WARREN BENSON.....The Leaves Are Falling
(1966)

This work was inspired by the poem *Herbst* by Rainer Marie Rilke

-AUTUMN-

The leaves are falling, falling as from way off
as though far gardens withered in the skies;
They are falling with denying gestures.
And in the nights the heavy earth is falling
from all the stars down into loneliness.
We are all falling. This hand falls,
And looks at others; it is in them all
And yet there is no one who holds this falling
endlessly gently in his hands.
