual banquet; 28—speech classes present four 1-act plays.

February

1—new activity tickets issued; 3—champion typist dazzles assembly; 5—Miss Palmer absent for first time in 30 years; 12—debaters to Parsons, orchestra selected for opera; 19—P & W King and Queen contest begins; 26—Typists compete in Arma.

March

3—students take T. B. tests; 5—scholarship contestants chosen; 8—Mary Morgan elected president of sophomore class; 12—13—annual opera, "Chimes of Normandy," rings twice; 20—22—P. H. S. helps with food show at Mirza; 22—Hoffman quintet becomes regional champ; 23—Joe Bergamo next student council prexy.

April

1—band gives benefit program; 9—Jack Morgan and Nadine Hirni chosen King and Queen; 16—orchestra and solo recital; 17—"best brains" compete for scholarships at college, eight places won; 21—23—music festival at KSTC holds prominent spot for school; 24—state typing contest here; 29—band has fun at Joplin fiesta and brings home first prize for second

time; 30—Booster awarded first class honor rating in national contest.

May

7—senior play, "Vanity," great success; 12—King Morgan and Queen Hirni crowned by Purple and White; 21—junior-senior frolic, senior banquet; 23—Baccalaureate; 24—open house; 27—school out, commencement; 28—grade cards.

June

1-30—Time drags.

July

1-31—Time peps up.

August

1-31—Time flies.

September

14—school starts, Charles E. Thibaud new science teacher; 27—Irene Brannum selected coal queen; 30—first issue of Booster, Norman Smith editor-in-chief, gridsters whip Webb City.

October

13-14—Carl Beard senior president; 15—ten journalism students travel to K. U. conference, Booster is 22 years old, Coffeyville downed by Dragon eleven; 22—Ft. Scott squelched on own gridiron; 25—Jack Harmon selected sophomore class president; 28—juniors slay large audience with "One Mad Night." 29—seniors scare each other at Halloween party, Purple shirts trounce Springfield.

November

5—state teachers meeting gives one day vacation; 7-13—American Education Week; 11—Armistice Day, Gudemmen cinch SEK championship title by win over Parsons; 19-21—Girl Reserve conference at Neodesha; 24—Thanksgiving Day program.

December

3—annual staff chosen with John Buess editor; debaters go to Coffeyville; 10—Topeka debate tournament; 17—Don McCollister new editor-in-chief of Booster; 23—Old Grad Homecoming Day; 25—Santa Claus greets and departs; 31—we say farewell to 1937 in a flash of celebration.

Successful Sale

The Girl Reserve ticket sales for the show "Hurricane," which closed last Friday, was successful. The girls sold a total of \$91.40 with a profit of \$18.44 for the club. The tickets were sold for 20 and 30 cents.

Mrs. J. U. Massey was the principal speaker at the regular Girl Reserve meeting Wednesday. Julia Anne Pogson sang a solo, accompanied by Jennibel Evans. Madlyn Osterfelt was in charge of devotions. Jean Bachman, president of Miss Florence White's group, presided.

Visit Waterworks

Representatives from the different chemistry classes visited the water works Wednesday and Thursday, Jan. 6-6, for the purpose of studying the new water softener. They examined the mechanical features of the softener and then made reports to their respective groups.

Nomination for champion storyteller—Bob Stover. How that boy can tell them when he gets warmed up! He tells one about a band of gypsies who played such mournful music that fourteen people have committed suicide after listening to them play. Sudden thought: I was just wondering if they didn't feel more like committing murder (Blood on the axe).

Out of a clear blue sky: Did you ever wonder how you look when you are asleep?

My most triumphant moment was the time I found a nickel in the bottom of the swimming pool.

Happiest moment: The time I found a plate of fudge supposedly set out to cool and ate it all myself.

Funnyest story I ever heard! It was a great day down at the farm for not one, but two, preachers were coming to partake of Sunday dinner. The farmer's good wife arose bright and early and killed, picked, and cooked two fine plump chickens. In order to show her hospitality, she told her family that the ministers were to be allowed to eat all the chicken they wanted and when they had left, the family could have the rest. The preachers arrived and then to the farmer's disgust and dismay, they completely devoured both birds. Later they were being shown around the farm. While passing the barnyard a rooster was heard crowing. "Sounds mighty proud, doesn't he?" said the first minister. "Well, he should," muttered the disgruntled farmer, "He's got two sons in the ministry!"

Back Next Fall

Bill Griffith, a former student of P. H. S., who is well known by many students, left Pittsburg Tuesday, Dec. 21, for Norton, where he will stay for the period of four months. Bill will take up his school duties next fall.

Student Council

The council met Tuesday morning to try to decide upon some sort of a program that high school P. T. A. could present to the public and make some money. The funds are needed by the student welfare committee so it can carry on its helpful and needed work.

