

Candid Commentary

Greetings and salutations to you all. This is the introduction to a new column on this "sheet". It is my intention to take advantage of that God-given privilege, which belongs to each and every one of us as Americans, and to give my own opinions on events of our day, both here and abroad.

Bouquets and orchids to Mr. Nation, (it's time somebody did) for his excellent non-intervention speeches in his classes these days. He's performing a service that we need more of in these troubled times.

Jim Marchbanks has a scheme that looks like it might be that answer to the prayers of some of you. He's establishing a "draft-dodgers" colony in Arkansas. He'll rent caves either furnished or unfurnished to any of you that want to buy. Jim guarantees that you will be safe from all inquisitive officers.

To rumors in the newspapers that his famous "Brain Trust" was "out the window," President Roosevelt replied that the press created the "Brain Trust" and it was killed by them. If the press created that organization, our only comment is that it is another example of the power the press has upon the destinies of this country.

There are a lot of people who say they would hate to be in the President's place in this crisis. However it is not difficult to find those who would rather be there than have F. D. R.

P. H. S. students have again shown that they are worthy of the trust put on them by the community in the selection of a coal queen. No straight thinking person can honestly and without prejudice dispute the decision of the voters of this high school. In scholarship, friendliness and department, she has proved herself a real credit to our high school. So hats off to our Queen of '39, a true queen in every respect.

A treaty is as good as the least trustworthy of its signers. Therefore, we are greatly surprised at the outcome of the Nazi-Soviet "peace pact."

In this column last year, my distinguished predecessor dismissed the partition of Czechoslovakia with the mere comment that it was a hard name to spell anyway. He certainly leaves me in a hole for what am I to say to explain the latest doings in Poland?

By nature, the writer of this column is not easily aroused or disturbed. When F. D. R. fulfilled his promise to balance the budget by running the debt up to 40 billions of dollars, I said not a word; When Chuck Spencer shaved his head, I didn't tell him how funny he looked, I sympathized with him; when Herr Hitler signed a "peace pact" with Comrade Stalin, I was still and quiet; but now something has happened that makes it impossible for me to keep my silence. Yea, brethren, I am a broken and disillusioned man. Five inches of rain has fallen in California.

Faculty Club Has First Session

Miss Anna Fintel, President of the High School Faculty Club, presided at the session held at the Methodist Church Tuesday 23.

Dr. Ralph Fritz of the College, Supt. M. M. Rose, and Principal J. L. Hutchinson were the speakers of the evening. The theme of the speeches was "The cooperative Study of Secondary School Standards."

Miss Jessie M. Bailey is secretary, Mr. C. H. Lundquist, Treasurer, and the City Teachers Club representative is Mr. Willard Thorpe, all of whom were selected last spring.

NEW JOURNALISM INSTRUCTOR

ALVIN PROCTOR

Several Changes Made In Faculty This Year

Tewell, Proctor, and Collie Fill Positions Formerly Held By Row, Corporon, Carnino On High School Staff.

Three new teachers, Alvin H. Proctor, J. M. Collie, and Dan J. Tewell have joined the P. H. S. faculty this year to fill the vacancies left by William Corporon, Ted Carnino, and William Row.

Mr. Proctor, who has his Master's and B. S. degrees from K. S. T. C., came here from Wisconsin University where he was doing graduate work. He has taken over the journalism department and is teaching junior and senior English. In previous years Mr. Proctor has had two teaching fellowships and two years teaching in New Mexico. Mr. Corporon, the former journalism instructor, left P. H. S. to take a position in Wyandotte High School, Kansas City, Kansas.

Mr. Collie is teaching industrial arts. Last year he taught at Lakeside Junior High school. He received his Master's degree from Columbia University and his B. S. from K. S. T. C. At Winfield, Kansas Mr. Collie started his teaching career and later taught at Western College in Oxford, Ohio. Before coming to Pittsburg, he was educational adviser in the Civilian Conservation Corps. Mr. Collie took Mr. Carnino's place at P. H. S. and Mr. Carnino is now teaching at Lakeside Junior High.

Mr. Tewell has taken the position left by the resignation of Mr. Row. He is teaching debate and speech. Mr. Tewell is a graduate of P. H. S. and received his Master's and B. S. at K. S. T. C. When he graduated from College, Mr. Tewell went to an Oklahoma high school where he was an English teacher and a dramatic director. After leaving there, he came to Roosevelt where he was teaching last year. Mr. Row has accepted the position as speech supervisor in a Tulsa high school.

