PHS Boys Study, Practice Forms Of Government

Five Seniors Attend American Legion Camp at Wichita During Summer

Train for 1 Week

Majors, McClarrinon, Kent, Whiteman, Mann Make Trip Last June

Five senior boys represented the school at state conference held at Wichita during the summer, sponsored by the American Legion of Kansas for the purpose of studying and practicing forms of government.

The following boys attended: Earl Majors, Gene McClarrinon, Lacey Kent, Lee Whiteman, Jr., and Thomas Mann. They left here June 4 and returned June 11. The camp was held at the University of Wichita and the boys' sleeping quarters were in the gym.

Every morning was devoted to a large assembly meeting for discussion and the afternoons were spent in court procedure. After that came the recreational period which lasted until supper time. At this time, they played tennis, had armoryball games and went swimming twice.

The boys were all elected to positions of governmental ranking such as state patrolmen and other officers. In their courts, different boys were tried for various misdemeanors such as staying up too late, being late to classes, and others of the same order so as to study the procedure of court. Each of the boys was presented with a blue cap trimmed in red, a notebook filled with material on government forms, a sunflower pin and a certificate showing that he attended the meeting this summer.

Two of the boys were sent by the American Legion of Pittsburg, two by the Elks club and one by J. B. Townner.

Boys from last year's junior class were chosen because of the help it would give them in their study of government this year and also the information they could contribute to class discussion.

Marion Nation and Finis M. Green were visitors at the camp.

Activity Ticket Sales Near \$600

Huffman and Row Groups Lead in Number Sold, Amount Money in

The activity ticket collections this year has reached a total of approximately \$504.34. There has been a sale of 381 pink or \$3.50 tickets, which entitles one to the Purple and White, and of the \$2.25 or yellow tickets, thirteen were sold.

Although these sums are considered very good, the sales last year at approximately the same time were more than \$100 over this mark. Claude Huffman, sponsor of the ticket sale, although disappointed with this drop, is very pleased with the success of the plan and expects more sales during the coming week. He urges every pupil to buy his ticket as soon as possible.

With the \$2.25 ticket, one is entitled to see all football and basketball games, all plays, the opera, music concert, and The Booster. The \$3.50 ticket is identical to the above with the addition of the annual yearbook, the Purple and White.

Tickets will be available at any time during the year although the price will not be altered at any later time.

The two homerooms leading in sales are Huffman and Row, Huffman taking the lead in the number of tickets sold, Row in the amount of money turned in.

Hi-Y Boys Frolic

'Get Together' Held on Hutchinson Field for Newcomers.

About 40 boys attended the annual Hi-Y frolic on the football field Friday night, Sept. 16. The purpose of the affair was to acquaint new boys in the school with Hi-Y.

After a game of "dodge-ball," a program was given with Jack Byers in charge.

Devotions were conducted by Clyde Hartford, head Hi-Y sponsor. Glenn McClure, boys' secretary of the local Y.M.C.A. gave a short talk on the relationship of the Y.M.C.A. and Hi-Y. Short talks were given by the following, explaining the origin of their respective Hi-Y chapters: Claude Huffman, Jimmie Welch chapter; Charles Thiebaud, David New chapter; Marion Nation, J. L. Hutchinson chapter; Ellsworth Briggs, B. V. Edworthy chapter; Arthur Peterson, Bunny Carlson chapter and Wesley Butler, Joe Dance chapter.

German Goes Over

Pass From Farneti Accounts for Only Purple Touchdown; Bottenfield Dropkicks

Runt Ramsey's Miami Wardogs took to the air last night at Miami and handed the Purple Dragons a 25 to 7 trouncing.

Pitt's only score came in the first quarter when Farneti passed to German from the Miami 30-yard line. The Purple halfback snared it on the 10-yard marker and toted it across for the counter. Bottenfield dropkicked for the extra point.

Miami's first score came in the first quarter when Wayman Edwards threw a forward pass and Deb Wolf, Miami halfback, intercepted the pass and ran 45 yards for touchdown. The Wardogs attempted a placekick for extra point but failed.

