City Schools Celebrate Education Week Nov.11-17

party togight after the game.

Loan Drive Off To Good Start To Visit School During Period

Five Home Rooms Are Hundred Per Cent in Sale of Stamps-Bonds

Band drills and recognition of student bond salesman will be the high lights of the halftime program to be given this evening at the Independence-Pittsburg game.

If at all possible a few of the discharged veterans having graduated Majority Vote from Pittsburg Senior High School will be presented to the public.

Only \$417.15 worth of bonds and stamps were sold last Tuesday. Every student of PHS should try to buy at least one Victory Stamp next Tuesday.

There were five home rooms in PHS having 100 per cent participation on the first sale day. These home rooms include Cromer, Fintle, Ludlum, Waltz, and Hoffman.

It is hoped that the students who didn't buy last week will buy at least a ten cent Victory Stamp next Tuesday.

The names of persons purchasing bonds through PHS students are Norman H. Johnson, Sara Stephens, Dora Peterson, John E. White, Martha Mae Hartshorn, Robert Bailey, Helen Messenger, and Margaret Oliver.

Orange Bowl Gives Free Drinks

It isn't every town that has a business concern that offers free orange juice, for the asking, to the players of the wining football team. Yes, Muse's Orange Bowl has done it again.

If the boys on the winning team of the Independence-Pittsburg game, taking place on the night of Nov. 9, will go to Muse's Orange Bowl, they will receive their free drinks

If by some chance, the Independence Bulldogs should win on this occassion, the Orange Bowl is the first store North of the Colonial Theater on

Yes For Stamps

Only three students out of 476 wrote NO this past Monday to the following question: "Are you willing to buy one ten cent ·Victory stamp during the month of November to make Pittsburg High School 100% participation in the Victory Loan Drive.

It is assumed that six tenths of one per-cent answering NO, couldn't spell any words containing over two letters.

Compulsary Training to be Forum Question

Discussing contemporary events for the purpose of developing criti-John Barbero, Arthur Delbert cal thinking, is one of the activities Frank, Earl Ludlum, Jessie Marie of the recently organized Forum Club sponsored by Marion Nation, government instructor.

Howard Hallman is president of the club, while Bob Barbero fills the office of vice president. Nancy Messenger is secretary-treasurer. The moderator for the month of November is David Lane.

"Atomic Power" was the sub-Green was the moderator. Prof. Matthews of the college presented the topic.

Next week "Compulsory Military Training" will be discussed. Fred Plagens, Bob Barbero and Roger Halliday will present the

At the present time there are 42 active members. They have been meeting in the little theater each Wednesday at activity period.

Small Elected Vice-President Of Teachers Association

Superintendent Small was elected vice president of the Kansas Teachers Association this last weekend at the teachers meetings at

Mr. Small's duties will be to arrange for the convention at-Coffeyville next year and preside over the meeting.

Mary Kumm Enjoys Her Work As Owner Of

Small Gift Shup

"I think it is the nicest job a person could have, it's just like Christmas everyday, but it really isn't work to me, its more of a hobby," stated Mary Kumm, owner of the little gift shop on west fifth.

Miss Kumm started her business in 1940. After graduating from college, she started working as her father's stenographer but didn't like bookkeeping and typing, so she took all of her money, which was twenty-five dollars, and put three shelves of merchandise in the front of Mr. Kumm's office. The three shelves have now grown into many, and there is hardly room for

Some of the things she sells are pottery, candles, pictures, jewelery, cards and gifts of all kinds.

"The only training I had was art in high school and college, but it negative side of the question. Twice

G. R. Groups Will Held

Service No. 15

Girl Reserves candle lighting recognition services will be held Homecoming Day was printed a-Nov. 15, in the high school auditor- long with the fact that a dance was ium. Parents of members are cor- held in the gymnasium. ially invited.

The program will start with a panied by Ruth Ann Williamson. Jeanine Turner will sing "The Lords's Prayer"

Two vocal duets will be given, one by Jackie Brown and Donna Fenimore, and the other by Barbara

erd the all school ter the game. "Education To Promote The General Welfare," is the theme being used for National Education Week this year.

City schools are not having any special assemblies or program although pairents and friends are urged to visit the various schools. A booklet is being published entitled, "It Pays," which is being used as place cards at the various civic meetings.

