Debaters Compete In Tournament At Wyandotte School

Pittsburg Enters Four and Six Man Teams In K. C. Contest

Will Last Two Days

Members of Squad Rank Low At Independence Tourney Last Saturday

Ten top-ranking debaters of PHS are competing today in the tournament at Wyandotte high school in Kansas City, Kans. The tournament will continue tomorrow. Pittsburg contestants will return tomorrow night.

Twenty teams are entered in the contest, which is held annually in the large Kansas City high school.

PHS has entered a four-man team and a six-man team. Bill Hazen, Arthur Ligon, Jane Pratt, and Georgeanne Switzer compose the four-man team. Colin Barkell, Patty Barkell, Evelyn Roeber, Joan Veatch, Betty Payne, and Donald Marchbanks are debating as the second team.

PHS debaters ranked low at the Independence tournament last Saturday. Rules of that contest excluded some of the teams of each school entering. Jack Collins, Donald Marchbanks, Evelyn Roeber, Joan Veatch, Bill Hazen, and Colin Barkell attended the Independence contest.

Just Prattle

By Jane Pratt

An appropriate quotation expressed an opinion on new years resolutions was written on Mr. Claude Huffman's board last Tuesday. It stated: "Good resolutions are a pleasant crop to sow. The seeds spring up so readily, and the blossoms open up so soon with such a brave show, especially at first. But when the time of flower is past, what as to the fruit?" (L. Malet.)

Speaking of resolutions, the Girl Reserves wrote theirs in a unique manner. Each girl wrote a letter to herself concerning her aims for the new year. The letters are to be returned and reread next Spring. I wonder what they'll think about them then!

Some of the PHS students have been developing their instinct by writing verses to be used besides the senior pictures in the annual. It must be difficult to find compliments for 234 seniors.

The study hall plan which was presented to the Student Council has been successfully carried out, according to Jack Collins, president. The overflowing members from the first and second library periods are now in the visual education room. The only supervision is by students. "The good conduct is supervising," one council member said. Which prove that high school "kids" can behave.

Wedding Bells Ring For R J H S Teacher

Miss Josephine Louise Johnson of Hartford, Kans., was married to Alvin E. Geier, a teacher in the Theodore Roosevelt Junior High School on Sunday afternoon, Dec. 22, at the home of the bride's mother in Hartford.

A reception was held after the wedding. Mr. Geier teaches mathematics.

Harold Cotner Takes Lawrence School Job

Mr. Harold C. Cotner who has been a practice teacher in PHS, is going to Lawrence, Kas, where he will take the position of teaching printing in the Lawrence junior high and wood-working in the senior high.

He taught woodworking here, and assisting Mr. J. M. Collie, in the afternoons assisted Mr. John E. White in the printing department.

Student Council Sponsors Sale Of School Pins

Offers Four Different Types; Are On Display On Bulletin Board In Hall

Instructions for the sale of pins were given to members of the student council at their Tuesday noon meeting.

Four different types of pins are being offered. They are on display on the bulletin board by the main office.

The entire meeting was taken up with the instructions, and no other business was conducted. The pin sale is being conducted for the purpose of raising money to buy pins for members of the Council.

The pins may be purchased for 25 cents by anyone. Their initials or short name may be engraved on it at no extra cost.

Don Slagle Takes Special Pictures For AP Wirephoto

Don Slagle, '39, Booster photographer, has taken many pictures which have been used by the Associated Press.

A picture taken by Don of Mr. E. H. McFarland, member of the Board of Education, was used by the Kansas City Times and picked up by many papers over the area by AP Wirephoto.

Headlight-PICTURES-Sun Don Slagle. . . Booster photographer whose pictures are used by AP Wirephoto.

photo. Among these was the Omaha World-Herald and the New York Times. The picture was of Mr. McFarland and his son, Edward sitting in an airplane.

Don, who has been doing photography work for four years, takes most of the pictures for the Pittsburg

Three Tone Brown Paint On Stairway

A test of wearing qualities of floor paint is being conducted on the stairs by the library. Three different types of paint, all different colors, were applied at the spot where it was believed received the most wear.

Although many of the students and a few of the more inquisitive teachers are greatly bothered, it was done on purpose, but with no regard to the nerves of the persons who are forced to look at it.

