Candid Commentary

By Chuck Davis

ON NOVEMBER THE 11th, 1918 the following message came from the White House.
"My Fellow Countrymen; The Armistice was signed this morning. Everything that America fought for has been accomplished. It will now be our fortunate duty to assist by sober, friendly counsel and by material aid in the establishment of just democracy throughout the world."

FRITZ KUHN is now on trial in New York on several charges of having misused the privileges granted him as an American. He will now have a first-hand chance to see the advantages of that self-same Bill of Rights he so bitterly attacks. Personally, we would advocate giving him the same kind of a trial he would receive in the German system he so adores.

It's time some of these blow-hards learned that we have no German-Americans or Russian-Americans in this country. We're all American-Americans here. Theodore Roosevelt put it admirably when he said there would be no hyphenated Americanism in this country.

This Columnist would be very happy if no one would mention debating to him for the next few weeks. Jack Collins and Ralph Stowell won the first debates of their career, going into Saturday's finals! Sherman and Kriegsmann, who ranked at the bottom in the nitrational debates, went in to Saturday's debates with a perfect record. Charles and Jim Marchbanks, the team usually rated as the best in the school, (ahem) lost four out of their six debates!

GERMAN DOCTORS have been requested to wash their hands several minutes longer to save the use of rubber gloves. The Government feels that rubber has a much greater need as a war material. What right has the German anyway to clean sanitary conditions. He is merely on earth to die for a greater Germany, or a hair-brained leader might be a better way of putting it.

OUR BEST WISHES to the football team tonight. May you bring in a victory. We're all with you, and if you lose we feel sure that you will have done your best. Also, best of luck to the debaters at Topeka. We all appreciate the work you and Mr. Tewell have done and we know that the school will have nothing to be ashamed of in the results you produce.

GERMANY IS blaming England for the explosion that wrecked the Munich beer hall where Hitler spoke. That's probably what Chamberlain has been carrying around in that umbrella for many months.

TONIGHT THE student body of P. H. S. will hold its first dance. It is not necessary for me to dwell on what this means. We all realize that this is something new in the life of this school. It is to be hoped that we all realize that at the same time it is a huge responsibility.

A FACULTY committee has been appointed and they have met with a student committee. Working with the full cooperation of the administration, they have planned this dance. Let's all get in and do the best that we can for on this dance resolves the continuance of school dances.

Allied Youth Picnic

A hamburger fry was held Monday Nov. 13, at Lincoln Park, by the Allied Youth. The hamburger fry took the place of the regular noon meeting.

Thirteen members were present. They were: Anita Ray, Kenneth Hunt, Barbara Huffman, Rosemary Skear, Frank Thogmartin, Eudine Mingori, Louis Barbero, Edna Mae Price, Dorothy Redfern, Max Owensby, Coleen Verolio, Marilyn Canfield, and Harold Shields.

The guest were; Mrs. Thorpe, Miss Mary Nelson, and Betty Navarre.

The two sponsors Mr. Thorpe and Mr. Thielbach were present.

The hamburger fry began at 6 o'clock. After the hamburgers were eaten, the group played games; "two deep" and "flying dutchman." The meeting was adjourned about 7:45.

Dragons Meet Vikings in Crucial Contest

Gilliland Expected To Be Back In Dragon Lineup; Locals Gridders Doped To Win

By Kenneth Hunt

The battle of the champions between Pittsburg and Parsons will be played Nov. 17 on the college field. The two teams are tied with Coffeyville for first place; all have won one and lost one in the conference competition.

The game will almost decide the S. E. K. winner. Both teams are strong, large and courageous. The Dragons are given odds to beat the Vikings, but it probably will be a nip-and-tuck battle from start to finish.

The Dragon victory at Iola last week again put them on top and revived their courage and falling spirits. Parsons was defeated by Coffeyville 20 to 0.

Charlie Gilliland is expected to return to playing condition by game time and will bolster the offensive attack. Cliff Hull, who has been out with an injured shoulder will probably return to the lineup.

Dale Hall and Charley Leather of the Vikings have been playing outstanding football this season and will bear close watching.

Parsons has had only 27 points scored against them this year, 20 of which were scored last week, proving that they pack a lot of defensive power. The question is, can they match the mighty Purple forward wall?