The book is a summary of the United States Chamber of Commerce study of, "Education and Investment in People," and will be distributed through out the

The High School has not made definite plans for Education week, but parents and friends are cordially invited to visit any class during the week.

Student Council

Gets Recognition

Three activities of the local Student Council received recognition in the yearly handbook put out by the National Association of Student Councils, of which the PHS council is a member.

This publication contains the policies and practices as reported by 154 Student Councils all over the United States.

Last Year's Arbor Day Program, Homecoming Day, and Sadie Hawkins' Day were the activities men tioned in the handbook.

Both the program presented in the auditorium and the program presented on the campus last Arbor Day, were printed in this book.

The history and program of

A long article was printed about last year's Sadie Hawkins' Day, violin solo by Ruth Green accom- explaining the morning program and picturing details of the dance held later. Students costumes, the vegetable corages, and even the beard growing contest were men tioned.

Two of the purposes of this hand book are to give recognition to Banta and Marilyn Seymour. The members of the National Associentire cabinet will participate in ation of Student Councils, and to furnish ideas for new activities.

National Poll Reveals Youth

em so of World Peace

Student lack of faith in the United Nations Organization is revealed in the results of a the opinions of high school students nation wide survey under the sponsorship of Scholastic Magazines. "Do you believe that the United Nations Organization will prevent another world war during your lifetime?" was the question asked.

Fifty-two percent of American high school boys believe that the UNO will prevent another world war, while 36 percent believe it won't. Twelve per cent have no opinion. On the girls side 41 percent believe that the organization will prevent another war against 45 percent who believe it will not. Fourteen percent have no opinion. In PHS 50 percent believe in the really wasn't necessary for my as many boys as girls thought that work here," concluded Miss Kumm. the UNO would live up to its aim.

M. R. Robinson, publisher of Scholastic Magazines, thinks that should be a warning to the poli ticians, statesman, and to the adult world.

Some typical opinions of the high school students who voted no on the poll are "The nations controlling Germany are acting as individual governments, not as unit. This leads to trouble;" and "UNO is based on the idea that the large country has more rights than the small. This is nothing more than a saying, 'Might is Right'.

Others who voted yes believe that "Our faith in UNO, plus the atomic bomb, will preserve peace," and "The world is so weary of war, the

nations will cooperate for peace." practically the same as those discovered in the national survey.

G.I.

Veterans Are Just People

The Question: How Do Returned Veterans Want To Be Treated? First of all, I want to say that I am not speaking for all veterans. We all have one thing in common, that discharge button. From there on we are individuals with different ideas

and problems. There are, however, certain generalities that apply to all, and it is in these that the Pittsburg citizen can best aid the veteran. Most help will be answering questions about the GI Bill of Rights and employment. The veterans' offices in Pitts-

burg can handle either of these situations and many more. As to getting us "adjusted to civilian life," don't try. The single thing that pleased me most was that nearly everyone had discarded the pulp phamplets telling how to treat the

soldier-come-home. Recently I entered college at KSTC. I think they have the answer to the question. The instructors are patient, but above all they don't make the veteran a special case. This is the way I like it. I am certan this the way all will like it.

So much has already been done, and is now being done, that to think of more aids is difficult. Let everyone treat us just as they have, and the veteran will be happy and content. William A. Scott

Its Worth Thinking About

Democracy Offers Equality of Opportunity To Americans

We fought a war for freedom... now how about equality of opportunity. There is a saying "Practice What You Preach." They say the war was fought for equality of opportunity but what is being done about it?

These changes aren't being made as everyone thought they would be. Everyone can't become President of the United States or hold some important politicial office because laws and customs enter in it too much.

Everyone still has the same chance to get ahead in this country. It is the ability that is the deciding factor in a success story under the system of government enjoyed by Americans.

'Hello Day' Is Being Planned For High School Homecoming

How about being friendly? Many famous people attribute much of their success to the fact that they have many friends, and call them by their first names.

To promote friendship and to get more students acquainted. the Booster and the Student Council will sponsor a "Hello Day." the first semester. This will probably take place Dec. 21.

on Homecoming Day.

Each student will be given a card with a special place for signatures. At anytime during th day when one person speaks to another, he is to sign the other person's card.

There will be two mystery signers, and at the Homecoming Dance prizes will be given to the students having the signatures of the mystery signers on their cards.

More information concerning PHS's first "Hello Day" will follow in later editions.