Roosevelt High School has one change in the faculty this year, Earl Ludlum has taken Earl Ludlow's place.

Nadine Gilbreath and Mardelle Wines have been added to the Lakeside Junior High School staff.

At the grade schools, Patricia Webb will teach at Lakeside, Frances Marie Schlanger at Lincoln, Pauline Butler at Eugene Field, and Irene Johnston at Forest Park.

Allied Youth Has First Social Event

Allied Youth held its first picnic of the year, Monday evening Sept. 25. Prospective members were invited to attend the picnic. After the picnic the group had a line party and went to the Midland to see "Stanley and Livingston."

The new officers, which were chosen at the last of the preceding year are making plans for the future. The officers are as follows: president, Kenneth Hunt; vice-president, Anita Ray; secretary, Martha Ruth Howard; treasurer, Laura Helen Ellsworth. The sponsors are the same as they were last year, Mr. Thorpe and Mr. Thiebaut.

Dragons Play Strong Bulldog Team Tonight

Odds Favor Locals on Basis Of Results Last Week; But P.H.S. Coaches Warn Against Too Much Optimism.

Independence will be the first S.E.K. foe of 1939 for the Pittsburg gridsters when the kickoff soars down the field Friday night, Sept. 29, on Brandenburg gridiron.

Odds favor the P. H. S. team on the basis of last week's results. The Bulldogs lost to Fredonia, 0 to 13, last Friday, while the Dragons routed the Cartersville eleven, 40 to 0. The locals also have a weight advantage, with an average of 174 pounds to the Bulldogs 151.

The fact that Fredonia whipped Independence does not indicate too strongly that the Bulldogs cannot play mighty good ball, officials who worked last week's game declare.

The Dragon's forward wall ranks as one of the heaviest high school lines in the state. It showed that it can function expertly against Cartersville when it opened holes big enough to drive a wagon through.

Independence is smarting from last year's 12 to 0 defeat by the Dragons, so they will be out for revenge tonight.

"The Bulldogs have never allowed this to be an easy game, regardless of the odds against them," a Pittsburg coach declared Wednesday, "and their desire for revenge will undoubtedly be loosed against the Dragons."

Coach Hoffman's team seems to have plenty of reserve material, but the Independence reserve list includes such giants as Hillyard, a small lad who weighs 195 pounds and plays tackle and Gross, another tackle who weighs 220 pounds.

Officials for the game will be Bailley Ricketts, Baker college; Melvin Neely and John Readecker of K. S. T. C.

Three New Board Members This Year

New Members of the Board of Education are C. Y. Thomas, Harry F. Myers and Troy Lane, who were elected at the general election held last April. At the reorganization meeting of the School Board early in Sept. 4, E. H. McFarland, Manager of Pittsburg's Municipal Airport, was elected president of the School Board.

Troy Lane, local grocer was by acclamation elected vice-president of the Board. Mr. Harry F. Myers is employed by the Kansas Gas & Electric Co.

Mr. Sellmansburger and Dr. C. M. Gibson are the Committee on Buildings and Grounds. Mr. C. Y. Thomas, employed by a local coal company, and Mr. Lane are The Finance and Purchasing Committee.

The School Board Meetings are held the first Monday of each month. Elected members serve a term of four years. Every two years three new members are elected.

J. A. Buchman, A. R. Sedoris, and Mr. Batten are the retiring members of the board, who have served their four year terms. There are no certain appointments, therefore, a newly elected member does not have to hold an office that a retired member held.

Activity Sales Below Normal Huffman Says

Greater Amount Of Cash Is Turned In However; 392 Blue Tickets Sold As Third Week Ends.

Activity Ticket Sales this year falls slightly below normal of last year. The total collection of money for Sept. 25 was \$616.61.

There was a sale of 392 blue, or \$3.50 tickets, and of the \$2.50, or green tickets, 11 were sold. Although there were not as great a number of tickets this year as last, there is a greater amount of cash purchases to date, Mr. Huffman said.

Last year \$47 was paid out to each unit as the Activity ticket. If the sale does not go better, the amount to each unit will almost be halved, it was asserted.

With the \$2.25 ticket, one is entitled to see all the football and basketball games, all plays, the operetta, and music concert, and also to receive the Booster. The \$3.50 ticket is identical to the above with the addition of the annual yearbook, the Purple and White, which may be purchased for \$1.25 on the activity ticket.

