HCA Reaching Out to Alumni

Member Spotlight - Lara Ismert

Peer Mentor Program

A Word From The Director

The program is designed to reconnect with alumni by engaging them as mentors to current students who are seeking student membership and we applaud their efforts to develop the program. We are very excited about a new initiative this year in the HCA. This is an initiative that was created and organized by the council members and it has been a wonderful experience for them. It has allowed them to work on a variety of special programs and it has also given them the opportunity to develop the program. The council members are working to reconnect with alumni of the Honors College to work on a variety of special programs. If you have not yet joined the council or if you have not already done so, please consider joining and helping us to develop these programs.

The Honors College Association continues to grow and expand their projects. The community service, special events, and educational programming are continuing to grow. The council members are working on a variety of special programs and it has been a wonderful experience for them.
