"Jump Gun" on Juniors in Selection of Officers for 1st Time in History

The sophomore class "jumped the gun" on the junior class as the supposedly slow "sophs" left the juniors "in the dust" last week by electing their class officers while the juniors were "merely" getting started.

The results were as follows: President, Robert (Bob) Friggeri; vice president - James (Jimmy) Myers; secretary-Mary Alice Glover; and treasurer-Marvin Tucker.

Friggeri came here from Lakeside where he served as vice president to the science club, played in the band, and though only a freshman, lettered in track.

Myers came here from Lakeside also and he was secretary-treasurer to the science club, a home room officer, and an active member of the band.

Miss Glover came here from Roosevelt. She is talented in music.

Tucker came here from Roosevelt where he was an active member in the music organization and was in the operetta "Band Wagon."

Grads in College

Private, Girls', Boys', and Co-Ed Schools Attract

Have you been wondering where some of the former students are now? Have you often wished it were possible to see or at least know where some of the former students are now? If you are among those who have, you will probably be interested in hearing of a few of these former students.

The following are in Columbia, Mo.: Anne Nettels and Neil Crowell are attending Stephens College.

Mildred Todd is attending Christian College.

Bill Robison is attending Missouri University.

Marjorie Mangrum attending Lindenwood College at St. Charles, Mo.

Frances Louise Gray at National Park College in Washington, D. C.

Maxine Douglas at the Central Business College in Kansas City, Mo.

Kathryn Fikes at Saint Mary's in Leavenworth.

Norman Smith at the University of Colorado in Fort Collins, Colo.

SIX PHS GRADUATES ARE COLLEGE DEBATERS

Names of six PHS grads appeared on the College debate squad, as announced by Prof. J. R. Pelsma, head of the College speech department. The squad will start debating late in November.

Those members from PHS are James Hand '37, Billie Ann Hutto '37, Rosemond Hutto '37, Bailey Williams '38, Melvin Kodas '38, and Keith Boling '35.

The first tournament will be an intercollegiate meet at Winfield Nov. 25-26.

Biologists Kept Busy

Mrs. Dora Peterson's biology classes have been studying the relation of plants and animals. In this, they find how valuable insects are to cross-pollination. The review for the six weeks test has kept them busy also.

GEOMETRISTS REVERT TO BABYHOOD

Miss Anna Fintel's solid geometry classes are going back to their baby days as acting natural or something. Anyway, they are making polyhedrons - triangles, squares to those who haven't taken geometry.

Don't be surprised if you see some of the seniors running around looking for a sand pile to put their blocks into. Just remember you liked to play with blocks in a sand pile when you were young.

Rummage Sale To Raise Money

Speech Club Conduct Project
For Play Properties
Tomorrow Morning

The speech and dramatics club sponsored by William Row, will conduct a rummage sale tomorrow morning. The money from this sale will be used to purchase stage properties and chintz slip covers for the stage furniture. The entire school will benefit from these new articles; however, the juniors will get to use them first for the junior play.

The entire school was urged to bring material for this sale and all material was turned over to the club in Mr. Row's room.

Committees for selecting the building, gathering the materials, and marking the articles were selected. Members on the building committee are Shirley Ann Gay, Barbara Williams, and Madlyn Osterfelt. Members of the committee for gathering the material are Betty Hastings, June Lowe, Helen Glaze, Gene Rogers, Maxine Scott and Margaret Lee Starbuck.

Grad Leads Group

Alvin Mielke '37 President of Fort Scott Juco

Alvin Mielke '37 was elected by the students of Fort Scott junior college, to be their president, Oct. 11. Alvin was also elected as a co-captain of their track team this year.

Mielke played with the Dragon's football squad, and he was one of the best dash men Pittsburg high ever had, he was a co-captain on the track team during his senior year here also. Alvin was a member of our printing department, and helped to publish the Booster during the three years he attended PHS.

Love Heads Academy

Junior Science Group Elects Officers for Year

The Junior Academy of Science met Monday, Oct. 4, for the election of officers, in Charles Thiebaud's room.

The officers chosen were president-Drury Love; vice president-John Ferguson; secretary-Norma Dae Stone; treasurer-Don Slagle.

Bob Akey, president of the State Junior Academy of Science, is a member of the PHS chapter.

About ten members attended the meeting. The time for the next meeting was not announced.

VARIETY OF CLUBS FOR CHOICE OF ALL PUPILS

Several new clubs have been formed during the past week. It is a variety of clubs that will please students interested in different subjects. Mrs. Dora Peterson has formed a Kansas State club, Miss Maude Laney holds a girls' discussion group. William Row is in charge of the speech and dramatics club. Charles Thiebaud has two clubs, the Junior Academy of Science club, and the photography club. Miss Helen Lanyon is in charge of the Girls' Athletic Association.