The Pittsburg squad is working hard in preparation for this game.

Dragons Will Play Strong Frontenac Team Thursday

Raiders Lead Mineral Belt League With Unbroken Victory Record

The Frontenac Raiders, undefeated in the Mineral Belt league will invade Pittsburg Thursday for a non-league tilt with the Dragons.

The Raiders are heading for their tenth straight Mineral Belt Championship and have been undefeated in the league since their loss to Girard last year.

Pittsburg is given an edge in the game but will have to fight to keep from upsetting the predictions.

Frontenac has a fast, tricky team and has a good passing attack as well as a good running attack. The Raiders will play Joplin Friday at Joplin and the outcome of this game may change the outlook on things.

The Dragons showed up well at Iola last Saturday and although Iola does not have a strong team, several Dragons reserves proved they've got what it takes and if they are needed they'll come in mighty handy.

Chuck Gilliland, who was injured in the Springfield game, is back in the line-up and will probably be used against the Raiders next Thursday.

The Probable Line-ups.

Team	Pos.	Team
Frontenac		Pittsburg
Paoli	LE	Brim
Redd	LT	Maddox
Venzani	LG	Tims

Mc Pheron	RG	Hull

EIGHT DEBATERS TO TOPEKA TOURNAMENT

Debaters Attend Debate Contest At Topeka

Cheyne and Pratt Entered In After-Dinner Speaking; Pratt Is Extemp Speaker

Six debaters and two speaker left this morning to represent the high school in the sixth annual high school debate tournament at Topeka, Nov. 17 and 18.

Each school was limited to two teams of two of four speakers. Those debaters who represented P. H. S. were Margaret Agnes Naylor, Bob Akey, Jane Pratt, Georgeanne Switzer, Naida Chandler, and Albert Hopper.

"The two highest debate teams were chosen to represent the high school in this contest," asserted Dan Tewell, debate coach.

Jane Pratt was entered in extemporaneous speaking. The topics for the extempore were various phases of the international situation.

Charles Davis and H. B. Cheyne entered in after-dinner speaking. H. B. Cheyne will use the topic with which he won the school after-dinner speaking contest last year—"What's Wrong with America?" The title of Charles Davis' speech is "Federal Control of Women's Hats".

Reservations were made Monday by Mr. Tewell for the debaters to stay at the Hotel Kansan.

Fire Damages Bailey Home

Fire swept the home of Mrs. George B. Bailey, mother of Miss Jessie Bailey, mathematics instructor in P. H. S., last Monday afternoon. The total damages is as yet undetermined.

Mrs. Bailey and another daughter, Miss Ruth Bailey, discovered the fire not long after returning to their home at 411 West Kansas, from town.

"I heard a noise which sounded like a mouse scurrying around and upon going outside, we found the roof ablaze," stated Mrs. Bailey.

All the house, with the exception of a small room at the back, bore the brunt of the flaming roof.

Miss Bailey's room seemed to suffer the most, with the roof almost totally demolished.

The cause being as yet undetermined, Miss Bailey pointed out, "The furnace could hardly have started the fire, as it was still banked just as I left it at 7:30 Monday morning before going to work. We suspect either defective wiring or a spark from a chimney."

The damage is completely covered with insurance.

Library Book Week

The public library is celebrating the twenty first annual book week. The theme is based on "Books Around the World."

There are dolls representing each country. The United States has "Huckleberry Finn" as its representative. One hundred new books for children of all ages were brought in; however they will not be loaned this week. The fifth and sixth grades of all schools received special invitations to come and see the display.

Miss Nevins, librarian, said that senior high students might come and view the display also.

Dual Control Car Arrives Here From College

"Sportsmanlike Driving" Course Goes Into Full Swing As Boys Begin Actual Driving

The safety driving course, in which 160 students enrolled this fall, reached the practical stage this week when the classes began to use a dual-control safety car, according to "Fritz" Snodgrass, instructor during the first semester.

"The actual driving part of the course began Nov. 13," asserted Mr. Snodgrass. The students are using a car furnished by the Pontiac Motor Company and the American Automobile Association.

There will be four students and a student instructor in the car for six hours a day and five days a week. The car is scheduled for driving tests until 5:30 o'clock in the evenings.

