Dear Gene:

Here's a copy of the KODE editorial we requested more than a YEAR ago. I thought you might like this original copy for the Eva Jessye Collection and perhaps Dr. Jessye would like a copy, if you can get a better one than I can.

The delay is not as bad as it seems if you consider that Larry (Meacham--News Director, KODE-TV & AM) has mentioned it to me several times during the past year. (He is a big fan of William Warfield & a former PSU student I believe)

See ya,

*Dick*