Without the ticket it would cost \$1.50. All the events may be seen for less than 12 cents each, so if the student missed half of them, he would still be ahead.

The two Sophomore home rooms selling the most tickets were Miss Lanyon and Miss Stephens. The former sold 18 tickets and turned in a total of \$19.78, while latter sold 13 tickets and turned in a total of \$19.78.

The highest Junior rooms were Mr. Briggs and Mrs. Lewis, the former selling 22 tickets and turning in \$19.66, and the latter selling 16 tickets and turning in \$14.64.

The home rooms leading in the Senior class were Mr. Huffman, who sold 23 tickets and turned in \$36.26; Miss Farnier, who sold 18 tickets and turned in \$25.24; and Mr. Thorpe, who sold 18 tickets and turned in \$22.62.

Tickets may be purchased at any time during the year although the price will not be altered at any later date.

Defeat Rivals By Two Votes In Annual Contest

Naida June Brannum Runs Close Second in Hostess Election; Three Defective Votes Might Have Changed Results.

By a margin of two votes, Barbara Cornelius defeated Naida June Brannum and two others in the contest for Coal Festival hostess. This was decided by a vote of the P. H. S. students Tuesday, Sept. 26.

From four candidates, Barbara Cornelius was selected to act as hostess to the queens of visiting towns at the sixth annual coal festival to be held in Pittsburg on Oct. 4 and 5.

She is also to act as Miss Pittsburg at the American Royal at Kansas City. Preliminary judging to select the Jubilesta queen for the American Royal will be held the night of Oct. 13. On Oct. 14, the winner will be crowned queen in the Municipal auditorium.

There were three votes turned in that had to be discarded. One read, "neutral", another read, Jack Long and the third read "Minnie Mouse". If these three people had voted correctly there is a possibility, although not the probability, that the election would have turned out a different way, Mr. Thorpe said.

Barbara Cornelius, an attractive brown-eyed brunette, is fifteen years old, 5' 4" tall, and is slender. She has been a drum majorette for the past year and is continuing it this year. She is a member of the Girl Reserve and is treasurer of the Sigma Delta Chi social club. Living all her life in Pittsburg, Barbara attended Lincoln grade school and later Roosevelt junior high. She is a member of Miss Farnier's home room and is majoring in commerce.

Miss Naida June Brannum, the close running second, is a typical redhead. She is a drum majorette and last year was the junior carnival queen.

Naida Chandler, another contestant, is a tall, light brunette. Last year she was program chairman of the Girl Reserve and was on the debate team. She is a member of Miss Farnier's home room.

Josephine Walche, another nominee for queen, is a brunette. Josephine is a student council representative from Mr. Proctor's home room and belongs to the Girl Reserve.

The original 16 girls are: Bernadine Baert, Naida June Brannum, LaVerna Casterman, LaVon Casterman, Naida Chandler, Barbara Cornelius, Margie Harrison, June Lowe, Margaret Agnes Naylor, Mardell Mangrum, Margaret McCoy, Madlyn Osterfelt, Edna Mae Price, Ida Louise Rush, Josephine Walche, Barbara Williams.

Iram Joan Prior, sixteen year old College High senior, was elected Maid of Honor to attend the P. H. S. queen in an election held Sept. 26 at the College High. Miss Prior lives at 114 West Mead.

Booster Asks For Contributions

This is the Booster speaking and I'm your paper. I want you to contribute stories to be printed on my pages. News, gossip, editorials, your opinion on anything. I'm eager to let your opinions be known and to let you know what goes on in PHS.

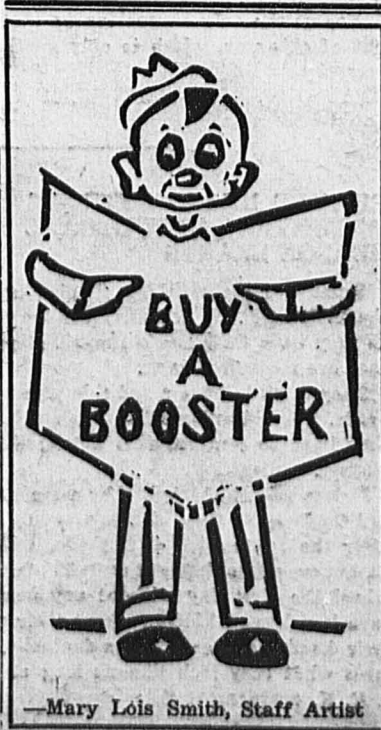

Some hopeful young journalist will place a box just inside the main entrance, in front of the auditorium. Any time you have a brain child you'd like to see in print on my pages, or you'd like to express your opinion on whether to come to school on Saturday or not, or your opinion of something else, just drop it in the box and the editor will look it over and see about printing it on my pages.

