IN THE VIEW-FINDER

Could it be the freshmen's first taste of college? Must be. It is only they who get by with such blank, blank stares. . . President Hughes lights the torches for the prospective graduates. This marks the climax of Freshman Day, and from this moment on the Frosh is no longer an honored student, but must work for his fame and fortune.

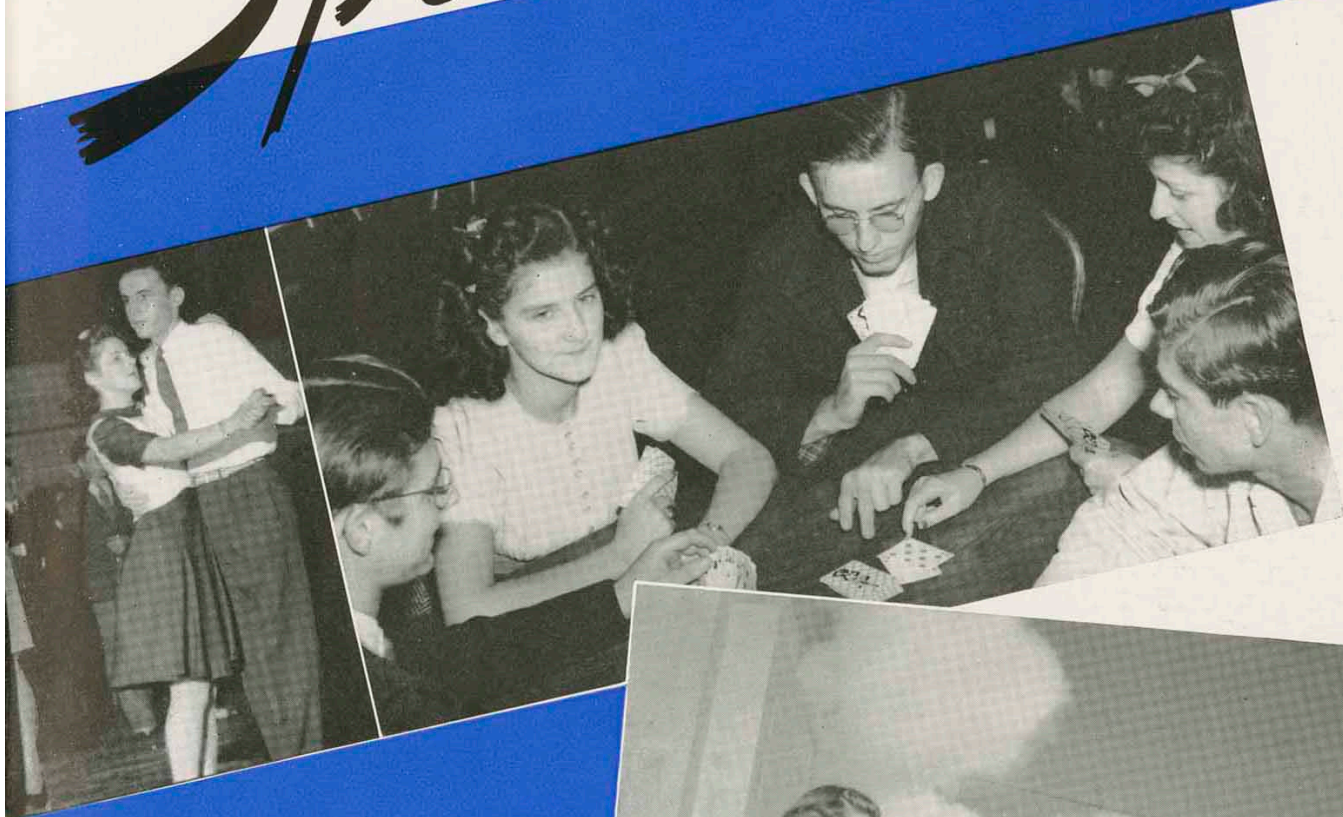

Just give us a snake dance for more school spirit!

SWING! . . . It's that Foresman stride.