Driving Students View New Cars

Students Make Tours in Automobiles To Learn Safety Features

For the past two weeks the driving safety classes of Mr. F. M. Snodgrass have visited numerous automobile show rooms to study the latest in safety devices that appear on the 1941 cars.

When the tours are completed each student will write a theme on "The Car I Would Buy" giving their reasons and comparing their choice to at least three other different makes of cars.

According to Mr. Snodgrass, the main purpose of the tours is to educate a wise choice of cars or help their friends or parents.

One of the main safety features this year is a lower center of gravity and a wider car with longer wheel base, Mr. Snodgrass said.

Debaters Travel To Independence Meet

Eight debaters will leave Pittsburg early tomorrow morning on a trip to Independence and the annual invitational debate tournament held there.

After debating tomorrow morning and afternoon in competition with contestants from about 50 high schools the PHS students will return in the evening.

The two top ranking teams of a school are not eligible to enter this tournament. W. C. Wilson, Arthur Ligon, Georgeanne Switzer and Jane Pratt are eliminated from the contest by this rule.

151 AT HOMECOMING

There were 151 persons who registered at the homecoming program Dec. 20, representing the classes between 1896 or 1940. The earliest class, that of 1896, was represented by Clair Barrett of 310 West Fifth.

Headlight and Sun.

A textbook compiled recently by Miss Irma Gene Nevins of the College on home economics was illustrated by Don, which included pictures of post ure and first aid.

Betty Peterson Receives Award Of Good Citizen

Seniors and Faculty Committee Select DAR Good Citizenship Girl

A faculty committee, composed of the principal and two senior sponsors, selected Betty Catherine Peterson as the D. A. R. Good Citizen Girl yesterday.

This selection was made after the members of the senior had nominated three girls for the honor. The other two girls were Charlene Williams and Jane Pratt.

Betty was chosen for her exceptional leadership, and patriotism. Her name will be sent to the district chairman in charge of the congressional district in which the school is located. On Feb. 15, a drawing of all names will be held. The representative whose name is drawn will receive a trip to Topeka where a state drawing of all district representatives will be held. During April the state representatives will receive a free trip to Washington D.C.

Betty, an outstanding member of the senior class, is well known in high school activities. At the present time she is president of Allied Youth and a member of Girl Reserves and the Forum Club.

Miss Esther Gable spent one day of her Christmas vacation in Joplin with friends.

Jean Resler spent two days of her vacation at Chanute visiting her grandmother.

Students Soon To Cram for Finals Are Near

All you students had better be thinking about those studies because we are nearing the end of the first semester!

In just three more weeks this semester ends, which means everyone should brush up on those hard subjects. The final exams are coming!

School was dismissed for New Year Day on Wednesday, but classes were resumed Thursday and Friday, thus making the Christmas vacation shorter this year. The reason for this was that school was delayed a week because of the infantile paralysis epidemic last fall.

Holding Regional Games Here Again

Tournaments For This District To Begin On March 12, in Gym

Pittsburg will again play host to the participants in the regional high school basketball tournaments for this district. The tournament will start on March 12 for the A.A.A. and winning B teams.

Class AA is a new division created this year for schools with more than 475 enrollment. Division A at present includes schools with enrollments of 175 to 475.

The three state meets will be held on March 19 at Emporia for AA Salina for A, and Hutchinson for B. Pittsburg is in class AA.

Many Pupils Absent; Influenza Is Cause

The record of absentees of PHS was broken Thursday when 110 students were absent from their classes. This is about one out of every eight students.

Influenza is said to be the main cause for such a record as this.

Of those absent there were 45 seniors, 27 juniors, and 38 sophomores.

The total enrollment of Theodore Roosevelt junior is 450 and there were 56 students from there on the same day.

Kansas Club Elects Bill Scott Vice-Prexy

Bill Scott was elected vice-president and program chairman of the Kansas Club at a meeting last Monday noon in Mrs. Peterson's room. He temporarily replaces Helen Dingman, who is in California.

Several members were absent from school but several new members were present. The next meeting is planned to be held at the Public Library at 7 o'clock next Monday evening unless the weather prevents it.