Chewing Gum May Be Used For Filling Cavities In Teeth

Although the discovery of atomic energy was great, it hardly can do as much good in an emergency as plain common ordinary CHEWING GUM. This may sound strange, but did you ever stop for a minute and think over the vast practical uses of chewing gum besides just using it for pleasure or torm-

If you have witnessed a bad ear ache, the pain could be eased considerably by placing a wad of chewing gum in the aching ear. Another medical use of chewing gum is for filling

cavities in the teeth. Maybe during the wartime shortage of material many have had the experience of having leaking pipes. Chewing gum again comes to the aid of harrassed mankind. Chewing gum stops the leak. Radiator leaks on cars have been many times corrected by the use of chewing gum.

As everyone knows during the war there was a severe shortages of the best quality of gum. This caused many dis asters that could have been prevented if chewing gum could have been gotten. Now that the great conflict is over the gum, manufactures hope to have enough gum within a short time for all to have a supply around the home in case of a local or national emergency.

Horror In The Band The Horn Blew To Late

...SNOPSIS: At the close of last weeks chapter, MR. JOHNSON had

just finished talking to 'PHILO' HARBESTON.

MR. JOHNSON rushed to the auditorium to see who the captive could be. He was surprised to find not one captive but two. One was GEORGE QUIER and the other was JERRY DAVIDSON.

are you two doing here this late? The play was over about a half hour ago."

"We got stranded by the rain," answered JERRY for both of them. "Why didn't you wait at the front entrance instead of the Roosevelt one?" questioned MR. JOHNSON.

"Our car is parked near the Roosevelt entrance and we were running for the car when it started pouring do va so we decided to wait by the entrance," answered GEORGE in a very certain voice.

"Have you seen anything of DEL-ORES BARBER in the last 15 minutes?" asked Miss Laney. "No, we haven't. Why?" asked

both the boys at the same time "We will explain later" answered the anixious teacher "Now you will have to wait with the restof us for Mr. HARBESTON to get here. I'm sure he will want to question you along with rest of us," said JOHNSON. The rest of the group awaited the arrival of the famous detective. About 15 minutes later they heard the front door close. MR. JOHNSON and MISS LANEY rushed to the back of the auditorium and threw open the doors. Two men stood on the landing.

MR, JOHNSON stepped forward

MR. JOHNSON yelled, "What and said, "I'm M. O. JOHNSON and this is MISS LANEY. I presume that you are 'PHILO HARB-ESTON and the other gentleman is your colleague 'WATSON'

> LAMB." "Yes, sir," answered the famous detective "I'm very glad to know

"Won't you come into the auditorium with us?" asked MR. JOHNSON. "The rest of the group is in there."

The four people proceeded to the auditorium to join the small group. The two detectives were introduced to the rest of the

"Would you rather question us now or go to the band room first?" asked Mr. Johson." The band room was where we found the coat." "Let's go to the band room first.

We may find something there," answered the detective. They all proceed out of the auditorium and down the stairs to the first floor. As the came in sight of the band room, MR. JOHNSON exclaimed, "There's a light on in the band room! Who could be

Speaking in a crisp, modulated voice to his third hour chemistry class, Mr. Ludlum sai,d "Maybe I ought to tell you something of

He left Pittsburg in 1942 as a Civilian instructor in the Army Air Corps. There was an urgent need for men-to teach meteorology to the pilots, navigators, and bombadiers. At the same time all the men who could teach that subject were overseas. The Army wanted teachers who had masters degrees in physics and chemistry.

"I enlisted and was sent to Montgomery Field, Ala, for my assigment. It was a beautiful and modern field. I thought all of them would be like that," said the exlieutenant. "I was asigned to Sulman Field, Monore, La. It was just a cotton patch with a few barracks sticking up."

He didn't know anything about meteorology. The army gave him a course on how to teach it to the soldiers. Later he was sent to Fresno, Calif, where he took eight weeks of training in Radar to be a controller. This training normally took 14 weeks, but was cut down to eight. He was put in the 427th fighter control sqadron but was never sent overseas.

army after two and half years. I don't know all there is about chemistry, but I'll do my best," concluded the ex-soldier.

Dragons Battle Independence **Bulldogs Tonight**

Injuries May Hurt Pittsburg **Chances In Try For Third Win**

According to previous scores of the Independence Bulldogs and the Pittsburg Dragons, tonight's game should undoubtedly be one of the most thrilling contests of the season.