Mrs. Clarence Hankins and Mrs. E. A. Massman, officers of the P. T. A., attended the council meeting to secure suggestions pertaining to the program. A committee was appointed by Joe Begando, president, to work with the P. T. A. in preparing the program.

Sanitation Committee

Why not begin the new semester with a clean locker? Many students are practically swamped with books, papers, etc., when they open their lockers. Others are late to classes because they can't find their books or part of their equipment in their messy lockers.

Perhaps a long-lost notebook, article of apparel, book, or anything else which has been the object of your searching for the last couple of months will be found.

Sometime during the next week, when some spare time is at hand, why not clean out your locker and start off, so to speak, with a clean slate.

Dragons Meet Comets in S. E. K Tussle

Purple Quintet Seeking 1st Win In Circuit Race

Game Tonight at Lakeside Is 'Do or Die' for Local Basketeers

Lance to Be Back

Guard Will Bolster Squad for Tilt; D. Miller, Olsen Lead Invaders

In a desperate attempt to break into the win column of the S.E.K. league circuit, the high school Dragons will tangle with the Chanute Comets at 7:30 o'clock tonight for their first home game since Dec. 7.

The locals, after two straight league setbacks, will go into the game uncertain of a victory since the Comets have two league victories and are improving rapidly.

The Chanute team lost to the Pitt crew Jan. 7, when the locals rallied to win, 38 to 26. The visiting five are the defending champs of the league and have such stars as D. Miller and Olsen, two sharpshooting forwards.

Last year the Chanute team, with the great Ralph Miller hitting his stride, beat the Dragons, 45-43, before one of the biggest crowds ever assembled at the Lakeside court.

John Lance, guard, who has been out of the recent games on account of a finger injury, will be in the Dragon lineup tonight and will, no doubt, bolster the locals' chance of a victory over the defending champions.

Proctors Meet

In the regular Wednesday meeting, the proctors discussed the problem of the noisy halls at noon. Special proctors were assigned to places in the worst places. Students are asked to help the proctors as much as possible. The sum of 25 cents was decided on as the amount each should pay toward the group picture for the Purple and White.

Dragons to Play Quapaw Tuesday

Hoffman Team Will Have Return Game With Oklahomans On Local Court

The local high school cagers will play their second straight home game at 7:30 o'clock Tuesday night, when they tangle, in a return game, with the Quapaw high five on Lakeside gym.

The Pitt team won a handy victory from the Oklahomans Dec. 10 at the loser's camp by a score of 48-16. The visiting cagers have stellar stars in Vann, Sellers, and L. Buzzard. The Quapaw team is coached by J. C. Price, K. S. T. C. graduate.

The Dragons will make only one more out-of-town trip this season, that being with the Parsons Vikings on Feb. 4. There are seven remaining games to be played this season, six at home.

BOWLING SCORES

Bozick's Mobil Service took a couple from Eagle-Cherokee on the "Y" alleys Tuesday night to recapture third place in the Commercial league.

John White's 198 game and Theodore Carmino's 510 series were high marks for the victors. Miss Nellie Boyd's series of 533 was best for the match.

Both White and Carmino were gunning for 200 marks as the former marked in every frame for his 198 and Carmino hit heavily for nine frames for 190. Corporon went above his average only once with a 177. Lundquest gathered timber consistently, topping off the match with a 165. Nation garnered a 148 on the second line.

The box score:

Intramurals in Middle of Main Sport Activity

Boxing, Wrestling, and Ping Pong To Be Held Within Next Three Weeks

Many Represented

Snoggrass Urges All Entries to Get Into Form for Tough Competition

With most of the main parts of the intramurals events to come, all ping pong, boxing, and wrestling entries are requested to get into form next week as was announced recently by F. M. Snoggrass, director of intramural sports.

Ping pong, a game of speed and skill, will begin next week. All players are asked to report to their respective groups or organize their team which will be composed of five players instead of individual entries as was done in last year's tourney.

Boxers are urged to use next week as a training period for the tournament, to come the following week. Fighters are now using the gloves after school in the basement. The mittens are available to any one wishing to use them. The winners of these fights will be determined by points as was used in the Golden Gloves.

Since most of the boxers will probably want to wrestle, the wrestling events will be run off a week after the boxing tournament. Wrestlers are required to get into shape now, since most of the pugilists will be in condition and ready for the grunts and groans.

State Tournament Dates Announced

Dragons Likely Will Enter One at Columbus in March; Part of K. S. H. S. A. A.

The date for the class B elimination basketball tourney has been set for March 2-5, inclusive, with the class A and B regional tourneys following the week of March 9-12, it was announced by E. A. Thomas, secretary of the Kansas State High School Activities Association.