McKibben tossed to Walker for the second touchdown and Walker passed to Wolf for the third one. Wolf then placekicked for point and the half ended 19 to 7, Miami.

In the second half Miami put on another air show and brought the ball to the Dragon 3-yard line. Wolf then plunged over for the final tally of the game.

THOUGHT FOR THE DAY

Most people would succeed in small things if they were not troubled with great ambitions.

—Longfellow

Let us be content to do little, if God sets us at little tasks. It is but pride and self-will which says, "Give me something huge to fight, and I should enjoy that—but why make me sweep the dust?"

Booster Extends Hand of Welcome to All Friends, New and Old

Hello! Here I am again to bring those "little rays of sunshine" into your life. I am The Booster and I come to you weekly. Three long months have passed since I was published last and here's hoping you are as glad to see me as I am to see you.

And to you sophomores who are not acquainted with me yet: Come on and get friendly now. I'll be seeing you!

—Shirley Gilbert.

Good Grades Will Pay Better Dividends Than Will Good Times

One of the most important things in school is making good grades, if you make them honestly. When business men need help, they want boys and girls who have good records behind them.

Grades usually show what you personally are getting out of school—either an education plus a good time or just a good time.

—Shirley Sackett

Getting Acquainted Is Good for That Old 'Queasy' Feeling

Speed—bewilderment—fatigue—general confusion prevail as once more PHS is besieged by sophomores. Enrollment, new teachers, strange surroundings, and lightning-quick assignments all unite to help make poor "sophie" suffer a nervous breakdown.

Welcome, sophomores. PHS is not a sinister stranger trying to lure you into hard subjects and serious difficulties. It is very friendly, once you get acquainted. Just forget all this rush and try to schedule your work in a systematic manner. You will then find a very enjoyable school year and not one of drudgery.

—Harold Hyatt

Rooters Must Root and Keep on Rooting for Real School Loyalty

Cheerleaders and gridsters think the students for the fine exhibition of pep they have shown thus far this year. May they continue to be as loyal as the season progresses.

The boys will tell you that they always play a better game when they can hear a lusty Purple and White cheering section urging them on to victory.

Inward loyalty is perhaps the truest form and the truest school spirit is considerably more than merely "yelling your head off" at an athletic contest; nevertheless, at such a contest, it is necessary to give voice to your feelings.

At the next game, let everyone know that WE ARE ROOTING FOR PHS!

Seniors Bid Sophs to 'Come in and Make Themselves at Home'

Through the stately portals of PHS there comes again a new class of sophomores. "Dignified" seniors, viewing the "timid souls," ask one another if they were that small or if they acted as the newcomers do.

Whatever they may say, however, the seniors are for the sophomores 100 percent. So, welcome, young fellas and gals, we are glad to have you with us! The Senior Class

WE READ IT IN

(The Topeka High School World)

Once upon a time there were two little sub-sophomores. They both went about in a daze the first week of school. The new faces in the halls and classrooms, to them, held no sympathy, friendliness, or welcome. They seldom saw their former classmates except for a glimpse through the conglomeration in the halls between classes.

On little sophomore gave up the fight. He had made no new friends and no one had tried to make friends with him. He wondered why he was not asked to join in various activities. He had been quite popular in junior high. Why wasn't he popular in high school?

While this one little sub-sophomore was wondering about such things, the other was doing something about it. He became acquainted with his classmates and acted friendly at all times. He was elected class captain of one of his classes, and was popular in the rest of them. He studied hard in order to give good recitations when called upon. His teachers liked him and they could depend on him at all times.

Which of these are you to be? Are you going to sit back while your classmates carry away all honors

DID YOU KNOW?

That there are 1006 seats in the auditorium?
That this year there are 3,524 students in the school system of this city?

That the debate and speech classes are the largest in the history of the school? Why?

That there are 44 official United States flag?

That Miss Helen Lanyon dislikes bananas?