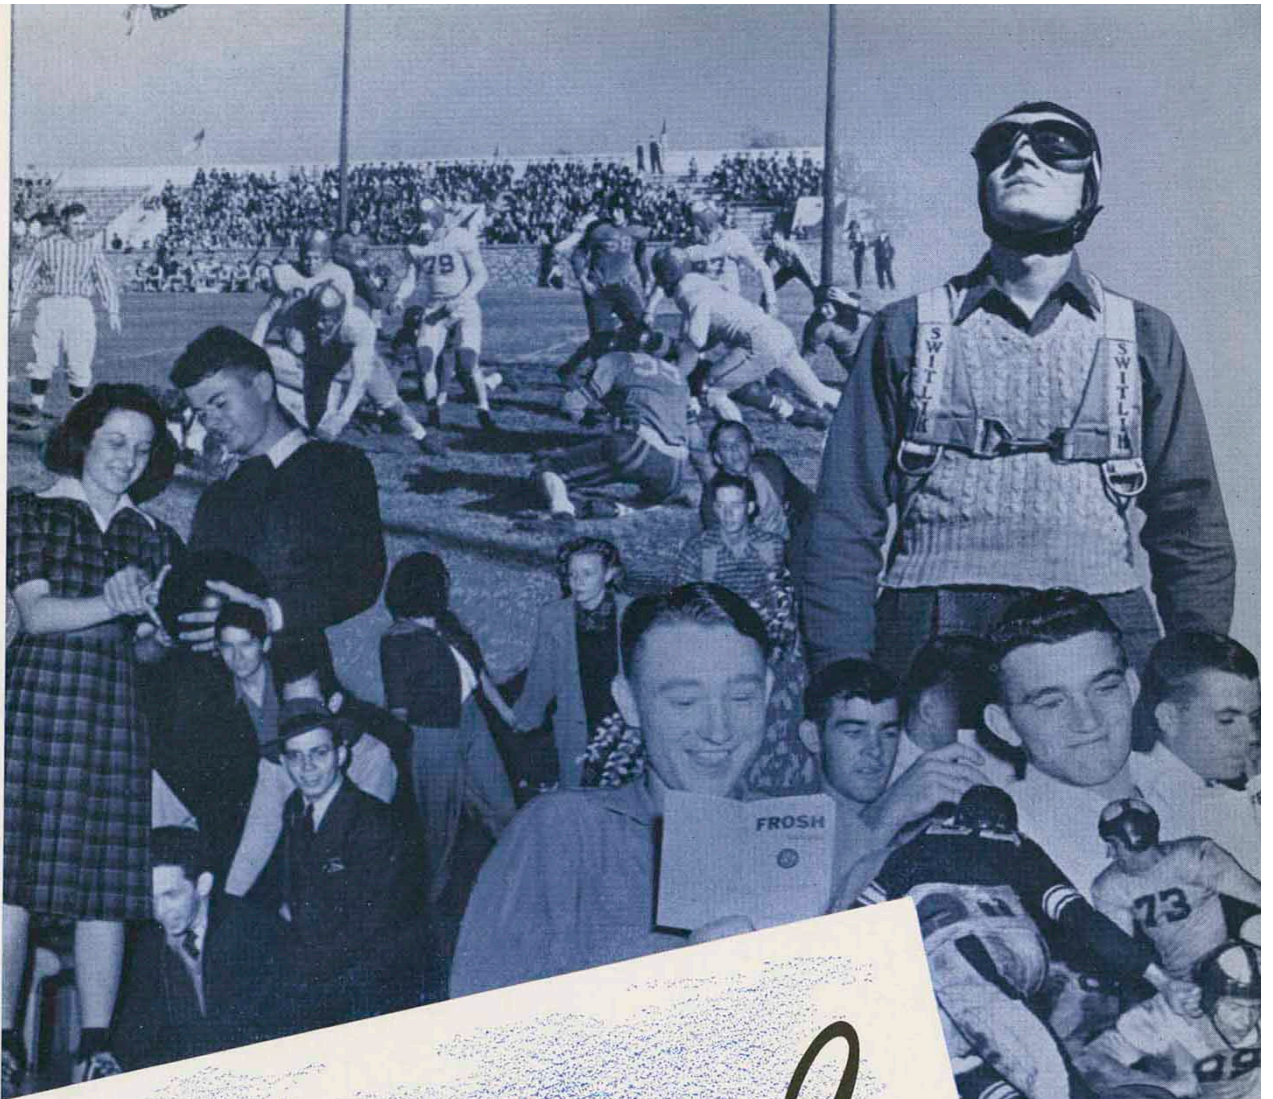

Spirit OF '42

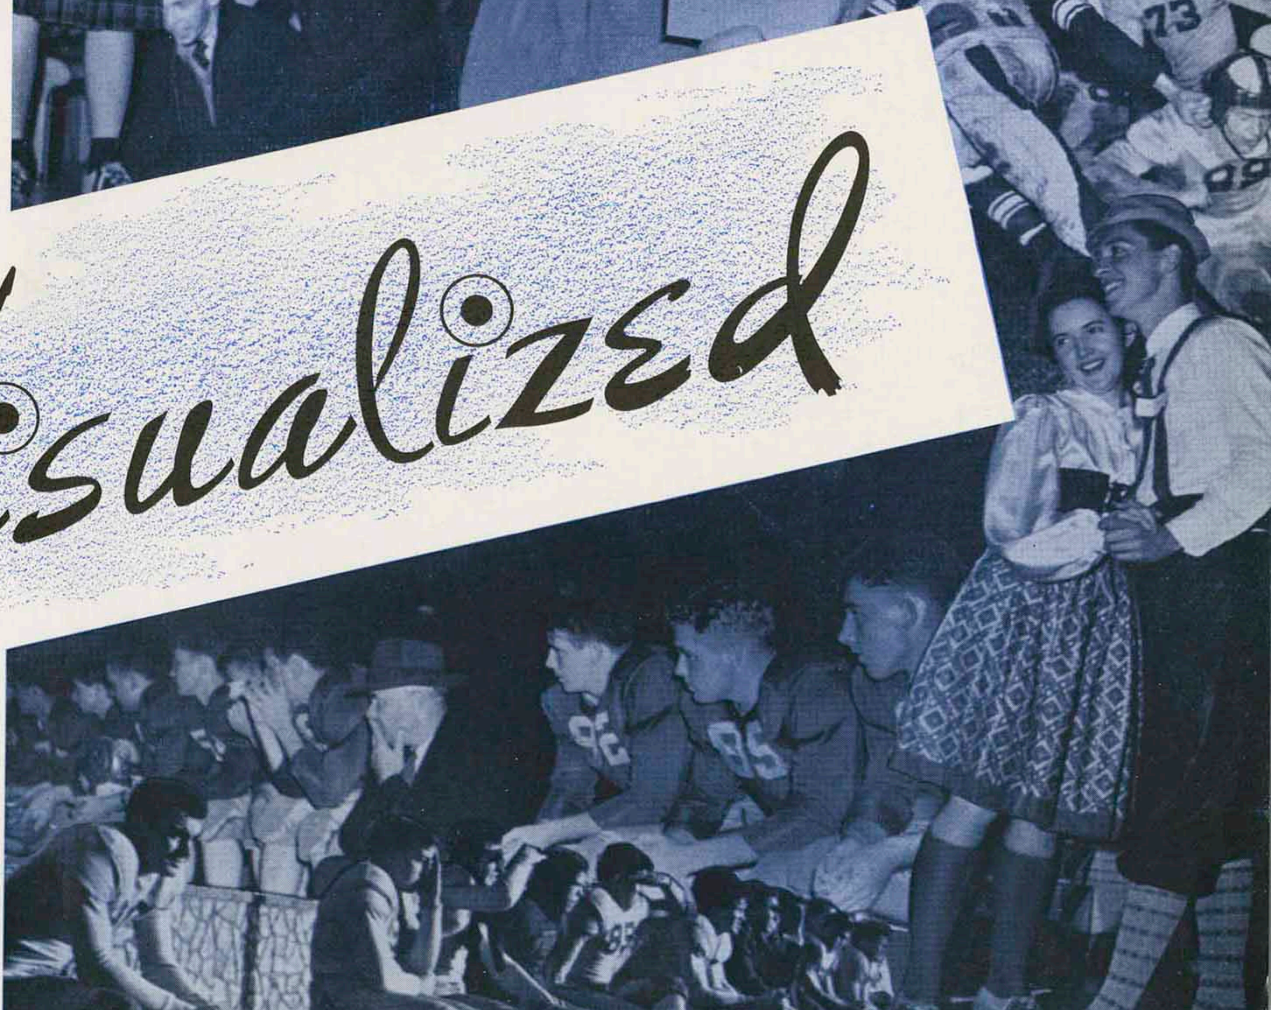

Recreation — but definitely. Dance and dance ('til closing hours) . . . And cards for others. . . . A debater spends his leisure time talking! But look again. Can you blame him?

Introducing

our **NEW PRESIDENT ★ REES H. HUGHES**

Rees H. Hughes, Pitt's new president, was taken into the hearts of the students immediately and to them he is a regular fellow. Our interests, likes, and dislikes have become his. Pete, Janet, Marian, and Mrs. Hughes form the rest

and his family

of the family. Although Marian is away at school, we are sure she would have won the admiration of the student body as the others have. They have entered whole-heartedly into school activities and have excellent school spirit.

Skill

Skill in industrial arts: Keith Gillette and "Casey" Jones in one of our outstanding departments.

Skill in the classroom: Staying awake in a lecture course. Well, almost everyone is trying. . . . Imagine! Last year's dignified high school seniors demoted to lowly freshmen. Do they always read like this?

IN LEARNING

Skill in science: Finding the chemists deeply "concentrated."

Skill in safety education:
Ethel Reid is operating a
dual-controlled class car.

Here we see Joe as we know him—the well liked prexy of this year's Student Council. Among Joe's admirers are the football fans, who watched the popular half-back upset scores and thrill the crowds.

Outstanding attractions brought to the campus by the council were Rubinoff and Osa Johnson. Dances, including Ladies' Night and Hobo Day, as well as chapels, elections, and other forms of student entertainment, we owe to the Student Council.

With Doris Van Duser as vice-president, June White as secretary, Zella Schaub as treasurer, and Miss Lula McPherson as the sponsor, the Student Council has well represented and fulfilled the students' desires.

FOOTBALL, 1942

Football history was made on the plains of southeast Kansas this year for Coach Charles Morgan's fighting pigskin toters won Pittsburg Teachers College her first undisputed gridiron crown since the formation of the Central Intercollegiate Conference.

The army and various defense works left Coach Morgan with barely a dozen veterans to report for practice. Things looked dark for the Gorillas, but Charley had a fighting group of new lads to help him along with the cause, and the boys came through for the "grand old man."

Coach Charley and his capable first lieutenant, Prentice Gudgeon ("Gudge" to his friends), installed a new system for their boys this year. They reached into the grab bag and brought out a modified version of the "T" system. It worked wonderfully, bringing the Gorillas 5 victories, 3 ties, and 2 defeats — and the championship.

