Student Council Holds Organization Meeting

A second semester organization meeting of the Student Council was held last Tuesday at activity period in the Student Council room. Roll call of the home rooms was made to get the names of the memhers and alternates. The oath of the council was administered to all by the president, Joe Horton. Some of the plans and duties for

the council for this semester were enumerated. The Arbor Day ceremony, the Regional Basketball **Banta's** Sponsor Tournament ticket sale, the traditional Sadie Hawkins day, and a celan up day were some of the projects to be worked out.

Chairman of the three committees were appointed to succeed themselves in that capacity. George McClure is to supervise the Law and Order Committee. Mary Lou Ellis is the Public and Private Property Committee chairman and Peg Cochran is Social Welfare committee head. A special committee to work with Miss Oliver on pep assembly programs was named. The remaining positions of the staff will be filled by Mavis Brewington, exchange editor; Rose Marie Castellani, servicemen's editor: Doris Evans, proof reader; Esther Grace Lewis and Lorna Mundt as headline writers.

Due to the loss of Don Broome, Inae White will take care of the boy's sports department while Norma Evans will fill the position of girls sports editor.

Booster Sends Letters To Fourteen Service Men

Fourteen servicemen's letters have been sent to all parts of the world by the Booster staff so far this year.

All fourteen of the boys have been former PHS students while most of them are old grads. Letters were mailed to Gilbert Studyvin, Jim Ludlow, "Cookie" Evans, Ossie Shoup, David Diller, Clyde Curry, Bob Osborn, Don Bellamy, Bob Conover, Jim Aichele, Homer Cole, Gilbert Strickland, Milton Fadler, Ellwood Bath, and Bill Endicott.

Class Discusses Girl's Problem

Two of Miss Lanyon's, classes called Senior seminar, are now discussing problems of interest to the modern girl. The speakers, either from the classes or some person of authority in Pittsburg discuss their subjects, and at the end of that time the meeting is thrown open for general discussion.

PHS has worms. It has been proved they are very active too. But don't get excited the building isn't going to fall on anyone. They are the tame kind, the so called "bookworms". See, all that worry for nothing

Library records show that during September there was a total of 1168 books checked out of the school library. That is an astonishing number for the first month of school. This amount increased the next month when 1687 books were taken from the shelves. The total checked out in November and December were 1596 and 1139 respectively. This decrease was probably due to holidays. So far this month there have been 987 checked out. Adding these monthly totals shows that 6577 books were checked out the first semester. Considering that there were 550 students enrolled at that time approxi- Faint Hearted mately 12 books per person were checked out.

No one can say PHS students are not well read.

How To Get Rich

Do readers have musical instruments lying around home? Are they being used? If not, why have them in the way and catching dust? Let's put them to good use.

There are thousands of GI Joes who have musical talent. These men need entertainment, something to give them a few moments of relaxation when not fighting or on duty. Think of those boys, some of whom are no older yourself,

with nothing to occupy their time or take their thoughts off the horrible pastime of fighting.

Besides helping the GI's, a person can also help himself. The Fred Gretch firm in Brooklyn will pay for these old instruments, and they will give an estimate of it's worth. Come on,kids, give in and let go of those old keepsakes of

bygone days. It is for a good cause and the pay is good. -Norma Jean Baldwin

Girls Try to Diet

Evidently the problem of removing a little "excess weight" is principally limited to the senior girls, or they were the only brave ones who admitted it. Nearly all of them have trouble sticking to their diet, however it is common knowledge that..high school girls live to eat.

POLLY LASHBROOK was the brave junior who said that she had tried it once.

"I reduced regularly for about two days, eating nothing but salads and tomato juice, but it took too much will powers," she sighed. VIRGINIA LEE HOFFMAN looked very disgusted when asked the question "Why she tried to reduce?" She said, "So I can gain weight! Ha Ha! I took exercises and didn't eat anything sweet."

Witty Pranks Highlight Movie

A host of Hollywood stars are hitting the old town next week end. "Hollywood "Canteen" is a film de signed to give a person the "ins" and "outs" of the service canteen for the boys in Hollywood. The story isn't much of an essential, as it concerns so many people.

The main thread of the story, however, is about a boy in the service who has seen Joan Leslie in the movies, and he wants above everything else to see her. That boy works fast. He even gets to kiss her.

