

Man About High School

By Billy Scott

Happy New Year, everyone! Maybe a bit early, but The Booster is first for once—Here's the latest or at least what happened if not the latest. For the movie of the week, "Here Comes Mr. Jordan," comes reeling off the camera of Columbia studios right in with the best of them. If you really want something different in story, this picture is right up your alley.

The story goes that Joe Pendleton, played by Montgomery, is a prize fighter and hopes some day to be "champ" Joe is killed in an airplane crash, but his spirit goes to heaven.

There Joe meets Mr. Jordan, who in looking up Joe's records, finds he was killed before his time so he sends him back to earth where he finds a body that suits him.

He gets into the prize-fighting ring again. Mr. Jordan is played by Claude Rains.

Whenever Alexander Hall is the director you know that the picture will "win by a knockout!"

Maurice Mosier recently informed your reporter that Noel, Mo., was named after his grandfather who used to own all the land around Noel. Also Daniel Boone is one of his ancestors. Quite noticeable, don't you think?

Have you heard this one before? Said the Idaho potato to Lowell Thomas: "You're nothing but a commentator." 'Tain't funny—so what?

Although "Time Was" and "You and I" are still top tunes in PHS, "A City Called Heaven" and "On Easy Street" are climbing fast.

ADVICE TO THE LOVE LORN: Perhaps, James Bertone, you should let Patsy Parrott know that you think she is plenty cut. Here's to Jack Rogers know that Connie C. wouldn't mind knowin him better.

Maurice Mosier recently informed Miss Fintel was handing back test papers, she asserted that the papers were more like a guessing contest. Dean Francis (bright boy that Dean) piped out and said, "Who won?"

Everyone who protested about having their name in this column is trying to suppress freedom of the press; or at least didn't want some other somebody know about their love affairs. Hear that Don, Jack, and Bo? Who are they?

To show that PHS students are really behind school dances, let's all be at this gala occasion to begin right after the game tonight.

Honors to:
Bill Runyan—for his excellent debating in third hour.
Buddy Baer—an A number 1 Latin student.
Tommy Thomas—"plane" good in solid geometry.

"Goodbye little dears, I'll be back in a week"

In Printing The Booster Printers Bear Heavy Work

The journalists aren't the only ones that have a part in The Booster. The heavy part falls upon the shoulders of the printing department which turns the copy of the journalists into printed matter. Without their efforts the journalism students would never be able to get the paper out each Friday.

These boys who print the paper every week are Bert Grant, George Wickware, Junior Masquellier, Don Bryan, Bill Burman, Norman Renfro, Harvey Brumskill, Bennie Sims, Frank Bettega, Billy Joseph, Cecil Butler, Rex Morris, Bill Murray, Charles Davis, Arvel Anderson, Bob Baert, Bill Studyvin, George Story, Jack Hendrick, Robert Greenwood, and Jack Matthews.

Janet Malcolm Heads Booster Business Staff

Janet Malcolm was selected business manager of The Booster with Joan Veatch as her assistant this week by Mr. George J. Frey, journalism instructor. They will serve for the first shift, which will be about 12 weeks.

Moderns Will Play for First School Dance

Have Games In
Gym. Balcony: Negro
Pupils in Band Room

Paul Resler and his band will play for the school dance tonight after the football game in the junior high gymnasium. The "Moderns" make up a 10 piece orchestra and include some former PHS students.

Checkers, ping pong, and other games will be played in the balcony of the gymnasium.

Negros will hold their dance in the band room.

Arrangements were made for the dance by the social committee composed of Miss Maude Laney, Miss Helen Lanyon, Miss Elizabeth Chesnut, and Mr. John White, chairman of the committee.

The social committee stressed that no students would be allowed to enter the dance unless they have their party tickets from their home room teachers.

Choose Max Owensby Junior Academy President

Max Owensby has been elected president of the Junior Academy of Science. The other officers elected were Clair Gillin, vice president; Nell Kathryn Davis, secretary; Syvan Rae Hiatt, treasurer.

It was decided by the group to meet every club day, combining once a month with the photography club, since both are branches of the same organization.

June Freeman and David Huffman announced to the group the projects that they will work on during the year. Mr. Claude I. Huffman, sponsor of the club, stated everyone must be willing to work on a project and carry it through to completion in order to belong to the organization.

Faculty Club Will Hold Four Meetings This Year

The faculty club of PHS and RJHS has decided to hold four meetings a year. These sessions will be staged as dinner parties. They will include a speaker on the program. After the dinner there will be a social hour.

The officers of the club are Mr. George N. Duerksen, president; Miss Jessie Bailey, vice president; Mrs. Dora Peterson, secretary; and Mr. John E. White, treasurer.

Pep Club Members Elect Mimi Nettles

Mimi Nettles was elected president of the girls' pep club at a meeting held Wednesday morning at activity period. The other officers are: vice-president, Geraldine Lewis; secretary, Charlotte Miller; and treasurer, Phyllis Fretwell.

The girls will function as a pep club for the first time at the game with Coffeyville tonight.

Planning Semester Program

Above are members of the planning committee of the Forum club as they layout plans for the semester. Left to right, they are; Chairman, Maurice Mosier, Marilyn Canfield, and Bob Green. The club has about 30 members this year.

Booster Heads Confer

The camera finds the staff of The Booster as they discuss plans for the semester. Left to right, they are; co-editor Maurice Mosier, Business manager Janet Malcolm, and Co-editor William Scott.

Student Council Will Publish Handbook For Next Years Sophomores

Committee Chairmen
Are Montee, Spencer,
Runyan, Diller, Davis

One of the most important tasks of the student council this year rests with the handbook committee who will publish a handbook to each incoming sophomore next fall in order that they may serve and better adapt themselves to this school. The book, according to Mr. Ellsworth Briggs, sponsor, will be a revised edition for the present student council pamphlet but containing more features. It is probably the largest job of the organization this year.

