Student Center Board

Jack H. Overman
Director of Student Center

Seven students and seven faculty members make up the Student Center Board, the faculty members being appointed by the President and the student members being elected for two-year terms by the Board after they have served for a year on one of the Student Center Board committees.

The Board appoints four committees: Social, Special Attractions, House, and Publicity—which integrate the activities of all campus organizations. The Board governs all activities at the Student Center.

The purpose of Alpha Phi Omega is "to assemble college men in fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity." Such a program embodies four fields of service; to the student body, to youth and community, to members of the fraternity, and to the nation.

Since it is a service fraternity, Alpha Phi Omega crosses all lines of honorary, social and professional fraternities. Therefore, members of other campus organizations are also active in this fraternity.
