

Student Life & Library Collaboration

PROPOSED NEXT STEPS: QUESTIONS TO ASK

- What is the event delivery method (in person, virtual, hybrid)?
- What resources can I offer (space, funding, time)?
- What outcomes am I looking for from this event and partnership?
- What student needs does this event meet?

HOW TO APPROACH STUDENT LIFE

- Be flexible with scheduling
- Be aware of University events
- Student needs and interests need to be at the core of the event
- Offer students the opportunity to create relationships
- Mutually beneficial for all involved
- Find your fit now & grow together in the future
- Know your collaborators (professional staff, students)

NAVIGATING STUDENT LIFE STRUCTURES

- Division: Student Life/Student Affairs
- Department or Office: Campus Activities, Student Engagement, Student Involvement
- Directly advised by Campus Activities: University Program Board/University Activities Board
- Supported by Campus Activities: Registered Student Organizations