Most of the student council's work is done in committees as there is not adequate time in the meeting to take up all the work.

Duties of the law and order committee assists in the care of the building, campus, lockers, and lost and found articles; also it prevents the defacement of school property. The check room at the school dance is an order of the committees functions.

Neatness and tidiness in lunch rooms, classrooms, and rest rooms are among the jobs of the sanitation committee. This group is also in charge of the nergo group at school dances.

Comprising the work of the social welfare committee is extending courtesies to visitors, new pupils, and absentees. Serving the various departments of the school and conducting the game room are numbered in the other tasks of this group.

Those in the law and order committee are Chairman Eugene Montee, Ray Embree, Ike Loy, Rosalie Williamson, Earl Matson, and Norman Renfro. Comprising the public and private property committee are Chairman Charles Spencer, Bill Walker, Eugenia Griffin, John Halfhill, Rex Thompson and Delmer Oezar.

Chairman Bill Runyan heads the social welfare committee which includes Tom Davis, Bill Albers, Georgia Masterson, Harry Pittser, and Virginia Lee.

Students in the sanitation committee Virginia Johnson, Bob Utley and Connie Coulter.

In charge of the handbooks are Lawrence Davis, chairman, Shirley Pierce, Patsy Hutto, Ruth Otto, Kenneth Coulter, and Camilla Bumgarner.

Must Follow Rules For Success - Gheen

"You can do anything you want to do," was the theme of Mr. James E. Gheen's talk given yesterday afternoon in an assembly program "How-ever," said Mr. Gheen, "there are certain rules that must be followed. One must know exactly what it is if success in any field is one goal."

He wants to do, want it enough to try to do it confidently expect to be able to do it, persistently determine to try to do it, and be willing to make whatever sacrifices are necessary in order to do it," he declared.

Mr. Gheen told of humorous experiences he had in various parts of the world, and he pointed out that error on the other fellow's part is always a cause of laughter. He also stressed the importance of having an education. Money, a home, and a position may be taken away from an individual but no one can take an education.

Council Members Will Be At Gymnasium Doors

In the Student Council meeting last Tuesday plans were made for the dance tonight. Eugene Montee, chairman of the law and order committee, reported to the council plans made for members to stay at the doors of the gym.

Some of the points in the Student Council constitution were discussed by Mr. Ellsworth Briggs, sponsor of Plans, were also made to meet the Coffeyville special train today.

"What? No Gas!" Did Not Stump Cooks in Cafeteria

"Where there's a will, there's a way," said the cooks in the cafeteria last Friday, when the gas supply was cut off.

They furnished 136 students with hot food on that day.

How did they do it? Sells & Sons donated a gasoline stove; the Kansas Gas & Electric Company sent an electric roaster; and they managed to get a blow furnace for cooking potatoes.

A appreciation to the companies who donated the equipment and to the cooks who had to work under such circumstances was expressed by many students who ate at the cafeteria last Friday.

Band Boys Go To Fort Scott

Thirty-six band boys, accompanied by Mr. Gerald Carney, journeyed to Fort Scott Monday afternoon to hear the United States Navy Band of Washington, D.C.

Senior and junior members, and first-chair sophomores were chosen to make the trip.

CALENDAR

Fri., Oct. 17—Coffeyville (here)
Sat., Oct. 18—Bowling (Y.M.C.A.)
Tues., Oct. 20—Club-Student Council
Thurs., Oct. 22—Hi-Y; Girl Reserves

Wednesday Is Grade Card Day To Student Body

And to think of all the midnight oil burned getting this English! And to get a "D." Such remarks as these will soon be coming out of the mouths of many students in PHS; for Wednesday is grade card day. This is the day when one hopes miracles will happen. They happen all right, but sometimes in reverse order.

Six weeks have passed, another six are to come, more yet will arrive; and always on grade card day "The same old story," "I should have received an A."

But many students realize they are the ones who earn and make the grades. Instructors merely record the scholastic worth of their pupils.

Schools Observe Education Week

Series of Newspaper
Articles, Broadcasts
Are Being Planned

American Education Week will be observed in the Pittsburg city schools during the week of Nov. 9 to Nov. 15. "An American Education Week Begins on Sunday, every church in Pittsburg has been asked to participate in the city schools is being urged to attend church on that day," Superintendent Howard D. McEachen declared.

A committee of city teachers has been meeting to make plans for the observance. There will be a series of newspaper articles and radio broadcasts to continue through the week. "Education for a strong America" was selected as the theme for 1941.

"It is the obligation of the students in the school today to exert extra effort to preserve for the future generations the opportunities afforded by schools," Mr. McEachen said.

"Students have a part in American Education Week that is as important as the part of the parents, teachers and the public," he added. "The schools are America's first line of defense, and the best way to keep America free is to keep the schools free," Mr. McEachen concluded.

Faculty Members Attend Annual Regional Conference

Mr. John E. White, Mr. George N. Duerksen, Mr. J. M. Collie, Mr. H. D. Price, Mr. Theodore Carnino, Mr. Finis M. Green, and Mr. Howard D. McEachen attended the fourth annual regional conference of teachers and supervisors of industrial arts last Friday and Saturday at KSTC in the department of industrial and vocational education. Others attending were members of the staffs of state departments of education, members of the faculties of universities, colleges, and teachers colleges, representing Kansas, Oklahoma, Arkansas, and Missouri.

Dr. Naris M. Proffitt, U. S. office of education, Washington, D. C., who spoke at the conference was welcomed by an informal stag dinner at the Hotel Besse Thursday night.

Faculty Hears Talk On College Campus

The PHS faculty met yesterday with the faculties of other city schools and of the college. Mr. Ted D. Martin, a member of the National Education Association, spoke in the interest of the Future Teachers of America. The meeting was held in the music hall auditorium of the college.