A membership drive is in effect in which each member will attempt to get a new member.

Mr. Gerald M. Carney was absent from classes today on that he might attend the Mid-Western Music Clinic at the University of Kansas. The Friday program which he is attending is devoted to band.

We Think

The New Year

Two days ago a new year began. It started with the usual celebrating and festive hullabaloo which accompanies each year's starting point. But again the new year ushered in more serious thoughts in the form of pledges and resolutions.

Yes, every year whether it is acknowledged or not certain promises which require endeavor to keep are made. This year will mean more promises and more effort.

We've had a good start. Each individual can make 1941 more than merely a new number by striving to maintain our lately made resolutions.

Clothes

"Clothes make the man." (true or false?) Can we accept that statement? At the present time it seems that many persons think that if a person doesn't wear good clothes he is not good enough to associate with the others.

But as the old saying goes, "Beauty is only skin deep." So it is that way with clothes. Clothing is only an outside covering and what is on the inside of that clothing and skin is the important thing.

There are certain persons who can afford to buy the best of everything. I don't blame them, so would everyone if he had the money.

Several persons who have the best of clothes and do not know how to wear them, while more of the people have cheaper clothing and look more neatly dressed than the so-called upper class.

So we find that after all clothes make a person as far as looks concerned but the important thing is that which is deep down inside the person.

For example: We all know Will Rogers. He was not the neatest person in the world, but everybody respected and honored him. Next, let us look at Hitler. Mr. Hitler looks fine in his uniform, but who besides the people in Hell like Hitler?

So we find the answer to the question at the first is false. —Jack Collins

Speed

Because a large part of the student's daily hours are spent in school, it seems only logical that he would want to do everything possible to make conditions more comfortable and desirable for himself and his fellow students. The PHS student body holds a good record for conduct, but perhaps a few mid-year reminders would make our record more substantial.

Although you may be in quite a hurry to meet your best girl and spend a few precious moments with her, or to get home to that steak that is waiting at noon, let's

Its Resolution Time

—BOOSTER LECTROUT

Many of us have made our New Year resolutions by now and are greatly worried breaking them. But some remind us that this is the reason for breaking traditions.

The Awful Truth

Betty Hood had an interest in high school students at the first of the year, but it has wandered down Broadway until it has reached the College. It is between two boys out there, and they have both taken her to dances. It's your turn now, Betty.

Speaking of nighthawks, Clair Gillin and Kenny Coulter visit Rosalie Williamson almost every night. I heard (hear I said) that the three cornered game doesn't fair so well.

Also another triangle in operation at the time Doris Halfhill, Boots McWilliams, and Duckey Bennett.

This triangle business is getting tiresome, but here it is again. Gerre Jo Hilbott writes notes to Bob Uttley and he writes them (not to Gerre) but to Virginia Sandan.

Here is a twosome for a change. Billie Graver has been wearing her heart on her sleeve, but Charles Klobasso has snatched it off. Are congratulations in order?

Many a young heart has been captured in library and Molly Marge Wilson is no exception. Elmer Nelson has caught her eye and introductions are now in order.

To change the monotony of this thing I'll return to that infernal triangle. At a certain school dance Billy Keith was disappointed when he asked Evelyn Roeber but, to his dismay she had already been asked by John Morin.

Along like cats and dogs. It seems as if this isn't anything different, but Betty Lee is wearing Rex Daily's wrist watch.

From what I hear, C. A. Rice is a cute little sophie and it seems as if Merle Edwards likes(?) him.

Ida Thomas and Jack Mead are getting along like cats and dogs. It seems as if the troubles is with an outsider.

Colleen Michie just can't make up her mind who she likes or dislikes.

Well, I guess I'll go now and start to burn the oil for this is the last six weeks and the ole finals will be upon me before I can say, "I'm worried."

check our speed lest some smaller chap find himself sprawled ridiculously in the hall.

Another bad habit we have acquired is pushing each other down the steps. This is not only bad manners, but is very dangerous. It would not hurt any of us to follow the golden rule a bit closer. — Paul Ward

Near and Far

By Helene Adams

Well now that Christmas is past and the rush of exchange is over, we are ready to settle down to work and think of semester exams.

Overheard in an English class: "Some writers use words that are larger than their ideas."