Following we give a summary of part of the games. This record is by no means complete, but it gives an idea of what the boys did:

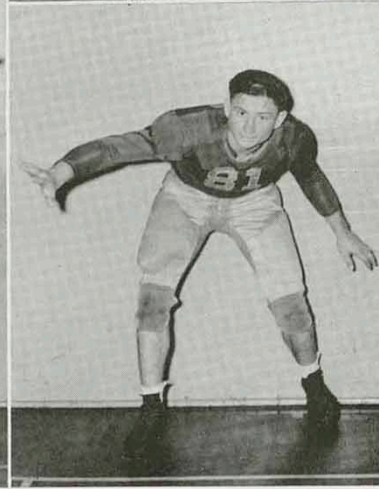

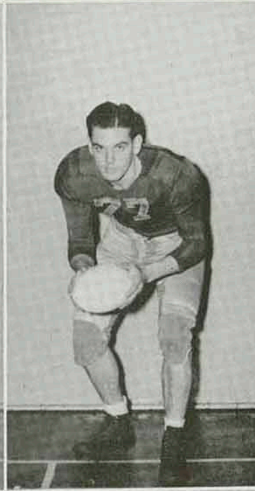

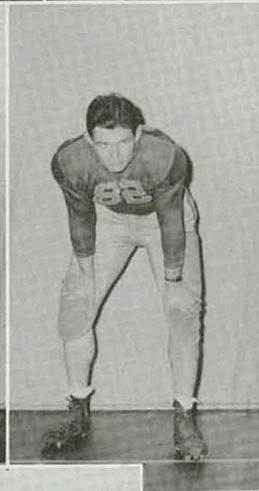

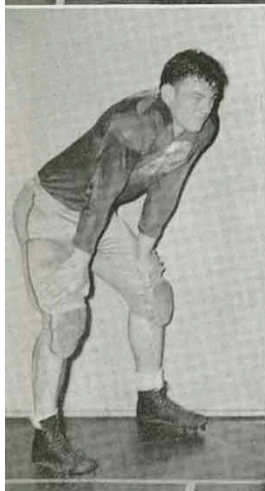

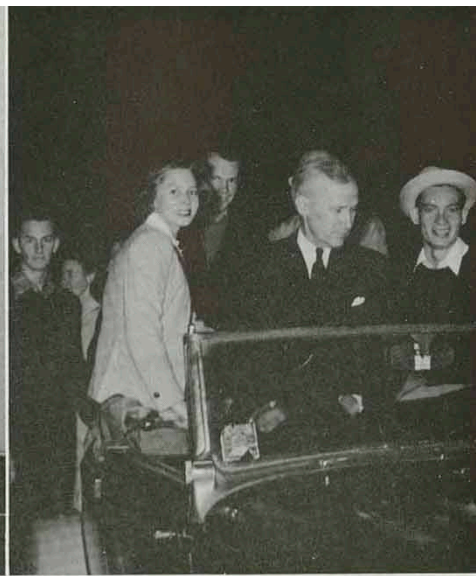

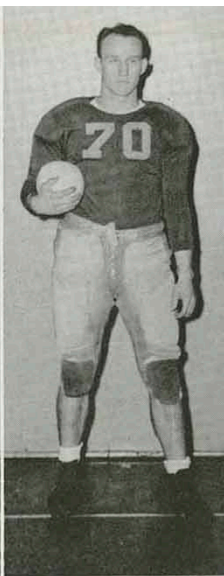

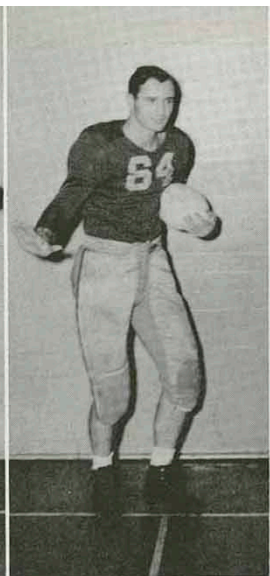

With baseball weather prevailing, the Gorillas opened up the '41 campaign against the Tahlequah, Okla., Teachers, on the night of September 18 on Brandenburg Field. The Crimson and Gold clad war-

riors couldn't get going in the first half, letting the Oklahomans score 13 points while they were held scoreless. But it was a rejuvenated team that took to the field in the second half. Paced by "Little Joe" Begando, one of the scattiest scat backs in Kansas, the Gorillas scored 13 points to tie the score. Ridenour, converted from guard to end, scored the first touchdown on an end-around (gallopin' ghost play) play from the six. "Little Joe" kicked for the extra point.

Then followed games with Warrensburg and Springfield on foreign fields which resulted in a tie and a loss. But the team looked better in the loss to Springfield than in the tie with Warrensburg. Encouraged by these games, Charley said they were lost by too much experimenting with inexperienced material.

Southwestern came to town on November 8, a big heavy team picked by an early observer as the best team in the state. They were held to two first downs and defeated 7 to 0, after being clearly outplayed.

Augustana College of S. D. and champions of that state showed a hard-hitting, well coached outfit, but were bested 13 to 7 with several of our regulars on the sideline. The coaches were not taking any chances on important men being out of the Emporia game.

PITT 13 - AUGUSTANA 6

Taking a 400-mile trip across the state to the lair of the Fort Hays Tigers, Coach Morgan's Gorillas ushered in their first win of the season by soundly trouncing the Tigers 26-0. Again "Little Joe" Begando was the sparkplug for Pittsburg. He dazzled the fans with brilliant long runs around the ends. Jack and Bill Morgan threw several sparkling passes that had the Hays players dizzy. Jones scored the first touchdown when he took a pass from Jack Morgan. Morgan's kick for point was good. Begando scored the second counter after taking a lateral on the fifteen. Morgan's kick for point again was good. Andy Bertuzzi, substitute end, scored the third 6-pointer on a gallopin' ghost. The kick was blocked. A pass from Bill Morgan to Doug Duffey, from the Tiger 33 to the Tiger 5, set the stage for the final touchdown. Leroy Schuette, sub back, tossed a short pass that put the ball on the one-yard marker, and Glenn Tolle went through center for the score. The try for extra point failed. Walt Smith, substituting as an end, pulled a Hays pass out of the ozone on his own 47 and scampered all the way down to the Tiger seven, in the fourth period.

Playing on a muddy field and before a home crowd, the Gorilla gridders defeated the highly touted Iowa State Teachers team from Cedar Falls by a 12-6 score. Iowa State Champions of 1941 scored the first touchdown, but failed