Mr. Martin has been in the education field since 1905 and a member of the N. E. A. staff since 1925. He also spoke before the college assembly and several other groups.

Bob Conover Wins Poster Contest

In the fire prevention poster contest of last week Bob Conover won first prize; Bonnie Crouch, second; and Loma Lee Singleton, third. The prizes were five dollars, three dollars and two dollars respectively.

Pittsburg Will Meet Javatown Group at Station

Coffeyville Brings Band-
Pep Club, Drum Corps
With Football Team

A Tornado will strike Pittsburg tonight with a capacity of about 200 persons backed by a band, drum corps and a pep club.

This particular Tornado is not a product of nature, but the Coffeyville football team that is coming up for a battle against the Pittsburg Dragons on Hutchinson Field at 7:30 o'clock tonight.

A demonstration by the Coffeyville band drum corps will be presented at the half, which is to be a longer period than is usual. After Coffeyville has made its appearance, the Pittsburg band will also perform under the direction of Mr. Gerald M. Carney.

The Coffeyville special train will arrive at the Missouri Pacific station about 5 o'clock or later this afternoon. Due to the lateness of the hour, the PHS students council is not organizing a formal welcoming group, for it was believed that a large number of the students would not appear at that time.

Students who care may be at station to welcome the Coffeyville rooters to the Dragons nest. Booster staff members will be on hand to give complimentary copies of today's issue to the visitors. Cheerleaders will be on hand.

Students Urged to Have Yearbook Photos Taken

Mrs. Dora Peterson, sponsor of the Purple & White, is urging all students to have their pictures taken for the annual as soon as possible, in order rushed, and to enable the P & W staff that the photographers may not be to start work.

Students, to have their home room teachers, will be given a receipt, which they in turn will give to the photographer. Price were quoted in last week's Booster.

Art Student Help Make Football Posters

The art students of Miss Florence White are responsible for the big posters advertising the football games. These posters are on a big post just in front of the building on Broadway. The boys who have helped are Max Dalri, Harry Grege, Rex Hall, and Bert Rogers.

CHOOSE ROSEMARY COWAN

Miss Rosemary Cowan, '41 a candidate of the Alpha Sigma Alpha sorority, was chosen as homecoming queen for the college last week. She was elected by the popular vote of all the students. The coronation took place at the intermission of the homecoming football game.

Oh! For The Life Of A Journalist

Two ad solicitors on the Booster staff just can't make up their minds whether they were seeing double or are just nuts.

As the story goes they were out getting ads one afternoon and they decided that they would stop at a business concern which they had haunted for several weeks but without any results. It seems that every time they called at this firm, a certain man whom we shall call Mr. Blank would tell them that the manager was out but call again, because he felt sure that he would like to advertise.

So they walked into the store to be greeted by Mr. Blank as usual. So, one of the girls inquired, "Is the manager in?"

The man answered, "That's he." Being somewhat puzzled, the girl asked, "Where?"

Mr. Blank then replied, "I am one of them."

By that time the girls were completely baffled. Finally one of the girls gathered her much scattered wits and asked, "Would you care to advertise in the high school paper?" He answered that he was not interested, so the girls left as hurriedly as possible.

If anyone can enlighten the girls on this matter, please do not fail to do so because the girls are sure worried.

Booster "Bosses" Argue Pep Issue --- -- Your Opinion ?

Where's Our Pep?

Hats off, to our new cheerleaders! They are really yelling their heads off for dear old PHS. But the students—that's all, bother! They simply refuse to yell; at least 90 per cent of them.

At the Independence game, the few Independence rooters made almost as much noise as the whole PHS student body.

You couldn't ask for better cheerleaders than Jim Millington, "Rotey" Skaer, Dan Leet, Bonnie Crouch, Jess Vella, and Patsy Parrott, but you could certainly ask for better rooters in the student body. The cheerleaders are doing their part. Why don't we do ours? Bill Scott

Is Our Pep Actually So Low

Are you tired of the expressions such as "Where's your pep?" and so forth? Here's one fellow who thinks that this little phrase is being overused. No doubt that there are members of our high school who seem not to be very enthusiastic over school activities and do not attend sports contests but I think they are exceptions.

One hears people saying that a few students from other towns make more noise than our whole student body at the football games. This is a big exaggeration, if you ask me. The trouble lies in the fact that we were not organized. Now that we are having a pep club we hope that we will not be hearing this complaint again.

I have never been to a pep assembly or basketball or football game, that I didn't leave nearly exhausted from yelling my head off. I think that is the case with a majority of the students. I wish to commend those students who have been in there yelling for old PHS and say that there are no two other schools in Kansas who can yell louder than we can, and there's my bet.

A PHS rooster, always, Maurice Mosier

Manners For Moderns

Here are some tips to the PHS students on what to do and what not to do. Maybe you're not doubting your manners, but we are! Hope that you will make use of some of them.

Q.—Should a boy stand up when a girl's mother enters the room?
A.—Certainly. It is the only courteous thing to do. And not only when her mother enters but also other older people.

Q.—Is it correct for a boy to walk on the side nearest the street?
A.—Yes. Even if he is walking with two or more girls.

Q.—Should a boy open the door for a girl?
A.—Always, even though he does not know the girl, and he should receive an answer of thanks from her.

Q.—Who should speak first, a boy or a girl when they pass on the street?
A.—A girl should speak first.

Q.—Should a girl ask a boy to come in awhile after a date?
A.—It depends. If it is late, there is no need to ask him in; but if it is still early she may if she desires.

That's all for now, but if you have any questions just drop them in the Booster box addressed to the etiquette editor and your questions will be answered in a later edition of the paper.

The world is blessed most by men who do things, and not by those who merely talk about them. James Oliver.

The greater the obstacle the more glory in overcoming it.—Moliere.

Get in the Groove

Tonight is the night when all the PHS. gals and fellows will be swinging out at the first all-school dance. It's the first social affair of the season, so be sure to be there

Ready for Pep

Above is the artist's conception of the new all-girl pep club in action. We hope the gals can "holler" loud when they appear at their first home soon.

Bits by Betty

According to Mr. Tewell a blessed event happened a week ago Monday, well! well! congratulations "Uncle Dan". It looks as if it were Pittsburg who had the date with "Miss Victory" last Friday night. . . . remember that red corduroy we mentioned two weeks ago? well, now it's a raincoat. . . . by the way, it might be the end of fire prevention week, but it's not the end of fire prevention. . . . football minded Bob Schwanzle has his heart set on being "All American," especially after seeing Patsy Parrott in a red, white and blue ensemble. . . . We hope that the only "inc" anybody will see this year will be the one on the Jewel Tea Co. sign across the street. . . . Miss Radell says, "What this world needs is less permanent waves and more permanent wives". . . . say, what grass did Joplin, Mo. ? . . . miracles just won't happen Miami beat Pittsburg again. . . . yours truly wishes to congratulate Patsy Hutto on the beautiful tone and quality she exhibited two weeks ago when she sang "The Star Spangled at the game may also rise to greater heights. . . . and here is the girl of the week, Rotey Skaer, whose ready smile and pleasing personality make her tops. . . . we wish to say that in each edition we will mention a "GIRL OF THE WEEK". At the end of the year, after much forethought about these 30 girls, a "Girl of the Year" will be chosen; we would appreciate your help in the selection, tell us your choice. . . . Bill Scott says that Wheeler (Charles, not senator) is a conservative with radical ideas which gets us exactly nowhere. . . . so Jerry Esch has finally found out that a laugh up one's sleeve is the direct route to the funny bone. . . . Mimi Nettels has a beautiful set of turquoise and silver bracelets. . . . a style by Byle salmon corduroy to fine or for date, early in the morning or when it's late. . . . we could mention Crews in this column, but "Batty Latty" seems to be using his name to fill up every line, wonder . . . a serious though seems to me this world could do with a little more hand shaking. . . . a certain senior boy cheerleader was a trifle embarrassed when some teacher asked a question about the girl's pep sweaters; if you care to know about it he might be glad to tell you why. . . . they say now is the time to start saving stamps. . . . national defense stamps. . . . be with you soon. . . . good evening.

Dirt

By the Dictaphone

This new column is brought to you through the courtesy of the dictaphone. Its purpose is to keep you well informed on the subject of your school buddies and what they are doing.

What has that town of Fort Scott got? Undoubtedly something, or Clair Gillin and Bob Barbero wouldn't spend so much time up there. When you hitch-hike 29 miles to another town, that's getting bad!

What's a gossip column without that eternal triangle? Marilyn Sweetney, J. O. Biggs, and Bill Horton can take care of that for us. Marilyn just has an awful time keeping her date straight.

They tell me that Lois Allen and Dalton Askins are going steady and have been for some time.

Joe Gray, one of the long time steadies, has been writing notes to Evelyn Roeber. He even wanted a date with her, but she was dated up.

Minden is also rating a few of our boys this year. This time it is the seniors, though. You ask J. H. and G. E. about it. They might know.

Jack Crews seems to have his eye on one of the juniors this year. Marjorie Fadler by name. They have been seen together quite a bit lately.

Jimmy Rupard has finally given the girls a break. He had a date with Beverly Stacy last Friday night to go on a picnic.

Who is the junior boy Janis (Ducky) Bennett and Doris Halfhill are always talking about? Might as well tell us 'cause we'll find out sooner or later.

Last week we spoke about a new junior boy but this week it is a senior girl from Parsons. Her name is Betty Stryker and she seems to be causing several boys to take more than one look. Can't say we blame 'em.

"So Ends Our Spite" back next week with newer and juicier gossip. If you have anything to add to this column, drop it in the Booster box.

Cracks About The Facts

By Maurice Mosier

Hitler has been trying to quell the uprisings and rebellions in the Drama section of Macedonia. From this I gather that Adolf doesn't like these Greek plays.

With the high prices they are getting from their cattle and calves, the farmer certainly should have nothing to beef about.

Soldiers in their training camps have erected crying blocks for those who are always complaining. We could use such devices on our civilian population.

The people of the many occupied countries of Europe have been causing the Nazi army much grief with disorders and such. As the Englishman says, "Revolting thing isn't it?"

They have a new type of secret ballot over in Missouri. I bet a lot of votes are cast in a different way than promised when Candidate Flopsnozzle was passing out the cigars.

The German claim that the Russian army has been shattered, but the little pieces must have blown back in their faces.

This is beginning to be the kind of weather that makes the old fashioned man wonder what he spent his summer wages for when he looks into the bureau drawer and pulls out a pair of moth eaten flannels.

Do You Read

What do you do in study hall? Do you study, or do you just piddle around?

If you don't have any lessons to get, why not try to read a book? There are a lot of good books to read in the school library: fiction, travel, biographies, etc. If you don't care to read a book, there are many very interesting magazines. There ought to be out of the whole bunch some that would interest you.

Even if you don't like to read, try it and who knows—you may get interested in a book and find it isn't so bad after all.—V.K.

From The Library Shelves

By Ruth Otto

Betty Blake T. O.

By Stern Cobb

Betty Blake, and ambitious young girl in her teens, liked to do anything so well that she stuck to nothing. She came home from college one day and calmly announced to her family that she did not plan to return, because she considered it a waste of her time and her parent's money. She had seriously considered nursing as a profession and she went to the hospital one day to talk to the superintendent about it.