New Textbooks Used

Five new textbooks are being used in the senior high this year. The new books are as follows: French—"Une Aventure en France" Volume 1 & 2 by Bonee and Lindquist, Spanish—"El Mundo Espanol" Volume 1 & 2 by Casis, Swisher, and Harrison, and the "Second Course in Algebra" by Edgerton and Carpenter.

Arizona often is called the "Valentine State," because it was admitted to the union on Feb. 14, 1912.

OTTAWA U. PRESIDENT IS ASSEMBLY SPEAKER

Dr. A. B. Martin, president of the Ottawa University, spoke in assembly after second hour Tuesday morning.

Dr. Martin spoke about the importance which health, personality, and intelligence have upon the kind of person one may be.

Devotions were given by Norma Dae Stone.

Players and Coach Believe That Play Will Be 'Scrumptious'

Bill Staley: Awfully funny. Worth any body's money.

Charlotte Sparks: It will be a scream. Even the ones who don't usually laugh will have to break down.

Mary Margaret Kerr: It will be swell.

Margaret Agnes Naylor: It's unusually good.

Naida Chandler: It's wonderful. Oh yeah, it's just gorgeous, too.

Elanor Kepling: One of the cutest we've ever had.

William Row: I am expecting the junior play to be one of the hits of the season. The cast is doing excellent work and enjoying every minute of it. I am sure that the audience has a good treat in store for it.

BULLETIN

What? - Rummage Sale.

When? - All day tomorrow.

Inner Circle

Hi-Y has for the past years, sponsored what is known as "inner circle." This is a group of Hi-Y members that meet every school day morning at 8 o'clock "to start the day off" with a short devotional period. Usually one or more sponsors are present and meet with the boys nearly every morning. This period is open to all boys either Hi-Y members or non-members.

Educational Week From Nov. 6-12

Pupils and Teachers of City School System Take Active Part

PHS pupils and teachers, as well as others schools in the city school system, will take an active part during the week of Nov. 6-12 Am-cation Week.

This is expected to be a better week than ever before and it will be made more effective through the cooperation of the Headlight and Sun, radio station KOAM, the Ministerial Alliance, and the civic organizations.

The theme of the week will be "Education for Tomorrow's America."

Details will be given in next week's Booster.

Movies of Selves

New Camera Already in Use for "Shots" Around School

The new movie picture camera has been used to take many pictures of the high students and proves to be quite a success.

The first 100 feet of film taken have been of the fire department and their exhibition and the senior class officers. G. W. Corporon, jr., also used the camera in taking pictures of the journalism classes and tried a shot in Marion Nation's room.

A new splicer is being used to edit the reels and arrange the pictures in their correct order.

The film will be returned in a week or ten days and will be shown in assembly.

TEACHER TOSSES TOOTH WOE IS HE!

Lost a tooth between Sixth and Twelfth street Finder please turn to Charles Thiebaud, chemistry and physics instructor.

Mr. Thiebaud went uptown for lunch the other day and it seems he ordered a chicken sandwich after he finished his lunch, he got into his car and started back to school. He drove a few blocks then threw out the window what he thought was a chicken bone but when he got to about Twelfth street, he found that he had thrown out his tooth!

The original tooth cost \$20, as it was a false tooth. A rather expensive sandwich!

Student Hurts Leg

Jimmie Myers, sophomore, has been walking on crutches for the past week. He pulled two ligaments in his left leg playing football.

Council Heads At Conference

Stephens, Prince, Lashbrook Farmer Attend Meet At Colleyville

Joe Stephens, president; Arthur Prince, vice president; Betty Seely Lashbrook, secretary-treasurer; and Miss Elsie Farmer, sponsor of the student council, returned from Colleyville, scene of the annual convention of the Student Council Federation of the Central States, last Saturday, Oct. 22, according to the three officers and sponsor, they were royally entertained at Colleyville and received several ideas concerning student body work which they intend to augurate in the high school council.

ever, Stephens said they were not at liberty to disclose them yet since a certain amount of experimenting and investigating must be done first.

There were 215 delegates attending the conference from five states, namely: Kansas, Missouri, Oklahoma, Nebraska, and Iowa. Out of the 215 present, however, only two from each town attending were official delegates, Stephens, and Prince being the two from Pittsburg filling this capacity, one only being empowered to vote in the election of next year's convention officers.

A special assembly was held Wednesday morning in which Stephens, Prince, and Miss Lashbrook each gave reports on their trip. Announcements were also made concerning the proctor system.

Masked Seniors Have Big Time On Monday Night

Hear ye, hear ye, all the students of the senior class. When the musical clock strikes 7 on the night of Oct. 31, the senior masquerade party will get under way. A prize will be given for the prettiest and the funniest costumes and to the one who can stay masked the longest without being identified.