Remember, though, students opinions are limited to 150 words; other stories, such as gossip or straight news can be as long or short as you like. Don't forget to look for the box and I'll look for your contributions.

THE BOOSTER MAKES ITS ANNUAL BOW AND ASKS YOUR COOPERATION

This is the first edition of the Booster in 1939-40 and we hope that it comes up to your expectations. It comes to you every Friday afternoon, so look for it and read it all. We hope you like our school by now, since you have been here long enough to become acquainted with the teachers and other class members.

Don't forget to attend all the activities—football games, basketball games, and plays. We are sure you will enjoy them. Then, in the following edition of your Booster, read about it and get the writer's angle of the activity; it may be different than yours.

If you have any news or any helpful suggestions for the Booster, we will be glad to have them. Remember, this is your paper and we want your cooperation.

THE CHALLENGE OF WAR ABROAD HAS NO APPEAL FOR AMERICAN STUDENTS

In you—students of all American high schools and colleges! In fact, in the Youth of America lies the reply to war's challenge.

Youth fights war! Youth pays for war. Youth shoulders the results of war. Each of you must do his part. Each has a duty to carry out, for, combined you are powerful. If you are indifferent, and follow the crowd and are not firm, you shirk your duty.

To do your duty you must say "America will stay out of war." Not the sinking of a ship or the loss of a foolhardy life, but the first sign of weakness on your part will bring disaster and sorrow to us. Those who want us involved for their own selfish interests, will propagandize you by all possible methods, so it is imperative that each of us counteract this propaganda by being equally as active. You who are members of various clubs and organizations, must continually stress that not only has war never accomplished lasting peace and never will, but also that war breeds hate, fear, and poverty—the causes for a future war. Will you do your duty?

H. B. Cheyne

MAJOR PROBLEMS FOR STUDENTS IS PROPAGANDA ANALYSIS

25 years ago, because of greed and hate, men rose up in arms against each other and in the name of decency and to the tune of "saving the world," began to slaughter each other as men have never slaughtered before. In two years we were drawn into this Titanic conflict. We like to justify that by saying we were saving democracy from its foes, but we know that it was because we were inflamed by war hysteria and what we now call propaganda.

About a month ago men again rose against each other and again we in the United States are deluged by propaganda from Europe. We, as exponents of democracy, are likely to be gullible in believing tales of atrocities by the foes of Democracy. We must put on our glasses of straight thinking and distinguish between propaganda and the truth.

For us the only course can be that we must stay out of this war, which is only another of Europe's eternal squabbles. WE CAN STAY OUT, WE MUST STAY OUT, AND WE WILL IF WE WILL IT!!!

SHAVED HEADS ATTRACT ATTENTION AS FOOTBALL SEASON STARTS

What are these things running around loose in the halls of P. H. S.? They are very funny looking as they have their heads shaved. If you don't know, they are football players.

They seem to have a fad this year of shaving their heads. The returning lettermen started this fad and they hope to continue this among the new football players.

Before school started, they were growing beards and they said they weren't going to shave until after the game with Coffeyville, which is October 20, but we guess they got scared out as they came to school the first day without any beards. The boys have had lots of kidding about their appearance as their heads look as bare as footballs. But no one cares what they look like as long as they win the S. E. K. tournament title.

TYPICAL GESTURES

The German student automatically cries, "Heil Hitler." He has surrendered his right to think and vote, giving it to a man whose ideals and morals are as peculiar as his mustache and shaggy hair. So must be the fate of any nation or school which ceases to practice democracy.

Americans have never learned to bow to any man, or to lift their hands in servile salutes. Free elections, for student council officers or for the leaders of the nation, is the ideal and tradition of America. May they never perish from our soil!

PHS STUDENTS WEATHER TERRIFIC HEAT AND COME BACK FOR MORE

Flash! Old Man Weather K. O. 's student body! Although the fight was close and hard fought, the odds were against us. The "bout" was stopped several times, and we were perspiring freely, but we always continued the fight the next day.

