Dear Miss Jessye,

Thank you so much for your letter. How interesting that you are writing your autobiography and I am sure you will be interesting about "Four Saints", which seems such a long time ago now. I will certainly send you a photo later if you wish to include it in your book.

I always remember the "Four Saints" days with particular pleasure and often wonder what happened to the many friends I made during that time. What a beautiful thing it was.

Unfortunately I was only in New York for such a short time that I had a very heavy schedule with not much time to myself! It was so nice to hear from you.

My very best wishes,

Yours sincerely,

Frederick Ashton
