TEXTS FOR SONGS

It came upon the midnight clear,
That glorious song of old
From angels bending near the earth
To touch their harps of gold:
"Peace on the earth, good will to men
From heaven's all-gracious King!"
The world in solemn stillness lay
To hear the angels sing.

Still through the cloven skies they come,
With peaceful wings unfurled,
And still their heavenly music floats
O'er all the weary world;
Above its sad and lowly plains
They bend on hovering wing,
And ever o'er its Babel sounds
The blessed angels sing.

For lo! The days are hastening on,
By prophet-bards foretold,
When with the ever-circling years,
Comes round the Age of Gold,
When peace shall over all the earth
Its ancient splendours fling,
And the whole world give back the song
Which now the angels sing.

We wish you a merry Christmas (3x)
And a happy new year!

[Refrain:] Glad tidings we bring
To you and your kin:
We wish you a merry Christmas
And a happy new year.

Now bring us some figgy pudding (3x)
And bring it us here!

O we won't go until we have some (3x)
So give it us here!