Then there is the senior boy who swears that he has never been kissed — could be, that is why he swears.

One sophomore boy, after at last showing his old-fashioned father his grade card, has been consoling himself that at least he will be well prepared for his fraternity initiation.

I wonder, now that you have your new year's resolutions all made and have been duly commended by your parents, just how many have you broken?

Most people forget the real value of gossip. It all goes to show that people who seem better off than you are, have plenty of trouble too.

If the weather turns out right for skating, our school colors will probably be changed to black and blue.

I wouldn't be surprised if a few good "misses" in the chorus wouldn't help our opera be a success.

Thought for those "gripping" history students: History is easier studied than made.

January was named for Janus, a two-faced god, but who are YOU to impersonate a god?

Group Sorting School Clothes

Bundle Day Contributions Soon Ready For Distribution To Students

The high school welfare committee has been sorting out and separating the garments acquired during G. R. and Hi-Y Bundle Day.

The committee consists of Miss Esther Gable, Mr. Clyde Hartford, Mr. Finis M. Green, and Mr. J. L. Hutchinson. This group will be in charge of distributing the bundles to PHS students while Mrs. V. F. Lindsay, who is the chairman of the ent-Teachers Council, will conduct the work at the P. T. A.

Mr. Hartford is distributing the boy's clothing and Miss Gable is giving out the girls' garments. Many articles of clothing were received which will be very beneficial to many of Pittsburg's elementary junior high, and senior high, and senior high students, according to the sponsors.

The Kansas Club will meet next Monday noon in Mrs. Dora Peterson's room. The club has been receiving several new members each week.

Miss Ferda Hatton Buys Candy By Carton Lots

Have you ever seen a tiny teacher tripping down the hall crunching a Hershey bar? If so, you have seen Miss Ferda Hatton, commerce instructor. In fact, so well does she like the bars that she buys them by the carton.

Born in Columbus, Kas., she lived in numerous small Kansas towns in her elementary school days, went back to Columbus, then came to Pittsburg. Miss Hatton graduated from PHS with Mr. J. L. Hutchinson as principal, she obtained her B. S. degree from K. S. T. C.

After teaching in Buffalo and Croweburg one year each, and several years in the Pittsburg city system, Miss Hatton came to PHS. She has been here nine years.

Miss Hatton's favorite hobby is traveling. She has visited all but the extreme southeastern states and rocky mountain states.

"I thought that Victoria, British Columbia, Canada, was the most beautiful place, I could ever see, but after Montreal and Quebec I have changed my mind," explained Miss Hatton. She is a co-sponsor of Allied Youth and has been in charge

Hi-Y Boys Hear Mr. R. E. Mangrum

Joint Meeting In Little Theater New Year Resolutions Are Discussed

"When one makes a New Year resolution, he should try to keep it because he makes that resolution with God," said Postmaster R. E. Mangrum to the Hi-Y boys last Tuesday at the activity period in a joint meeting in the Little Theater.

A resolution should not be made if the maker does not intend to keep it, stated Mr. Mangrum. He added that many of the resolutions made were not kept for more than an hour, a day, or a week.

"I don't think that there is a boy in this group that hasn't got the will-power or stamina to keep the promise that he makes to God at New Year's," said Postmaster Mangrum toward the close of his speech.

At the end of the meeting, he answered several questions about the mails for the group of boys and the several members of the faculty that were present.

At the beginning of the meeting, Glenn Lottman had the devotions. Billy Albers presided.

At the beginning of the meeting, Mr. Lundquest expressed his thanks for the help that the boys gave on the G. R. and Hi-Y Bundle Day.

Little Bits

The Latin 3 classes are completing a section of complex Latin grammar principals. They are participles, infinitives, ablative absolutes, indirect discourse, tense sequence, various subjunctive usage, gerunds, gerundives, and periphrastic form.

In the past week in Mr. Claude I. Huffman's classes various diseases of animals, including the human, were discussed.

Among other things discussed was the nature of our climate, we have other places. They learned also that there is a big difference in susceptibility because of food habits, hereditary and vocations.

Rehearsals of both the chorus and principals began this week for the annual opera, "The Waltz Dream" which is to be presented on Feb. 20 in the auditorium. The orchestra will begin work on its part after music scores arrive.