Accidentally, however, she happened into a workshop where people of all ages were making things and seemed to be enjoying themselves. She inquired and found that it was the occupational therapy room. After talking with the nurse in charge she decided that this was for her. She took the required training and after three years became a registered occupational therapist. In one hospital where she was placed she encountered a doctor who openly opposed this sort of work, but after saving a patient of his, he admitted that occupational therapy was something more than a few frills to amuse the patient. The doctor became interested in Betty because of her determination, and he later married her. After her marriage Betty decided that, since it would be impossible for her to carry a full time job, to do everything she could to help educate people about the work she loved so well.

This book is excellent for entertainment because the story seems so real and many amusing incidents are involved. It gives some very good informal of this line of work that of letting the patient help in bringing about his own recovery without being aware of it.

The nation that has choos has the future. —Bismarck

Great minds have purpose, others have wishes. Little minds are tamed and subdued by misfortune; but great minds rise about them.—Washington Irving.

Batty Latty

Shure, an' how are you this fine day? That is, I hope it's a fine day—

you see, I write this a week ahead of time and never know what the weather will be. . . . Mr. Nation offers double and triple A's for perfect test papers, but a Spanish instructor at KSTC has a new angle—he offered to eat his hat if anyone turned in a perfect test paper. . . . P.S. He still has his hat.

What goes on around here? Spring fever already? We hear of several other PHSers sleeping in class—one is Jody Higgins.

Jack Matthews has a comfy hobby—he collects cat! He has nearly fifty, ranging in size from a half-inch to a hoped-for six feet. . . . PHS bowlers may be interested in the bowling book in the library. Written by Ned Day,

World Champ-of-Everything-Connect-ed-with Bowling, it's really swell—Ask Mr. Woods for it. . . . Already leaves are turning color - - duzzn't tempus fugit fast? . . . The reason Frances Renfro won't dance very often is: she's verra, verra ticklish. . . . Candid shot — Maurice Mosier, our dignified (?) editor, hanging up clothes, gaily bedecked in an apron. . . . A boy in the hall offering to buy a quarter for a dime — age of chiselry. . . .

Shortest girl in school: Martha Baxter, senior. . . . It's nice to have a home near school — Mr. Collie can run over and put the windows down when it rains. . . . Girl Reserve conference starts today at Emporia. . . . There's a journalism conference at K.U. next Friday—there will be some representatives from PHS. . . . "Manana" is becoming a popular shade of nail polish. . . . Have you seen Irene Trumbule's beige twin sweater set? Very snitzy. . . . And Bernice Leach's enameled pop corn necklace. . . . Not forgetting the boys, here's to those plaid shirts — worn by Bob Timmons and Charles Spencer. . . . Hasta la vista. . . . Tune in next week and see if I'm still there—(all there?) P.S. Mr. Woods is very, very angry because we have not said anything about his very, very pretty plants. Hoping that it's better to be late than never, we say they ARE nice and beautiful green, too. . . .

Weekly Scribe News

Irving Speaks to Physics Classes

Tells of Largest and Smallest Light Bulbs; Discusses Black Light.

"There are at least 9,000 different types of light bulbs manufactured," stated Mr. Irving of the Kansas Gas & Electric Co. in Ill. to the physics classes Monday afternoon. He was assisted by Mr. Harvey of the local K.G. & E. Company.

In his discussion about, Mr. Irving said that the most powerful light bulb is water cooled and has 800 volts. It is smaller than a cigarette and about the same length. The bulb gives off about one-fifth the brilliancy of the sun.

The different types of light bulbs vary from the size of a grain of wheat, used to examine the stomach, to one four feet tall which used for lighting air fields.

Girl Reserves Discuss Plans for Coming Year

The Girl Reserves Cabinet met recently at the home Joan Higgins, president, for buffet-supper and discuss plans for the coming year.

Sponsors present were Miss Esther Gable, Miss Calla Leeka, Mrs. Ruth Lewis, Miss Jessie Bailey, Miss Florence White, and Miss Sara Stephens. Members present were Phyllis Fretwell, Virginia Williams, Rosalie Williams, Marilyn Canfield, Charlotte Miller, Lida Lee Schasteen, Gerry Lewis, Betty Lou Thomas, and Evelyn Roeder.

Possum Playing Snake Pretends In Biology Room

A possum-playing snake is one of a collection of reptiles now in Mr. Claude I. Huffman's biology room. It is the Hog-nosed snake or the Puffing Adder.

This snake, when slapped around the head, will turn over and hiss and then pretend dead.

Although sometimes believed to be poisonous, Mr. Huffman stated that the snake is perfectly harmless.

Local Girl Reserves Attend Emporia Meeting

Some of the Girl Reserves of Pittsburg high school left this noon to attend the Girl Reserve conference to be held at Emporia. Those scheduled to attend include: Betty Stryker, Marilyn Canfield, Betty Lou Thomas, Gerry Lewis, Lida Lee Schasteen, Charlotte Miller, Virginia Landers, Virginia Tevis, Nell Kathryn Davis, Rosalie Williamson, Mary Ella Bergamo, Nancy Horton, Maxine Buerge, Virginia Williams, and Patty Higgins.

Romance Which Began On Biology Field Hike Culminates In Wedding

Miss Lauraetta Ashline, 1940 graduate of Pittsburg high school, was married Sunday, Sept. 28, to Mr. Louis Dennis of Wichita, who also attended PHS.

The romance began in Pittsburg High School in Mrs. Dora Peterson's biology class where Lauraetta sat near Louis. One day they went on a field trip together, and soon after they began dating. They were both just sophomores then.

The couple will be at home soon in 217 1/2 North Broadway, Charles Hotel, in Wichita. Mr. Dennis is employed with radio station KF H.