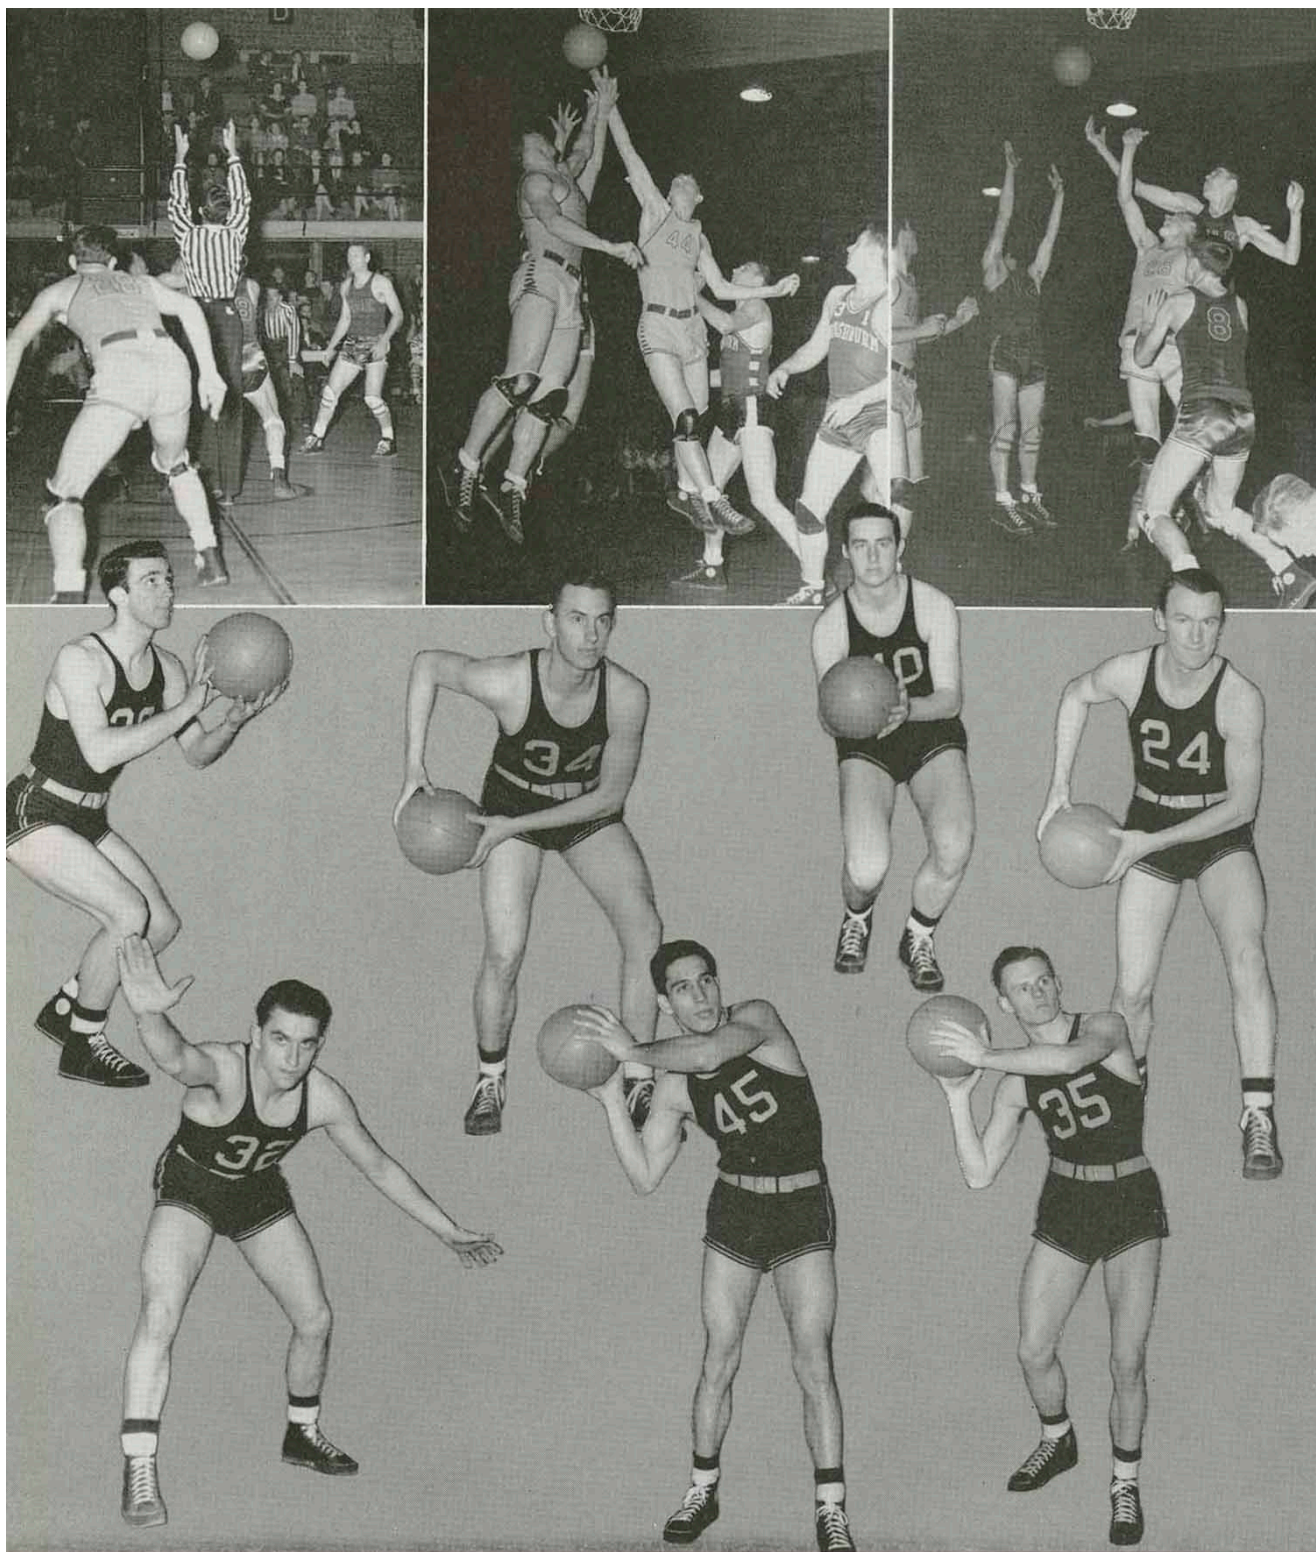

to make the point. Begando took the kickoff and ran 90 yards to score one of the most sensational runs of the season, and from then on the game was all Pittsburg's.

On the Saturday before Thanksgiving, the Emporia Hornets came to Pittsburg for the crucial game of the season. Both teams needed a victory to clinch the conference championship, and both teams were equally determined to win. A miserable cold rain and wind, that turned into a heavy snow, swept down upon the players, and the handful of loyal fans. The Gorillas outplayed the Hornets in every department, proving themselves real champs, and defeated them 13-0. The first half was scoreless, though Pitt advanced the ball to the Emporia five before being held for downs. In the third period the Gorillas worked the ball from the Hornet 45 to the Hornet 5, from where Johnny Martin plunged it over. Jack Morgan kicked for the extra point. In the fourth period tackle Vernon Holmes recovered a blocked punt on the Emporia 34. Begando made 12 yards, and then, after 3 plays for no gain, end Gene Ridenour took the ball through the tackle for a touchdown.

