Elizabeth Bacon Custer was a beautiful and loyal Army wife to the legendary General George Armstrong Custer. As his wife, she endured the uncomfortable and sometimes dangerous life of garrisons and bivouacs, first during the Civil War and then in the West. As his widow, this witty and charming lady came into her own as a writer/historian and popular speaker. Her testimony is among the most eloquent and important we have from a woman's perspective of this bygone era.

Provides “Extended Learning Modules” on CD to accompany the chapters. The chapters cover a concept with the “Extended Learning Modules” adding technical information. Instructors have the flexibility to use a combination of chapters and modules to best meet their goals. A web site with password accessibility enhances the content of the book.

*Kiss My Left Behind* is a parody of the popular genre of "End Times" novels written by many Christian authors, including Tim LaHaye, Jean Grant, Mel Odom, and Jonathan R. Cash. In this book the characters struggle with their own obsessions and desires, and don't have much time left over to fight the Antichrist: Nikelay Dubyah, ruler of the former Soviet Republik of Texrectumstan.

_This book continues the saga of Ramrod Steel and his intrepid band of warriors as they fight against the evil of the Antichrist, Nickely Dubyah, the "Fearless Leader" of the former Soviet Republik of Texrectumsian._

Although parents realize they should help develop reading habits in their children by reading to them, they sometimes need encouragement and guidance. The goal of the materials presented is to help educators work with parents. Materials for two workshops are included. Workshop one is for parents who have not been reading with their children and need the confidence to start. Workshop two materials is aimed at parents who reading to their children but may want some techniques and ideas to enhance their reading sessions.

Dr. Sagehorn and Linda Franco have also provided a Spanish language version ot the workshop materials.

Schiefelbein, Janis J. and Susan M. Seglie. *Sissy's Christmas Program (El Programa Navideño de Sissy).*
Jan Schiefelbein and Susan Seglie have combined their talents to create an new children’s book to help calm fears of children who need to go to the hospital. In their first book, Gus Jr. was the featured as he had to visit the health clinic before attending school. Sissy’s Christmas Program features Gus’s little sister, Sissy who has an accident while performing on stage and must make a trip to the emergency room.

Spanish language subtitles are provided.

The Journal for Specialists in Group Work is directed towards group work practitioners and educators with a focus on group work theory, interventions, training, current issues, and research.... The Association for Specialists in Group Work (ASGW) was founded to promote quality in group work training, practice, and research both nationally and internationally. A division of the American Counseling Association (ACA), ASGW numbers among its members over 1200 group workers and group work educators.

Dr. Ward’s role as editor began in July 2001 and will extend until 2007.