That Miss Effie Farmer once taught in the Eugene Field school?

That the high school used to print two yearbooks each year, one at Christmas and one at the close of the school year?

Pocketful of Dreams

I'm no millionaire, and I'm not the type to care
'Cause I've got a pocketful of dreams;
It's my universe, even with an empty purse
'Cause I've got a pocketful of dreams;
I wouldn't change the wealth of Wall Street
For a road where nature trod,
And I calculate I'm worth my weight in gold-enrod.

Lucky, lucky me, I can live in luxury
'Cause I've got a pocketful of dreams.

CLOTHES AND COLORS

The latest style in dresses this year is a longer slimmness through the waist, with shirring or pleats in the skirts. Also, the peasant dresses such as dirmdls and the suspender dresses are very popular.

A new color is purple plum, which is being used a lot at present. Also, all shades of green, blues, wines, rust, and of course, black and white combinations are very good. In coats this year, a wine-red is featured along with oatmeal tan, and green.

For school, however, skirts and sweaters or blouses are still more popular and practical.

PHILIP SPACE CONTRIBUTES

They told me when I started writing this that it would be only editorial filler for the second page, but that I could say anything I wanted to because it probably would not be used. So—I am just going to say some things that have been afraid to say, before, feeling secure in the belief that it will never be printed anyhow.

If there was a young man in this school who was and man at all, he would knock the block off the next overbearing bully who dashes down the hall, knocking little girls out of the way without so much as an "Excuse me."

Justice: Forcing a snippy little tart of a girl, who makes a great show about smoking, to smell her own breath after a "drag at the fag." Whew! Why doesn't that plaster saint of a junior boy (you know whom I mean) who "My goodness" and "Ohs" and "Ahs" with the girls and the teachers—I say why doesn't he admit that he had to be bailed out of jail last summer for driving while under the

A "steal" from someone:

The poor deluded Hindu
He does the best he kin do
He sticks to his caste
From first to last
For pants he makes his skin do.

We thought to be generous and helpful the other day—so we offered to help a young man with a school yell. We told him to tie his tonsils into this:

Rapastrap pennywinkle
Plimmy doodle yaller buggr
Rapastrap O Mr. Kimo.

But he said it wasn't practical. Heh! (It is used today by three of the largest universities.)

A LITTLE BIRD TOLD ME

Beauty in distress! — and a handsome youth to the rescue needed. Bernadine Bart, while delivering a message to F. M. Snodgrass, quite suddenly, to sit down—right by the door. "Generally," quoth the coach, "I merely kick such performers right out into the hall, or sweep them out with a broom."

And what of this secret party that is being arranged? It promises to be a lively affair, but unless Bill Margrave is more careful about what he tells, the affair will no longer be a secret. Further details may be secured from Ruth Boatright.

It seems that Earl Davis would like very much to go with Edna Mae Price, but her fancy lies in Jack (Romeo) Harmon. The extra boy is Clyde Youngblood.

It may be almost winter, but there's spring in the air. At least John Slavin and Dorothy Keith think so.

Beverly Kent, a cute senior, is back in high school this year. But there is no need for the boys to become excited. She has a steady in Kansas City. 'Tis said that there is ring in it. (?)

Flash! Girls wanted to keep Joe Friend company. Maxine Douglas has moved out of town.

Another prominent junior is out of circulation. This time it is Joyce Henney and the boy is Sonny Deill of the College.

Just a word to let you know that the Bette Williams—Charles Sage (Coffeyville) affair is still as strong as ever.

Mary Margaret Morgan, our coal queen, has been seen quite a bit with Leslie Baxter, a tall dark, and handsome College freshman.

The Charline Williams—Martin Lee romance has gone on the rocks again. This time, though, it is more serious than ever before. They are not speaking, and all because Martin asked Rosemary Cowan for a date and Charline walked home with John Phillips.

Still hoping: It is too bad how some boys do not make themselves known. Marvin Edwards, jr., wants a date so-o-o badly with Shirley Ann Gay, and Joe Mingori thinks Betty Jo Roy is the cutest thing. Sorry boys but someone had to do it.