Regional tournaments will be held in Arkansas City, Clay Center, Colby, Columbus, Dodge City, Fredonia, Greensburg, Hill City, Hillsboro, Jewell, Kiowa, Latham, Leoti, Louisburg, Morill, Mulvane, McCune, Preston, Riley, St. Marys, Salina, Scandia, Sedgwick, Stockton, Sublette, Toront, Turner, Ulysses, Valley Falls, Washington, Wathen, Waverly, Westphalia and Winona.

Elimination tourneys will be conducted at Alexander, Alema, Alta Vista, Altona, Brewster, Burlingame, Burrton, Cedarvale, Centralia, Circleville, Claflin, Coldwater, Cottonwood Falls, Downs, Fulton, Garfield, Glasco, Greensburg, Hill City, Hillsboro, Jewell, Kiowa, Latham, Leoti, Louisburg, Morill, Mulvane, McCune, Preston, Riley, St. Marys, Salina, Scandia, Sedgwick, Stockton, Sublette, Toront, Turner, Ulysses, Valley Falls, Washington, Wathen, Waverly, Westphalia and Winona.

Waymon Edwards and Edwin

Ryan Lead Purple Quintet

In 27-24 Win

With Ed Ryan and Waymon Edwards, versatile Pitt sharpshooters, scoring seven and nine points, respectively, the Purple Dragons emerged victorious over the Miami Wardogs, 27-24, to hand the Sooners their second straight court losing this season.

Although the Oklahomans drew first blood, the Pittsburgers soon assumed the lead, never to be overtaken, though several times their margin was but a few scant points.

The final period found the Miamians trying vainly to overtake the Pitt crew, but the whistle ending the game cut short a threatened rally and left the local boys three points behind.

Also outstanding for Pittsburg were Steele and Fadler, who contributed five and four points to the Pitt cause.

N. A. Keithley shared scoring honors for the losers with McKiblen, each contributing eight points to the attack. The box score:

AMATEUR NOTES

The only high school football rules that will be added next year should be easy to remember. After two days of discussion of a dozen proposals for changes in the rules, the National Federation of Interscholastic Athletic Association, composed of 21 states and approximately 10,000 schools, has added: (1) That the penalty for an illegal shift shall be five yards instead of the customary fifteen. That means when a team is shifting, all of the moving players must come to a full stop for one second before the ball is snapped. (2) That the penalty for a foul committed during a kick shall be loss of distance only, instead of losses of ball at the point of the foul. That means when a team is receiving a kick from the offensive team, if a foul was committed on the receivers side, there would only be a 15-yard penalty instead of loss of the ball as was last year's rule.

There was much favorable sentiment toward allowing any number of forward passes, provided they are started behind the scrimmage line. Under the present rules, only one forward is permitted on the same play. Many of the 31 representatives attending the session favored any number of aerials behind the line, whether forward or lateral tosses. Once the ball crosses the line, only laterals could be made.

There also was sentiment favoring a rule to allow a second eligible player to complete a pass which had been touched but not caught by a first eligible receiver. The ball now is dead if touched but not caught by the first receiver. But these all were defeated by close margins.

President Brandenburg gladdened many hearts yesterday when he announced the appointment of Charley Morgan, former P. H. S. coach, as head football mentor at the College. Charley was one of the best, if not the best, coaches the high school has ever had. This department hopes and knows that he will make a huge success out of it.

When talking about straight victories, the John Tarleton College of Stephenville, Texas, has won 75 victories.

One reason, maybe, for the Dragon losing streak is that they are homesick to play on their own court. It has been seven weeks since the locals have played at home. A little support may mean a victory tonight.

Graham Wins Second

Xava Graham, senior, was awarded second prize in the weekly amateur hour Sunday sponsored by the Shrine patrol. She played a xylophone solo, "Nola." Her prize was a box of chrysanthemums and carnations furnished for the occasion by Brinkman's. Florence Ramage of Frontenac sang and whistled "Once in a While" to win first. She chose a Parker pen and pencil set from the two prizes, the second gift being a compact.

Pittsburg Five Drops Close One To Independence

Hoffman Hoopsters Lose Second Straight League Victory To Bulldogs

Final Score 21-17

Dragons Miss Too Many Free Throws and Bow To Bevan Five

Their hopes for an S. E. K. championship dampened, the Pittsburg high Dragons were handed a 21-17 defeat last Friday night, at Independence, by the Independence Bulldogs.

Making themselves a main contender for the league crown, the Bulldogs, using a zone defense on a small court, bottled up the Hoffman quintet in fine fashion although a bigger court would have made a great difference.

Overcoming an early 3-0 lead, the Bevan five, led by Dick Overfield, fastest dash man in the state, jumped into a 15 to 4 lead at the half before the startled Dragons could rally and climb within four points.
