Dr. Eva Jessye
Department of Music
Pittsburg State University

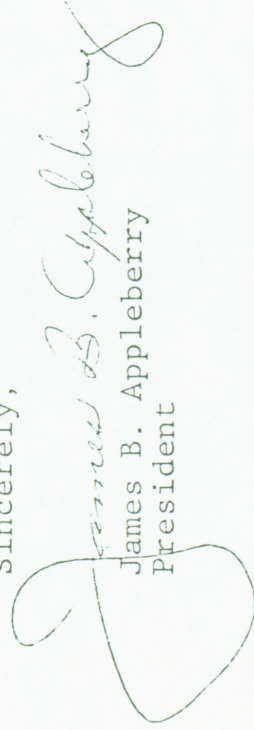

Dear Dr. Jessye:

At the Board of Regents' meeting this past week, I recommended to the Board that you be given the courtesy title, "Artist-in-Residence," without remuneration, at Pittsburg State University. I am happy to tell you that the Board approved my recommendation, and we may begin using that title for you immediately.

I want to tell you once again how much I appreciate the voluntary contributions which you are making to the University, to our faculty and students, and to the history of Southeast Kansas. Not only have you given of your substance and talents in the past, but you continue to do so in ways that will live far beyond either of us. It's a pleasure to have you at the University, and I am happy that the University can contribute to you in some small way by providing you with office space and a place to work.

Best wishes, and thank you from all of us at Pitt State.

Sincerely,

James B. Appleberry
President
