## ***TEXTS***

### **The first "Nowell"**

The first "Nowell!" the angel did say  
Was to certain poor shepherds in fields as they lay;  
In fields where they lay keeping their sheep  
On a cold winter's night that was so deep.  
Nowell! Born is the King of Israel.

They looked up and saw a star  
Shining in the east beyond them far;  
And to the earth it gave great light,  
And so it continued both day and night.  
Nowell! Born is the King of Israel.

### **It came upon the midnight clear**

It came upon the midnight clear,  
That glorious song of old,  
From angels bending near the earth  
To touch their harps of gold:  
"Peace on the earth, good will to men  
From heaven's all gracious King!"  
The world in solemn stillness lay  
To hear the angels sing.

Still through the cloven skies they come,  
With peaceful wings unfurled,  
And still their heavenly music floats  
O'er all the weary world;  
Above its sad and lowly plains  
They bend on hovering wing,  
And ever o'er its Babel sounds  
The blessed angels sing.