Speaking of matrimony: You know that little heartbreaker, Harvey Evans—it seems he thinks quite a bit of Lucille Porter. The other day he was seen in the library reading "Find a Mate in Modern Society."

Far be it from sophomores to leave things half done! They go in for squares instead of triangles. The four sides: Rosemary Cowan, Bob Swan, Martin Lee, Jay Rennick.

All is quiet on the Shirley Ann Gay—Mac French front. The air is that of serenity and contentment. They are going steady now.

INQUIRING REPORTER

Question: Do you approve of the proctor system in PHS?

Bonnie Montgomery—"Yes, at least have proctors stationed at the stairs."

Miss Ferda Hattton—"Yes, I think there is a definite need for them."

Virginia Moore—"Sure, it's okay."

Paul Carter—"Yes, absolutely."

Nadine Sale—"Sure, I do."

Christiano Pasavento—"Yeah"

Mary Jane Evans—"Yes, if the right students are assigned as proctors. Some of the proctors are as bad as the sophomores."

Jack Harmon—"Yes it bumps out the problems for correction (for example students.)"

AMUSING THE MUSES

Dreams

Of all the things I like to do
My favorite is to dream
Of places in this world of ours
That I have never seen.
The first thing that I dream about
Is Fiesta time in Spain.
Langorous nights and scarlet skirts
And despair of love in vain
Senoritas dancing gay,
Olives ripe in bowls so bright
And lasting nights of play.
And next, to beautiful England
With the fragrance of many flowers,
Tea in fragile cups—
Talk to pass the hours.
Next, to gay Monte Carlo
With beautiful raging lights,
Emeralds, top hats, cocktails,
And a glitter of dazzling delights.
From there to peace and contentment
My lovely dreams do wander—
To home, a grand old place,
My happy heart grows fonder.

Grid Outlook Is Far From Dark

Head Coach Hoffman Checks Out 70 Suits to Aspiring Pigskin Artists

Prospects for the 1938 football team were bright and shiny as 62 aspiring (and perspiring) gridsters reported to the new head coach, Francis (Arkie) Hoffman, Sept. 1. "Arkie" is successor to Prentice Gudgeon, who accepted the assistant coaching position at the College last spring.

This year's team features a super-heavy line and a fast flashy backfield. Coach Hoffman now has 70 suits checked out and daily practices are being held.

14 Lettermen Back

There are fourteen returning lettermen including the co-captains, "Dutch" Nogel and Eugene Ridnour. Nogel, weighing 170, Harold Wilkerson, 185, and Rudolf Fanska, 170, are making bids for the end positions. James Zimmerman, 200, and Warren Bottenfield, 180, are holding down the tackle positions at present. Ridnour, 165, and Ed Timms, 185, are playing guard with Harold Mishmash, 190, at the center peg. Bill Lock, 170, is also making a nice try for the same position.

One of the backfields is composed of Milo Farneti, 155, halfback from Frontenac, John Toeller, 160, Charles Gilliland, 150, and Wayman Edwards, 165. Edwards did little strenuous practice for several days because of a leg injury.

Others for Backfield

Joe Keller, 155, Ray Lance, 170, Don German, 170, and George Buffington, 165, are also attempting to land backfield positions.

Other boys showing promise are Bill Davis, 150, Jack Cremer, 155, Robert Friggeri, 160, Clifford Hull, 180, A. M. Brim, 155, and Tom Shultz, 190.

"Arkie" is being assisted by George Duerksen, with F. M. Snodgrass and Carl Olson coaching the B squad, which is composed of freshmen and sophomores.

RESERVES DOWNED BY COCKERILL, 26 to 12

The Pittsburg high school fighting reserves were defeated to the tune of 26 to 12, last Friday afternoon, by Cockerill high school. Bill Beasley, quarter-back, was high scorer with four touchdowns. He made two 60-yard runs.

Robert Friggeri, freshman half-back, scored both touchdowns for the local eleven.