Mrs. Virgil Gordon Smith substituted for Miss Maude Laney, who was called away Monday afternoon, and for Mrs. Ruth Lewis, who was ill with a cold Tuesday. Mrs. Smith formerly taught in the Fort Scott high school and junior college.

Miss Esther Gable's clothing classes are finishing their third project of the semester. The second and fourth hour classes are going to give reports the last two weeks of this semester. The other four clothing classes are practically finished with their third project, and if they wish they may start another if they have time. The persons that have not as yet completed their garments must do so by the end of this semester, which ends in three weeks, Miss Gable said.

Betty Jean Center, senior, visited her grandmother in Stilwell, Okla., during the Christmas holidays. Her parents accompanied her.

The senior English classes recently finished reading the Shakespearean tragedy, "MacBeth." The students today submitted character sketches of the most impressive characters.

Miss Clara Radell's junior and senior Latin classes are studying the word lists from the Reader's Digest. The relationship of the English and Latin words is being given the most study.

J. K. Boltz, who is principal of the Fort Collins, Colo., high school, visited here Monday. He is a graduate of PHS in the class of '24. His wife, the former Harriett Hyink, is a PHS graduate of the year '23.

Pittsburg Enters Four and Six Man Teams In K. C. Contest

Will Last Two Days

Members of Squad Rank Low At Independence Tourney Last Saturday

Ten top-ranking debaters of PHS are competing today in the tournament at Wyandotte high school in Kansas City, Kans. The tournament will continue tomorrow. Pittsburg contestants will return tomorrow night.

Twenty teams are entered in the contest, which is held annually in the large Kansas City high school.

PHS has entered a four-man team and a six-man team. Bill Hazen, Arthur Ligon, Jane Pratt, and Georgeanne Switzer compose the four-man team. Colin Barkell, Patty Barkell, Evelyn Roeber, Joan Veatch, Betty Payne, and Donald Marchbanks are debating as the second team.

PHS debaters ranked low at the Independence tournament last Saturday. Rules of that contest excluded some of the teams of each school entering. Jack Collins, Donald Marchbanks, Evelyn Roeber, Joan Veatch, Bill Hazen, and Colin Barkell attended the Independence contest.

Holding Regional Games Here Again

Tournaments For This District To Begin On March 12, in Gym

Pittsburg will again play host to the participants in the regional high school basketball tournaments for this district. The tournament will start on March 12 for the A.A.A., and winning B teams.

Class AA is a new division created this year for schools with more than 475 enrollment. Division A at present includes schools with enrollments of 175 to 475.

The three state meets will be held on March 19 at Emporia for AA Salina for A, and Hutchinson for B. Pittsburg is in class AA.

Many Pupils Absent; Influenza Is Cause

The record of absentees of PHS was broken Thursday when 110 students were absent from their classes. This is about one out of every eight students.

Influenza is said to be the main cause for such a record as this.

Of those absent there were 45 seniors, 27 juniors, and 38 sophomores. The total enrollment of Theodore Roosevelt junior is 450 and there were 56 students from there on the same day.

Kansas Club Elects Bill Scott Vice-Prexy

Bill Scott was elected vice-president and program chairman of the Kansas Club at a meeting last Monday noon in Mrs. Peterson's room. He temporarily replaces Helen Dingman, who is in California.

Several members were absent from school but several new members were present. The next meeting is planned to be held at the Public Library at 7 o'clock next Monday evening unless the weather prevents it.

A membership drive is in effect in which each member will attempt to get a new member.

Mr. Gerald M. Carney was absent from classes today on that he might attend the Mid-Western Music Clinic at the University of Kansas. The Friday program which he is attending is devoted to band.

Dragons To Meet Parsons Tonight

Dale Hall To Lead Vikings To Attempt For Third Consecutive League Victory

The Pittsburg Dragons and the Parsons Vikings will both be seeking their third consecutive league victory when they clash on the Parsons court tonight.

The Dragons have defeated Fort Scott and Chanute while the Vikings have beaten Chanute and Coffeyville. The Dragons won by one point from Chanute. The Vikings won from the same team in an overtime period. According to this dope, Parsons and Pittsburg are as evenly matched as they could possibly be.

