Dear Dr. Jessye:

I'm sorry I was not able to respond to your letter immediately. I am personally very happy that you will be returning to Pittsburg. However, I will not be able to follow through regarding the way in which we may be able to use your services at the University until I get through with my present work with the Legislature. As soon as this is done, I will get in touch with you again about your relationship with the University.

Best wishes, and I look forward to seeing you.

Sincerely,

*Jim Appleberry*