DRAGON CUBS LIMIT TROJANS TO 0-0 TIE

The Dragon Cubs held the Girard Trojans to a scoreless tie Wednesday afternoon, Sept. 21, on Hutchinson field.

Pittsburg's main threat came in the second quarter when they advanced the pigskin to the 2-yard line with one down remaining. Quarterback Lance called for a line plunge but a fumble resulted and Girard recovered. They then punted out of the danger zone and no more threats occurred.

Toeller on All-Star Team

John Toeller, senior, was named to the third base position on the National Ban Johnson all-star team following a tournament held in Kansas City recently. Toeller played with the Parsons club this summer and the honor was all the more remarkable since it was the first season's play artist. Toeller was notified of his selection by the Kansas City Star early this month.

SOCIETY

Clubs! Parties! Dances. The students of the social world are slowly coming to their senses. Summer is over and everyone is rushing around forming new clubs for the winter season.

The Sigma Delta Chi in its fourth year of existence has already asked its ten new members. They are holding their initiation this week. Preceding the opening of school they gave a get-together prom.

The Sub Debs of last year have picked six seniors of this year to carry on with the club. Their first social function of the season will be a costume ball the latter part of October.

A new club entitled the Elegant Eight has recently been formed by a group of senior misses. There has been whispered around that they are planning a jam session around the first of October.

About twelve senior girls have recently informed society that they are organizing a club with a very secret name. The initials are "N.S." Figure it out for yourself.

Ambitious juniors have added to the whirl of clubs one entitled Twelve-Till. They say they have twelve members and gobs of fun.

MAY FORM LEAGUE FOR HIGH SCHOOL BOWLERS

Travis Turner, senior, who is the manager of the Y.M.C.A. bowling alleys, wishes to organize several bowling teams for students of the high school who are interested. He would like to have four or five teams with five students to a team.

These teams are mainly for the students who would like to learn how to bowl and would play at 2 o'clock on Saturday afternoons. He would like to have sponsors for the teams, to offset expenses. Fifteen or sixteen students are already interested.

BOWLING

Bozick's Mobil Service bowlers opened the season's competition by taking two out of three from Eagle-Cherokee Monday night, Sept. 19, on the "Y" alleys. The Bozick boys are competing in the Coal League this year.

Lester Scates rolled 560 for the winners while he and John White tied for single high with 201. William Corporon was next with 490 series and 178 single. C. H. Lundquest improved as he went along to total 444. Theodore Carnino bowled consistently to total 439.

Dragons Defeat Independence In Season's Opener

German and Fanska Share Scoring Honors of Night to Defeat Bulldogs, 12 to 0

Line Is Outstanding

Allen Men Feature Passing Attack During First Half to Gain 111 Yards

The Purple Dragons opened the 1938 football season last Friday night, with a 12 to 0 victory over the Independence Bulldogs.

Independence opened the game with an aerial attack but was unable to gain much headway against the near-perfect defense of the Purple eleven.

Pittsburg's first score came in the second quarter when Toeller made a 26-yard run. Edwards then passed to Toeller for a 27-yard gain. Farneti's pass to German brought the ball to the 15-yard marker and Toeller hit the line for a first down and goal to go. Toeller tried a line plunge which netted one yard. German hit the line and carried the ball over for the first score of the game. Nogel's placekick attempt for extra point was blocked.

In the fourth quarter Joe Keller intercepted a Bulldog forward pass on the 48-yard line and lugged the ball to the 40-yard marker. Gilliland made an end run which gained 23 yards more. Nogel crashed the line for a first down and Fanska galloped around the end for the second and last touchdown of the game. Bottenfield tried a dropkick for point but failed.

The Bulldogs' only threat came in the first half when a forward pass from McHenry to Duffy was completed for a 46-yard gain. The ball was then on the Pittsburg 25-yard line, but the Dragon line held and Independence lost the pigskin. German then punted for Pittsburg and the half ended with the ball in the middle of the gridiron.

The lineups:
