Sister Leona's duties consist of supervision of the care of patients and nurses, and supervision of nursing duties.

She took her training and grad-Lanyon Demonstrates

Cooking In Class

Miss Lanyon's second hour discussion class has been doing something a little different in the way of classroom discussion. The subject of new and attractive ways to prepare food was mentioned several times with other topics. The girls seemed very interested in learning new ways, so a plan was worked out to demonstrate such. The girls met in the cooking

room. Two days were spent in this study. The first day the girls did the work. Johnny Thomas demonstrated her way of preparing potato salad. They really found out that there were several ways of fixing ers. this particular common dish after all. Maratha Holler and Velma more difficult than others. These Oldham worked together in preparinclude night duty, care of mother ing a stuffed tomato. Both dishes and baby, and in surgery. Sister were very attractive and appetizing Leona went on to say, "These rewhen they were completed. Each of

the girls sampled the food and gave ers although all nursing is responher enthusiastic opinion for or asibility. Some just require more than others." gainst it. The second day Miss Lanyon her-Nursing isn't all sunshine by all means. Sister Leona said she had

self was the demonstrator. Hers was a desert which the girls had not heard of. They, all brought a little lunch to go with the desert. Both demonstrations were declared a success.

### **State Conducts Labor** Survey in School

Due to the critical labor shortage at this time, M. F. Stark, Chairman of the Continuing Committee of School Superintendent of Kansas recently conducted a "labor survey" for the state of Kansas. to find all available labor which can be used during the summer months to help provide additional labor during this

portunity to use the new encyclo-"I'd like to tell every girl in Pitt- uated from Mt. Carmel where she pedia Britannica now in the library There are 24 volumes in this 1945 After graduation, Sister Leona edition. left for several years. When she returned, she was greatly surprised to find that Mt. Carmel had grown published in 1768 in England. It from a small building to a large

community institution. When asked to give some advice to girls going into nursing, she in 1920 and the entire corporation stated, "Young girls or women go-

Not only juniors but also a senior and a sophomore entered the contest. They were Mary Lou Latty, a sophomore, and Jimmie Mason, senior. Members of Mrs. Lewis' junior

English classes were required to write this essay as part of their class work. All of the entries except seven were from her classes. Mr. Cromer said, "The winning essays in my opinon provided constoriginal ructive and viewpoints as well as being well written. There were a number of other good essays in addition to those winning the first three places. If possible next year's journalism class will be picked from the group of students who submitted essays

to this contest." The winners are invited to the journalism banquet which will be held May 7.

First place winners will receive a plaque and second and third will be awarded ribbons in a recognition assembly to be held sometime in May.

### **Classes Do Research** Work in Occupations

Occupation classes of Mrs. Lewis have been doing some research work in their fields.

The main topic is occupations and all their, work is either directly or indirectly concerned with this topic. They have alternating reports on personality. One week they will have reports on certain types of personality and the following well be spent in discussing this personality and the relationships it has to a particular occupation

his all-school party ticket. Another project is a biography which every one completes in the field in which he is most interested. **Students Plan To Use** For example, if a girl were interested in becoming a nurse, she War Bonds To Buy Cars reads a biography of Clara Barton, According to a recent public ale of Edith Cav inion poll held among PHS student ell. Another type of report which is given concerns human relations cars seem to be the thing most wanted by pupils who are putting and a complete study of individual their savings in war bonds. reactions.

# This Is Our Opinion!

#### Tomorrow's Loss

Two weeks ago yesterday marks the passing of the one truly great man America has ever had as her leader, especially in the time of war. President Franklin Delano Roosevelt was laid to rest in his beloved rose garden at Hyde Park, New York

Not only this country, but every other nation in the world who knew and loved him mourned his passing. At a time such as the present, the peoples of the world could have suffered no deeper blow than to lose the comander-in-chief of the one of the three leading powers.

The greatest tribute to President Roosevelt's memory shall be the allegiance of his people and a peace which shall be everlasting. It was a pity he could not have seen the American armies victorious. Even in his last hour, he had the utmost faith in Him who would have peace among nations.

#### Sugar Supply Cut

No more sugar for your sweet. No more sugar for the family either. The supply is really short. That is no propaganda. It's the truth and nothing but.

So far in this war people have taken care of the sugar situa-tion very nicely. Outside of giving up home baking, having bitters in the morning coffee, taking your tea straight, your breakfast food flat, there is nothing to it. Really there isn't. Compared to what some people are sacrificing to win the peace, sugar is a mere nothing.