"The purpose of the course is to teach those not knowing how to drive, to drive correctly and to teach correct driving habits to those who already know how to drive," declared Mr. Snodgrass.

Each boy will be behind the wheel about 15 minutes out of every week and the rest of the time in the car will be spent observing the others, according to Mr. Snodgrass.

The tests are based on the following objectives: Shifting gears, driving forward and backward on a straight line, judging the position of car, turn-

Student instructors who will teach other PHS students "how to drive safely" are pictured above with the dual-control car which they use.

Standing, left to right: Bill Hood, Harry Bradshaw, Waldo Selburg, Arthur Rowden, Marvin Edwards, Martin Lee; kneeling, James Wells Paul Ozbun, Bill Prince, Don Patrick, Beverly Holley; sitting in front, F. M. Snodgrass, director of the Safety-Driving course.

ing the car in a limited space, parking at an angle, parking parallel, steering, stopping, and placing the car in a garage.

"I believe the juniors and seniors badly need such a driving course also but it is impossible to offer it to them this year," explained Mr. Snodgrass. "In two years all the juniors and seniors will have had the course."

ORCHESTRA WORKING ON CHRISTMAS PROGRAM

For the annual Christmas concert the orchestra is working up the "Nutcracker Suite," by Tchaikowsky. This selection includes such well-known numbers as "Valse des Fleurs," "Danse de la Fee Fragee," "Danse russe Trepak," "March," and "Danse Arabesque."

Debaters Rank High in College Debate Tilt

Two Pittsburg Teams Get Into Saturday's Final Rounds; Fort Scott Wins

Twenty-four P.H.S. debaters ranked high at the K. S. T. C. tournament Friday and Saturday of last week with 30 wins and 28 losses, a percentage of .517. No Pittsburg team failed to win at least one debate this year.

A four-man team, Ralph Stowell, Jack Collins, Sunshine Sherman, and Ruth Kriegsmann, stayed until the seventh round, and a two-man team, Bob Akey and Margaret Agnes Naylor, remained till the eighth round. Both were eliminated by the winner of the tournament. There were ten rounds altogether.

The winners were John Amott and Charles Briggs, a team from Fort Scott. Second honors were taken by a team from Joplin. Amott was a speaker on the winning team at Parsons, Topeka, and K. S. T. C. last year.

Each team debated six rounds regardless of wins and losses. Teams who had been defeated more than once were eliminated. For the final four rounds Saturday a team who lost a debate was out of the running.

"Resolved: The federal government should own and operate the railroads," was the question argued by the debaters. Sixty-eight teams from twenty-two cities participated in the tournament.

Debaters from Pittsburg were as follows: W. C. Wilson, Edward Booth, Albert Hopper, Naida Chandler, Phil Norman, Bill Hazen, Margaret Agnes Naylor, Bob Akey, Ruth Kriegsmann.

Sunshine Sherman, Jack Collins, Ralph Stowell, Bill Lynch, Patsy Hut, Ellsworth Owensby, Glenna Miller, Charles Davis, James Marchbanks, Jane Pratt, Georgeanne Switzer, James Millington and Maxine Scott.

Students Will Have First Dance After The Game

Faculty and Student Committee Announces the Rules Which Will Govern Event

"The Planning committee has done its best. I don't think we've left anything out." These are the words of Miss Maude Laney, member of the Planning Committee for the first all school dance of Pittsburg High.

The committee working with a committee of the student council has laid full plans and rules for the dance. Miss Helen Lanyon is chairman of the committee and Miss Laney and Mr. John White are members. The student committee is made up of Harvey Lanier, Ray Lance and Shirley Ainsworth.

Here are the rules as laid down.

The dance will start immediately after the football game and last until twelve o'clock. For those who do not care to dance, other entertainment will be provided in the Music room. This will consist of different kinds of games. An important ruling is that no one except high school students are to attend.

Season tickets will be issued to everybody. These tickets will be taken up at the gate and will not be re-issued until the next party. Those who do not attend will be expected to bring their tickets to homeroom the next day. The dance is free.

Enter and leave by the West door of the Senior High School. No other doors will be open. Wraps are to be left in the lockers.