You will be entertained by some of your most talented classmates. You will have the privilege to hear Betty Stonecipher and Doris Hromek sing a duet. June Walker and Mac French will sing solos. Merle Dean Hadlock will offer a violin selection and Cloven Nogel will give a skit "The Old Apple Tree." You will hear and see Betty Anne Brackett and Gene McClarrinon tap. Marjorie Gould will give a reading.

The chairmen of the committee are tickets, David Cunningham; refreshments, Alice Williams; decoration Homer Little; and program, Betty Montgomery. General chairmen are the senior class sponsors, Miss Maude Laney and G. W. Corporon, jr.

HOME LIVING CLASSES

HEAR PAULINE KELLY '28 Miss Pauline Kelly '28, now the Home Service adviser for the Kansas Gas and Electric Company, gave a lighting demonstration for the home living class, Monday, Oct. 17. She used a film to explain modern home lighting. She also displayed different types of lamps and explained the requirements of the I. E. S. lamp.

The girls of the class inspected the light meter, and instrument used to measure lights in foot candle units, and found it to be quite interesting. The talk and demonstration was appreciated by both Miss Calla Leeka and the class.

CONTRACTS LET FOR NEW BLEACHERS, EQUIPMENT

Contracts were recently let by the Board of Education for new bleachers and cafeteria equipment.

Low bidders were Bowls School Supply with a bid of \$750 and the St. John Manufacturing Co. bidding \$3,800.

These bids are subject to W. P. A. approval. Wiring contracts were held up for further consideration by the board.

More than 2,000 teachers from over the state and particularly from the southeastern section are expected to make a wholesale immigration to Pittsburg next Friday and Saturday, Nov. 4-5, for the 76th annual meeting of the Kansas State Teachers Association.

Students and teachers of PHS, as well as those from the entire city system, will play important roles in the annual affairs. Round table chairman, presiding officers, lecturers, discussion leaders, delegates and others are to be taken from the teaching ranks. Demonstrations, talks, plays, speaking choirs, and others make up the parts to be played by students.

Prominent speakers will appear at the general sessions, to be held at the Mirza Mosque, and round table and departmental discussions to be held on the College campus.

Dr. Ralph Sockman, New York Methodist minister, will speak at the second general session, at 8 o'clock Friday night on "Machine Age Morals." Aubrey Williams, national NYA director, will speak at the first general session, Friday morning, on the "Youth Problem in Education."

F. M. Snodgrass will be chairman of the health and physical education round table. Miss Frances Palmer will be chairman of the library round table. Miss Maude Laney will speak at the foreign language discussion table on Latin text books.

Clyde Hartford will take part in discussion of Hi-Y. Miss Calla Leeka will talk on "consumer news" for the home economics group. Ellsworth Briggs will discuss social science at the social science round table.

William Row will comment on speech and debate at the speech round table.

The speech choir, made up of high school speech classes, will give a demonstration for the round table.

Drury Love and Norma Dae Stone, seniors, will also give a demonstration in dissection for the biology teachers.

G. W. Corporon, jr., is the delegate to the delegates assembly, representing the senior high school. Ellsworth Briggs is the alternate.

The music for the two general sessions will be furnished by Pittsburg high school and the College music departments.

All except two of the high school instructors have indicated that they will attend the meeting here in Pittsburg. John E. White, printing, and Theodore Carnino, woodwork, will go to Topeka, for the vocational meeting.

PEP CLUB THIS YEAR LIMITS MEMBERSHIPS

The pep club membership has been limited this year and the members will dress uniformly. The girls will wear white skirts, pep club sweaters, and purple and white "dinks." The boys will wear white trousers, pep club sweaters, and purple and white "dinks." Until the new members get their sweaters, the old members will not wear their white trousers and skirts.

The cheer leaders also have their outfits. The pep club has a meeting every Monday after school. They have been practicing several hand drills and new yell.

TWO CITY TEACHERS AT INDUSTRIAL MEET

Theodore Carnino, woodwork, and Harlan Price, Roosevelt, attended the fall meeting of the Southeast Kansas Industrial Education Club at Neodesha last Saturday.

After the meeting, Mr. Price and Mr. Carnino spent considerable time inspecting the general shop in the high school building.

New Stadium Project

Reports have been received concerning the ideas of a new football stadium to be located on the south side of Hutchinson field. The project is to be made from materials salvaged from the old Roosevelt building. The plans provide for a dressing room under the stadium. The plans for the project are now in Washington D. C. waiting approval.

EDITORIAL POLICY

1. To serve as a medium of expression for the student body and faculty.
2. To uphold, promote and carry out the honored traditions of Pittsburg high school.
3. To foster real school spirit.
4. To influence students thought and opinion.
5. To promote good scholarship.
6. To encourage and support clean sportmanship in all things.
7. To encourage worthy activities.
8. To give honor where honor is due.