Sugar is scarce and is going to be more so, but the American people can handle that little situation very nicely. Mavis Arlene Brewington

FRIDAY, APRIL 27, 1945

# Ad Lib From the Campus Inae M. White We heard the one about the

girl who was so tired that she remarked, "I'm so tired that if I met Van Johnson nose to nose I would yawn right in his face."

We always heard the story about the brave things a man will do after he has a uniform. A certain sailor at the college had a uniform but still was too bashful to call and ask a pretty girl who sang in the choir for a date. He marched away and came back an Esign and what nerve that man did have. Mary Carolyn Daughtery can answer any more questions you would care to know.

All the girls were in an uproar one weekend. The news was flying fast about Mary Harpole having a date with the best looking lieutenant in a red convertable. Mary began to hear the talk but she only smiled to herself . Why tell them that he was her cousin?

Miss Carol Brown rushed back stage the night of the play and began asking every body "Do I look any different tonight?"

"The only answer she got was, "Yes, that is a cute dress you have on," or that, "you look nice tonight." The situation finally came to light when she kept pointing at the fraternity pin on her dress. That's right folks Carol Brown received Bill Moore's fraternity pin last Thursday night. The rate girls are going, I'm feeling like an old maid.

Another one of our girl's boyfriend came home unexpectedly and they decided at the last minute to get married. The wedding went just grand until afterwards. Florine bean to cry and they finally got the following answer, "Oh, did you notice the preacher had his bowling shoes on?"

We want to wish all the happiness in the world to the new couple. They are Mr. and Mrs. Pat Martin now.

The Senior Play cast needed some records for this play so they asked Alfred Kneebone one if he would look at KOAM for some. He spent two days looking for lighting records.

The ninth graders in Roosevelt leaves the privilege to flirt with the eight graders. Aren't we honored? \* \* \* \* Jack Thomas ventured into the

Juzzy Wuzzy To Dear Diary Be Juture Hit I wore my new Mary Lynne dress that I got at MEEHAN'S Milton Berle, the "guy" on the

oday. It's the only lime and yel-

low dress in school and I real-

ly got some compliments. Sally,

Babs, and I ate lunch at RICH

MOND'S CAFE. We had good

hamburgers. Las't night while

we were eating Dad told me

that he was going to give me a

watch for graduation but that

he wanted me to select it. After

school tonight we went to AL

WILLIAM'S and I showed him

the Gruen that I'd been hoping

to receive. He had to go back

to his office so Sally and I went

shopping. At SEYMOUR'S we

both found costume jewelry that

we liked. Sally's going to drop

hint to Bruce that I wan't that

for my graduation. I told her

that I would tell her mother a

bout the fur coat in FROLICH'S

that she wants. We met Mom

and Bud, and Mom said that

they were hunting a suit for

Bud. Sally and I went with them

and at DRUNAGEL'S we found

a dark blue suit that seemed

just perfect for Bud. Mom told

him that if he would wear a high

collar and tie with it he could

go to E. McDOWELL'S BAR-

BER SHOP and get a crew cut

Bud agreed and now I guess my

little brother will have to have

his neck choked in a high collar.

I had a date with Jimmie to-

night. We spent most of the time

eating at JIM'S BARBECUE.

We bought some bottles of COCA

COLA and went out to the col-

lege tennis courts to watch the

kids play. Bruce was there with

Babs but when they saw us they

came over and drank our cokes

After they went back to their

game, Jimmie said that Bruce

had had his picture taken at

REMBRANDT'S land was go-

ing to give me that for gradua-

tion. I already have about two

dozen pictures of Bruce but I

guess I can take one more.

Jimmie was a lot of fun. I'm

taking him to the Sadie Hawk-

# **Jim Morey May Be New Football Coach Next Year**

Starting next year the athletic department will be managed different from last years. Coach Jim Morey wil take "Arkie" Hoffman's place coaching track and football. "Arkie" will still be the coach for basketball

The new deal has not been settled as of yet because Jim Morey must obtain a release from Columbus High School before anything is definite.

Jim stated ,"Mr. Brown called me and said that he had a couple of men in mind that would take my place and if he could get one he would release me. I'm counting on being in Pittsurg next September. Of course I may not, but I'm sure hoping."

This new arrangement was woked out by "Arkie" and Jim in cooperation with the school administration.

#### Amazonic Angles

The Amazon of the week is Norma Evans. Her ambition is to be president or merely Mistress of the White House in case she's not an old maid.