If anyone leaves the building it will not be possible for him to get back in. The cafeteria will be open to serve at regular price, pop, candy, gum, and ice cream. Students may go to the cafeteria during the dance or at the regular intermission.

Principal Hutchinson wants the fact stressed that all parents are invited. The balcony will be open for their use.

The Parsons High School team, band, and students who attend the game will be invited to attend the dance.

Safety Drivers

Urge Sportsmanship

For the first time in the history of P. H. S. "Sportsmanlike Driving" is being taught to the 160 students who are enrolled in these classes. Mr. Snodgrass will be assisted by several students who are enrolled in the Safety Drivers Education course at the College.

In a recent Booster, Chief Armstrong brought sharp rebuke down on the heads of careless High School drivers. Bill Heidy, an assistant, claimed, "If anyone knew why high school students are so careless he would be a smart man. I guess the main reason is that they like to 'show off.'"

"At the College," asserted Bill, "we devoted part of our time to study books in class and the other part was spent in actually driving a car."

"Furthermore," Bill said, "I think this problem of teaching students to drive is a serious one and I'm going to try and do my best to teach students to drive more carefully."

Bill Hood, another assistant, believes that the people of high school age can be the best drivers possible. "However," he claimed, "I think the reason high school students are so careless is they think they are smart and like to cut up."

"At the college," declared Bill, we had practical training under the supervision of Elliot and Duncan. We are still taking tests and our final one will be this Friday.

"I think this problem of teaching careful driving is more serious than any other subject in school," Bill added, "and I'm going to try my best to help eliminate many 'careless high school drivers.'"

PROPAGANDA AND CENSORSHIP

What is propaganda? It seems to me that propaganda is just about everything we hear, see, read, feel, sing! We realize that takes in a pretty large field but that's about the closest estimate at which we can arrive.

We don't know whether any of you heard Norman Thomas when he was here at the recent teacher's meeting, but he seemed under the impression that the movies were the greatest instrument of spreading propaganda, both good and bad.

He mentioned that the radio was probably the best means of securing information straight. Also he declared, the newspapers were better than they used to be but that wasn't saying too much because of the rigid censorship on most papers.

We believe we can all learn to detect propaganda by using our common sense and trying to find out the "Sherlock Holmes" instinct in ourselves!

HOW ABOUT A STUDENTS COURT

The Student Council tries to promote order in P. H. S. Seemingly their efforts have failed, and there is a very definite reason for this failure.

In the first place, laws which are set up by the Student Council, say "don't do this" and "don't do that." Such commands are very suggestive to the students. They immediately do the "don't's."

In the second place, the method of punishment is very ineffective. They are brought before the Council and given a tongue-lashing. Then they go out and commit the act again. They have no fear; nothing very drastic will happen.

But suppose there were a student court with the Student Council president or someone chosen from the Council as judge. The jury would be drawn from the entire list of student citizens of P. H. S. It would function just as any court does.

Every person brought before the court would have his defense lawyer, and the attorney would take the case for the Student Council. A teacher would act as advisor to the court.

That is putting a definite responsibility on the students. It places student opinion, which means a lot against the lawbreaker.

You say this would become a farce. Perhaps, but at least the students are learning something about the functioning of the court and this makes for the better citizens of the United States.

Sport clothes in general are the highlights this week. While we are speaking of sports clothes it might be well to mention that the other day while in Seymour's, I was looking over some things and saw a large variety of clothes and materials that any girl would love to have.

The first thing that caught my eye was a group of dresses. Upon inquiring, I was told that they were very new and were a fine rabbit-hair cloth. These dresses come in four of the newest colors, there was a lettuce green one with three large gold buttons, a baby blue with white angora trim on the collar and pockets, a pumpkin colored one and a Miami copper-this Miami copper color is reddish-orange and very attractive.

A very good thing this year is scotch-plaid, there are a lot of girls that are turning Scotch-lasse on us. Really, I don't blame them, maybe more of us should try it, there are some real cute plaid ready-made skirts or if you feel ambitious enough, why not get the material and make it?

While you're getting the skirt, you just must have a new sloppy-joe sweater, you know they are the only thing in the colleges and universities. We have heard from a good source that Rosemary Cowan has a cute one.