THOUGHT FOR THE DAY

It is no use for one to stand in the shade and complain that the sun does not shine upon him. He must come out resolutely on the hot and dusty field where all are compelled to antagonize with stubborn difficulties, and pertinaciously strive until he conquers, he would deserve to be crowned.

— E. L. Magoon

The truest help we can render an afflicted man is not to take his burden from, but to call out his best strength, that he may be able to bear the burden.

Little White Cards With Black Marks Please, Shock, Hurt

How many students feel they have spent the time in the last six weeks to the best of their ability? The first six weeks of every school term is really very important, but a good many feel it is an opportunity to take their much needed rest, as a result of a strenuous vacation. The only thing that wakes these students up is a little white card with black marks that will determine their efforts to the extent of the real truth. Are you in this group of students? If you start in right now to get on the right track, your reward will come in the spring.

—Billie Baer

Why Bother Studying It Doesn't Pay—Or Does It?

"Why Study?" After receiving your grade-cards you know the answer and find you could profit with a little study. Study will help you become more intelligent and be in more ease when in a group of well-groomed people. If one gets into the spirit of doing his lessons every day, school will become a pleasure and he will enjoy every minute of the day. Then also when that day rolls around for a written review, better known as "TEST," you will find it's twice as easy and grades will jump higher. Let's all give this a little try this six weeks.

—Iva Mae Beard

Do You Always Try To Show Sportmanship?

Sportmanship is the fundamental spirit of all activities. Whether it is school examinations, social affairs, or participation in some sport, this attitude prevails in every well organized group.

Sportmanship consists of fair play, consideration for others, and the attitude of helpfulness to all. The Booster plays an important part in giving these facts to the student body. We hope we can bring before students the vital necessity of young men and women having this important virtue.

—Drury Love

Choosing Right Course in School Proves Valuable

Planning your course in high school will depend upon many things. You should first decide what profession you are best suited for. Don't pick something which you think you might become tiring and disinteresting, this will lead to failure because you cannot succeed at something if these two points interfere.

Another point to be considered in choosing a course is, "Are You Going to College?", if so take subjects that will prepare you in a manner that

Grade Card Troubles

I wonder why Oscar is blue. Could it be that grade card? No wonder he wants to delay that grade card conference with Dad as long as possible. Not Willie, though. He got all A's. Well, good luck Oscar.

Alice Lorraine Williams

will fit you for college work, if you definitely know that you will not go to college take subjects that will come nearer fitting you for life's work when you graduate.

Carefulness and much thought before plunging into any certain course will save you much grief at a later time when you may wish that you had given more thought to the future and not so much to the present.

Opportunity Knocks Only Once

We all have natural abilities and talents. Everyone whether aware of it or not has a talent for something.

We have the schools and books to help us develop these abilities. The only way we can really develop these talents is by hard work and much concentration. We may get the idea that, to succeed, one must always have his nose in the book. This however, is not the case, when opportunity comes take it. It won't run after you and it comes but once.

—Betty Lou Hastings

Advertisers Get Best of Bargain

The Booster is one of the best mediums of advertising that is possible for you to use. Think of it—one thousand, five hundred Boosters to one thousand, five hundred buyers, each of these buyers representing at least one other buyer, in town and out of town, making a grand total of at least three thousand purchasers.

You appeal to the high school students. You also appeal to his relatives, and friends.

The nominal sum you pay the paper for one column inch of advertising in reality is free because of the trade you get through this paper.

—George Bartholow

Value of Time: Does It Pay You To Loaf?

Sorry, but those things known as grade cards must be given.

You're not satisfied?—the grade should have been higher?—are you sure? Don't you think it's better to be disappointed in failing to attain the height you expected? Won't you work a lot harder next week to prove you are worth your expectations? After all, if you can't improve, you're really in the wrong place, so for the coming six weeks show the world, but mostly yourself, that failure this six weeks means a better future for the coming year.

—Betty Montgomery

If In Search of Knowledge, Try Library

Students, why don't we use more books from our library? We have a good assortment of books and they would really increase our knowledge.

Miss Frances Palmer, librarian, is very helpful to students in doubt of what they want. So in the future, in your spare time, why don't you read???

—Evelyn Pitts

Friendly Students Are Best Liked in School

Do you like students who go around with their noses stuck so high in the air that you are afraid to speak to them? Of course you don't and neither do other people. This school as a whole has very few snobs but of course as in every good thing there is bound to be some bad points. We all like to have many friends but we must go half-way in missing them.

When you see a student, whom you know or have met, up town or even here in school, speak to him. Maybe that person is more bashful than you and he is just waiting for you to speak first.

If you will notice the so called popular students are those who are friendly to everyone, not just their own particular group of friends. Let's all try to be more friendly and see if we don't make our life as well as that of others much brighter and happier.