The heat had the same effect upon all, from the energetic sophomore, who perspired over his Geometry lesson, to the dreamy-eyed senior who meets his best girl after each class and carried her books to her next class. Well, it was a little better last week.

Everyone studied harder and the sentimental seniors who so devotedly roam the corridors with their current heart-throb looked a little more energetic than before. Despite this change in the weather (and things) we are making no prediction for the future. Kansas students will not be bothered by weather changes; they are used to all kinds now.

DRAGONS NEED SUPPORT WHEN THEY OPEN SEASON AGAINST BULLDOGS

The Purple Dragons open their 1939 drive for the Southeast Kansas Football Championship Friday against the Independence Bulldogs. Last year it was a hard fought battle to the end with P. H. S. coming out on top by a score of 12-0. This year they are invading the strong hold of the Purple Dragons. Now we don't expect them to beat the Bulldogs without the help of the students. Why? Because the students of Pittsburg High make up the school spirit. So, come on you P. H. S. fans, let's come out and show the football team and the rest of the world that we are from Pittsburg High School and glad of it!

GIRL RESERVES CODE SETS EXCELLENT STANDARDS

Girl Reserves is a worthwhile club for any girl to join. She develops a better understanding of life and learns the meaning of right living. The Girl Reserve slogan is "To Face Life Squarely." The purpose, "To Find and Give the Best." The Girl Reserve Code:

As a Girl Reserve, I will try to be gracious in manner, impartial in judgment, ready for service, loyal to friends, reaching toward the best, earnest in purpose, seeing the beautiful, eager for knowledge reverent to God, victorious over self, ever dependable and sincere at all times.

If a girl lives up to these standards she is living up to the best of her better self.

CHEYNE ASSERTS STUDENTS NEED TO SUPPORT ALL PEP CLUB MEETINGS

These yells, and many new ones, will be heard as the Pep Club rehearses for the football and basketball games. Here's a chance for everyone to have fun. Put in your application to join the club right away. The girl pepsters wear snappy white skirts with purple and white sweaters and caps. The cheer leaders are H. B. Cheyne, Morris Moffit, Rosemary Cowan and Madlyn Osterfelt.

This club is sponsored by Miss Helen Lanyon and Miss Mary Nelson. After the pep meeting in the library, H. B. Cheyne is reported to have said, "Our pep club would be a greater success if more students would turn out to our special meetings."

SOPHIES ARE HUMAN BEINGS AFTER ALL

Here's to the sophies of P. H. S.! People think they're dumb and crazy—Well, perhaps they are, they just can't help it. They run around the halls like so many scared rabbits with a senior behind them because they thought the senior was a sophie. The sophies even take books home to study. But, after all, the seniors were dumb sophies once, so again we say—

Treat the sophies right—for what would a school be without them?

—Barbara Huffman

The Waste Basket

(By Three Smart Girls)

About this time each year several girls of P. H. S. are seen moping around the halls with sad expressions. Yes, Bill Hartman has gone back to school!!!

Girls, if you haven't already found out, his name is Bill Lynch!! He's that cute sophie fresh from Hayes Military Academy!

Say, some of these sophies really go out for big bait! Charlene Greenwood is taking Jimmy Duncan to the Sigma Delta Chi dance. Not bad, my pet.

Personal to Dorothy Evans: Are all these notes you get really from Sammy Van Gorden? Surely not! We know you are going steady with someone else. Teh! Teh! You should oughta be ashamed. By the way, Sammy, what happened to Betty Claunch? That all looked pretty serious last year.

Margie Harrison— is supposed to be going with Pete Murry, but imagine her embarrassment when he strolled into the Crown one day and found her with someone else. Shall we tell who, Margie?

Flash!!! That famous fashion expert, Joyce (Vivian Donnelly) Henny, says that all the well dressed girl has to do to be the "hot stuff" these days is just to watch her and dress as she does. Wool Wool!

How that ex-student of P. H. S., Margaret Lee Starbuck, does rate! Bob Sarr went clear to Kansas City to see her. How does she do it?

You Manly heroes (ten cents, please) had better get busy or you won't have any of the gals left up here. All of 'em are goin' out of town or to KS-TC in search of new material.

Well, all right, LaVon. First it was Jerome Marshallinger from K. S. T. C. and now you are going steady with Max Leon. Please tell us how you do it.