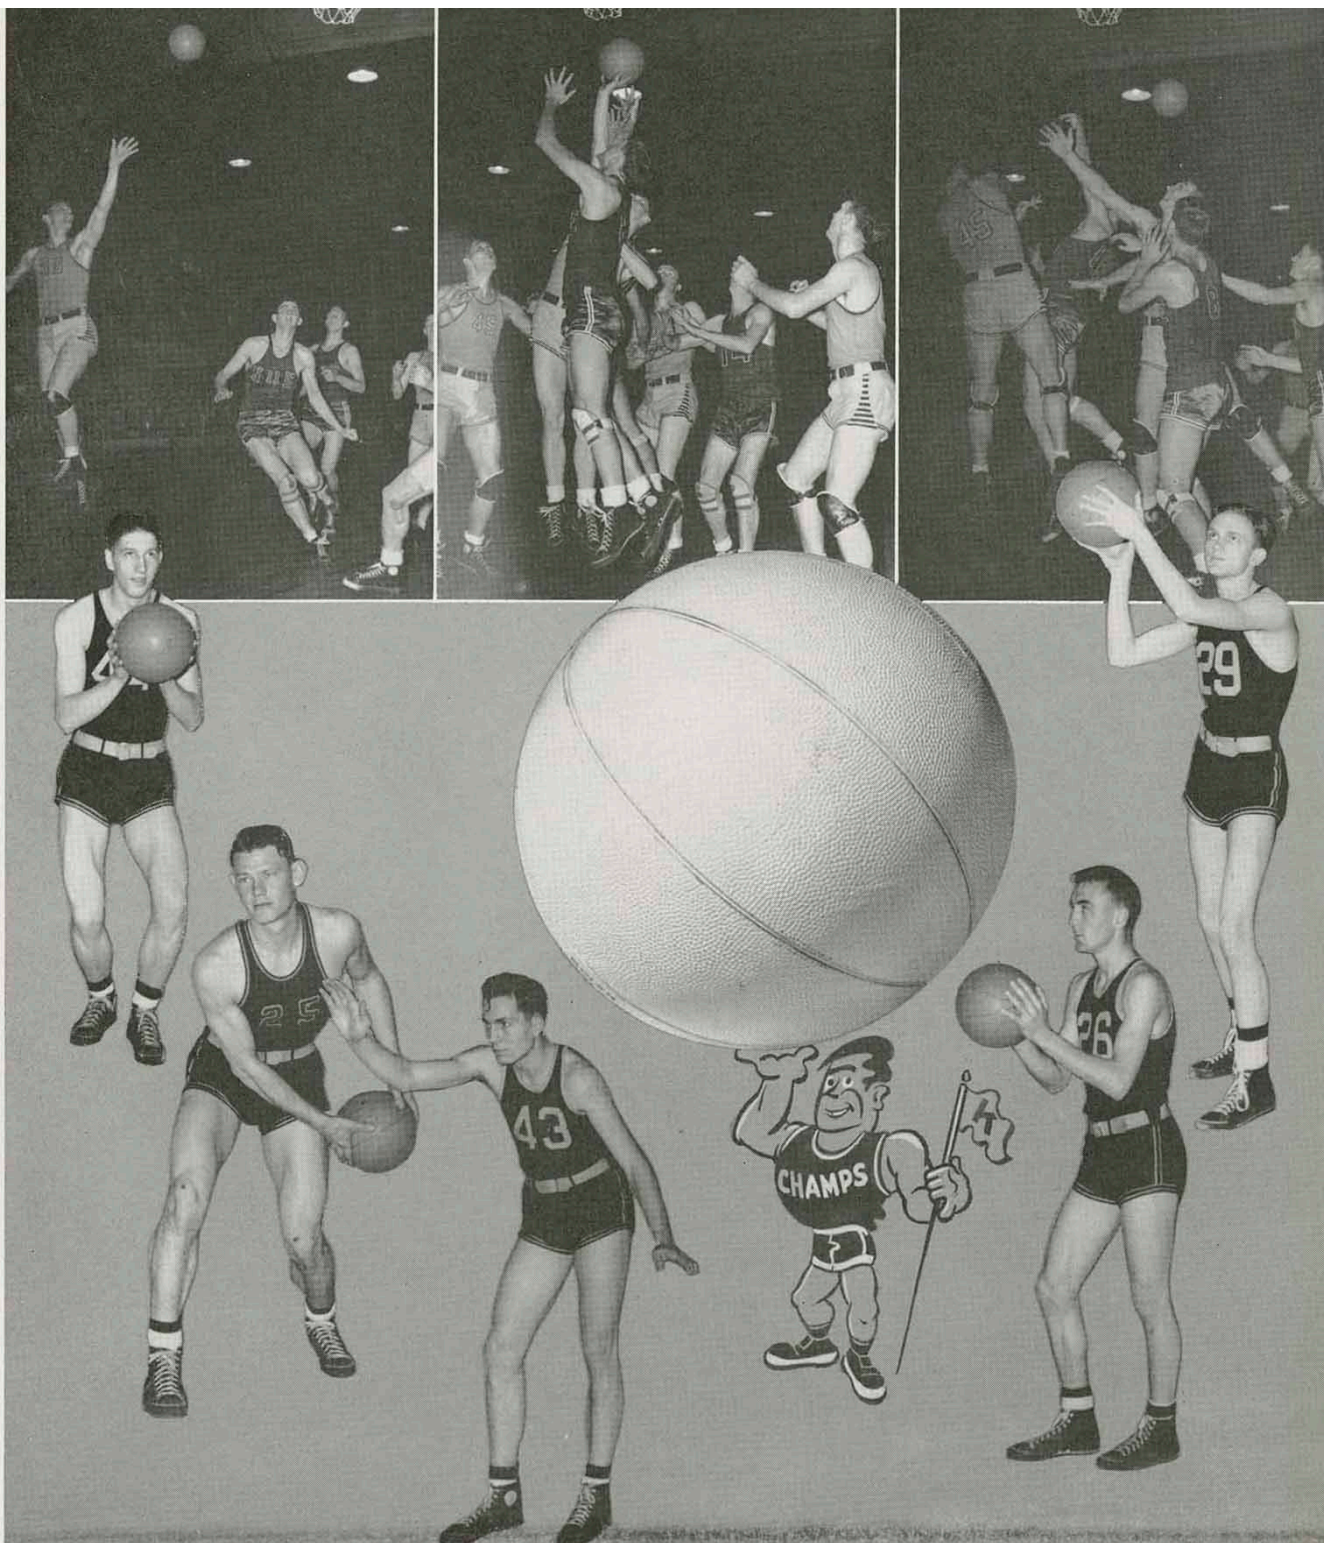

Three Pittsburg men, tackle Alfred Steele, center Kenneth Gire, and guard, Carl Beard, made the conference all-star team.

BASKETBALL

The 1941-42 Gorilla basketball team had a highly successful season with a record of 23 victories and 5 defeats.

The Lancemen won their second straight undisputed Central Conference title and walked away with third place honors in the Oklahoma City "All College" Tournament and the National Inter-Collegiate Tournament at Kansas City.

At the start of the season Coach Lance had eight returning lettermen plus several new prospects around which to build his team.

The team opened the season on December 3 against Tahlequah, Oklahoma, Teachers on the Gorilla court and won easily by a 47 to 20 score. On December 6 they were host to another Oklahoma team, the Southwestern Tech. of Weatherford and were again victorious by a 45 to 30 score.

On December 8 they journeyed to Topeka for their first conference encounter and downed the Washburn Ichabods by a 39 to 27 count. Washburn was a new member of the C. I. C. this year. After a few days rest the Gorillas journeyed to Independence on December 15 where they defeated the Juco team 48 to 33.

On December 17 the Gorillas left on what proved to be a rather unsuccessful road trip. Playing the Warrensburg, Missouri, Mules that night the Lancemen came out on the long end of a 48 to 40 score. The next day they went to Charleston, Illinois, where they received their first setback from the Eastern Illinois Teachers by the close score of 45 to 44. From Charleston the boys moved to Terre Haute, Indiana, where they lost 49 to 34 to the Indiana State Teachers College team.

After returning home the team started preparations to enter the Oklahoma City Tournament during the Christmas holidays. Playing their first tournament game against New Mexico University the Gorillas were victorious and won easily by a 63 to 38 score. In the quarter-finals the team encountered a stubborn Southern Methodist University team but won out 40 to 37. The Gorillas lost a heartbreaker in the semi-finals to a tall West Texas State team by a 57 to 55 count. The boys from Texas claim to have the tallest team in the world. The team went ahead to cop third place by defeating Texas University 46 to 41.

On January 5 the Gorillas won their second conference victory over the Washburn College team, 35-25. January 8 the team went to Atchison where they won their third C. I. C. victory from the St. Benedict's Ravens by a score of 37 to 27.

