INTRODUCTION

Personal and professional correspondence, organizational newsletters, legal documents, and other items collected by David J. “Papa Joe” Saia during his tenure as Crawford County Commissioner and chairman of the Crawford County Democratic Party.

DONOR INFORMATION

The David Joseph Saia Papers were donated to Pittsburg State University by Mr. Saia on 28 July 1975. Materials in the collection dated after 1975 were compiled by curator Eugene DeGruson.

BIOGRAPHICAL SKETCH

David Joseph “Papa Joe” Saia was a long-time resident of Frontenac, Kansas and one of the most prominent figures in the Kansas Democratic Party. Saia was born on 2 May 1904 in Chicopee, Kansas and began working in the coal fields of Crawford County at age thirteen. His political career began at the same time as a member of the United Mine Workers “pit committee,” a group which carried grievances to the pit bosses in the mines. After the mining industry decline of the 1920s and working railroad jobs in Kansas City, Saia returned to Frontenac where he became involved with the Crawford County Democratic Party. Although Saia claimed to have never sought a political office, once there, he held positions of significant political power both within the Democratic Party, where he eventually became permanent chairman of the Crawford County Democrat Central Committee, and in the county itself, where he became the longest-tenured County Commissioner in the state of Kansas, serving from 1938 to 1988. He died on 10 June 1990 at the age of 86.