—Maxine Sims

BOOKS THAT ARE BEING READ

Parnell

Joan Hapslip

"Parnell" was written by Joan Hapslip, a newcomer to the literary world. She is an interesting writer, in as much as she gives the personal and public sides of the person's life.

The story is built around Parnell's public life but the personal touch makes the book more interesting to students.

The story tells of the three parts of his life; his childhood, his college days, and his life as a politician. Interwoven with his political life is his great love for Julia O'Shea.

Charles Stewart Parnell made trips to the United States campaigning for his Irish Free State. His grandfather was Real Admiral Stewart of the United States Navy.

This story was so interesting, a movie version was made of it. It is well worth your time to read—"Parnell."

CLOTHES AND COLORS

Another new thing going over big in PHS is angora sweaters in all shades and styles. The fad now is to resemble a "polar bear."

Have you noticed those new lace hose? They're really flattering to wear and are also guaranteed not to run.

Since hair is on the "up" this year, it seems you simply must have one of those doll hats you've been hearing so much about. There really isn't much to these hats, in fact, they get their name from being a little like a doll's hat. However, "doll hats" and the up style of hair seem to "click."

Though mannish suits are still going strong, the latest thing is the "dressmaker" suit. The jacket buttons all the way down the front and the suit is not quite as tailored. Just a tip in closing to let you know that a new glove is just the thing to set off your suit. They have zippers and are really "chic."

DID YOU KNOW?

The Collinwood schoolhouse fire in which 174 children and two teachers lost their lives started from a steam-pipe in contact with a wood floor?

The Peabody school fire in which 21 little children died was due to a pile of rubbish?

The Cleveland, S. C., school fire in 1923, in which 70 persons lost their lives, was due to an improperly protected lamp?

Every year in the United States we KILL 15,000 persons by fire, mostly women and children?

Every day we burn 880 dwellings, five schools, five churches, and one hospital?

Our National Ash Heap and its corollary losses exceed annually \$1,000,000,000?

The chief cause is CARELESSNESS? That you can help to save lives and property damage by being careful?

EYE-OPENERS

"All things come too him who patiently waits." For the last two years, Louise Addison has been trying to gain the attention of Johnny Walker. She is now planning to invite him to her party.

What is this we hear about James Sill ascending the heights of an elm tree to hide from his lady love? Senior boy isn't as dumb as he looks.

Is there a life-saver in the crowd? We would like to have further information of the outcome of a certain boating party that took place the other night. Why don't you tell us, "Gene" Anderson?

Fairy Tales

Humpty Dumpty—Frank Tatham.
Three Little Pigs—Betty Gohr, Marjory Hubbard, Barbara Gohr.

Tortoise and Hare—Nation and his 5th hour.
Big Bad Wolf—Joe Fields.
Little Red Riding Hood—Jean Canfield.

Little Boy Blue—Bob Little.
Pied Piper—Paul Reaser.
Little Miss Muffet—Dorothy Keith.

Alice in Wonderland—"Sophies."
Brother Fox—Lacey Kent.
Little Red Hen—Ida Louise Rush.

Fiddlers Three—Mardell Mangrum, Wilma Williamson, Lois Williamson.
Jack, the Giant Killer—Jackie Byers.

Gingerbread Boy—Bill Lavery.
The Grasshoppers—Pep Club.
Little Bo Peep—Helen Glaze.

A LITTLE BIRD TOLD ME

Have you seen that darling navy pin Florence Spineto is wearing? It's Bill Ford's '38, who joined the navy.

Zoe Wilma Baer not only likes the boys but she really goes after them. She got her car the other night and drove down to see Jesse Koulter.

The Merle Hadlock-Dorris Hudson team has broken up again. This makes the third time in two months.

Boy, Bill Lavery must have some line to make June Herrmann's heart go pitter-pat.

Why is it that Mary Eileen Forsay likes to go to the store so well? The answer is the grocer boy, Melvin Joseph.

That old flame which first began burning in the heart of Betty Jean Richards, when she was only in junior high, is still roaring for Wallace Lewis.

Evelyn Harmel says that every time she sees Don German she has the awfulest twinkling in her heart.

A new triangle has been seen riding around in a brown Pontiac. They are Ellsworth Owensby, Irene Harper and Leonard Stone.

We wonder how Margaret Todd knows she is getting the right James Zimmerman.

Flash! "Wottaman" Fields (just plain Joe to you) escorted Lucille Patterson, his "Lady Fair," to the Sub-Deb masquerade.

History repeats itself; and we have the couple of Katie Kams and Leo Ensmann going strong again. Claims that girls are going steady with him.

Harold Doty was seen with his coat tied around his waist last Wednesday nite. We hear it was a slight case of torn trousers.