January 12 proved to be an unlucky night for Coach Lance's aggregation as they lost their first conference battle to Southwestern of Winfield by a 57 to 45 count on the home court.

On January 17 the Gorillas whipped the Warrensburg Mules again, 38 to 32. On January 28 they won from the Springfield, Mo., Bears, 52 to 47.

The Gorillas continued their string of wins by downing Ft. Hays 45 to 35; Southwestern at Winfield 51 to 42, Springfield Teachers at Springfield 45 to 36, their arch rivals the Emporia State Hornets by 56 to 36 at Pittsburg, and on February 21, St. Benedict's College to make it two in a row over the Ravens. This was the Gorillas seventh conference win.

Meanwhile, the Emporians handed Southwestern a beating which gave the Gorillas sole possession of first place. The Pittsburg Teachers hit the road for Emporia on February 28 and beat them that night 44 to 40. The team then journeyed to Hays and two nights later clinched the title as they beat the Hays Tigers 48 to 42.

The team was selected to represent Kansas in the National Intercollegiate Tournament which was held in Kansas City March 9 to 14. In the first round we met the Arkansas State Teachers of Conway, champions of Arkansas, and with a season's record of 26 victories in 28 games played. After a hard-fought game the Gorillas came out a winner by a score of 37 to 34. In the second round we met the rangy Luther College team, state champions of Iowa and again won by a score of 49 to 38. In the third round we played the fast and hustling team from Missouri Valley College of Marshall, Missouri, champions of their conference. After the fastest and best-played game of the entire tournament we won 59 to 39. In the semi-finals we were defeated by the Durant, Oklahoma, Teachers who played a very slow and methodical game by the score of 37 to 36. We defeated Warrensburg, Missouri, Teachers in the consolation place for third place by the score of 58 to 47.

Several of the boys received recognition by being placed on all-star teams. Merle Brown was placed on the second team at the Oklahoma City Tournament. Brown and Marvin Ryden were named at guard and center on the Central Inter-collegiate Conference all-star team. Jim Hamilton was given a forward berth on the second all-American team for his outstanding play in the National Tourney at Kansas City.

Track Coach Dr. G. W. Weede's 1941 thinclads had a very successful season. The Gorillas won four dual meets and the C. I. C. championship besides placing high in several of the larger relays.

The team opened the season at the Illinois University Relays where they placed third in the college division. The boys collected their points by placing in several of the relays.

On March 15 the boys went to Indianapolis for the Butler Relays where a team composed of Bowers, Mitchell, Martinez, and Bellman placed second in the two-mile relay.

On March 24 the Weedemen journeyed to Kansas City for the A. A. U. meet where a mile relay team composed of Revell, Lea, Kramer and Akins broke its own record by running the event in 3 minutes 31½ seconds. Walter Revell placed second in the 60-yard low hurdles and Akins and Kramer placed second

and third respectively in the 60-yard dash. The Gorilla two-mile relay placed second to the M. Club of Missouri University. Donald Patrick, freshman miler placed third in the college division of the mile run.

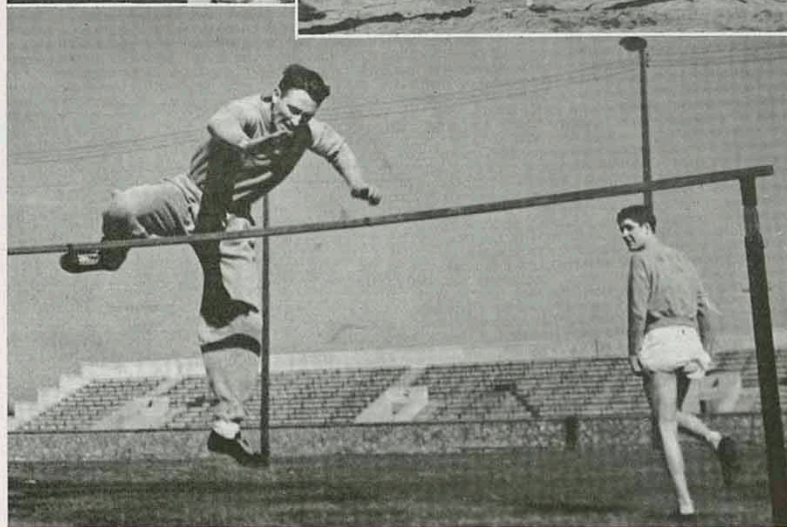

On April 9 the Gorillas participated in their first outdoor meet of the season, a dual meet with Butler University. The Gorillas won the meet handily with 87 points to their credit while Butler was able to garner only 44 points. The Weedemen captured all firsts making clean sweeps in four events. Woody Kramer won the 100- and 220-yard dashes and Walt Revell won the high and low hurdles. Jack Bellman won the mile in 4:32.1. Glen Abell cleared the bar at 12 feet 4 inches to capture first in the pole vault and Vance Rogers tossed the javelin 182 feet 4½ inches to win that event. Five Gorilla high jumpers tied for first in that event. Eddie Ellingboe won the two-mile race. Keith Dugan won the shot put and Jack Morgan captured first in the discus throw.

On April 10 the annual dual-relays meet with Emporia was held with the Gorillas capturing eight of thirteen events to win easily. Pitt won the two-mile relay, high jump, pole vault, mile relay, discus, 880-yard relay, distance medley relay and the mile relay.

On April 19 "Doc" Weede took his trackmen to the K. U. Relays at Lawrence where they captured first in the distance medley relay and third in the college division of the two-mile relay. April 25-26 the team attended the Drake Relays at Des Moines, Iowa, where a team composed of Akins, Kramer, Revell and Bellman set a new meet record in the sprint medley relay with a time of 3:27.5. The boys all received new wrist watches for their accomplishment. Pitt also placed fourth in the distance medley.

The beginning of Kappa Delta Kappa lay in the hopes of a group of freshmen to form an organization to oppose the tyranny of the upper classmen. The tyranny of the fall term of 1926 consisted of upper classmen stopping the freshmen and paddling them.

Soon six boys segregated themselves and made plans for organizing a fraternity.

On January 20, 1927, the fraternity committee of the college passed on the constitution and by-laws. A state charter was granted on April 14, 1927.

The sponsors of the fraternity are Miss Mary Lee Hagemann, Dr. Paul Murphy, Dr. Samuel Pease, Dr. O. W. Chapman, Prof. J. U. Massey, and Dr. L. C. Heckert.

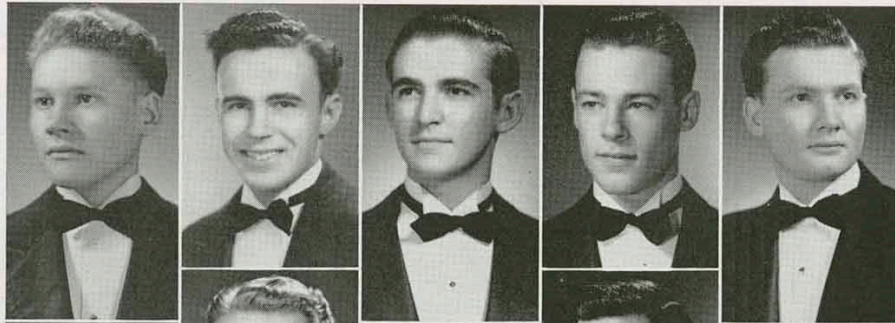

The pledges are Phil Norman, Lloyd Crow, Dee Holmes, Ray Tarry, Curtis Wilson, Bob Jones, Jack Foster, Charles Snow, Jerry Reardon, Lowell Van Tassel and Jack Bellman.