Sophomores In Session

Above are the officers of the sophomore class as they talk over plans for the year. Left to right, they are: president Dalton Askins, vice-president Johnny Glasor, secretary John McQuire, and treasurer Billie Jean Shultz. (Ralph Clark Photo)

Eldon Watson Plays Tennis, Is In Orchestra and Hi-Y

Eldon Watson, the new vice president of the student council, has varied interests in his life. He holds claim to the first chair of the second violin in the orchestra. His favorite sport is tennis and then comes basketball. He played on the PHS tennis team last year, being the only junior on it.

Eldon has been active in Hi-Y for three years and is the vice-president of the Jimmie Welch chapter.

Chemistry is El's favorite subject, trying with his ambition to be a chemical engineer.

Eldon has no special hobbies and he declined to say what his recreations are, saying, "It isn't studying".

Kansas Club Plans Covered Dish Lunch

Plans for a covered dish luncheon to be held in the near future were discussed at a meeting of the Kansas Club Tuesday. They will be completed at the next meeting.

A committee was selected to help June Moffatt plan various programs for the meetings of the club. They are Lillian Pelphrey, Elizabeth Oldham, James Langdon, and June Scott.

Tells Sophomores Of School Adjustments

"School Adjustments Confronting Sophomores" was Mr. Finis M. Green's topic as he spoke to the sophomore class a week ago Wednesday at activity period. Dalton Askins president, introduced the sophomore teachers.

The teachers and students discussed the problems that they will have to face this year and also what will be expected of them. Mr. Clyde Hartford, Miss Helen Lanyon, and Mr. Doran C. Woods, sponsors of the class, were also present.

Bob Green Talks To Forum Club On Taxes

Maurice Mosier, chairman of the Forum Club, read the rules of the organization to members during their meeting Tuesday. Bob Green, member of the planning board, led the discussion. The subject was that of taxes and effects which they will have upon the public.

Morris Moffatt Takes Legal Name of Hudson

Morris Moffatt, cheerleader for two years in PHS, is now attending KSTC as Morris Hudson.

Morris has been living with an aunt and uncle, Mr. and Mrs. J. W. Moffatt, 1907 North Smelter, since he was a baby and has been going under the name of Moffatt since then. But when Morris went to KSTC, he found he had to use his legal name of Hudson. Because Mr. and Mrs. Moffatt have never formally adopted Morris, he legally could not take over the name of Moffatt.

"Jody" Higgins Spends Spare Time In G. R.

Our intimate interview this week is with one of Pittsburg High's smallest but mightiest girls. She is Miss Joan Higgins ("Jody" to her close friends).

Jody is Girl Reserve president this year and is very reliable. She is feature editor on The Booster.

Being on the industrious side of life, Jody has many hobbies. She collects stories from famous people, clipping them from the daily newspapers. She has written to girls in England, Holland, and Denmark. The correspondence to the foreign countries has been discontinued for about six months, Jody said.

Of course there is always a boy angle. Her ideal beau should be, quote "five feet, ten inches tall, possess blue eyes, and blond hair. Above all he must have a good disposition, be good looking, and dance divinely," unquote.

Girl Reserves Sell Candy At Games

One of the activities of our Girl Reserve is to sell candy at PHS home football games.

These girls include: Maxine Buerge, Nell Kathryn Davis, Mary Beauchamp, Madeline Lukenbill, Jeannette Scott, Mary Burger, Gerry Lewis, Marjorie Bruce, Helen Robins, Shirley Williams, Shirley Mae Pierce, Betty Cockerill, Charlotte Miller, Betty Thomas, Virginia Williams, Peggy Dean Moore, Marilyn Canfield, Phyllis Fretwell, Louise Claire DuBois, Connie Coulter, Dottie Lou Thomas, Colleen Quinn, Nancy Horton, Ruth Mitchell, Elizabeth Oldham, Lora Stivers, Nadine Bruce, Betty Jo Latty, Dorothy Nation, Rosemarie Harris, Lida Lee Schasteen, Maxine Chambers, Martha Smith, Joan Higgins, Lois Deane Meyer, Florence Lee Laughlin, Margaret Spinatto, Leonjean Bower, and Mary Cronin.

Board Of Education Office Is Painted

The Board of Education office was painted last week. The ceiling is cream, and the walls are light green. The border around the top is dark green and dark red.

The job was done by Mr. E.F. Cooper, a custodian of the high school.

Miss Ferda Hatton went to the Ozarks Saturday.

Little Bits

Miss Mardelle Mangrum, who is a graduate of PHS, was seriously injured Sept. 30 when she fell from the running board of a car. She received a fractured skull and numerous bruises. Miss Mangrum is recovering at her home.

The art classes of Miss Florence White, are experimenting with color plates. The students are enjoying this type of work very much, she related.

Bill Daugherty, Dana Lemler, John Halfhill, Gerry Esch, and Tommy Thomas, went to Fort Scott Monday night to hear the United States Navy Band.

Gerre Jo Hilboldt, senior, is going to move to Heavener, Okla. the last of this month.

Students who brought their camera Tuesday in the Photography Club entertained other members by telling interesting facts about their cameras.

The world history classes of Miss Florence White are studying about the Greeks.

Mary Craig, junior, spent the weekend in Parsons visiting her sister.

Martha Packard, PHS student, expects to start to school next Monday or a week from Monday. She underwent a major operation a few weeks ago at St. Luke's hospital in Kansas City. She was to go to Kansas City today for another examination. She has been able to walk some, but the leg cast is still on.

Miss Mary Gulay, the school nurse is taking flying lessons at the airport.

Harvey Gohr, a former PHS student, has been transferred from the naval training station at Great Lakes, Ill., to the naval training school at Detroit for training as an aviation machinist mate. Harvey completed his enlistment at the navy recruiting station in Kansas City, June 24.

Miss Calla Leeka's second home foods classes have celebrated two more birthdays. Mary Beauchamp's Oct. 3, and Betty Ligon's, Oct. 9. The cakes were made by Lucille Pruitt and Maxine Wuerdeman. Arlene Rethorst and June Schumell frosted them. The cakes are then shared by all the class. The sixth hour serving classes are planning breakfasts.