Mac French didn't do so well, this time. Rosemary Cowan wasn't ever interested. He's gone back to his old beat now.

Wayne Hudson is escorting Lucille Porter to a picnic. Hm, has anyone seen Harvey Evans?

Attention Harry Stephenson! Juanita Scott wants a date with you so very, very bad.

Of course our junior girl cheer leader goes to out-of-town games to lead the pep club. An added attraction, though, is Charles Gilliland.

Betty Claunch and Sammy Van Gorden are STILL going steady. It's been a long time to keep such a sweet girl out of circulation...but she likes it.

INQUIRING REPORTER

Question: What is your pet hate?

Helen Winsby: Bright fingernail polish.

Jack Harmon: Liver.

Ilene Bennett: Having to stop reading a good book.

Joe Fields: To get a shine and go out and someone step on it.

Anita Ray: For PHS to lose a football game.

Frank Freeto: Chili.

Miss Anna Fintel: Smart-alecks.

Jack Marquardt: Spinach.

Virginia Huffman: Onions.

John Ferguson: Women!

ETIQUETTE

Many girls have formed a habit of breaking appointments with other girls when a boy asks them for a date at the same time. Do you think this is very considerate? Many girls look forward to these appointments and it certainly is not a sign of good etiquette when you continually practice this thing. Boys as a rule will respect you a lot more for not breaking the date than if you just pass this other affair off as if it didn't mean a thing.

SONGS YOU ARE HEARING

Now It Can Be Told

Now it can be told
Told in all its glory
Now that we have met
The world may know the sentimental story.

The greatest romance they ever knew
Is waiting to unfold
Now it can be told, as an inspiration
Every other tale of "Boy Meets Girl"

Is just an imitation.
The great love story
Has never been told before
But now, now it can be told.

I've Got a Date With a Dream

I've got a date with a dream, a dream divine
I've got a date with a dream who may be mine
I've got a date to hurry and dress to meet her

at seven
When any old corner becomes a corner of
Heaven, Blue Heaven.

I'm going to dance with a dream, we'll dance
on air
I'm going to speak to a dream, and tell her
I care

And when the evening is over
I'll kiss her goodnight, and then
I'll have a date with a dream
And meet her all over again.

Contributor: You sit on every joke I offer you.
Editor: Yes, but I wouldn't if there were any
point to them.

Student Council

The Sanitation Committee

After discussing the problem of cleanliness in our school with the custodian, Charles Martinache and the janitor, James Irvine, we find that the most difficulty is found in the carelessness of the student body when they discard wrappers from candy and throw paper cups on the campus. The depositing of gum in the fountains is not desirable and we ask that it stop.

GRADS SWEEP INTO OFFICES AT COLLEGE

Graduates played an important part in the College elections recently. Thirteen Pittsburgers ran for office, of which five were elected.

In the freshman class Leonard Sellmansberger was chosen for student council; Bud Fadler, president; and Esther Packard, vice president.

Jack Henderson was elected vice president of the junior class.

Jane Baxter was chosen for student council at large.

Joe Begando, Maxine Humbard, Eddie Ryan, Frances Hunt, Finley Porter, Betty Jo Coulter, Alene Michie, and Gertrude Sellmansberger were runners-up.

Washington Now In Use, Is One Of Best Buildings

Pittsburg is indeed fortunate in having so many splendid up-to-date school buildings.

The newest of these is the Washington school, which was just recently completed. It is located on the corner of Euclid and Locust. It is a 1-story colonial building, built of rough red bricks. As you approach it you are reminded of the cupola of Mount Vernon, the name plate above the door containing the words "Washington School", in early colonial script.

The entire building is fireproof and up-to-date in every respect. The principal's office on the right hand side as one enters the building, has the usual necessary equipment. Besides this, it has a radio. By means of special equipment programs brought in may be given to any of the rooms or all of the rooms and the auditorium. The principal also may speak to any of the rooms if she wants to make an announcement.

There are several class rooms in the building and each is well equipped with desks and school supplies.

The auditorium has a seating capacity of more than 200 persons. The chairs may be removed and it is used as a gymnasium. There is a clinic where ailing children may be examined and treated. Just off a side of the auditorium is a kitchen where they cook the meals when they have a dinner in the auditorium. There is a special supply room where they store all the school supplies, such as paste, paper, chalk, colors, paints, etc. Venetian blinds shade all the windows.

In such pleasant surroundings, and with such interesting equipment, the gaining of an education should be a pleasure.

GIRL RESERVES

One of the outstanding programs put on yearly by the Girl Reserves, is their candle lighting service, which was given in the auditorium Friday morning, Oct. 21.

With the cabinet members seated on the platform, the rest of the group, all dressed in white, marched in, while a trio composed of Evelyn Massman, piano, and Lois Mae Williamson, and Mardell Mangrum, violin, played a march. June Walker sang a solo, accompanied by Wilma Carey.