Independence defeated Ft. Scott. 19 to 0 while the Purple crew of Pittsburg' trounced the Red Tigers 32 to 7. The powerful Columbus team defeated the Independence eleven 45 to12. Pittsburg will tackle the rough Titans next Friday.

The Bulldogs will be coached by Carl Nelson, former coach at Kansas State College of Manhatten. Nelson has been coaching for over twenty yeras. His team works fly on the T-formation, which haphappens to be one of the slickest plays in the SEK league.

Coach Jim Morey said his team will probably gain most of its yardage by end runs and passing. The Dragons will work mainly on the short punt formation and the double

Butch Hallman Pittsburg quarterback will be out of the lineup be cause of injuries received in the Iola game this past Monday. Ray Mc-Daniels will be starting in Butch's place. Ray proved quite capable in the Iola contest.

Merlin Knaup speedy back, has a chance of playing in tonight's game if his knee injury holds up during practice. Ceil Wilson has been doing an excellent job in Merlin's spot however.

Ted Hoffman, hard driving back, will probably spark the Dragons to.

The lineup for Independence will be Schmidt and Cox at ends, Pate and Witt at tackles, Bolerjack and Evans at guards, and Mathews at center. In the backfield will be Worl at quarterback, Post and Boswell at halfbacks and Crowe at fullback.

Pittsburg will start Thomas and Oertle at ends, Peel and Grandel tackles, Kiger and Farris at guards, and Mraule at center. McDaniels will start at quarterback, Hoffmann and Macheers at halfback, and Wilson at fullback.

'Arkie' Hoffman Directs **Grade School Basketball**

With an eye to better high school basketball teams in the future, a grade school basketball league has been organized under the direction of "Arkie" Hoffman, Dragon cage mentor,

Each school will be represented by two squads giving them a twelve team league. Each grade team will practice two nights a week on their own courts and they will be coached by a high school boy. Both squads will be limited to a total of 15 boys.

A double round robin will be played with a trophy to be given the winners.

Games wil be played on the R.J.H.S. court every Saturday starting at 9:30 in the morning. All of the teams will see action

on each Saturday. Quarters will be five minutes long with two minutes between and five minutes between halves.

Many PHS students have been heard saying that the Dragon line is

Pittsburg sport fans may well be proud of linemen. Joe Peel and Fred Kiger. They are as good lineman that may be found in the league.

It is evident that the Columbus Titans are afraid of the Purple Dragons as they were seen scouting the Pittsburg squad at Iola.

Jimmie Williams playing the full time of the Parson's contest, proved that he was in there fighting by blocking a Viking punt. It just goes to show that the Dragons have other very capable men besides their regular starters.

Maybe this years purple Dragons think they are the first to have the popular blue corduroy hats. Earl Allmon, Dragon tackle of 1943, had one exactly the same as the ones the boys are wearing now.

Because two men, Knaup and Hallman are injured, the backfield starting tonight will be all juniors and sophomores. This means they will all be back next year. Pittsburg should really have a fine team in '46.

Ted Hoffman Leads PHS Attack In Downing **lola Mustang Gridders**

Pittsburg Purple Dragons showing real power, rolled over the Iola Mustangs 26 to 0 last Monday, Nov. 5, at Iola.

Ted Hoffman turned in his best game of the season depite a knee injury which still hinders him. Ted scored two touchdowns, displaying caught several passes for good

Don Macheers scored the third touchdown on a line plunge, after taking the ball to the one line.

"Red Horse" Wilson, who had demonstrated some fine running caught a pass and ran 10 yards for the last touchdown.

Extra points were made when Bill Rinehart kicked the first one Jack Oertle caught a pass for his first point of the year..

Pittsburg High **Bowlers Defeat** Joplin Team

Rolling the ball straight down the line, the Pittsburg High School bowlers defeated the Joplin High School bowlers Saturday at the YMCA by the score of 2187 to 2087 Don Overman rolled a snappy

score of 205 in his second game, His total of 551 for the night also pushed up the Pittsburg score. Kunce of Joplin rolled 192 in his third game and had a total of 505

in his three games. Buddy Hamm of Pittsburg also looked good, smashing 186 in his second game and having a total of 490 for three games.

The line up and score for Joplin were Lamb 441; Williams 341; Wason 348; King 452, and Kunce

The Pittsburg boys and scores and after the last touchdown when were B. Brumbaugh 385; B. Nifong and D. Overman 551.