Within the short time of a school term, our new president, Rees H. Hughes, has proved to the students that he is capable of handling his position by his considerate attitude toward their problems. Mrs. Mable K. Stryker, his secretary, also new to the campus, is an invaluable member of his staff.

*Miss Belle
Provorse*
FINANCIAL SECRETARY

It is the work and cooperation of Miss Belle Provorse, the financial secretary, which is greatly appreciated by the student body. As a member of various committees and of the board of publications, she has proved that she has the interest of the school at heart.

L. A. Guthridge
REGISTRAR

In the daily work of L. A. Guthridge, registrar, a student interview is nothing extraordinary. In fulfilling this position, he keeps the records of all students and gives counsel to those who wish it.

O. P. Dellinger

DEAN OF THE COLLEGE

"Doc Dee", as he is familiarly called by the students of the college, has rather a unique record at K. S. T. C. He has more years of service to his credit than any other member of the faculty. Two years ago he began his work as Dean of the College, last year he was acting-president, and he has been Chairman of the Graduate Council for several years.

Geo. D. Small

DEAN OF MEN

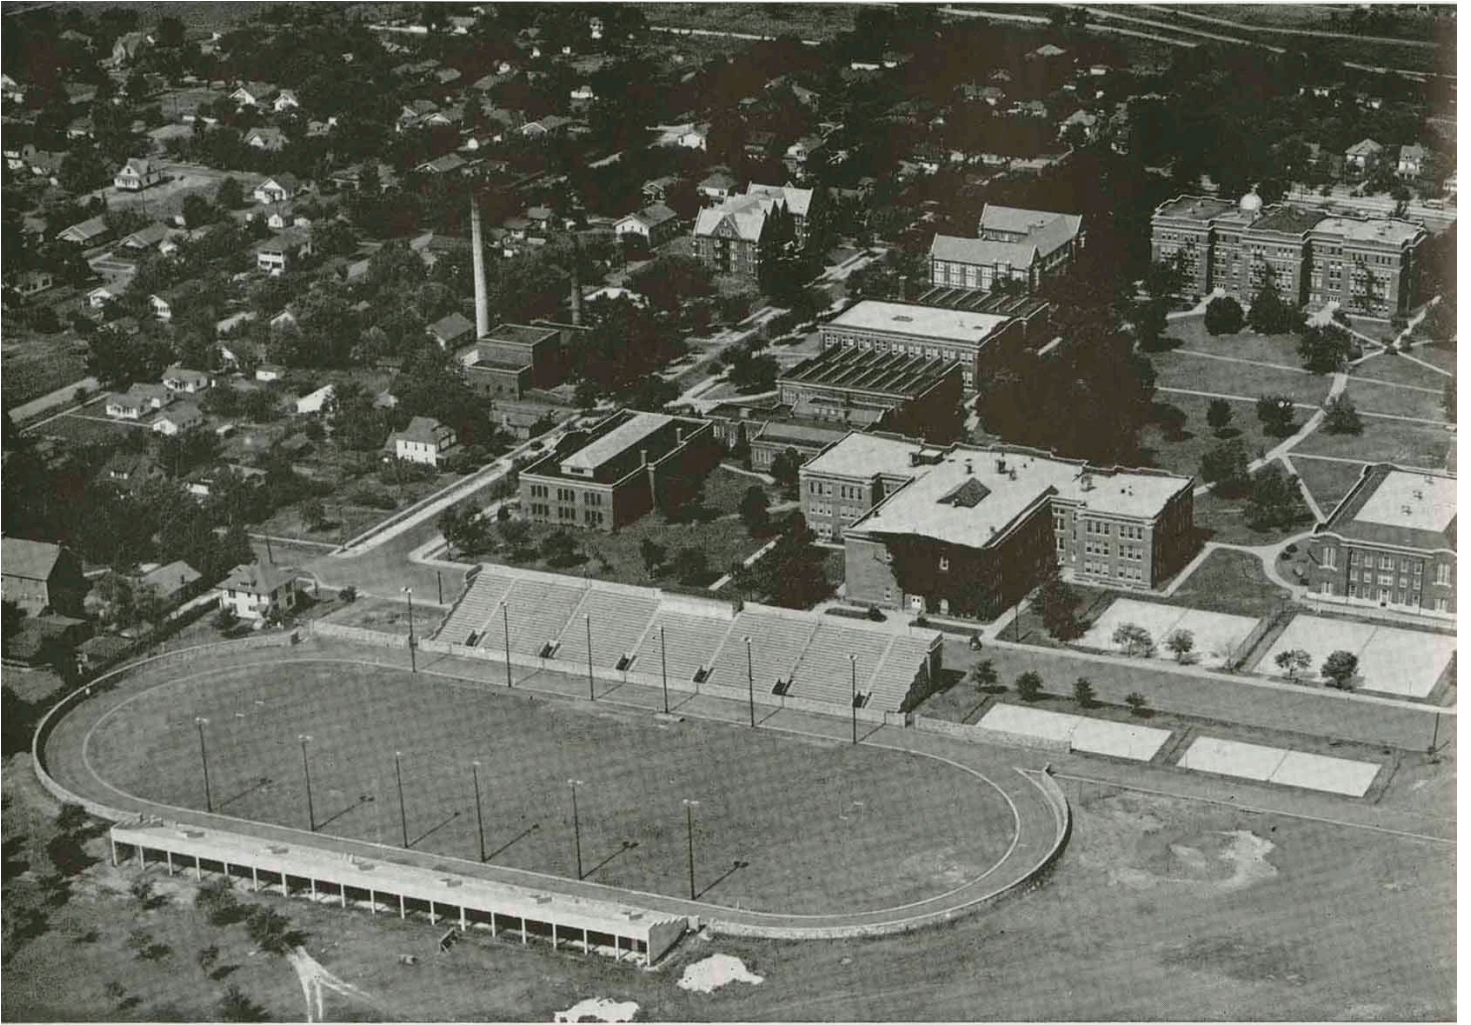

The Dean of Men and Director of Personnel since 1935 has been George D. Small. "George", as he is known to the majority of boys, is a conscientious helper, and his hearty smile has won for him the friendship of all with whom he works.

Jennie Walker

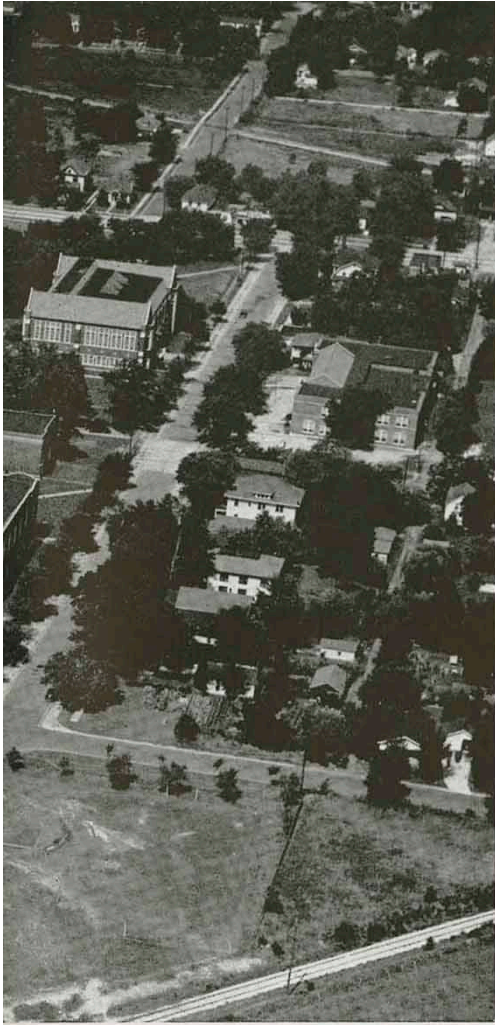

DEAN OF WOMEN

Jennie C. Walker, Dean of Women and director of Willard Hall, has made the acquaintance of almost every girl on the campus. Her ability as a leader of girls is excellent. Her cooperation with committees and her participation in all college activities makes her an indispensable faculty member.