Leading the attack for Parsons will be Pittsburg's old trouble maker, Dale Hall. Hall beat the Dragons in an overtime last year with a long, one-handed shot from the corner. It was he who defeated the Dragons on the gridiron this fall with his one minute passing attack. The Dragons are out to stop Hall and Company if they can. PS: They think they can.

The Pittsburg lineup will probably have two sophomores and three seniors. The sophomores who will probably start are Kenny Coulter and Clair Gillan. The seniors are Bill Waltz, Harlan Peterson, and the leader of the last two games, Francis Ryan.

The Dragons will go to Coffeyville next Tuesday and next Friday night will meet Iola here.

Judge Resler Will Speak To Allied Youth

The next Allied Youth meeting will be January 13 at 7:30 o'clock in the little theater when Judge L. M. Resler will speak on "Crime, Time, and Alcohol."

"I would like to see all members at this meeting," President Betty Peterson said. Also those persons who are considering joining Allied Youth are invited.

PROGRAM HERE MONDAY

Variety will be the theme of the program presented by Phil Clark and his Marching Men of Song when they appear in the high school assembly Monday. The group will feature selections from grand opera and "Gilbert and Sullivan," songs of the sea, and patriotic songs. The program is a presentation from the extension division department of the University of Kansas.

Sport Shorts

By Don German

We have always said that a team with lots of fight is hard to beat. Fort Scott and Pittsburg both fought hard and the Dragons won by a very close margin.

There are three different sports that are considered as major; football, basketball, and track. There is usually a boy who stands out above the rest. In football everyone was talking about Arnold Maddox. In basketball it is Francis Ryan who has all the girls making eyes, and in track Bob Frigieri is the one they talk about.

Did you every think of the boys who participate in three sports? If a boy is good enough to compete in all three sports, he must have a lot of athletic ability.

Joe Gray is a three-sport letterman. He was a regular end on the football team, was number one half-miler for Pittsburg last spring and is playing basketball this year. Joe is a versatile boy. PHS should have more like him.

There is a question I would like to ask and get answers to before next week is up. Why don't we have more pep? Not the rowdy type, but good clean pep. Just write an answer and give it to Jay Rennie or Don German.

In watching the sophomores in action at Fort Scott we drew one conclusion. Of course, we have no authority to criticize, but we think that if a few boys on the squad would think of the team instead of themselves it would do much good. They seem to have the idea they have to be the one to make the baskets. They would shoot from far out on the court when there was someone under the basket who would have closer range. Sophies, don't forget that teamwork is one of the most essential parts of basketball.

Typing Pins Change Hands As Second Contest Is Held

Three typewriting students—Marjorie Bruce, Dorothy Ensmann, and Doris Lock, are wearing typing pins as a result of their winning the December contests sponsored by Mr. C. H. Lundquist.

Max Briggs, who was a close runner-up in this contest, won first in the November battle. Paul Ozbun was second in the November contest.

Scores of the winners were Marjorie, 39.4 words a minute and Dorothy, 32.4. Those who won in accuracy, receiving 100% in score, were Marjorie Bruce, Dorothy Ensmann, Doris Lock, Max Briggs. Virginia Lee Hill made 95.15%.

In the speed rating Marjorie Bruce was first with the rate of 39.4; Virginia Lee Hill, 39.2; Carolyn Coulter, 36.0; Camille Bumgarner, 34.6; Gene Rogers, 33.8.

Honorable mention goes to Calvin Blasor for a rate of 33.0 words per minute.

Girl Reserves Seal

New Year Resolves

Girl Reserve groups carried out special new year programs in their respective groups last Tuesday.

Each girl wrote a letter to herself stating her resolutions for the new year. These letters were sealed and kept by the sponsors to be returned to the girls next spring.

Plans for the group programs for Jan. 14 were discussed. Each group will conduct its own individual program at that time.

Bowling Teams To Be Formed In Near Future

A practice bowling session is to begin at 1:30 o'clock Saturday afternoon at the YMCA bowling alley, according to Mr. John E. White instructor.

On Saturday, Jan. 11, the teams will be formed and competition will start. Two boys' and one girls' teams have been formed so far.