For all of those who saw and fell in love with "Stage Door Canteen" this movie is a "must see". The same amusing and witty pranks with a few new jokes thrown in with a few new jokes thrown in some serious moments, all with new stars buzzing them in, will give out with a full and enjoyable evening. "Bonfire" Is Ancient Word

In these days there is nothing quite so much fun as gathering together on a fall eveing and building a large bonfire. Many good times can be enjoyed around such a fire. It is interesting to know where

the word bonfire originated. Away back in the Middle Ages, during war or pestilence they burned the bodies of the dead. These large fires were called "Bonefirs" or fires of bone. Later when it became the custom to burn

heretics at the stake, "bonfires" was the name applied to pyres of such victims. The same term was used to designate the burning of articles under proscription, such as heretical tended to open-air fires for public celebration or for sport. For this the less gruesome spelling bonfire was used. It is still being used today and is comparatively harmless in spite of its grim history.

Jinxed Dragons' Play Tigers On Local Court

Arkie Hoffman's victory thirsty Dragons will entertain Woody Kramer's Fort Scott Tigers on the local court tonight a 8:00.

Last year Fort Scott was an easy foe in both meetings between the shools. The scores went the sixtys. Winter, Tiger forward, is the only player on the Fort Scott five who played in any of the games with Pittsburg last year. Lorenzen and Crelly are the remaining Dragons who played Fort Scott last year.

The Tigers have won two games and lost three this year. Coach Kramer said that the army

and eligibility rules have made inroads into his squad. His starting five is completely changed from earlier in the season. Coach Hoffman is having the same trouble.

When asked for a comment on tonight's game, Coach Hoffman said. "It's about time the law of averages caught up with us."

Coach Kramer will start Winter and Clayton at forward, Sims at center, and Hayes and Morilla at guard.

Starters for the purple team will be Lorenzen and Crelly at forwards, Douglas and Thomas at guards, and Macheers at center.

Defeated Hoffmanites Surprise Titan Five

-

The big surprise of the season came when Dragons of Coach Arkie Hoffman battled the Titans off their feet last Friday night at Columbus and all but wrecked the undeafeated season for the Cherokee County Team.

The Dragons on their showing in earlier games were doped to lose to Columbus by a big score. But Col umbus was lucky, to win by two points. Spectators said the young and in experienced Dragons liter ally played their hearts out and had the Columbus players so jit tery they couldn't put out their fast and accurate game. As it was it took free tosses for them to win

with six ponts. Columbus's high

Bob Menchetti, with the assistance of his green truck; is the hero of the 1945 cage season. Bob is the guy who takes the team in his truck to all out-of-town games. Without his assistance the schedule would probably have to be smaller or else the boys would have to use their thumbs about once a week.

THE BOOSTER

Bob isn't the one who makes the baskets but they coudn't be made without his assistance. He won't get a letter because he isn't on the team, but he gets the praise, admiration, and thanks of the squad and entire student body for his generosity.

Basketball team averages 25 trips up and down the court during one quarter of a game. That's approximately 2,250 feet without counting the rest of the running around. It's a good way to reduce.

Did you notice the colorful red socks the Dragons are wearing on the court? Inae White dyed their plain white socks so that they would be as flashey as their playing ...

Remember the little boy who was on the Parsons squad last year? Notice he was playing for them last Tuesday and was as fast as ever He looks about as strong as Sinatra but he can really play basketball.

FLASH ! ! Did you know that Miss Lanyon is a Toxoophilite?

From the sound the Pittsburg people made at Colmubus, you would have thought that half of Pittsburg was attending the game. Everyone enjoyed the game a lot and cheered our boys on. Dragons came close to winning from the Titans who won on free throws. We are looking forward to the game March the second which we are all out to win.

Do you enjoy the basketball games? Do you realize the time and work the boys go through to be able to play a good game? So come on kids get behind the boys at the coming games. They may not be winning all their games but they are playing excellent basketball.

Vikings Win From Purple In Last Minute Of Play

FEBRUARY 2, 1945.

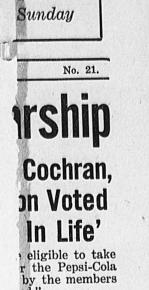

Pittsburg Dragons lost their sixth game of the season by two points Tuesday night with the score 20 to 22. Dragons were edged out in the last two minutes of play.

Lorenzen started the scoring with a tricky shot. The quarter was slow with Viking's making a charity toss. Both teams battled back and forth ending the quarter with the small score of 4-3.

Both teams were off shooting par Tuesday night, not making a lot of baskets. The Dragons put two field goals and a free toss ending the guarter 9-6.

Thomas and Douglas overcame the jinx to hit the basket in the third period. Miller and Mills, Parsons guards brough the score back to read 16-15. a one point lead for the Vikings.

The final quarter found Douglas, hot Dragon guard, hitting the basket to give the Dragons a one point lead. Nightengale came back with field goals to make the score 20-17. Smoot made another talley for Parsons while Lorenzen was fouled upon and made his charity toss. Lorenzen came through again to bring the Dragons within two points of the Vikings.