I Got Wings

"I Got Wings" — That could be said by nearly 200 students who have learned to fly in the C. P. T. courses offered at Pittsburgh Teachers. Purely for the love of flying, these boys and girls have worked hard, studied long and spent a great deal of time in an effort that they might get their wings. The course has been offered since the beginning of the program and is considered one of the best in the state.

Primary, secondary, cross-country and apprentice instructor courses are offered. The student flyers have ten planes at their disposal ranging from Cubs to a five-passenger Stinson. Each course has its exams and they are tough but few wash-out for they love it and they work for it.

Oh brothers, here it is! Custom hath it the Editor write his "epitaph" on these pages and since I'm not one to belie customs, I give you my inscription.

Oh brothers, here it is! If you like it, I'm glad. If you don't, tear it apart either literally or figuratively because it's all yours. Remember, you learn by trying — and I'm still trying. If you like the cover, tell Elizabeth Walker. She designed it and Paul Helbig took the picture.

Bouquets of roses to Don Griffin, Paul Helbig, Frannie Hunt, and the rest of my staff. They were swell. We had a grand time.

First I cussed them out, and then they gave me the works. Still we've had a lot of fun and I love 'em so dearly.

I had my woes as well as joys. Some of my biggest headaches of the year were: deadlines, class pictures, deadlines, Kanza Coronation, "How is the Kanza coming?", deadlines, low enrollment, deadlines, sleepless nights, draft No. 462, deadlines.

So now, my best to my successor. May he get as big a kick out of being Editor of The Kanza as I did.

FRANK RYERSON
Editor

There is an old saying that "The Show Must Go On," and The Collegio staff say "The News Must Go Through." This is its twentieth year as the newspaper of the college.

The greatest blow to the stability of The Collegio was the loss of Prof. Ernest Bennett, who died this winter. He had sponsored the paper since 1922. Also during the year, war preparations took Assistant Editor Zella Schaub, Editor Al Jones, and Supervisor Fred Childress, in that order.

The 1941-42

Sports Editor Johnny Morgan and Doris Dea Shaff busy working on that journalist's nightmare—the deadline. . . Alfred Jones—caught in the Draft. Jones served as editor until Uncle Sam called so he is in the army now.

MAXINE HUMBAR
Business Manager

At the start of the second semester Dr. J. Gordon Eaker took over the job of director of publicity, Rosemond Hutto and Mary K. Reiff became supervisors, and Frank Ryerson, Jr., was given the editor's blue pencil. The advertising was handled by Maxine Humbard during the entire year.

Leroy Brewington supervised the printing of The Collegio, L. A. Guthridge managed the circulation, and Frank German was chairman of the board of publications.

Determining "to have a part in making this life possible for all people," the organiza-

Pep Club

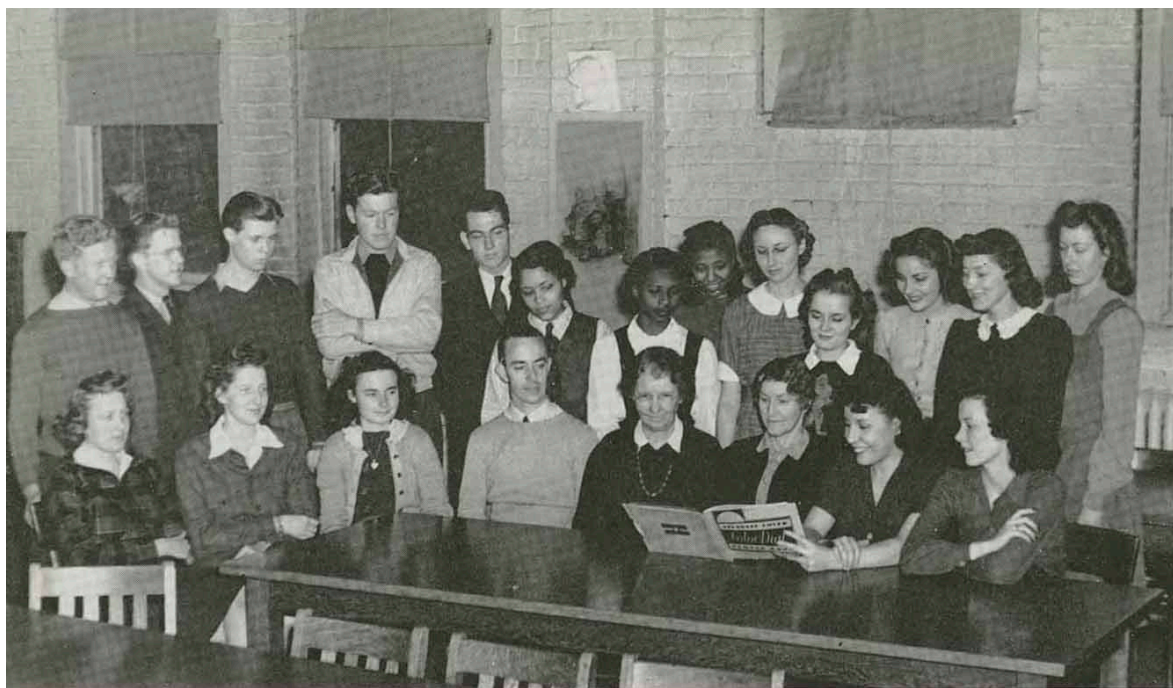

Pep and school spirit! Figuring that this is what the school needed and since everyone looked so down-in-the-mouth about the present emergency, the Pep Club set about to give the students just that. What To Do **IN CASE OF AN AIR RAID**

1. As soon as bombs start dropping, run like the dickens!

(It doesn't matter where you run as long as you run like the dickens!)

2. Take advantage of all opportunities afforded you when air raid sirens sound.

For example:

(a) If in a bakery, grab a pie or cake.

(b) If in a tavern, grab a bottle.

(c) If in a movie, grab a blond.

3. If you find an unexploded bomb, always pick it up and shake it hard, the firing pin may be stuck. If this doesn't work, put it in the furnace, and let it warm up.

4. If an incendiary bomb is found burning in a building, throw some gasoline on it. You can't put it out anyhow, so you might as well have some fun.

5. Always get excited and holler like all getout. It adds to the confusion and scares the devil out of the kids.

6. Drink heavily, eat onions, limburger cheese, etc., before entering a crowded air-raid shelter. This will make you very unpopular with the crowd in your vicinity and eliminate any unnecessary discomfort that would be more prevalent if people crowd too closely.

7. If you should be the victim of a direct bomb hit, don't go to pieces! Lie still and nobody will notice you.

8. Smack the air-raid warden in the face if he starts to tell you what to do. They always save the best seats for themselves and their friends anyway!

ANOTHER PROOF *Comes Off the Press!*

... and another guy (Art to you) is satisfied . . . The proof of a good engraving house is in the results it achieves and the satisfaction it brings to those for whom it works . . . We hope you "eye" the 1942 Kanza with interest and enthusiasm and that it gives you many hours of happiness and contentment . . . May this 33rd volume of the Kanza help you to remember those happy days at Pitt, and also, to remember Mid-co whenever you need the services of the artist or the engraver . . .