Now to go with your new scotch-plaid skirt and sloppy-joe sweater, a pair of ski-socks (knee-highs) would complete your outfit. The ski-socks are only 65c at Seymour's, that is cheaper than most places and they are really cute. Mary Margaret Kerr has an outfit somewhat like this and it makes her look like she stepped out of Vogue.

Birthday Bouquets

With queenly dignity, the month of November gave us some of our leading students in scholastic and social activities. The following group, though small, you must admit is "select" in every sense of the word.

So many happy returns of the day to:

Hail to the sky

We'll never change our course

So (opponent) you steer shy

Roll up the score Pittsburg

Anchors Away, sail Pittsburg down the field

And sink the _____, sink the _____, now.

"30 DOLLARS OR 30 DAYS"

—Mary Lois Smith, Staff Artist

Which method of punishment do you prefer? Of course, the proposed Student Court won't take such drastic actions as these pictured above in dealing with student offenders. But if you insist on committing such misdemeanors as going up and down the wrong stairs, cutting class, or defacing the building, you may have something stiffer to bargain with than you had counted on; so mind your "p's and "Q's"!

Things You Should Know

P. H. S.

"Three Modern Gentlemen:"

I read your article in the Booster and decided to give you an answer to it.

Would you like for the girls who go stag, some of the time, to come up and ask you to take them out there? Of course you wouldn't.

I can remind you that most of the girls who go stag go to dance. Just wait till some girl comes up and asks you to take her some place, just see how silly it will make you "Three Modern Gentlemen" feel.

A Wise Young Lady who still has a good reputation even though she has gone stag once in a while to these places.

Dear Booster:

Don't you think such an article as written by the "Three Modern Gentlemen" in last week's paper, is a reflection on the dignity of the school?
Inquisitive

Special for the Booster:

John had brought his Aunt Martha to see her first track meet. The runners were lined up for the first event. Then the pistol went off and the men sprinted.

"Pshaw!" said Aunt Martha, turning to her nephew, "Those men don't really think they can catch up with the bullet, do they?"

To My Louise

by Warren Bottenfield

I reckon most of us must know

The way a fellow feels,

When, into his unsuspecting heart,

A pretty girl steals.

I reckon most of us have seen

The look in a fellow's eyes,

That seems to speak in words of love

Those thoughts his dreams will prize.

But how many of us know the pain

That same sweet love can bring

When, like a sap, he marries the girl?

Heck!!!—Love's the damndest thing.

I believe the Senior class should get their rings and pins before the end of the year. If we don't get them until then we will already have graduated. But if we get them now, we will be able to show that we are Seniors, which I think means a lot to every one of us.

A Senior

Oh! tis sad to part from home

And leave old friends behind

Altho' you know it's nice to roam

You'll find no things so kind

As the little things that people do

Little things that you don't score

And yet, those things will win for you

If you return the nice things more.

Little things and places,

Your locker partner too

He may put you through your paces

Without him you'd be blue

Just think of the empty hall

The whole school so quiet

It won't be anything at all

Like the usual noisy riot

Then when the time comes to go

The last long look in the hall

A brave happy front you show

But you can't help thinking after all

You'll miss the fellows and their ways

Then you say, Oh Well! It's just for a few days!

Sophie hooks Senior! And it looks serious, too. Is it, Mary Hopper and Earl Davis?

We wish "Mo" would make up his mind—he has us very much confused. One day we see him with Rosie and everything looks settled; then he turns right around and showers his attention on June. And on top of that, we understand he spends most of a certain class flirting with Naida C. We always say: "Variety is the spice of life."

From the looks of things, Eugene Seely and Ruth Salina are hitting it off o. k. Confidentially, it looks terribly serious!!

We wondered why so many girls were moping around the halls with such long faces and finally came to the conclusion that it must be because of that handsome football hero, Bud Hooper, preferring California to Kansas.

Nadine, you have our sympathy! Things were just progressing nicely with and Bud Reder, when all of a sudden, he goes back to Indiana. Now, just when Bud Hooper and you were getting "that way," he moves to California. You better make sure the next one is well anchored, for Christmas will be here before you know it!!

Scrivner Asks Renewal of Faith

In America; In Ourselves;
In God Our Creator;
And Our Schools

"On Armistice Day the people should renew their faith in America, if it has been lost, in themselves, in God, their creator, and in their schools," asserted Mr. E. P. Scrivner, departmental commander of the American Legion, in a general assembly Thursday morning, Nov. 9.