Helen Flynn, the president, opened the meeting and welcomed the new members. Devotions were then read by Alice Lorraine Williams.

Short talks by Iva Mae Beard and Betty Montgomery explaining the ideals of the G. R. were given.

At the close of the program a candle was lighted by the president, from which the other members lighted their candles. Then they formed a fine-around the auditorium; after all the girls had lighted their candles, they marched out singing "Follow the Glean". As the girls went out, each was handed a copy of "A Girls Belief".

This program was enjoyed by the following guests:

Mrs. C. C. Ogan, Mrs. B. C. Whitcomb, Mrs. C. Eisenhart, Mrs. C. F. Haverfield, Mrs. J. D. Lottman, Mrs. A. H. Williamson, Mrs. Erma Yarty, Mrs. Roene Castel, Mrs. Quincy Minnori, Mrs. Otis Guinn, Mrs. Claude Allen, Mrs. E. L. Lady, Mrs. Clay Mangrum, Mrs. W. A. Neagle, Mrs. Wally De Armand, and son Freddie, Principal and Mrs. J. L. Hutchinson, Miss Mary Nelson, Mrs. J. W. Hudgen, and Mrs. Charles M. Keck.

STATE HI-Y OFFICIALS TAKE NEW POSITIONS

Bruce Tallman and Alden Eberly recently resigned their posts as area secretary and state secretary, respectively, of the HI-Y to accept posts elsewhere. Mr. Tallman went to Detroit as Michigan state secretary and Mr. Eberly went to Lincoln, Nebr., as city boys secretary.

Leo Gessel, former boys' secretary of the Y. M. C. A. at Topeka, has assumed the duties of area secretary. A successor for Mr. Eberly has not been named. Rudolph Weims will continue as assistant area secretary.

Both Mr. Tallman and Mr. Eberly are well-known to HI-Y boys and sponsors here.

Spirits of Dead Musicians Haunt Old Music Room

Beethoven tossed restlessly in his sleep. Clack! Clack! Again that familiar sound, only this time much faster. Surely it couldn't be a beginner learning to beat the snare drum.

Beethoven rose from his disturbed sleep in the old music room and summoned the spirits, Wagner and Paderewski. Together the trio stole stealthily from behind the music cabinet to investigate the strange noise. Wagner nearly fainted at the sight which met his eyes. Beethoven howled in dismay.

What will mortal man try next? The nerve of some people!

There before them, in two neat rows, were twelve typewriters operated by twelve commercial students. Wagner threw a fit. Imagine! Be sieging a room of musical genius and establishing a form of commercialism. Students learning to conduct shrewd business ventures rather than musicians learning to play clearer tones. Beethoven strode forth vengefully and gave one of the typewriter keys three resounding clicks. The student swore eloquently under his breath and proceeded to erase what he thought was another one of his errors. Paderewski laughed hysterically and the three old composers jointly agreed to continue this practice until the abhorred commercialists are moved into the new laboratory.

Springfield Team Seeking Revenge For 1937 Defeat

Purple Crew Is After Fourth Consecutive Victory From Missourians

Dragons Favored

Pitt. Gridsters Rely on Powerful Forward Wall and Speedy Backfield

The Purple Dragons will meet the Springfield Bulldogs at 3 o'clock this afternoon on Brandenburg field.

Pittsburg has won three games out of five starts this year and is not planning on losing any more.

The red-clad Bulldogs of Springfield will try to avenge a 19 to 6 defeat handed them by the Dragons last year at Springfield.

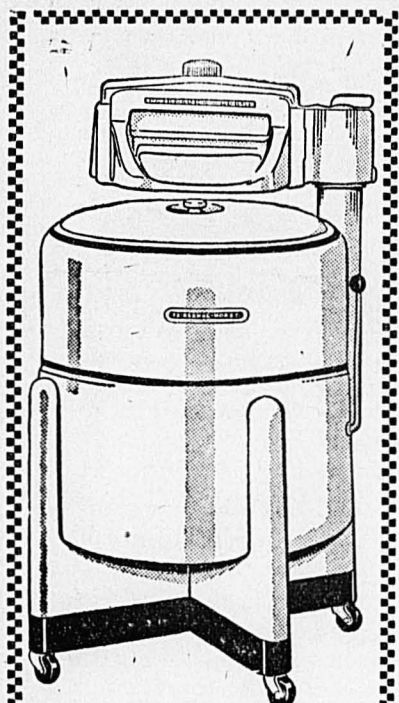

Coach Hoffman will probably start "Dutch" Nogel and Rudy Fanska at ends, James Zimmerman and Warren Bottenfield at tackles, and Gene Ridenour and Ed Tims at guards. Harold Mishmash will do the ball snapping. In the backfield Waymon Edwards will call the signals. John Toeller and "Crash" Gilliland will be in the half-back position and Don German will start at fullback.