Officers elected by Miss Madge Waltz's home room are president, John Hudson; vice-president, John Prince; secretary, Carl Evans; treasurer, Dale Foote; Booster reporter, Betty Hood.

Board Authorizes New Instruments For Band

Repairs will be made in the near future on the diving board in the high school swimming pool, Board of Education members decided recently. The board also voted to buy \$250 worth of new instruments for high school band.

In order to expand the visual education program, the board appropriated money to rent additional motion picture films.

The board also voted to cooperate with teachers meetings at various time throughout the year.

MUCH ADO ABOUT NOTHING?

By Rosemary Skmer
It would be refreshing if the editorial writers and the columnists left their spaces blank occasionally and simply reported that they were tired and had nothing of importance to say.

We have no doubt that it could be proved statistically that the American people spend more money every for book-ends and book-cases than they do for books.

Buy defense bonds at your bank or postoffice. Gordon Halliday is supporting the government by buying a \$75.00 defense bond. You can support it too with a ten cent savings stamp. Almost every wise saying has an opposite one, no less wise, to balance it.

The salesman is not dressed for work unless he wears a smile.

Read and Heed!

Perhaps many persons wonder why that story they turned in Wednesday or Thursday didn't get in The Booster. The reason is that The Booster has a deadline of Tuesday afternoon. All articles contributed should be in by this time. The early deadline is necessary to print the paper by Friday. We will appreciate the cooperation of Booster readers. —The Editors.

Coffeyville Here in Third League Battle Tonight at 7:30

Tornado Team Expected To Be In Fighting Mood

Dragons And Ramblers Top Percentage Column At Present Time

The Pittsburg Dragons will clash with the Coffeyville Tornado tonight at 7:30 on Hutchinson Field. This should really be a battle as there has been keen athletic competition between the two schools, but tonight the rivalry will reach its peak.

The boys from Javatown, who lost to Iola last week, will just about have to win from Pittsburg to stay in the race for the SEK crown. The Dragons have their eye on the SEK crown, but they also remember a 13 to 0 defeat at the hands of the Tornado last year. This game just about blew Pittsburg's title hopes into so many pipe-dreams. It will probably be so close and hotly contested that the outcome of the game will not be certain until the final gun.

Little is known of Coffeyville's team this year except that they always turn out a fighting squad that is to be feared by everyone in the league. Pittsburg does have a few Tornado plays which have been used in practice to give our boys an idea of what to expect.

Jack Rodabaugh returned to practice Monday afternoon. This should strengthen the tackle situation. He had been out for a week with an ailing knee. Gene Neptune filled his tackle position admirably against Chanute and Rodabaugh will have no easy job of regaining his first team berth.

Now comes the time to go on the proverbial limb and predict the winner. Pitt should win by a touchdown. If the PHS passing attack is clicking, the purple boys win by more than a touchdown.

Now to take a glance around the league. Columbus and Parsons were idle last week Fort Scott and Independence played a scoreless tie. Iola surprised Coffeyville 13 to 0. Pitt defeated Chanute 27 to 6. This leaves Pittsburg and Iola tied for first with two wins apiece. This leaves the league standings looking like this:

	Won	Lost	Tie
Pittsburg	2	0	0
Coffeyville	1	1	0
Iola	2	0	0
Parsons	0	0	1
Columbus	0	1	1
Independence	0	1	2
Fort Scott	0	1	1
Chanute	0	2	0

Soph Squad Tromps On Fort Scott Sophomores

The PHS sophomores football team crushed the Fort Scott sophomores 40 to 0 in a game played on Hutchinson Field, a week ago yesterday afternoon.

The second team, led by halfback Johnny Glaser, was used most of the last half by Coach Ison, after Pittsburg had gained a 13 to 0 lead at the half.

Know Your Players

About George

One of the outstanding players on this year's football team is George Wickware. George plays left end. This is his second year as a member of the varsity team, and when a sophomore, he played on the reserve team.

George is 18 years old, five feet eleven, and weighs 160 pounds. Qualities he admires in a football player are good sportmanship and clean speech and conduct.

Although he enjoys baseball, basketball, and track as other sports he has never participated in them as a member of a team.

"My ambition is to live in Washington, D. C., and to have a government job as a printer," said George.

Bob Schwanze

Although Bob is only a sophomore, he is playing halfback on the high school team this year and he sparked the Dragons to a 27 to 6 victory over Chanute last Friday night.

Football is not the only sport that Bob excels in. Football is his favorite, but he is very good at basketball and tennis. This writer believes that Bob will be one of first three men on the team next spring.

sports, he has time for his studies. When Bob came to PHS he brought with him nine A's and three B's as his average in Lakeside.

Bob is fifteen, weighs 152, and is five feet ten. He likes all the girls, especially — well you guess.

With still two more years to play for PHS, Bob should be one of its best athletes.

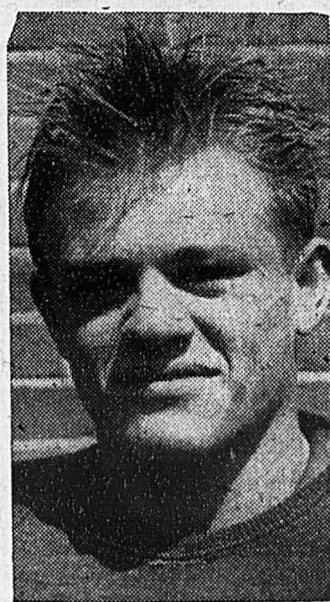

PHS Once Defeated By One Sided Score

Some very much 1-sided football scores have been recorded in PHS football history.

In 1920, when Coach Arkie Hoffman was playing with the high school team, Fort Scott played Pittsburg here and the game ended 75 to 0 in favor of Fort Scott.