He asserted we should honor the men who sacrificed their lives in the wars of America. They did this so that to-day we might have the freedom we so cherish.

"We must be the best prepared of all the nations. The American Legion advocates that the army should consist of at least 260,000 men, the national guard of at least 426,000 men, the navy should be second to none and our air force should be improved," Commander Scrivner declared.

He related some of the incidents that occurred during the last war due to the lack of preparedness. The U.S. had to get equipment from other countries. The men had to train with wooden guns and saddled barrels instead of horses.

"The American Legion is vitally interested in the young people of America. As such in 1921 they set aside a week known as 'American Education Week'. The future depends upon you, the youth," Commander Scrivner commented.

He told of the children in some of the European countries that have been separated from their relatives that

they might be saved. Here youth is free and does not have to be separated from relatives. They may attend free public schools.

"Schools must be more than buildings. They must teach the youth training for citizenship. If we can give you a good picture of Americanism, we will not have to worry about other forms of government," Mr. Scrivner pointed out.

Some people say it is a farce to celebrate Armistice Day while some of the European countries are at war but Mr. Scrivner did not agree with them on that idea.

"On Armistice Day, let's turn our thoughts to serious things. Won't you join the efforts of the American Legion that we may have cooperation. Let's remember 'Lest We Forget,' Mr. Scrivner concluded.

Hi-Y Has Grown Larger And Better Since It Was Founded in 1912 By Hutchinson, Hartford.

A great step toward community fellowship was taken when Mr. Clyde Hartford, then boy's secretary of the local Y. M. C. A., and Mr. J. L. Hutchinson organized Hi-Y in P. H. S. 27 years ago.

Hi-Y was brought to Pittsburg by 7 P. H. S. boys who attended the state Hi-Y training camp at Soden's Grove, Emporia, Kansas. Their hopes and

Clyde Hartford

plans were then encouraged by Mr. Hartford and Mr. Hutchinson.

When the call was given to the students of P.H.S., they met it with a good response, for the first club was made up of about 40 boys. The club met once a week at the Y. M. C. A.

The girl Reserves met in the auditorium yesterday during activity period with Miss Leeka's group in charge.

Mrs. Leonard Boyd was the main speaker. She brought with her Eirline Evans who also spoke on "The School for the Blind in Kansas City." Both speakers were blind.

Devotions were read by Betty Navarre. Following the speaker's.

There was a vocal duet composed of Geraldise and Glenna Miller, accompanied by Zoe Wilma Baade. The name of the composition was "Moon Dreams"

STUDENTS IN AMATEUR HOUR

Three P. H. S. students participated in the Colonial Amateur hour Nov. 12. Mary Lois Smith, senior, with two Cherokee girls, sang, "Well All-Right," Jack Long, senior, and Marvin Tucker, junior, sang a mock impersonation of the "Beer Barrel Polka." The Cherokee girls were Rosalie Gann and Mary Nacoratta.

for a bean dinner.

Their first problem came when the High School moved into the new building. It was then too far to go to the Y. M. C. A., for dinner and get back to school in time, so the meeting was changed to chilli supper at the High School. Eventually the club grew so large that it became necessary to divide the group into "Chapters" and school time was given to their meetings.

"In school administration, teaching, law, engineering, and business, former Hi-Y members are filling places not only in this country, but also in foreign countries," Mr. Hartford stated "and many of the leading business and professional men of Pittsburg belonged to our club."

The local Hi-Y club has been represented every year at the State Hi-Y and at the state or district conference.

The leaders are looking forward to the Third National Congress of Hi-Y which is to be held next year probably at Berea, Kentucky. They expect to send delegates from P. H. S., who will meet with delegates from all over the world. Eleven hundred attended the congress in 1938, at Berea.

RAINBOW BANQUET THEME IS "LOVE AND SERVICE"

"Love and Service" was the theme of the fifth annual founders' day banquet of the Rainbow Girls Saturday night, Nov. 11, at the Stilwell Hotel. Naida Chandler, worthy advisor, was toastmaster.

The color scheme was carried out in the rainbow colors. The tables were decorated with red candles and miniature rainbows of cardboard and presented with a nut cup representing crepe paper. As a favor each girl was the pot of gold.