This will be a non-league game.

Purple Gridsters Meet Iola Next

Both Teams Strong Contenders For First Division Berth in S. E. K. Race

Purple and White gridsters will again enter the league fray, when they meet the Iola Mustangs at 3 o'clock next Wednesday afternoon, Nov. 2, on Brandenburg Field.

Iola, a first division contender, is expected to give the second place Dragons a tough battle. Plenty of ball tossing is expected from the Mustangs, while Pittsburg's powerhouse line will be relied upon to do the "Battering" against Iola's "Pitching."

The 1938 purple Dragons are co-captained by two outstanding line-men: Laundus (Dutch) Nogel and Eugene Ridenour. Nogel was co-captain last year, playing end and was placed

on the first S. E. K. team, while Ridenour was a regular on the first team, playing guard.

Both boys believe in hard continuous training. Nogel has lettered four years, Ridenour earning his award two years. Nogel is well-known in the S. E. K. for his consistent defensive work and Ridenour for his terrific blocking.

Mishmash Intercepts Lob Pass In Second Quarter; Starts Touchdown March

The Purple Dragons sent the Fort Scott Tigers home with their tails between their legs last Friday night, Oct. 21, after their tilt under the big lights on Brandenburg field.

Pittsburg's big line pushed the Bourbon County lads all over the gdiriron to gain 180 yards rushing. The Dragon passing attack also played an important part in the S.E.K. league tilt.

The Dragons scored the first touchdown early in the second quarter when Harold Mishmash intercepted a lob pass thrown by Fort Scott. He carried the ball to the Tiger 28-yard line where he was pushed out of bounds. John Toeller hit the line and carried the pigskin to the 5-yard marker. Pittsburg then tried two line-backs which brought the ball to one foot from the goal. On the next play, Ray Lance, sub half-back, carried the ball over. Toeller passed to Gilliland for the extra point.

A little later in the same quarter, Pittsburg started another powerhouse drive. John Toeller put in an exhibition of ball carrying and brought the ball to the Fort Scott 21-yard line. Toeller then passed to "Dutch" Nogel for the second tally.

Fort Scott threatened to score in third quarter and no scores were made. However, there were some nice runs made by both teams. The Dragons scored their third touchdown in the last period when Rudy Fanska tore around the end for a 23-yard run and a touchdown.

Fort Scott threatened to score in the closing minutes of the fourth quarter. McMurray threw a forward pass to Newcomb that was stopped on the Dragon 17-yard line. The next play, they passed over the goal and a Pittsburg back interfered, so the re-

Rattlers' Bows Used by Seniors In Odd Initiation

Have you noticed a lot of bows (ribbons), tokens, rattlers, and suckers running around lately — with a "dignified" senior attached to them? If you have, think nothing of it for its only the Arbor vitae (pronounced "Weeta") club initiating new members. Being experienced (and all that) I'll let you in on a little secret, just confidential like — Wearing the baby ribbon in your hair and a token around an ear was very, very uncomfortable — but the candy — there you have an entirely different story.

Have you ever been in a class-room when your stomach began growling and snarling, due to the cause that you haven't had anything to eat for at least an hour and a half? Well there you are — and there is the candy — A little bit of nourishment once in a while always helps you know.

We hear that several initiates es had a grand time(?) brushing their teeth and walking barefooted on Broadway last Thursday. The members are going to get their soup one of these days, though. They can't always treat us like that. There'll come a day — We Hope!!

A good radio program is something that friends always drop in on just when you are about to listen to it.

Dailey Uni,

feree declared the ball complete on the 1-yard line. Fort Scott had time for one play and Wilson was thrown for a 5-yard loss.

Sport Gossip

The next time you see John Toeller, Just call him "Lie Salt". If you want to get soaked. It seems that Johnny had a sore leg muscle and decided to rub it a little with some glyco. iodine. However, he grabbed the wrong bottle and what he got was Lysol. Both are liquid, both are brown, both are in about the same kind of bottle, and both have a very atrocious odor, so John started rubbing it on. When he finished the rub-down, he felt a burning sensation in his leg, and noticed that it was swelling up. He also had a brown leg for a few days.

Don German thinks the Fort Scott Tigers play a rough brand of football. As you know, Don was playing with a broken nose, and it seemed as if on every play, someone grabbed hold of it.

The high school band, directed by Gerald M. Carney, put on an A-1 exhibition at the Fort Scott-Pittsburg game last Friday. Those three drum majorettes don't hurt the appearance any either.

One of the highlights of the Tiger Dragon game was in the second quarter when McMurray of Fort Scott punted and the ball rolled dead on the Pittsburg 2-yard line. The old powerhouse line got into action and Pittsburg got out of the hole in nothing flat.