Flash! Betty Payne has broken her vow to the Booster that she would never again go steady. It looks bad as her steady, whose initials are Max Yeske, decided to attend P. H. S. this year in order to keep an eye on her.

My, My! If the junior and senior gals don't watch out some of these cute sophies will really beat their time. We understand that Steve Elliot, '38 grad, is all wrought up over Charlotte Miller. Must be nice!

Listen, youse guys and gals, if you want some nice, juicy gossip this year, you'll have to go out and cook up some nice, juicy scandals. We can't just manufacture stuff, or can we?

'Til Next Week,
B. M. J.

Left overs from last year.
Mardell Mangrum.....Paul Resler.
Virginia Osredker.....Nathan Newman.
Madlyn Osterfelt.....Jimmie Myers.
Betty Payne.....Max Yeske.
Barbara Cornelius.....Millard McMurtry.
Loretta Belle Ashline.....Louis Dennis..

Well, well, our old graduate, Paul Resler, seems to have had his fancy turned to love. Anyway he and M. M. are "that way" about each other! Everytime she gets mad he sends her presents! See what you're missing girls?

My! These high school girls really are going places. It seems as if Dorothy Keith and Russel Neas are going steady. They were seen at the College Dance the other night.

We hear that Patty Ann Barkell is interested in a certain Junior boy whose initials are J. M.! Better do something about it, Pat, because he has a girl in Ft. Scott.

Style Show

For girls who want sophistication, all you need is a black dress trimmed with red. A small black hat with some red velvet or satin trim, a black purse, black kid gloves, and a pair of high throat black kid shoes.

If you don't want black, grape-wine with black accessories is very new, or, if last year's coat is brown, the moss green will blend very well. Plaids are also very smart; with a plaid shirt and a velteen blouse, you won't feel out of place.

Now that football season is here, we all want more and more sport clothes. You could never go wrong with a sweater and skirt and a snap brim hat sits on the head. It will really add to your fun if you are dressed smartly.

Just one thing, don't mix so many colors this year, the trend is to have just one basic color as the trim. —Joyce Henney

Inquiring Reporter

Question: "What do you consider a good date? Intellectual, or otherwise?"

Answers:—

Arthur Elgon: "My opinion would be very biased because I have no judgement of those things!"

Max Yeske: "I don't know. (Here Betty Payne prompted him) Intellectual!"

Joe Porter: "Not going to say!"

Beverly Stacey: "Otherwise!" "Of course!"

Georgeanne Switzer: "Otherwise!"

A.M. Brim: "What difference does it make?"

Morris Moffat: "Otherwise!"

Harlan Peterson: "Doesn't make any difference."

FRIENDLY BLOND AND TALL STRONG MEN FEATURE PORTRAITS OF WEEK

The feature of the portraits this week is none other than a little "sophie". Has blonde hair, hazel eyes, weighs 118 lbs. and is 5' 4" tall. Favorite movie stars—Sonja Henie and Richard Green. Likes raw carrots, friendliness in people, and spinach. Dislikes cattiness and cauliflower. Her ideal boy must be a good dancer and neat in appearance. Hobbies—stamp collecting. Usually seen in the halls with Camilla Bungarner.

Esorramy akers

A popular junior track man and officer has brown hair, brown eyes, weighs 165 lbs. and is 5' 10" tall. He likes spinach, blonde girls and basketball. He dislikes football and snobs. His hobby is to save strings. Favorite sports are track and basketball. Ideal girl is to have blonde hair, blue eyes, and to be 5' 4" tall. His name is jumbled below.

Obb Egiergf

Here is our senior boy of the week. He has dark hair, blue eyes, weighs 175, and is 6' tall. Favorite movie stars—Charlie Chan, and Boris Karloff. Likes bright colors, lots of food and short hair and yellow colors. Ideal girl should have qualities of Hedy Lamarr. Hobbies—tiddle winks with man hole covers. Sports—basketball and football. Usually seen with Warren Bottonfield.

"DON'T YOU BELIEVE IT"

She fell for him.
The weight of the world was on his shoulders.
They chewed the rag.
She batted her eyes.
They put the finger on him
She cried her eyes out.
He swept her off her feet.
Her eyes fell.
He glued his eyes on the door.
They held up a bank.
He burned up.
Angry enough to bite nails.
He blew up.
He broke his word.
He hit the nail on the head.