Approximately 35 persons were present. During the serving of the meal, each girl gave her name and office.

Following the meal, there was a program as follows: vocal solo, Julia Ann Pogson, accompanied by Edna Marie Weidman; reading, Barbara Huffman; violin solo, Billie Heimdale accompanied by Miss Weidman, musical reading, Charlene Williams, accompanied by Shirley Ainsworth; piano solo, Betty Casavka; a vocal solo, Dorothy Anderson, accompanied by Lois Williamson, Virginia Davis, and Helen Otto, accompanied by Evelyn Massman.

PROTECTIVE MEASURES AGAINST WINTER SICKNESS

Following up last week's idea, here are a few reminders. Have you ever been vaccinated for Small-Pox? Have you ever been inoculated for diphtheria?

Do you consider these safe measures? Let's do something about this. Do you have a cold? Do you know what caused it? Do you know how to keep from spreading it? Let's take extra precautions about colds as it is getting colder and it is easy to get a cold.

Here are a few pointers to think about on the cases of a cold. Do you commit any of these??

Not enough sleep, sleeping in a draft, improper clothing for cold weather, and probably the most important, carelessness of associating with those who have colds.

Let's think about these things and see what we can do to rid our school of colds!

ART STUDENTS MAKE POSTERS

Naida Chandler, Wilma Williamson, Norma Billington and Helen Otto spent three days making the American Education posters displayed in the hall and making the pennants for the junior play. They also made the "keep out" sign so much needed by Don Marchbanks in the junior play.

Girl Reserves Hold Sister Party

The Girl Reserves held their annual "Big and Little Sister Party" from 7:00 to 8:30 last night in the Theatre.

The Little Sister dressed as little girls. Prizes were awarded to the best dressed ones there.

The Big Sisters have been sending their Little Sisters letters since they drew their names three weeks ago. The idea was to keep the identity of the Big Sister a secret until they took the little ones to the party.

The time was spent in playing games and judging the best dressed Little Sister.

Refreshments were served to the large number of Girl Reserves attended.

All the Girl Reserve sponsors were present.

The Pittsburg Purple Dragons went into a three-way tie for first place by defeating the Iola Mustangs 24 to 6. Ray Lance tallied three times and passed to Jimmie Myers for another. Glenn Lottmann played outstanding

ball since his booting played a large part in the victory. Gilliland and Hull were out of the lineup with injuries. The initial period opened with Pittsburg kicking off to Iola. The Mustangs marched for two first downs before a fumble gave the ball to the Dragons. Then the mighty Purple machine got underway and marched to a touchdown with Ray Lance going over from the 16-yard line. Iola put up a stubborn defense and no further scoring took place in that period.

In the second quarter the Dragons drove deep in Iola territory where they lost the ball on downs with the oval resting on the 1-foot line. Iola's punt was partially blocked and was taken by Myers on his 20-yard line where he was downed in his tracks. A 13-yard run by Shultz brought the ball to the 7-yard line where a pass, Lance to Myers, made the score 12 to 0.

The third quarter resembled a punting duel, but late in the period Lance scored from the 18-yard line with a wide end sweep. The final stanza showed Pittsburg receiving three successive 15-yard penalties, thus paving the way for Iola to score on a short pass from Merrill to Williams.

Late in the last quarter, Jim Gold, sub-end ripped off 45-yards and with

WE THINK

* By The Drugstore Cowboy *

* * * * *
The Dragons are now setting at the top of the league with Coffeyville and Parsons beside them. The SEK race has been a merry mix-up and who wins is a toss-up.

Gelnn Lottman did some nice booting in the Iola game, kicking an average of 45 yards, which is good on anybody's football team. Lottman replaced Hull in the lineup and did a great job of it.

Jack Cremer filled the fullback position nobly last Saturday and did a good job of it. The Dragon forward wall again assumed its heralded glory and has started to show old time power.

Gold, lanky end, ripped off 45 yards last week. We wuz just a thinking that he should play a little bit more often.

After the game Charley Gilliland was worried about whether he would letter this year or not, as he played but 24 seconds. By the way Chuck, if you don't letter just come around and we'll make you a letter ourselves.
