The Mid-America Youth Symphony Orchestra is in its ninth season at Kansas State College. Its purpose is to further enrich or, in some cases, to acquaint the students of this four-state area with fine orchestral experiences. Rehearsals are held bi-weekly on Saturday morning at McCray Hall and are culminated with a banquet and concert in mid-March.

Soloists for this afternoon's concert have been selected by a panel of judges including Dr. Millard Laing, Dr. Donald Key, and Mr. R. G. Cook. These auditions are open to senior members of the orchestra.

Appreciation is expressed to the Williamson Music House and Clyde's Music Shop for their support of the orchestra in providing gift certificates for graduating Seniors and winners of the ticket sales campaign.