Dragons Win Easily Against Carterville Team

Score 40-0 As Forward Wall Overwhelms Weak Opponent's Line; Lance Runs 61 Yards For Tally

P. H. S. Dragons walloped Carterville by a score of 40 to 0 in the season's opener on Brandenburg Field, Friday night, Sept. 22. The game was featured by Ray Lance's 61 yard run for a touchdown.

The opening score came in the first two minutes when the ball was advanced to the enemy 5-yard stripe and captain Tims carried it over for the score. Botfield drop kicked for the extra point.

It was after several minutes of the first quarter that Lance broke away for the second touchdown of the game and Bottenfield's educated toe again accounted for the extra point.

Two more touchdowns were chalked up when Gilliland ran 25 yards for one and Lance passed to Ahrens for another.

Gilliland and Hooper scored in the third when Gilliland tallied from the 13-yard stripe and Hooper plunged from the 4. Seven members of the squad shared in the scoring honors.

Pittsburg did not punt in the entire game, as it usually had the ball in enemy territory Carterville made no first downs and lost far more by rushing than it gained.

Coach Hoffman gave his entire squad a chance to see action. The was not a real test of strength as the opposition was greatly out weighed.

Lance, senior quarterback, played an outstanding game, breaking away for long gains and paving the way for others to score.

PHYSICAL ED CLASSES RECEIVE THOROUGH EXAMINATIONS

For the past three weeks, Miss Helen Lanyon, physical education instructor, has been giving examinations of the eyes, ears tonsils, feet, to gym classes. There are approximately 135 girls enrolled. This examination is a thorough one, including the testing of the eyes, ears, tonsils, feet, weight, and height.

The G. A. A. met Wednesday, Sept. 27, for its first meeting this year. The officers for this year are as follows: Pearl Hite, president; Anita Ray, vice-president; Helen Rati, treasurer; Alice Loth and Dorothy Briener, recording secretaries.

The G. A. A. are given awards by a point system. The dues for the year are 25 cents.

Reserves Open With Scoreless Tie

The Sophomores and the Frontenac reserves played to a scoreless tie on the Frontenac field. Thursday, Sept. 21.

The Purple Gridsters were decidedly outplayed in the first half but came back in the last two periods to make up for it.

Pittsburg made their best drive when Juan Zimmerman made two successive line plunges netting about twenty-two yards and George Wickware cut off-tackle for five more.

Halfhill, Bush, and Seibert were outstanding for the Dragons while Manesahi, Frontenac fullback, was outstanding for the Raiders.

PHS PROPHETS WILL HAVE CHANCE TO GUESS GRID SCORES

Well, you football fans who think you can predict the outcome of a game before it starts will get a chance to have your guesses published in the Booster next Friday for the Pittsburg-Miami game Oct. 6.

So get out your statistics and let's see how close you can come to guessing the score. Football players are allowed to guess, too.

All guesses must have your name on them and be dropped into the Booster box just inside the front door by the office before noon Wednesday, Oct. 4.

Hi-Y Invites Boys To Join Clubs

Hi-Y officers and sponsors invited all Senior High boys to join that organization in a special meeting Friday morning, Sept. 22. The meeting featured speakers who presented the Hi-Y purpose and program.

Mr. Lundquest had charge of the program. Ed Booth and Kenneth Hunt gave short talks on Hi-Y activities. Jesse Kotur introduced all sponsors and club presidents and Mr. Hartford, who is chief sponsor for P. H. S.

Hi-Y Chapters will soon be organized for the coming year. There are six chapters in the P. H. S. system.

The Hi-Y objective set up by the state is to create, maintain, and extend high standards of Christian character throughout the school and community.

The Hi-Y holds conferences at various places during the year and has chili feeds and other social activities. Some members attend Camp Wood during the summer. Camp Wood is a especially designed for Hi-Y members.

Mr. Hutchinson, Mr. Glen McClure of the local Y.M.C.A., and Mr. Hartford make up the advisory council for P.H.S. organizations.

STUDENTS LEAVE BUILDINGS RAPIDLY IN FIRE DRILL

1257 students from both Senior High and Roosevelt Junior High evacuated the buildings in less than three minutes at the first fire drill of the year last Friday morning.

It took one and three-fourths minutes for 785 students in PHS to be out. It took three minutes for the 472 students in Roosevelt Junior High. Mr. Green explained that they expect to make a change and do much better the next time. Government statistics show that three schools burn in the United States every day.