"I really love swimming, baseball, and basketball," said Norma. She's interested in all sports and is very good at them.

When asked her favorite pasttime, she just looked blank and Rose Marie laughed so guess that's not to be printed.

"Eating is my favorite hobby and watermelon is my favorite food," replied Norma.

Norma holds an office in the Girl Reserve cabinet. She is a senior and will graduate this spring.

THE BOOSTER

The basketball and football banquet should be held antime now. As Arkie put it he has three stool pidgeons to see Mr. Green to get anO .K.

Gym classes this week have been having their gym periods inside because of the rain and wet playing field. They have been playing spud, tumbling, and having a few light calisthentics (Am I kidding).

Arkie Hoffman says, "We will play Frontenac the first pretty day."

Boys gym classes have been doing a little tumbling Not sore are you, boys?

It will be strange indeed not to see "Arkie" out on the football field this fall. We'll all miss you Arkie.

Just a little statement about the piece on tennis and golf that appeared in the paper last week. The writer did not mean to have tournaments with other schools. The intentions were to have some tournaments among the "kids" here at school. Because of the war it would be impossible to have any tournament among the towns around Pittsburg.

The weather is against you boys. Everytime you plan to play softball it rains.

Speaking of talent. Have you seen Dick Francis and Jim Smeltzer skate?

They are plenty good at the twirls and other tricks they have worked up themselves. You all will get a chance to see them tonight.

One year ago:

Bob Schwanzle turned his ankle on the last hurdl and was unable to finish the race.

Columbus beat Pittsburg in a dual track meet. Wrestling was presented at the Sadie Hawkins Dance. Two Years ago:

Pittsburg won the track meen over seven different schools.

John Pennick joined the Marines.

Tennis team defeated Columbus in all of the single and double matches.

With a good softball team this year, the PHS Dragons will match against a couple of the neighboring towns.

Two games have been scheduled with both Baxter and Frontenac. Due to rain these games have been postponed many times. Members of the team are Macheers, catcher; Lorenzen or Brecko,

base; stort stop; McDaniels; left field, Battery; Crelly, center field; first base; Strann or Hoffmann, second base; Thomas or Mason, third Blancett, Hallman and Purkey, at right field.

BOWLING Good afternoon. This is your bowling reporter back again to bring

to you the latest bowling dope. (And I don't mean M.J.W.) For the single line of the feminine half of the league, Betty Ann Cole led the scoring with 113. Molly Jo Woods and Mary Beth Tanner tied for second with 111 each while Peggy Baldwin held down third

with 105. Betty Ann again succeeded to take first place honors for the double line with 215. Mary Beth pulled away from her opponent to take second 210 while Molly Jo was close behind with 206 that good for third.

You've heard of the old saying "Powerful things come in small packages." Well Bob Walker proved to be no exception as he bowled his to the top to take first and second with 194 and 170 respectively, Another "small but mighty", Lewis Brown, took third with 156. Bob triumphed again to take first with 364 for the double line. Lewis took second with 294 while "Bub-

SATURDAY'S SCHEDULE vs Scratchy Rats Wolfettes **Jivin Jacks** vs Wolves Inc.

bles" Bateman took third with 225.

#### FRIDAY, APRIL 27, 1945

### Mr. White Takes **Bowling Honors**

Knocking tin cans off the back fence with accurately thrown rocks when he was a little "shaver" must have been a favorite pastime of

Mr. White, printing instructor. If not his uncanny ability to "smack" bowling pins will have to be explained some other way.

In 1943 he was class A champion of the Y. M. C. A. New Year's Tournament! That same year he and John Murray won the Championship Doubles at the same tournament. He received medals for that award.

Again in 1944 he was class A champion. Reverend Askins and Mr. White won second in the Doubles. They received cash awards. Mr. White took third place in class A at the Bowl that year. In 1944 the Grapette team on which he plays took first place in the Industrial League, at the Y.M. C.A. and received a cash award. The Grapette Team also won the City class A tournament this year. Mr. White finished by winning fourth place in all class A events. "Its just my hobby, and I surely like to bowl," stated 'Mr. White.

#### **School Plans Improvements On Hutchinson Field**

Plans are being made to better the football field by leveling it and adding lime to stimulate the growing of grass.

Since the time they first leveled the field by taking soil from the east side over to the west side. it has been hard to grow grass there. We hope to bring in loads of soil to level the field, nd makeit much better", said Mr. Small.