The next year the Dragons turned the tables on the Tigers in Fort Scott and came home with a 17 to 0 victory.

FROM THE BENCH

By J.O. Biggs

Pittsburg took Chanute with considerable ease last Friday night, scoring 20 points in the first half and 7 points in the second. The two big surprises of the game were the pass interception made by Johnny Halfhill and the ball carrying of Bob Timmons. Halfhill snatched a Chanute pass that came over the center of the line. He fumbled it momentarily and backed up several steps and finally went around left end for a 45-yard touchdown run. Bob Timmons, substitute back, sparked the drive for the final Dragon touchdown. Bob is small, but he's fast and knows how to follow his interference. After Pitt had scored, Bob caught the pass from Bush for the extra point.

This column would like to correct a mistake made elsewhere. A story covering the game stated that Bob Schwapze scored three touchdowns. He scored two. The third touchdown credited to him should have gone to Joe Gray. He made the final touchdown on a pass from Glenn Lottmann.

Before the Chanute game Arkie Hoffman named the starting line up except the left guard position. He said that Francis Postel, a better man on offense than defense, would start if we received, and that Stapp would start if we kicked off. Walter Stapp is a little heavier than Postel and, of course, would be able to play defense better. These boys have been battling this position all year and now it seems as if they will share the position.

Chanute should be proud of its football field. The Pittsburg football team to a man agreed that it was the finest field they had played on. The Bermuda grass was three inches high and soft as velvet.

The upset victory over Coffeyville by Iola was good news to Dragon fans. The Golden Tornado was considered to be one our tougher opponents, and probable will be tough, but with one loss to their credit they should be somewhat less formidable.

PHS Dragons Win In Walkaway Over Blue Comets

Pittsburg Scores 27 Points; Chanute Goes Over in Final Seconds

In what appeared to be a walkaway the PHS Dragons defeated the Chanute Blue Comets in a game on the Chanute Blue Comets in a game played on the Chanute gridiron last Friday night.

In the first quarter Pittsburg moved steadily down the field, and with the ball on the 8 yard line Glenn Lottmann hurled a pass to Halfback Bob Schwanze for the first score. Lottmann then booted the ball through the goal posts for the extra point.

The second quarter furnished most of the excitement and thrills. Early in that period Chanute had the ball on its own 45 when Chapman threw a pass that was intercepted at the line of scrimmage by John Halfhill. John ran 45 yards for the Dragons' second touchdown. The point after the touchdown was good, and the score was 14 to 0. A few minutes later Schwanze plunged through the center of the line for another long touchdown run. The point after the touchdown was not good, and the half ended 20 to 0 in the Dragons' favor.

There was no scoring by either side in the third quarter.

In the fourth quarter Timmons carried the ball to the Chanute 2 yard line with an 18-yard slash through tackle. The Chanute line held, and the Blue Comets kicked to their own 35. Lottmann passed to Gray on the 10 yd. line, and Joe ran the rest of the way for a touchdown. Bush passed to Timmons for the extra point. Chanute scored in the last 3 seconds of the game as Wiggins took Arthur's lateral and ran ten yards for the touchdown. Chapman's try for the extra point was short.

PHS Well Represented On KSTC Football Squad

PHS has twelve graduates helping the K. S. T. C. cause on the gridiron during the present football season. Don German and Jim Myers are the only '41 graduates playing for the Gorillas, but there are many former graduates on the college squad.

John Lance, Joe Begando, Eugene Kenneth Gire, Jim Myers, Jack Morgan, Ridenour, A. M. Brim, Alfred Steele, Among the graduates are Ray Lance, Bill Morgan, Carl Beard, and German.

Those usually included in the starting line-up are Begando, Ridenour, Steele, Gire, Beard and Jack Morgan.

Pittsburg Represented At Chanute Game

Pittsburg was well represented at the walkaway game at Chanute last Friday night.

Some of the Pittsburg rooters were: Delores Williams, Dorothy Ensmann, Junior Masquellier, Paul Abaloz, Tom Willingham, Lee Harry, Betty Pyle, Betty Lance, Marilyn Sweeney, Janet Malcom, Marvin Curteman, James Lindsay, Dean Francis, Rex Thompson, Bob Conover, Bill Delamaide, Maurice Mosier, Tommy Thomas, Bill Daugherty, Don Gray, Roy Noel, Virginia Kennedy, and Mr. and Mrs. Gerald Carney.

Health Classes Play Volley Ball

May Organize Home Room Teams; Will Soon Begin Archery

Physical education classes of Miss Helen Lanyon are playing inter-team volleyball games. If enough interest is shown, home room teams may be organized.

The volleyball teams in each class and their scores are as follows:

First Hour: Rockettes, captain, Patsy Culver, score 15 to 8.
Dragonettes, Virginia Lee, 15 to 3.
Second Hour: Wild Cats, Dorothy June Waltz, 15 to 8; Bule Racers, Kathryn Zellmer, 15 to 2.
Third Hour: Popeyed Pole Kitties, Dottie Lou Thomas, 15 to 9; Sissy Saps, Jean Ann Cremer, 15 to 10.

Fourth Hour: Kansas Toronados, Doris Stegge, 17 to 14; Debutante Dolls, Margaret Spineto, 15 to 10.

Fifth Hour: Dipsy Doodlers, Lois Allen, 16 to 14; Nightmares, June Ann Davidson, 15 to 5.

Sixth Hour: Flashashettes, Shirley Pierce, 15 to 11; Dutchettes, Martha McAdams, 15 to 4.

The final playoff will be Oct. 20, after school, with the Rockettes 1 to 1 Wild Cats; Sissy Saps 1 to 1 Kansas Toronados; Dipsy Doodlers 1 to 1 Flashettes.

Archery has become very popular. As soon as the weather permits, an archery tournament will be started.
